The Reinforced Earth Company 401(K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Reinforced Earth Company 401(K) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held At End of Year) at December 31, 2021 and the Schedule of Delinquent Participant Contributions are presented for the purpose of additional analysis and are not a required part of the 2021 financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE A - PLAN DESCRIPTION

General

The following description of The Reinforced Earth Company 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan is a defined contribution plan established to provide retirement benefits for employees of The Reinforced Earth Company, Inc.; Freyssinet, Inc.; DGI-Menard, Inc.; US Wick Drain, Inc.; Refco Employee Services, LLC; C.A.R.P.I. U.S.A. Inc.; Conetec, Inc.; Superior Precast, LLC; and SineWall LLC (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Upon election, eligible employees become participants in the Plan on the first day of the month after attainment of age 21. Additionally, participants are eligible to receive Company contributions, both safe harbor and discretionary profit-sharing contributions, after one year of service, provided they worked at least 1,000 hours during such plan year.

Contributions

Participating employees may elect to contribute up to 80% of their compensation to the Plan. They may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants who have attained the age of 50 before the end of the plan year are eligible to make catchup contributions. The Company will contribute a safe harbor matching contribution equal to 100% of employees' salary deferrals up to 3%, plus 50% of salary deferrals between 3% and 5%. The Company may also make discretionary profit-sharing contributions. The Company did not make any such discretionary profit-sharing contribution during 2021. All employer contributions are deposited into investment funds according to the participants' investment selections for his or her contributions. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Forfeitures

Plan forfeitures are utilized to reduce safe harbor matching contributions and pay expenses. At December 31, 2021 and 2020, forfeited nonvested accounts were insignificant to the financial statements. Forfeitures at December 31, 2021 and 2020 and utilized during the year ended December 31, 2021 were immaterial to the financial statements.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE A - PLAN DESCRIPTION (CONTINUED)

Vesting

Participants are vested immediately in their employee and employer safe harbor contributions, plus actual earnings thereon. Vesting in discretionary profit-sharing contributions is based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>	
1	20	%
2	40	
3	60	
4	80	
5	100	

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions based on eligible compensation as well as plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service, including separation due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account by the following options: deferred annuity, continued account, cash payment, installment payments or direct rollovers. If the account balance is less than \$5,000, the distribution shall be paid in the form of a lump-sum benefit.

Notes Receivable from Participants

Notes receivable from participants represent amounts that participants have borrowed from their individual accounts. The minimum amount that may be borrowed is \$1,000, and is subject to a maximum of the lesser of either 50% of the vested account balance or \$50,000. The \$50,000 limit is reduced by the highest outstanding note, if any, in the past 12 months. Terms of the notes range from one to five years. Participants are allowed no more than two outstanding loans at a time. Notes are secured by the balance in the participant's account, and bear interest at a rate equal to the prime lending rate plus 0.75% at the time the note is requested. Principal and interest are paid ratably through biweekly payroll deductions.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE A - PLAN DESCRIPTION (CONTINUED)

Plan Termination

Although the Company has not expressed any intention to do so, it has the right under the Plan to terminate the Plan, subject to the provisions set forth in ERISA. Upon termination of the Plan for any reason, all participants become 100% vested in their employer discretionary profit-sharing contribution balances.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements follows:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value), which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant note to be a distribution, the participant note balance is reduced and a benefit payment is recorded. On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law, providing both plan sponsor and participant relief. The Plan adopted a participant loan provision allowing participants to take a 12-month delay for loan repayments due from March 27, 2020 to December 31, 2020.

Payment of Benefits

Benefits are recorded when paid. As part of the CARES Act, the Plan adopted a new distribution option that allowed participants to withdraw up to \$100,000 as a coronavirus-related distribution with no early withdrawal penalty for participants younger than age 59½ and to pay the taxes associated with such withdrawal over a three-year period.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants, benefit payments and investment-related expenses are charged directly to the participant's account and are included in administrative expenses.

Subsequent Events

Plan management has evaluated subsequent events through October 17, 2022, the date that the financial statements were issued and determined that there have been no events that have occurred that would require adjustments to the disclosures in the financial statements.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE C - UNAUDITED INFORMATION CERTIFIED BY THE TRUSTEES

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by, Reliance Trust Company from January 1, 2021 through October 31, 2021 and Great-West Trust Company, LLC from November 1, 2021 to December 31, 2021, the trustees of the Plan.

NOTE D - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE D - FAIR VALUE MEASUREMENT (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts - Valued at NAV, which as provided by the trustee is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. At December 31, 2021 and 2020, there were no unfunded commitments, and investments are redeemable on a daily basis and without restriction. The underlying investments of the pooled separate accounts consist solely of mutual funds, each of which follows a separate investment strategy.

Common Collective Trusts - Valued at NAV of units of a common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods might produce a fair value calculation that might not be indicative of net realizable value or reflective of future fair values. Further, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE D - FAIR VALUE MEASUREMENT (CONTINUED)

As of December 31, 2021 and 2020, the fair values of the Plan's investments measured on a recurring basis are categorized as follows:

	2021			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ <u>6,050,777</u>	<u>-</u>	<u>-</u>	\$ <u>6,050,777</u>
Investments measured at NAV (a)				<u>60,364,796</u>
Total investments at fair value				\$ <u><u>66,415,573</u></u>

	2020			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ <u>13,179,173</u>	<u>-</u>	<u>-</u>	\$ <u>13,179,173</u>
Investments measured at NAV (a)				<u>42,183,215</u>
Total investments at fair value				\$ <u><u>55,362,388</u></u>

- (a) Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE E - GUARANTEED INTEREST FUND WITH AN INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract (GIC) with Massachusetts Mutual Life Insurance Company (Mass Mutual), which maintains the contributions in a separate investment account that is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest fund issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan.

Because the guaranteed interest fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The GIC is included in the financial statements at contract value, which represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value.

The Reinforced Earth Company 401(K) Plan

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE E - GUARANTEED INTEREST FUND WITH AN INSURANCE COMPANY (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer, including: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan); (2) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan; or (3) the failure of the Plan to qualify for exemption from federal income taxes or any prohibited transaction exemption under ERISA. The Plan administrator does not believe the occurrence of any such event that would limit the Plan's ability to transact at contract value with participants is probable.

NOTE F - INCOME TAX STATUS

The Plan is a prototype non-standardized profit-sharing plan (Prototype) with a cash or deferral arrangement. The Prototype received an opinion letter from the IRS, dated December 31, 2018, classifying it as a qualified employee benefit plan under Section 401(a) of the Internal Revenue Code (IRC), and thus exempt from federal income tax under Section 501(a). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE G - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts and guaranteed interest funds, which are managed by Mass Mutual and Reliance Trust Company. Mass Mutual is the recordkeeper and Reliance Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions that are allowable under ERISA.

The Plan sponsor provides to the Plan certain accounting and administrative services for which no fees are charged.
