INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
Webber, L.L.C. 401(k) Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Webber, L.L.C. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT, continued

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INDEPENDENT AUDITOR'S REPORT, continued

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedules of Schedule H, Line 4a - Schedule of Delinquent Participant Transactions as of December 31, 2021 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WEBBER, L.L.C. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following brief description of the Webber, L.L.C. (the "Company") 401(k) Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established, effective July 1, 1991 as a defined contribution plan covering substantially all eligible full-time employees of the Company except any employees covered by a collective bargaining agreement, non-resident aliens, and interns. The Plan covers the following participating employers:

Webber Management Group, L.L.C.	California Rail Builders, L.L.C. (a joint venture
Southern Crushed Concrete, L.L.C.	which includes Ferrovia)
Ferrovia Agroman U.S. Corporation ("Ferrovia")	North Perimeter Contractors, L.L.C. (a subsidiary
Bluebonnet Contractors, L.L.C.	of Ferrovia)
Trinity Infrastructure, L.L.C.	Pepper Lawson Construction, L.P.
Webber Barrier Services, L.L.C.	Pepper Lawson Waterworks, L.L.C.
North Tarrant Infrastructure, L.L.C.	Ferrovia Agroman Southeast, L.L.C.
FAM Construction, L.L.C.	Ferrovia Agroman Texas, L.L.C.
Webber Commercial Construction, L.L.C.	PLW Waterworks, L.L.C.
Great Hall Builders, L.L.C.	Ferrovia Agroman West, L.L.C.

The Plan is subject to the provisions of the Employee Retirement Income Security Act ("ERISA") of 1974, as amended.

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act") was enacted and became effective beginning on January 1, 2020. The SECURE Act provisions include, among other things, an increase in the age limit for required minimum distributions from 70 ½ to 72. The Plan management is aware of the SECURE Act and the Fidelity Adoption Agreement will be amended accordingly.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security Act" (the CARES Act) was signed into law. The CARES Act, among other things, included several relief provisions available to tax-qualified retirement plans and their participants. The Plan's management evaluated the relief provisions available to the plan participants and implemented the following provisions for 2020, and only for 2020:

- Emergency coronavirus distributions up to \$100,000;
- Increased the maximum loan amount to the lesser of \$100,000 or 100% of the vested balance for loans taken out between March 27, 2020 and September 22, 2020;
- Loan repayment suspension and extension of loan terms up to one year; and
- Suspension of Required Minimum Distribution for 2020.

Administration

The Company administers the Plan. The trustee for the Plan's assets is Fidelity Management Trust Company (the "Trustee"). The recordkeeper for the Plan is Fidelity Workplace Services, L.L.C. (the "Recordkeeper").

Eligibility

Employees of the Company and the other participating employers are eligible to participate in the Plan on the Plan entry date commencing on or immediately following completion of three months of service and attaining the age of twenty-one years, except (i) interns, (ii) employees covered by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining and (iii) non-resident aliens who do not receive earned income from the Company which constitutes income from sources within the United States of America. Effective Expats who participate in a pension plan in their home country are excluded from participation in the Plan. The Plan entry date is defined in the Plan document as the first day of January, April, July and October.

WEBBER, L.L.C. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Contributions

Participants may contribute up to 100% of their annual compensation as pre-tax deferral contributions, Roth contributions or a combination thereof, not to exceed the limitation (\$19,500 in 2021 and \$19,500 in 2020) set forth in Section 402(g) of the Internal Revenue Code ("IRC"). Participants may make catch-up contributions, pre-tax contributions that exceed the annual elective deferral limit, during any calendar year ending on or after the participant's 50th birthday. Participants' total catch-up contributions during 2021 and 2020 cannot exceed \$6,500 and \$6,500, respectively. Participants may also rollover amounts from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes a safe harbor matching employer contribution to eligible participants, as defined in the Plan document. The Company matches 100% of the first 6% of the participant's eligible compensation. Additionally, the Company may make a discretionary non-elective employer/profit sharing contribution to eligible participants, which is determined by the Company. All Company discretionary non-elective employer/profit sharing contributions are allocated to participants in a ratio that each eligible participant's compensation bears to the total compensation paid to all eligible participants. Such contributions are allocated to participant accounts based on investment allocations selected by participants. During the years ended December 31, 2021 and 2020, the Company made no discretionary matching contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the employers' contributions and (b) Plan earnings. Additionally, each participant's account is charged with an allocation of administrative expenses and Plan losses. Earnings or losses are allocated by fund based on the ratio of a participant's account balance invested in a particular fund to all participants' account balances in that fund. Upon the occurrence of a distribution event, the benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Vesting

Participants are immediately vested in their voluntary contributions and any safe harbor matching contributions plus actual earnings thereon. Participants vest in additional employer matching and discretionary contributions at the rate of 20% per year after two years of service and are 100% vested after six years of service. Participants become immediately 100% vested upon attaining the normal retirement age of 65, disability or death.

