ADVISORY TAX AUDIT

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants,
John Wiley & Sons, Inc. Employees' Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the John Wiley & Sons, Inc. Employees' Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of John Wiley & Sons, Inc. Employees' Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about John Wiley & Sons, Inc. Employees' Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of John Wiley & Sons, Inc. Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about John Wiley & Sons, Inc. Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of John Wiley & Sons, Inc. Employees' Savings Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants,
John Wiley & Sons, Inc. Employees' Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the John Wiley & Sons, Inc. Employees' Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of John Wiley & Sons, Inc. Employees' Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about John Wiley & Sons, Inc. Employees' Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of John Wiley & Sons, Inc. Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about John Wiley & Sons, Inc. Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of John Wiley & Sons, Inc. Employees' Savings Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

General

The following represents only the major provisions of the John Wiley & Sons, Inc. Employees' Savings Plan (Plan), as amended, and is presented to assist in understanding the Plan's financial statements. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that covers employees of John Wiley & Sons, Inc. and Affiliated Companies (Company or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective January 1, 2021, a portion of Mthree Consulting Plan's assets were merged into the Plan, and a portion of the participants of that plan became participants in the Plan.

Administration of the Plan

The Benefits Administration Board of John Wiley & Sons, Inc., (Plan Administrator) administers the Plan. The Company's Board of Directors appoints the members of the Benefits Administration Board.

Vanguard Fiduciary Trust Company (VFTC or Trustee) holds the Plan's assets in trust and is also the Plan's record keeper. The custodian of the Plan's assets is an affiliate of VFTC.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses of the investment funds, including investment management, audit, and operating expenses are paid by those funds and included in net earnings of the funds. Administrative expenses paid by the participant include annual loan administrative fees and managed account fees for those participants who elect the service.

Eligibility and Vesting

For purposes of Plan participation, eligible colleagues are full-time and part-time employees of Wiley who are subject to US income taxation. Colleagues who are not eligible include leased employees, employees compensated solely on a piecework basis, employees covered under a collective bargaining agreement that does not provide for Plan participation, consultants, employees paid by a third party, bona fide residents of Puerto Rico and independent contractors. Each employee becomes eligible to participate as soon as practicable following three months of service. All Company contributions plus actual earnings thereon are 100% immediately vested for participants employed on and after January 1, 2014. A participant's contributions plus actual earnings thereon are fully vested and nonforfeitable at all times.

Contributions

A participant may designate between 2% and 50% of his or her base salary, bonus, incentive pay, and overtime (Eligible Compensation), on a pretax basis (or up to 25% on an after tax basis as Roth contributions), to be invested in funds available to them and chosen by the participant. Unless an eligible employee elects otherwise, he or she will be automatically enrolled in the Plan, with pretax contributions at 4% of Eligible Compensation, with any such contributions invested in an age appropriate Vanguard Target Retirement Fund, subject to 1% automatic increases each July until the participant's contribution rate equals 10% or the participant elects otherwise.

Subject to certain limitations prescribed by the Internal Revenue Service (IRS), the Company contributes an amount based on participant's contributions equal to 100% of the first 3% of Eligible Compensation plus 50% of the next 3% of Eligible Compensation, whether they are pretax, after tax or catch up contributions. The matching contribution is made bimonthly to coincide with payroll. The Board of Directors has the option to declare an annual discretionary contribution following the end of each of the Company's fiscal years. There were no discretionary Company contributions made in 2021 or 2020.

No more than 50% of a participant's Eligible Compensation can be a deferred cash contribution, which represents a reduction in the participant's Eligible Compensation and therefore is tax deferred. The pretax contribution of a participant under the age of 50 cannot exceed an amount set annually by the IRS, which in 2021 amounted to $19,500. Subject to certain limitations prescribed by the IRS, participants over 50 years of age can make "catch up" contributions. In 2021, participants over 50 years of age could contribute a maximum of $26,000, including $6,500 as "catch up" contributions over and above the IRS maximum deferral.

Forfeitures
Participants who are not fully vested at the time they terminate their employment forfeit the nonvested portion of their account at the time of termination. However, the nonvested amount will be restored to the participant's account if the participant is re-employed within 5 years. The amounts forfeited are used to reduce the Company's matching and basic retirement contributions, excluding all other sources. Forfeitures of $434 were used to reduce Company contributions for the year ended December 31, 2021. There were $80,063 and $788 of forfeitures available to reduce future Company contributions at December 31, 2021 and 2020, respectively.

Investment Options
Participants can invest their contributions in 1% multiples among any combination of 24 available investment options, which include a choice of mutual funds. If a participant fails to make an investment election, their contributions, including any Company contributions, shall be invested in an age appropriate Vanguard Target Retirement Fund. Participants are permitted to change the allocation of their contributions daily. Subject to certain limitations imposed by VFTC, a participant can transfer existing fund balances to other investment options daily.

Payment of Benefits
A withdrawal by participants of their account balance is permitted when the participant reaches age 59-1/2, proves financial hardship or terminates his or her employment. Withdrawals of after tax contributions can be made as often as twice each calendar year.

Effective January 1, 2020, the Plan was amended in conformity with distribution provisions set forth under the Coronavirus Aid, Relief and Economic Security (CARES) Act. Such provisions included the ability for participants to withdraw up to $100,000 tax-free and penalty-free between March 27, 2020 and December 31, 2020 if the participant determined he or she was a qualified individual under the CARES Act.

