Independent Auditor's Report

RSM US LLP

Retirement Plan Administrator
Greeley and Hansen Profit Sharing and Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Greeley and Hansen Profit Sharing and Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Greeley and Hansen Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Greeley and Hansen (the Company) Profit Sharing and Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan established to provide retirement income to eligible employees and principals. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation: An employee or principal is eligible to participate in the Plan on the beginning of the next month after employment and reaching the age of 21. Temporary employees who are paid on an hourly basis are not eligible to participate in the Plan. All eligible participants are automatically enrolled at 5% of eligible compensation in the Plan unless they specifically elect a different amount before the default percentage is applied, or opt out.

Contributions: Participants in the Plan may elect to make pre-tax and Roth, post-tax contributions up to 50% of their annual compensation subject to the Internal Revenue Code (IRC) limits. The maximum amount was \$19,500 for the year ended December 31, 2021. Individuals who attain the age of 50 by the end of the Plan year may make additional catch-up contributions of up to \$6,500 for 2021. Annual compensation includes all compensation paid while a participant is in the Plan.

The employer will match 25% of the participant's contribution after one year of service, up to 5.5% of the participant's eligible compensation for each Plan year.

The Company may also make discretionary profit sharing contributions to the Plan. All eligible participants receive an allocation of the profit sharing contribution based on salary and years of service. The Company made a discretionary contribution of \$151,416 for the year ended December 31, 2021, which is recorded as a contribution receivable to the Plan as of December 31, 2021. The Plan recorded a contribution receivable of \$49,631 as of December 31, 2020.

The Plan provides for rollover contributions to be made by the employee from amounts distributed or transferred from other qualified deferred compensation plans.

Investment options: A participant may direct both employee contributions and Company contributions into any of 26 investment options, including 24 mutual funds and two common/collective trust (CCT) funds.

Participant accounts: Under the Plan, separate accounts are maintained to reflect the interests of each participant. Each participant's account is credited with the participant's contribution, and allocations of the Company's matching contributions and profit sharing contributions, if any, forfeitures and investment earnings. Each participant's account is also charged with an allocation of administrative expenses. Allocations are based on Plan account balances, or participant earnings, as defined.

Participants terminated due to retirement, death or disability with undistributed benefits remaining as part of the Plan's assets continue to earn pro rata allocation of investment income and share in expenses.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Participants are immediately vested in the Company's matching contributions upon fulfilling the eligibility requirements. Participants become 100% vested in their profit sharing allocations after three years of service per the Plan document. Participants who attain retirement age, as defined, or terminate employment due to death or disability are 100% vested in their accounts.

Notes to Financial Statements

Note 1. Plan Description (Continued)

Notes receivable from participants: The Plan allows each participant to borrow a minimum amount of \$1,000 and a maximum amount not to exceed the lesser of one-half of the participant's vested account balance or \$50,000 (reduced by the participant's highest outstanding loan balance in the preceding 12 months). The loan term may not exceed five years unless it is for the purchase of a principal residence, in which case it may not exceed 10 years. The loans are secured by the balance in the participant's account and bear interest at a commercially reasonable interest rate, initially set at prime rate plus 1%. Interest rates for the Plan year ended December 31, 2021, ranged from 4.25% to 6.50%. Loans are repaid ratably through biweekly payroll deductions.

Payment of benefits: Distributions are made at the time of termination or death by a lump-sum payment. A terminated or retired employee with an account balance of at least \$1,000 may elect to leave his existing funds in the Plan.

Administrative costs: Administrative expenses of the Plan are paid by both the Company and the Plan.

Forfeitures: Forfeitures may be allocated to eligible participants per the Plan document or used to offset Plan expenses. The Plan used \$3,156 to reduce administrative expenses for the year ended December 31, 2021. As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$509 and \$0, respectively.

Note 2. Summary of Accounting Policies

Basis of accounting: The accompanying financial statements are prepared on the accrual basis of accounting.

Valuation of investments and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Plan Committee determines the Plan's valuation policies using information provided by the trustee and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Loans in default are treated as distributions based upon the terms of the Plan document.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of benefits: Benefit payments are recorded when paid.

Note 3. Summary of Investment Information Certified by Charles Schwab Trust Bank, Trustee

The following is a summary of the Plan's asset and income information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets and income is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets and income:

	December 31	
	2021	2020
Shares of registered investment companies	\$ 58,551,509	\$ 51,194,199
Shares of common/collective trust	5,806,377	5,583,338
Notes receivable from participants	424,297	400,188
Net appreciation in fair value of investments	5,749,447	
Interest and dividends	3,303,363	
Interest income on notes receivable from participants	21,128	

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodologies are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodologies include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodologies are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Greeley and Hansen Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Shares of registered investment companies: These investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Shares of common/collective trust: The value of these investments is based on the NAV of units of the common/collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the per share value of the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020:

2021				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Shares of registered investment companies	\$ 58,551,509	\$ -	\$ -	\$ 58,551,509
Total assets in fair value hierarchy	<u>\$ 58,551,509</u>	<u>\$ -</u>	<u>\$ -</u>	<u>58,551,509</u>
Investments measured at net asset value (a):				
Shares of common/collective trust				5,806,377
Investments at fair value				<u>\$ 64,357,886</u>
2020				
	Level 1	Level 2	Level 3	Total
Investments in the fair value hierarchy:				
Shares of registered investment companies	\$ 51,194,199	\$ -	\$ -	\$ 51,194,199
Total assets in fair value hierarchy	<u>\$ 51,194,199</u>	<u>\$ -</u>	<u>\$ -</u>	<u>51,194,199</u>
Investments measured at net asset value (a):				
Shares of common/collective trust				5,583,338
Investments at fair value				<u>\$ 56,777,537</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Greeley and Hansen Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table summarizes investments measured at fair value based on net asset value per share (or its equivalent) as of December 31, 2021 and 2020.

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Shares of common/collective trust	\$ 5,806,377	\$ 5,583,338	\$ -	90 days	12 months

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no transfers in or out of Level 3.

Note 5. Related-Party Transactions

Certain Plan investments are shares of a common/collective trust fund and of mutual funds managed by Charles Schwab Trust Bank, the trustee as defined by the Plan. J.H. Ellwood & Associates, Inc. is the Plan's investment advisor; therefore, transactions with these Plan service providers qualify as party-in-interest. Fees paid by the Plan to Charles Schwab Trust Bank and J.H. Ellwood & Associates, Inc. amounted to \$69,259 and \$4,245 for the year ended December 31, 2021, respectively.

Certain employees of the Company provide administrative services to the Plan and are not reimbursed for their services from the Plan. Certain other administrative expenses are paid by the Company on behalf of the Plan.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

Note 7. Income Tax Status

Effective January 1, 2016, the Plan adopted a nonstandardized form of a prototype plan sponsored by Schwab Retirement Plan Services Inc. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receipt of the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Greeley and Hansen Profit Sharing and Retirement Savings Plan

Notes to Financial Statements

Note 7. Income Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2021 and 2020:

	2021	2020
Net assets available for Plan benefits per the financial statements	\$ 64,933,599	\$ 57,227,356
Notes receivable from participants	(424,297)	(400,188)
Participant loans	424,297	400,188
	<u>\$ 64,933,599</u>	<u>\$ 57,227,356</u>

Note 10. Subsequent Events

The Plan Administrator has evaluated subsequent events for recognition and/or disclosure through October 17, 2022, the date the financial statements were available to be issued.
