Independent Auditor's Report

To the Plan Administrators
People's Community Clinic 403(b) Thrift Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of People's Community Clinic 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of People's Community Clinic 403(b) Plan's (the Plan) 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes and schedule of reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of People's Community Clinic 403(b) Thrift Plan were audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 7, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PEOPLE'S COMMUNITY CLINIC 403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the People's Community Clinic 403(b) Thrift Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions. The plan is sponsored by People's Community Clinic, Inc. (a tax-exempt 501(c)(3) nonprofit corporation), (i.e. the Organization, Sponsor, or Employer). Mutual of America Life Insurance Company is the appointed custodian and recordkeeper of the Plan.

General – The Plan is a defined contribution plan covering eligible employees as defined in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and regulations issued by the Department of Labor. This plan is not integrated with Social Security. The Plan is amended annually to conform to the current rules and regulations.

Eligibility – To become a participant in the plan, an employee must be eighteen years old and is eligible to contribute to the plan and receive matching contributions upon their date of hire. Employees are eligible for non-elective contributions after one year of service (at least 1,000 hours). Plan entry dates are the first payroll following the date eligibility requirements are met.

Contributions – Eligible employees may contribute up to \$19,500 for 2021 and 2020; participants aged 50 and over may contribute additional "catch-up" contributions up to \$6,500 for 2021 and 2020. The Organization permits rollover contributions into the Plan. The Plan includes an automatic deferral feature whereby a participant is treated as electing to defer 2% of eligible compensation unless the participant made an affirmative election otherwise. The automatic deferral feature also provides for an annual increase in the percentage deferred beginning after two years of service and is ultimately capped at 8%. The Employer makes discretionary matching contributions of 100% of employee contributions up to 4% of employee earnings. The Sponsor has the option to make discretionary Qualified Non-Elective Contributions (QNEC).

Participant Accounts – The Plan allows participants to choose their investments from several investment options. Each participant's account is managed by the Plan and credited with (a) the participant's contributions, (b) employer matching contributions and (c) allocation of Plan earnings, and (d) charged with an allocation of administrative expenses. The earnings allocated to a participant are based on the performance of the investments selected by the participant. The benefit to which a participant is entitled is the vested balance in the participant's account.

Vesting – Participants are immediately 100% vested in their voluntary contributions and rollover amounts, plus actual earnings thereon. Participants are fully vested in employer matching contributions plus allocated earnings after six years of credited service (20% per year after the second year of credited service) A participant immediately becomes 100% vested upon death, disability, or attainment of normal or early retirement.

PEOPLE'S COMMUNITY CLINIC 403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

Investment Options – Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are invested according to the participant's direction. The Plan offers investments in mutual funds and an investment accumulation account in its general account sponsored by Mutual of America Life Insurance Company.

Payment of Benefits – Upon retirement, death, disability, or termination of employment, a participant (or beneficiary, if applicable) may receive a lump-sum distribution or partial withdrawals. In-service distributions are permitted, including hardship withdrawals. Distributions are paid from participants' vested account balances subject to limitations defined in the Plan. Benefits are recorded when paid.

Forfeitures – Forfeitures are the non-vested portion of employer discretionary matching contributions of a terminated participant's account balance. These may be used to reduce matching contributions or to pay administrative expenses of the Plan. Forfeitures totaled \$67,226 in 2021 and \$59,952 in 2020. Forfeitures were used to reduce employer matching contributions by \$77,221 in 2021 and \$51,875 in 2020. The remaining balance in the forfeiture account totaled \$6,630 in 2021 and \$13,560 in 2020.

2. Summary of Accounting Policies

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Benefits are recorded when paid.

Investments are reported at fair value other than the Interest Accumulation Account which is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

PEOPLE'S COMMUNITY CLINIC 403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

3. Administration of Plan Assets

The Plan assets are held by the Trustee of the Plan. Employer and participant contributions are invested by the Trustee as directed by the participants. The administrative expenses associated with the third-party administrator for the Plan are paid directly by the employers. Certain fees are paid by the participants' investment funds to their affiliated investment advisors, transfer agents and record keepers as further described in each fund prospectus or other published documents. These fees are deducted prior to allocation of the Plan's investment earnings activity and thus are not separately identifiable as an expense.

4. Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental information was obtained from data that has been prepared and certified to as complete and accurate by Mutual of America Life Insurance Company.