Participant Accounts
Each participant's account is credited with the participant's contributions, allocations of the Company, and Plan earnings, and charged with the participant's withdrawals, Plan losses and an allocation of administrative expenses. Allocations are based on participant contributions, account balances, or compensation, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Termination of Employment
Upon termination of employment, a participant has the option of receiving the vested balance in his or her account as an immediate or deferred lump sum, in installments, or by a direct "roll over" into an individual retirement account or another qualified plan. If the participant's balance is at least $5,000, it may be left in the Plan through April 1 of the year following in which the participant reaches age 70-1/2. Terminated participants who elect to leave their account balance in the Plan retain the same rights to transfer balances between investment funds as active participants.

Participants may elect to receive a lump sum cash payment or annual installments. Installment payouts may range from two to twenty years and may be elected by any participant who has terminated from employment with an account balance of at least $5,000, regardless of his or her age or years of service. The installment payments are made in approximately equal amounts, and each includes income credited to the participant's account balance before the installment amount is calculated. In addition, a life expectancy installment option is available.

Notes Receivable from Participants
Participants may borrow from the vested portion of their account, and then repay the loan with interest through payroll deductions. The interest rates on loans outstanding ranged from 2.72% to 8.25% and 2.66% to 7.50% at December 31, 2021 and 2020, respectively. The length of such loans is generally 5 years but loans to purchase a primary residence may be up to 20 years in length. Loans are limited to a minimum of $1,000 and a maximum of the lesser of 50% of the participant's vested balance, or $50,000 reduced by any outstanding loans. The amounts due from participants under the loan provisions of the Plan, including accrued interest, are shown in the accompanying financial statements. Participant loans are carried at cost plus accrued, unpaid interest. Discretionary employer contributions, employer nonelective basic contributions and their related earnings shall not be available for a loan under any circumstances. In the event that a loan payment is missed, the participant will have until the next calendar quarter to make the payment before the loan will default.

Effective January 1, 2020, the Plan was amended in conformity with loan provisions set forth under the CARES Act. Such provisions included the ability for participants to obtain a loan of up to the lesser of $100,000 or 100% of the participant's vested balance between March 27, 2020 and September 23, 2020 if the participant determined he or she was a qualified individual under the CARES Act. A qualified individual could also delay repayments for up to 1 year for loan payments due between March 27, 2020 and December 31, 2020.

Plan Termination
Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The books and records of the Plan are maintained on an accrual basis.

Use of Estimates
The preparation of financial statements in conformity with US generally accepted accounting principles (US GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the exdividend date. Net appreciation in fair value of investments includes realized gains and losses on investments bought and sold and the change in appreciation (depreciation) from one period to the next.

Payment of Benefits
Benefits are recorded when paid.

Risk and Uncertainties
The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. As a result, changes in the value of investment securities could materially affect the amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across all participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments.

Plan investments include a variety of investments that may directly or indirectly invest in securities with contractual cash flows. The value, liquidity and related income of these securities are sensitive to changes in economic conditions and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

3. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Trustee of the Plan has certified the completeness and accuracy of all investments and related investment activity, notes receivable from participants and interest income from notes receivable from participants in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021. No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee, except for comparing such information with information reported in the financial statements.

4. FAIR VALUE MEASUREMENTS

US GAAP establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. US GAAP defines fair value as, "the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date". The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under US GAAP are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies: Valued at the closing prices of the mutual fund shares held by the Plan as reported on the active market on which the funds are traded.

Common/collective trusts: Valued at the net asset values of the underlying investments as adjusted for the trusts' related liabilities and administrative expenses charged. There are no redemption restrictions or unfunded commitments of the Plan related to these trusts for the year ended December 31, 2021.

There has been no change in the methodologies used as of December 31, 2021 and 2020. The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

	Assets at Fair Value as of December 31, 2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies	$ 403,734,942	$ -	$ -	$ 403,734,942
Common/collective trusts	267,964,600	-	-	267,964,600
Total investments, at fair value	$ 671,699,542	$ -	$ -	$ 671,699,542

	Assets at Fair Value as of December 31, 2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Registered investment companies	$ 582,502,644	$ -	$ -	$ 582,502,644

The Plan did not hold any investments categorized as Level 2 or Level 3 as of December 31, 2021 and 2020.

5. TAX STATUS

On March 26, 2014, the Plan received a favorable determination letter from the IRS, which stated that the Plan and its underlying trust qualify under the applicable provisions of the Code and therefore are exempt from federal income taxes. The Plan has been amended since the issuance of the IRS determination letter in accordance with the IRS requirements. In the opinion of the Plan Administrator, the Plan and its underlying trust have operated within the terms of the Plan document and remain qualified under the applicable provisions of the Code.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or derecognize an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or derecognition of an asset) or disclosure in the financial statements. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements. The IRS is one of the primary oversight bodies of the Plan. The IRS generally has the ability to examine the Plan's activities for three prior years. Currently there is no tax examination in progress.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain of the Plan's assets consist of notes receivable from participants and shares of mutual funds managed by an affiliate of VFTC. VFTC acts as Trustee for the Plan. Transactions in such investments and notes receivable from participants qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

7. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the date of the financial statements through October 14, 2022, which is the date the financial statements were available to be issued. Based upon that evaluation, the Plan has determined that no subsequent events require recognition or disclosure in these financial statements, other than as described below.

Effective January 1, 2022, the Plan was amended so that a participant shall be eligible to become a participant on any enrollment date after the date of hire without the requirement to first complete a period of employment. Additionally, a participant will be automatically enrolled in the Plan as of the first payroll period commencing on or next follow the date that is 30 days after the employee's date of hire or rehire.
