Jacqueline Robertson, CFO
TRI 3, Inc. 401(k) Retirement Savings Plan
De Soto, Kansas 66018

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of TRI 3, Inc. 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for Plan benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for Plan benefits for the year ended December 31, 2021, and the related summary of significant accounting policies and notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TRI 3, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TRI 3, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TRI 3, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TRI 3, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Summary of Significant Accounting Policies **December 31, 2021 and 2020**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for Plan benefits and changes therein and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully-benefit responsive annuity contract, which is reported at contract value (see Note 3). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Great-West). See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon terms of the Plan document. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by TRI 3, Inc. (the Company) and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and payment of benefits are charged directly to the participants' accounts and are included in administrative expenses. Direct investment related expenses are included in administrative expenses, and indirect investment related expenses are included in net appreciation of investments.

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

1. Description of Plan

The following description of the TRI 3, Inc. 401(k) Retirement Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who meet certain number of hours during an eligibility period. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan and related trust were established in 1994. Plan management is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

Contributions

Employees are eligible to participate in the Plan for employee salary deferrals on the first day of the quarter following three consecutive months of eligible service, as defined. A participant specifies the amount, not to exceed IRS limits, of eligible compensation to be contributed to the Plan (employee salary deferral contributions). New participants are automatically enrolled in the Plan at 3%, unless they opt not to participate or choose to defer a different percentage of their salary. The Plan allows for discretionary employer matching contributions. Employees are eligible for discretionary employer matching contributions beginning on the first day of the quarter following one year of eligible service. Discretionary employer matching contributions of \$.50 of every dollar deferred up to 5% of the participant's annual income were made in 2021. The total of the annual employee and employer contributions on behalf of each participant cannot exceed certain IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (employee rollover contributions). Rollover contributions are not subject to contribution limitations.

Participant Accounts

Participants have the option of making contributions to any of the investment options available from the custodian. Changes to contribution amounts, allocation changes, and fund transfers can be done daily. Each participant's account is credited/charged with an allocation of the directed investment's earnings/losses based on the participant's account balance and credited with the following contributions:

- Employee's salary deferral contributions
- Employee's rollover contributions
- Discretionary employer contributions

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

1. Description of Plan (continued)

Vesting

Upon becoming a participant in the Plan, an individual is fully vested in the portions of his account attributable to employee salary deferral contributions and employee rollover contributions. Upon death, disability, attainment of normal or early retirement age, or Plan termination, a participant also becomes fully vested in his accounts attributable to discretionary employer contributions; otherwise, the participant becomes fully vested in the employer contribution accounts in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	0%
2	20
3	40
4	60
5	80
6	100

Payment of Benefits

On termination of service, participants can elect to receive distributions in lump-sum or installment payments. If a participant's benefits are \$5,000 or less, benefits will be paid in a lump sum automatically if no direction is given by the participant. Under terms of the Plan, normal retirement age is the date the participant attains age 65 and early retirement age is the date the participant attains age 55.

Forfeitures

The forfeited nonvested balances totaled \$13 and \$1,929 at December 31, 2021 and 2020, respectively. Forfeitures of \$4,816 were used to reduce employer matching contributions and pay administrative expenses in 2021.

Notes Receivable from Participants

Participants may borrow from their account up to the lesser of \$50,000 or 50% of their vested account balance and are only permitted to have one loan outstanding at any time. New loans must be for a minimum of \$1,000. Loan terms range from one to five years. The loans are secured by the balance in the participant's account. The interest rates charged on loans are determined by Plan management and were 4.25% at December 31, 2021 and 6.50% at December 31, 2020. Principal and interest are paid ratably through payroll deductions.

2. Information Certified by the Plan's Custodian

Certain information related to the investments disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Great-West), the custodian.

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

2. Information Certified by the Plan's Custodian (continued)

The following table includes the values of the Plan's investments and notes receivable from participants at December 31, 2021 and 2020 and investment activity and interest on notes receivable from participants for the year ended December 31, 2021 as certified by Great-West.