Participant Notes Receivable

Participants may borrow from their fund accounts any amount greater than \$1,000 up to a maximum equal to the lesser of (a) \$50,000 reduced by the participant's highest outstanding loan balance during the prior twelve months, or (b) 50% of the participant's vested account balance. Loans are collateralized by the vested balance in the participant's account and bear interest at a reasonable rate determined by the Plan administrator. Participant loans bore interest at rates ranging from 4.25% to 6.50% during 2021 and 2020.

Payment of Benefits

Upon termination of employment for any reason, a participant (or his or her designated beneficiary in the event of death) is entitled to receive a distribution of the total vested balance of his or her account in a single lump-sum payment or installment distributions over the participant's assumed life expectancy.

Participants over the age of 59 ½ may make an in-service withdrawal of the vested interest in their account balance. Hardship withdrawals from a participant's elective deferral account before age 59 ½ are also permitted under certain circumstances, subject to a \$500 minimum.

Forfeited Accounts

All employer contributions credited to a participant's account, but not vested, are forfeited by the participant upon distribution of the full vested value of his or her account. Forfeitures are used to fund employer contributions or to pay Plan expenses. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$84,768 and \$78,243, respectively. Also, during the years ended December 31, 2021 and 2020, plan expenses were reduced by \$20,036 and \$5,775 from the forfeited nonvested accounts, respectively.

WEBBER, L.L.C. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. These investment options are exposed to market risks that generally mean the risk of loss in the value of certain investment securities due to changes in interest rates, security and commodity prices and general market conditions. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices in active markets which represent the net asset value of shares held by the Plan at year-end. The Plan's interest in the common collective trust is valued based on the fair value of the underlying investments held by the fund less its liabilities at year end.

Net (depreciation) appreciation in fair value of investments includes realized gains and losses on investments sold during the year and net unrealized (depreciation) appreciation of investments held at the end of the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

WEBBER, L.L.C. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Benefit Payments

Benefit payments are recorded when paid.

3. Fair Value Measurements

ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In determining fair value, the Plan generally uses the market approach. The market approach uses prices and other relevant data based on market transactions involving identical or comparable assets and liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective trust: Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2021 and 2020:

<u>Assets at Fair Value at December 31, 2021</u>			
<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Total investments at fair value			<u>\$ 93,176,215</u>

^(a) In accordance with ASU No. 2015-07, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table summarizes Plan's investments measured at fair value based on the NAV per share as a practical expedient as of December 31, 2021 and 2020:

<u>Investment</u>	<u>Fair Value December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>

4. Information Certified by the Trustee (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net (depreciation) appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

WEBBER, L.L.C. 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

5. Federal Income Tax Status

The Plan adopted by the Company is a volume submitter ("VS") plan that is designed to comply with provisions of the IRC's Economic Growth and Tax Reconciliation Act of 2001 ("EGTRRA"). Such VS plans are preapproved by the Internal Revenue Service ("IRS") by reference to the Cumulative List of Changes in Plan Qualification Requirements (the "Cumulative List") provided under EGTRRA. Because the Plan is a VS plan, the Company is not authorized to amend the Plan except to comply with changes in the Cumulative List. Fidelity Management Trust Company received a favorable determination letter from the IRS dated March 31, 2014, informing it that the VS prototype plan and trust document on which the Plan is based are qualified and exempt in accordance with the IRC. Although the Plan has been amended since the date of this determination letter, the Plan administrator and management of the Company believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U. S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

7. Party-In-Interest Transactions

Certain Plan investments are in mutual funds managed by an affiliate of the Trustee. The Plan also includes participant notes receivable. These transactions qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2020:

	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 96,542,976

Net increase in net assets available for benefits per the Form 5500	<u>\$ 22,910,828</u>	<u>\$ 20,563,774</u>

9. Delinquent Participant Contribution Transactions

During the years ended December 31, 2021, the Company determined that certain employee deferrals aggregating \$10,349 had not been remitted to the Plan in a timely manner, according to DOL regulations. Although these remittances were made, they fell outside the normal processing time the Company allows. An investigation was held to determine the root cause of the delinquent contributions, and corrective measures were taken. The lost earnings for 2021 contributions was \$3,335 and was processed and deposited in 2021.

10. Subsequent Events

Plan management has evaluated subsequent events through October 14, 2022, the date the financial statements were issued, and has concluded that there are no other significant events to be reported.
