INDEPENDENT AUDITOR'S REPORT

Board of Directors
PH Hyundai 401(k) Plan
City of Industry, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

I have performed an audit of the accompanying financial statements of PH Hyundai 401 (k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of PH Hyundai 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained from a qualified institution as of and for the year ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In my opinion, based on my audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibility under those standards is further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of PH Hyundai 401(k) Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered to aggregate, that raise substantial doubt about PH Hyundai 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of my report, my objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PH Hyundai 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are other conditions or events, considered in the aggregate, that raise substantial doubt about PH Hyundai 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

My audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether there are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line4i—Schedule of Assets Held at End of Year as of December 31, 2021 and 2020 are presented for purposes of additional analysis are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare financial statements. The information included in the supplemental schedules, other than agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, I compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA (Continued)

In forming my opinion on the supplemental schedules, I evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In my opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined the requirements of ERISA Section 103(a)(3)(c).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the PH Hyundai 401(k) Plan (The Plan) provides only general information. Financial statement users should refer to The Plan agreement for a more complete description of The Plan's provisions.

A. General

The Plan was established on January 1, 2011 as a defined contribution plan covering eligible employees of PH Hyundai (The Plan Sponsor). Eligible employees are those who have a minimum six months of service and are age twenty-one or older. All employees employed on January 1, 2011 shall be eligible to participate in The Plan as of the earliest entry date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Each year, participants may contribute a portion of pretax annual compensation, as defined in The Plan. Participants direct the investment of their contributions into various investment options offered by The Plan. The Plan currently offers investment options through the custodian, Voya Retirement Insurance and Annuity Company (see Note 4). The Plan Sponsor may make matching contributions proportionate to each employee's elective contributions as well as discretionary profit-sharing contributions. For the year ended December 31, 2021, and 2020 no matching contributions were made.

The Plan Sponsor may also make discretionary profit-sharing contributions to The Plan. No profit-sharing contributions were made for the year ended December 31, 2021, and 2020.

C. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) The Plan Sponsor's contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations of The Plan Sponsor contributions are proportionate to each participant's contributions as determined at each payroll date. Investment earnings and losses and administrative expenses are allocated daily based upon each participant's average balance. The benefit to which a participant is entitled is the benefits that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in The Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on one to five full years of continuous service.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

D. Vesting (Continued)

Participant vest in the following manner:

Years of Service	Vested Percentage
1.	25%
2.	50%
3.	75%
4.	100%

E. Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum of $50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at the prime rate as published by the Federal Reserve as of the last day of the month preceding the loan plus 1-3%. Loans are required to be repaid within five years.

F. Payment of Benefits

A participant whose employment terminates through normal cause may elect to commence distribution of his benefits within a reasonable time period after the established plan distribution date or delay the commitment of benefits to a further determined date. Furthermore, unless the participant elects otherwise, his vested and non-forfeitable account balance will be disbursed no later than 90 days after the last day of The Plan year. The Plan distributed $27,835 in benefits to terminated participants for the year ended December 31, 2021.

G. Hardship Distributions

Hardship distributions are allowed for participants that have incurred expenses related to medical, a first-time home purchase, foreclosure, damages to a principal residence, and tuition for educational fees. Hardship distributions may also be used to make payments required to prevent the eviction of the Participant from his principle residence or the foreclosure on the mortgage of the Participant's principal residence. Participants who take a hardship withdrawal may not make any elective contributions to The Plan for six months after the initial distribution date.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

H. Forfeited Accounts

Forfeited accounts are considered the portion of a participant's account that is not vested on the last day of The Plan year. Each year on the anniversary date of The Plan, a distribution of the entire vested portion of the participant's account is reallocated to supplement the non-elective contribution payable to The Plan. The Plan had no forfeitures for the year ended December 31, 2021.

I. Administrative Expenses

Administrative expenses consist of maintenance charges paid to Voya Retirement Insurance and Annuity Company. These charges are calculated as a percentage of the closing daily market value of investments held by The Plan. These costs are allocated on a per capita basis and charged equally to each participant's account.

A third-party administrator is engaged by The Plan to assist with compliance to Department of Labor, Internal Revenue Service and ERISA regulations. The cost of engaging the third-party administrator is absorbed by The Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The preparation of financial statements is in conformity with United States generally accepted accounting principles requires The Plan administrator also makes estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

B. Basis of Presentation

The Plan's investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for further discussion of fair value measurements. Investments in common collective trusts funds include the Guaranteed Interest Account Fund. The Guaranteed Interest Account Fund invests in fully benefit-responsive investment contracts including primarily guaranteed and synthetic investment contracts issued by banks, insurance companies and other issuers. The Guaranteed Interest Account Fund is recorded at fair value (see Note 4).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

B. Basis of Presentation (Continued)

However, since these contracts are fully benefit-responsive, an adjustment is made to reflect this investment at contract value, which represents cost plus accrued income less redemptions. The fair value of the guaranteed investment contracts is generally determined by discounting the schedule future payments required under the contract. The fair value of wrap contracts reflects the discounted present value of the difference between the current wrap contract cost and its replacement cost, based on issuer quotes.

For assets other than investment contracts, including securities underlying synthetic investment contracts, fair value generally is reflected by market value at close of business on the valuation date. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by The Plan at year-end.

Short term investments are valued at cost, which approximates fair value. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date.

C. Use of Estimates in Preparing Financial Statements

The Plan uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amount of assets and liabilities and the reported amounts of revenues and expenses. Actual results could vary from the estimates that were used.

D. Advertising, Marketing, and Fundraising Expenses

The Plan accounts for advertising, fundraising and marketing costs as expenses in the period in which they are incurred.

NOTE 3 - CASH AND CASH EQUIVALENTS

Cash balances held in banks and credit unions and in revolving funds are insured up to $250,000 per account by federal agencies. The Plan had no uninsured cash amounts for the year ended December 31, 2021. The Plan had no cash equivalents for the years ended December 31, 2021.

NOTE 4 - INVESTMENTS AND FAIR VALUE MEASUREMENTS

A. Investments

The Plan provides investment options through an allocated retirement account group annuity contract (ARA contract) Voya Retirement Insurance and Annuity Company. The ARA contract offers guaranteed accounts and separate accounts. Guaranteed interest investment options are defined as the 3-year, 5-year, and 10-year Guaranteed Accounts that earn guaranteed interest at specific rates. Contributions to these accounts are invested in the general funds of and are guaranteed Voya Retirement Insurance and Annuity Company. Pooled separate accounts are defined as funds sub-advised by the third parties, or which invest in funds managed by external mutual fund companies. Such pooled separate accounts are established in accordance with state laws and are maintained separately from the general assets of Voya Retirement Insurance and Annuity Company.

B. Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities **(Level 1 measurements)** and lowest priority to measurements involving significant unobservable inputs **(Level 3 measurements)**.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of their investments. When available, the organization measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, The Plan's assets at fair value as of December 31, 2021.

	Assets at Fair Value as of December 31, 2021