	<u>2021</u>	<u>2020</u>
Investments (participant-directed):		
Mutual funds, at fair value	\$ 2,605,618	\$ -
Pooled separate accounts, at fair value	-	2,229,090
Common collective trust fund, at fair value	3,193	-
Annuity investment through insurance company, at contract value	<u>24,585</u>	<u>29,412</u>
Total investments	<u>\$ 2,633,396</u>	<u>\$ 2,258,502</u>
Notes receivable from participants	<u>\$ 20,053</u>	<u>\$ 2,344</u>
Investment income:		
Interest and dividends	\$ 211,406	
Net appreciation of investments	<u>62,033</u>	
Total investment income	<u>\$ 273,439</u>	
Interest on notes receivable from participants	<u>\$ 437</u>	

3. Group Annuity Contract with Insurance Company

The Key Guaranteed Portfolio Fund (the Fund) is a contractual arrangement for a fully-benefit responsive group annuity contract with Great-West Life & Annuity Insurance Company (GWL&A). GWL&A maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully-benefit responsive, contract value is the relevant measurement for that portion of the net assets available for Plan benefits attributable to the group annuity contract. The assets are valued at the contract value, which is equivalent to fair market value. Contract value is the total of the amounts invested and earnings thereon, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their account balance at contract value.

Certain events limit the Plan's ability to transact at contract value with GWL&A. Such events include the following: premature termination of the contract by the Plan, location closings, significant layoffs, Plan termination, bankruptcy, and early retirement incentives. Plan management believes that the occurrence of such events did not have a material impact on the Plan. GWL&A may not terminate the contract at any time at less than contract value. Either party may terminate the contract with at least 60 days advance written notice.

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

3. **Group Annuity Contract with Insurance Company** (continued)

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The average interest yield earned by the Fund was 0.90% for the year ended December 31, 2021.

4. **Fair Value Measurement of Investments**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used to determine the fair value of investments. There have been no changes in the methodologies used at December 31, 2021 and 2020:

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Pooled separate accounts*: Valued at the NAV of the shares held by the Plan at year end. The NAV is based on the fair value of the underlying assets held by the fund, less its liabilities.

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

4. Fair Value Measurement of Investments (continued)

- *Common collective trust funds:* Valued at the NAV of shares held by the Plan at year end. The NAV, as provided by Great-West at December 31, 2021, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust, less its liabilities. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment advisor generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2021 and 2020, there were no transfers.

The following table includes the Plan's investments by level within the fair value hierarchy.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,605,618	\$ -	\$ -	\$ 2,605,618
Investments in the hierarchy	\$ 2,605,618	\$ -	\$ -	2,605,618
Common collective trust funds measured at NAV (a)				3,193
Total investments at fair value				\$ 2,608,811

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Investments in the hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts measured at NAV (a)				2,229,090
Total investments at fair value				\$ 2,229,090

- (a) In accordance with FASB ASC 820-10, certain investments measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for Plan benefits.

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

4. Fair Value Measurement of Investments (continued)

The following table presents the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Blackrock Total Return Bond Fund Class 6	\$ 3,193	-	Daily	None
<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 2,229,090	-	Daily	None

5. Party-in-Interest Transactions

Certain Plan investments are managed by Great-West, the custodian. These investments and the related transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Fees paid to the Great-West, as well as fees paid to investment advisors are included in administrative expenses and are party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

Additionally, notes receivable from participants are considered party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

7. Income Taxes

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan with Great-West Trust Company, LLC, which has received an opinion letter dated June 30, 2020 from the Internal Revenue Service (IRS) indicating that the Plan, as then designed, was qualified for tax-exempt status under the appropriate sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and tax-exempt as of the financial statement date and no provision for income taxes has been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

TRI 3, INC. 401(K) RETIREMENT SAVINGS PLAN

Notes to the Financial Statements December 31, 2021 and 2020

8. Risks and Uncertainties

The Plan allows participants to invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits and the statements of changes in net assets available for Plan benefits.

9. Subsequent Events

Management of the Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.