	December 31,	
	2021	2020
Investments at Fair Value		
Mutual Funds	\$ 14,466,019	\$ 11,916,323
Investments at Contract Value

Notes Receivable from Participants	90,571	59,781
	<u>\$ 15,263,773</u>	<u>\$ 12,255,027</u>
	December 31,	
	2021	2020
Net Appreciation in Fair Value of Investments	\$ 1,978,961	\$ 1,555,168
Interest and Dividends	1,572	3,074
Interest on Participant Loans	2,960	2,873

5. Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at prime plus one percent. Principal and interest is paid ratably through monthly payroll deductions. The term of the loan should not exceed five years except in the case of a loan used to acquire a dwelling unit that is to be the principal residence of the participant. Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest.

PEOPLE'S COMMUNITY CLINIC 403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

Participant notes receivable held at Mutual of America Life Insurance Company are payable to Mutual of America Life Insurance Company but secured by the balance in the participant's vested account and bear interest at a rate commensurate with local prevailing rates. The Plan administrator must periodically review interest rate assumptions to ensure the interest rate charged is reasonable. At December 31, 2021 and 2020, \$90,571 and \$59,781 respectively, of the Plan's net assets served as collateral for the outstanding loan balances held at Mutual of American Life Insurance Company.

6. Fair Value Measurements

Financial Accounting Standards Board (FASB), *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PEOPLE'S COMMUNITY CLINIC 403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Totals</u>
Mutual Funds	\$ <u>14,466,019</u>	\$ <u>0</u>	\$ <u>0</u>	\$ <u>14,466,019</u>

Assets at Fair Value as of December 31, 2020				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Totals</u>
Mutual Funds	\$ <u>11,916,323</u>	\$ <u>0</u>	\$ <u>0</u>	\$ <u>11,916,323</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

7. Interest Accumulation Account

The Plan executed a group annuity contract with Mutual of America effective July 1, 2018. Amounts placed in the Interest Accumulation Account of Mutual of America's General Account are credited with interest at a rate determined by Mutual of America. Mutual of America reserves the right to change the interest rates applicable to amounts held in the Interest Accumulation Account at their discretion. Since the General Account is carried at amortized cost, or contract value, it is deemed to be fair value for an insurance company general account. Mutual of America's General Account is valued at a contract value (book value) basis. There are no front or back-end charges, so investments in the General Account are completely liquid. The interest rate credited to investments in the General Account is a current rate, and not dependent upon the length of time the assets are invested with Mutual of America.

Requests for withdrawal can be made at any time and are processed on the day that they are received; they are not dependent on the Plan having to liquidate securities to generate a payment. The value shown on the pension fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments or interest rate adjustments that would affect the value because of a withdrawal request. The current crediting rate for 2021 and 2020 is 1%.

8. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

PEOPLE'S COMMUNITY CLINIC 403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Concentrations of credit risk exist if a number of investments are engaged in similar activities and have similar economic characteristics that could cause their ability to meet contractual obligations to be similarly affected by changes in economic or other conditions. The Plan has invested in a variety of financial instruments and investments involving diverse industries and geographic areas to mitigate exposure to credit risk.

10. Tax Status

The Plan, together with the investment vehicles, is intended to be a tax-sheltered annuity plan under Section 403(b) of the Internal Revenue Code (IRC) of 1986, as amended. An employer that adopts a 403(b) pre-approved plan generally has assurance that its plan document complies with IRC Section 403(b). The IRS does not intend to establish a determination letter program for individually designed 403(b) plans at this time. The Plan has not requested or obtained a determination letter from the IRS. However, the Plan received a favorable advisory letter dated March 31, 2017 that the pre-approved plan is acceptable under section 403(b) of the IRC. The Plan administrator and Plan's tax counsel believe that by adopting the prototype standardized plan referenced above, that the Plan is being operated in compliance with applicable requirements of the Internal Revenue Code and is not subject to tax.

The Plan adopted the "uncertain tax positions" provisions of accounting principles generally accepted in the United States of America. The primary tax position of the Plan is its filing status as a tax exempt entity. The Plan determined that it is more likely than not, that its tax positions would be sustained upon examination by the Internal Revenue Service (IRS), or other State taxing authority. There were no penalties or interest recognized during the year ended December 31, 2021 and 2020. The Plan is no longer subject to U.S. federal income tax examinations by federal taxing authorities for years before 2018.

11. Related Party Transactions

Custodians, brokers, and others who provided services to the Plan for the years presented are considered fiduciaries under ERISA. Certain Plan investments are managed by the plan custodians Mutual of America Life Insurance Company. Because the Plan pays certain fees to these parties, these transactions qualify as party-in-interest transactions. Such fees totaled \$3,482 in 2021 and \$3,120 in 2020. Additionally, since the Organization is the Plan sponsor, the Organization's payment of certain administrative expenses on behalf of the Plan constitutes party-in-interest transactions. Participant loans also qualify as party-in-interest transactions. In each case, these are exempt party-in-interest transactions under ERISA.
