INDEPENDENT AUDITORS' REPORT

To the Post-Retirement Benefits Committee and Participants
WellSpan 403(b) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of WellSpan 403(b) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - continued

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - continued

Auditors' Responsibilities for the Audit of the 2021 Financial Statements - continued

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U. S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT - continued

Other Matters - continued

2021 Supplemental Schedule Required by ERISA - continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. In our audit report, dated December 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WELLSPAN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN

The following brief description of the WellSpan 403(b) Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering substantially all employees of WellSpan Health, York Hospital, Gettysburg Hospital, WellSpan Medical Group, Healthy Community Pharmacy, WellSpan Specialty Services, VNA Home Health Services, VNA Community Services, Good Samaritan Hospital, WellSpan Philhaven, Summit Physician Services and Affiliates, Summit Surgery Center, LP, Waynesboro Hospital, Chambersburg Hospital (non-bargaining), and Ephrata Community Hospital (collectively, the Company), with certain exclusions as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective December 31, 2020, the Chambersburg Hospital Non-Bargaining ERISA 403(b) Plan and the Retirement Plan of Waynesboro Hospital were merged into the WellSpan 403(b) Retirement Savings Plan. Plan assets were in the custody of Voya Institutional Trust Company (Voya) until January 2021 when they were transferred to Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively Great-West). Ownership of the assets at Voya transferred on December 31, 2020 to the WellSpan 403(b) Retirement Savings Plan, concurrent with the Plan merger date.

Effective September 14, 2021, the Summit Physician Services and Affiliates 401(k) Plan transferred participant accounts into the Plan. Because the Plan could not merge 401(k) accounts into a 403(b) plan, the investments were transferred as rollovers, which amounted to \$102,563,875, and the participant loans were reported as a transfer into the Plan. Participant loans transferred in amounted to \$1,433,770.

Participation

An employee becomes a participant in the Plan and is eligible to make salary deferral contributions on their date of hire. The Plan offers automatic enrollment. Eligible employees will be automatically enrolled into the Plan with a 4% employee deferral contribution. Employees have the option to elect other deferral percentages once enrolled in the Plan. Company contributions are subject to certain eligibility requirements as defined in the plan document. An employee may begin to receive company contributions in the month coinciding with or next following the date eligibility requirements are met.

Service Rules

Employees are credited with a year of service for each plan year during which they have at least 500 hours of service.

NOTE A - DESCRIPTION OF PLAN - continued

Contributions

There are several types of contributions that can be added to a participant's account: an employee salary deferral contribution, a discretionary matching contribution, and a discretionary non-elective contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover).

Participants may contribute by way of a salary deferral contribution not to exceed the annual maximum deferral amount as defined by law. Catch-up deferrals are permitted by eligible participants age 50 or older by the end of a calendar year. Participants may designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants may change their deferral election at times throughout the year as defined in the plan document.

The Company elected to make a discretionary matching contribution equal to 50% of the first 4% of each eligible participant's salary deferral contributions. However, the Company stopped the discretionary matching contributions for the period July 1, 2020 to November 30, 2020. Before applying forfeitures, employer matching contributions were approximately \$26,000,000 and \$11,000,000 for the years ending December 31, 2021 and 2020, respectively.

The Company elected to make a discretionary non-elective contribution equal to 4% of an eligible participants compensation for the period January 1, 2020 through June 30, 2020, at which point it was reduced to 2% for the period July 1, 2020 through February 28, 2021. The Company increased the percentage back to 4% beginning March 1, 2021 through December 31, 2021. Before applying forfeitures, employer discretionary non-elective contributions were approximately \$58,000,000 and \$36,500,000 for the years ending December 31, 2021 and 2020, respectively.

The Company also made an additional discretionary non-elective contribution of \$800 to all non-bargaining unit employees that were active as of December 31, 2020. This additional non-elective contribution amounted to approximately \$13,000,000 and was paid August 2021.

The participants may direct their accounts into various investment options. If the participant fails to provide such direction, contributions are invested in target funds based on participant's birth year.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN - continued

Participant Accounts

Each participant's account is credited with the participant's contribution and the participant's share of (a) the employer contributions, (b) an allocation of investment earnings or losses based on the participant's directed investment accounts and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. Each participant directs the investments for their account.

Vesting and Forfeitures

A participant is 100% vested at all times in the participant's salary deferral contributions, rollover contributions, and earnings thereon regardless of the number of years of service. Vesting in employer contributions is based on years of continuous service as specified in the plan document with accounts becoming 100% vested after three years of service or upon retirement, disability, or death.

Forfeitures of employer non-vested accounts are used to pay future administrative expenses of the Plan or to reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts amounted to approximately \$2,300,000 and \$2,000,000, respectively. During the years ended December 31, 2021 and 2020, forfeitures applied against employer contributions or expenses amounted to approximately \$2,900,000 and \$1,500,000, respectively.

Payment of Benefits

Upon termination of employment, if a participant's vested interest in their account exceeds \$5,000, no distribution shall be made to the participant before they reach the age of normal retirement or receipt of consent to pay out by the participant and their spouse, if applicable.

