Independent Auditor's Report

To the Plan Administrator
Allen & Company 401(k) Savings Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Allen & Company 401(k) Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

The financial statement of the Plan as of December 31, 2020, was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their audit report, dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, they did not express an opinion on the 2020 financial statement, and (b) the form and content of the information included in the 2020 financial statement other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

J Bar 9 LLC, a related entity, became a Plan Sponsor on January 1, 2013; the Plan was amended as of the same date to reflect the additional Plan Sponsor. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility — Newly hired eligible employees are enrolled immediately in the Plan with an automatic 6% contribution rate unless the employee affirmatively elects a different percentage or elects not to make an elective deferral contribution. An eligible employee is an employee who is hired with the intention of providing a minimum of 870 hours of service over a 12 month consecutive period beginning with their date of hire. Automatic contributions begin on the first pay period falling on or after the 30th day of employment. Employees hired with the expectation of working fewer than 15 hours per week or for a job expected to last fewer than 6 months become eligible upon completion of 870 hours of service.

Participant Contributions — Participants may contribute up to 100% of gross wages on a before-tax basis or an after-tax basis, limited to a maximum amount in any calendar year, as adjusted annually pursuant to Section 402(g) of the Internal Revenue Code (IRC) (\$19,500 in 2021). Participants age 50 and above that have contributed the maximum contributions for that year may make a catch-up contribution, equal to \$6,500 in 2021. Contributions from participants are recorded in the period the related payroll deductions and transfers to the trustee are made.

In addition, the tax deferred contribution rate for participants who are eligible for the Plan on or after January 1, 2019 will automatically increase by 1% annually commencing January 1, 2020, up to 15% of eligible compensation, unless the participant elects against the increase as permitted under the Plan.

Participants may elect to change their level of contribution into the Plan at any time.

The participants’ contributions and the Plan’s net investment income or loss are allocated on the basis of participant elections among thirty-one mutual funds, all administered by the trustee. All investments are participant-directed.

Employer Contributions — Eligible participants who were hired or re-hired on or after January 1, 2009, will be eligible for employer contributions. The Plan Sponsor will contribute 4% of the participant’s annual eligible compensation into his/her plan account beginning at the date of eligibility.

THE ALLEN & COMPANY 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

The maximum annual compensation considered for this contribution is \$100,000. This contribution will be made regardless if the participants decide not to make any contributions of their own to the Plan.

In addition, the Plan Sponsor will match 100% of any contribution an eligible participant makes up to 2% of the participant's annual eligible compensation.

Additional amounts may be contributed at the Plan Sponsor's discretion. No such additional discretionary contributions were made for the year ended December 31, 2021.

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, employer contributions (if eligible), and allocations of Plan earnings, and charged with withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments — Participants direct their contributions into various investment options offered by the Plan. As of December 31, 2021 and 2020, the Plan offers thirty-one mutual funds as investment options for participants.

Vesting — Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 5 years of credited service.

Employer contributions vest as follows:

Years of service	>1	>2	>3	>4	>5
Percent vested	20 %	40 %	60 %	80 %	100 %

Notes Receivable from Participants (Participant Loans) — Participants may borrow from their participant accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer from (to) the participant account to (from) the Notes Receivable from Participants account. Loan terms range from 1 to 5 years (10 years for primary residence loans). The loans are collateralized by the balance in the participant's account and bear interest at the prime rate at the time the loan is initiated. Principal and interest are paid ratably through bi-weekly payroll deductions. At December 31, 2021, participant loans have maturities through 2030 at interest rates ranging from 4.25% to 6.5%.

Effective January 1, 2019 participants who have terminated employment may elect to continue to make loan repayments on their outstanding loans.

Payment of Benefits — Distributions can be made upon retirement, death, disability, or termination of the employment in the form of a lump-sum, partial distribution, or rollover into another qualified plan.

Terminating participants whose account balances are less than \$5,000 may elect to receive either a lump sum distribution or rollover the balance into the T. Rowe Price Rollover IRA. Participants may continue

to have their account maintained by the Plan if, upon termination, their vested account balance is greater than \$5,000.