If the participant's account balance is less than \$5,000, the vested balance is paid out in the form of a lump sum distribution. In the event of a mandatory distribution greater than \$1,000, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement arrangement designated by the Plan Administrator if the participant does not elect a direct rollover or lump sum distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note E for further discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is credited to participant guaranteed accounts based on the rate communicated to the Plan; rates are generally adjusted on an annual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the payable date. Interest income, not related to the guaranteed accounts, is recorded on the accrual basis.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. There were no investments that represented more than 10% of total investments as of December 31, 2021 and 2020.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Company considered the impact of the COVID-19 pandemic on the assumptions and estimates used and determined that there were no material adverse impacts on the financial statements as of December 31, 2021 and 2020 and for the years then ended.

WELLSPAN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C - IMPACT OF LEGISLATIVE CHANGES AND COVID-19 ON THE FINANCIAL STATEMENTS

On March 11, 2020, the World Health Organization (WHO) recognized COVID-19 as a global pandemic, prompting many national, regional, and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders.

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000.
- Increase the available loan amount as described in Note J to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Extend the period for loan repayments, if applicable, up to one year.

NOTE D - INVESTMENTS

The Plan's investments are held in trust and administered by Great-West and Voya, the custodians, as of December 31, 2021 and 2020. The investments, investment income, notes receivable from participants, and interest income on notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the custodians.

NOTE E - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs for identical assets and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

NOTE E - FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,930,860,836	\$ -	\$ -	\$1,930,860,836
Self-directed brokerage accounts	13,139,583	-	-	13,139,583
Investment in general account	-	3,767,677	-	3,767,677
Total investments at fair value	<u>\$ 1,944,000,419</u>	<u>\$ 3,767,677</u>	<u>\$ -</u>	<u>\$1,947,768,096</u>

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,513,020,286	\$ -	\$ -	\$1,513,020,286
Self-directed brokerage accounts	10,008,822	-	-	10,008,822
Investment in general account	-	6,669,219	-	6,669,219
Total investments at fair value	<u>\$ 1,523,029,108</u>	<u>\$ 6,669,219</u>	<u>\$ -</u>	<u>\$1,529,698,327</u>

Gains and losses (realized and unrealized) are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no significant changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices and are actively traded.

WELLSPAN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE E - FAIR VALUE MEASUREMENTS - continued

Investment in general account: Reported at fair value, which approximates contract value. The Plan invests in a general account with Voya which seeks to hold the principal value of the account stable through all market conditions. The account is credited daily with declared rates of interest and is subject to minimum contractual guarantees, which are communicated to the Plan. Withdrawals from the account are limited to certain percentage of the account value or paid in installments. The credited interest rate, account balance and formulas upon which payments may be based are observable through the contract with Voya.

NOTE F - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan is invested in a fully benefit-responsive investment contract with Great-West provided under a group annuity contract called the Great-West Select Guaranteed Fund.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1.00%. Such interest rates are reviewed on an annual basis for resetting. The guaranteed contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The average yields of the guaranteed investment contract are as follows for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Based on actual earnings	1.85%	2.10%
Based on interest rate credited to participants	1.85%	1.00%

WELLSPAN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F - INVESTMENT CONTRACT WITH INSURANCE COMPANY - continued

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other Company events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA of 1974. The Plan Administrator does not believe that the occurrence of any event that would limit the Plan's ability to transact at contract value with participants is probable of occurring.

Additionally, the Plan invests in several other immaterial contracts with various insurance companies.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their company contributions.

NOTE H - PLAN TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (IRC). The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b). The Plan Administrator believes that the Plan is operating in accordance with the applicable requirements of Section 403(b) of the IRC and, therefore, believes the Plan is qualified and the related custodial account is tax-exempt.

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE I - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are managed by Great-West and Voya along with a few insignificant life insurance contracts by other providers, all considered custodians, and therefore these transactions qualify as party-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. The custodians are considered parties-in-interest as defined by ERISA as a result of investing plan assets in their funds and accounts and providing investment management services. However, these transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. In addition, investment fees are included in administrative expenses.

NOTE J - NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at unpaid balances plus any unpaid accrued interest. Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 under the Plan's loan provision. The loans may not exceed one-half of the employee's vested account balance and are generally limited to five years. In conjunction with the CARES Act as discussed in Note C, the maximum amount may be increased to the lesser of \$100,000 or 100% of the employee's vested balance. In addition, the repayment term may extend to six years with no payments required for up to twelve months with any accrued interest during the period of non-repayment re-amortized over the remaining term of the loan. Interest rates are determined by the Plan Administrator in accordance with the Plan's loan provisions. Loan repayments are made through payroll deductions. There is no credit risk involved with these loans as any defaults are then deemed taxable distributions to the participant. Loans are considered past due when they are not paid within the terms stated on the agreement, typically within 90 days. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. These loans satisfy the statutory exemption from the prohibited transaction rules.

NOTE K - SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the independent auditors' report, the date the financial statements were available to be issued.

Effective October 1, 2022, the Plan implemented an auto-escalation provision whereby deferral rates will increase 1% each year, up to a maximum of 10%, unless the participant elects otherwise.