Hardship withdrawals are available for active employees subject to certain limitations.

Forfeited Accounts — At December 31, 2021 and 2020, there were \$26,351 and \$56,156 of forfeited nonvested accounts, respectively. During the year ended December 31, 2021, employer contributions were reduced by \$56,430 from forfeited nonvested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Use of Estimates — The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions used.

Administrative Expenses — Substantially all administrative expenses are paid by the Company, as provided in the Plan document. The Plan Sponsor provides accounting and other administrative services to the Plan at no charge. Specific expenses incurred by a participant as a result of a special request, are paid directly by the participant.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Gains and losses on sale of securities are determined based on average cost. Dividend income is recorded on the ex-dividend date. Net appreciation and depreciation includes the Plan's realized gain and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year.

Notes Receivable from Participants — Notes receivable from participants are measured at unpaid principal plus accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Payment of Benefits — Benefit payments are recorded when paid.

Recently Adopted Accounting Pronouncement — In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurements Topic (820), Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement. ASU No. 2018-13 eliminates certain disclosures including the disclosure related to

THE ALLEN & COMPANY 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

transfers between Level 1 and 2 investments, the valuation policies for Level 3 measurements and, for nonpublic entities, the change in the Level 3 investments' unrealized gains and losses included in earnings. This ASU also amends certain disclosures including disclosing purchases, sales, and transfers for Level 3 investments instead of the Level 3 roll-forward. Management has adopted ASU 2018-13 for the 2021 Plan year. The adoption of this ASU did not have a material impact on the financial statements.

3. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, Plan management believes it is, at least, reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

4. FAIR VALUE OF FINANCIAL INSTRUMENTS

Accounting Standards Codification, *Fair Value Measurements and Disclosures* (ASC) 820, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques — Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. All of the Plan's investments in mutual funds are considered level 1 under ASC 820.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

5. INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule that were prepared by the trustee, and furnished to the plan administrator.

The plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, T. Rowe Price Trust

THE ALLEN & COMPANY 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

Company, Inc., the trustee of the Plan has certified the completeness and accuracy of all investments and related activity and notes receivable and related interest income from participants, included in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

6. PLAN TERMINATION

Although the Plan Sponsor expects to continue the Plan indefinitely, it has the right to amend or terminate the Plan at any time subject to the provisions set forth in ERISA. In the event of Plan termination, each participant and beneficiary of each deceased participant shall have a fully vested and nonforfeitable interest in any values held in their account, as of the date of termination.

7. FEDERAL INCOME TAX STATUS

Effective January 29, 2008, the Plan moved from a non-standardized prototype plan to an individually designed Plan. The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated September 8, 2013 that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receiving the determination letter, however, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes that it is no longer subject to income tax examinations for years prior to 2016.

The Plan Sponsor does not believe it has taken any uncertain tax positions.

8. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain officers and employees of the Company who are participants in the Plan perform administrative services related to the operation, recordkeeping, and financial reporting of the Plan. The Company, at its option, pays these and other administrative expenses on behalf of the Plan. The Plan would pay such expenses if the Company discontinued its practice of paying them. No such officer or employee receives compensation from the Plan.

At December 31, 2021 and 2020, the Plan held \$72,203,315 and \$62,845,745, respectively, of mutual funds managed by T. Rowe Price. T. Rowe Price is the trustee as defined by the Plan and these

THE ALLEN & COMPANY 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

transactions qualify as exempt party-in-interest transactions. For the year ended December 31, 2021, the mutual funds managed by T. Rowe Price held by the Plan recorded investment income of \$7,614,156. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. These transactions qualify as related-party transactions and are permitted because they are covered by ERISA's exemptions from prohibited transactions.

9. SUBSEQUENT EVENTS

The plan was amended and restated effective January 1, 2022 to incorporate certain legislative and regulatory requirements.

Management of the Plan has evaluated subsequent events through October 17, 2022 and determined that there are no other items to disclose or record in these financial statements.
