Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditors' Report

To the Plan Sponsor and Participants of the
Cobham Mission Systems Davenport LSS Inc. 401(k) Plan
Davenport, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Cobham Mission Systems Davenport LSS Inc. 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits – liquidation basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – liquidation basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statement or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to our derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cobham Mission Systems Davenport LSS Inc. 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in Notes 1 and 2 to the financial statements, the governing body of the Cobham Mission Systems Davenport LSS Inc. 401k Plan approved a plan of liquidation effective December 31, 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cobham Mission Systems Davenport LSS Inc. 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cobham Mission Systems Davenport LSS Inc. 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditors' Report

To the Plan Sponsor and Participants of the
Cobham Mission Systems Davenport LSS Inc. 401(k) Plan
Davenport, Iowa

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Cobham Mission Systems Davenport LSS Inc. 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company (the "Trustee"), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cobham Mission Systems Davenport LSS Inc. 401(k) Plan

Notes to Financial Statements – Liquidation Basis

1. Description of Plan

The following description of the Cobham Mission Systems Davenport LSS Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan was a defined contribution plan established on August 18, 2003 and sponsored by Cobham Mission Systems Davenport LSS Inc. (the "Plan Sponsor"). The Plan covered substantially all employees of the Plan Sponsor, and was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective November 1, 2016, the Plan was amended and restated as a volume-submitter defined contribution plan sponsored by Fidelity Management & Research Company ("Fidelity"). The Carleton Life Support System's Retirement Plan was merged with the Plan as of the effective date. The Plan was amended effective November 1, 2019 to change the name of the Plan to the Cobham Mission Systems Davenport LSS Inc. 401(k) Plan to align with the change in the Plan Sponsor's name.

The Plan Sponsor was acquired by Eaton Corporation in June 2021. On December 31, 2021, the portion of the Plan attributable to active, non-collectively bargained employees was merged into the Eaton Savings Plan and the portion of the Plan attributable to collectively bargained employees was merged into the Eaton Personal Investment Plan.

Contributions – Participants could elect to contribute to the Plan amounts equal to a full percentage between 1% and 90% of the participant's eligible compensation as defined by the Plan, limited by the amount imposed by law. Any new employee on or after May 1, 2018 who failed to provide the Plan Sponsor an elective deferral agreement automatically became a participant in the Plan and had 10% of his or her compensation withheld each pay period and contributed as a pre-tax employee elective deferral. Participants could make Roth contributions into the Plan which are accounted for in separate participant-level subaccounts. Roth contributions made to the Plan amounted to $761,179 and $679,284 during the years ended December 31, 2021 and 2020, respectively. Additionally, participants age 50 or older could elect to make a catch-up contribution limited to the amount imposed by law. Contributions received from participants for the years ended December 31, 2021 and 2020 include rollover contributions of $1,694,195 and $757,283, respectively.

The Plan Sponsor matched 50% of the first 10% of eligible compensation contributed to the Plan by the employee.

1. Description of Plan (continued)

Effective November 1, 2016 and in accordance with the Plan document, the Plan Sponsor also made service-weighted contributions based on the following criteria:

Completed Years of Service	Service-Weighted Contribution
0 – 4	.50% of eligible compensation
5 – 9	1.25% of eligible compensation
10 – 14	2.00% of eligible compensation
15 – 19	2.75% of eligible compensation
20 – 24	3.50% of eligible compensation
25 – 29	4.25% of eligible compensation
30+	5.00% of eligible compensation

Also, effective November 1, 2016, the Plan Sponsor made a supplemental contribution for those eligible participants who commenced employment on or before August 18, 2003 (Acquisition Date of Life Support Division of Litton Systems, Inc.). Such participants who met The Rule of 100 on August 18, 2003, or who subsequently met the Rule of 100 as of January 1st of a given Plan year, were eligible to receive the supplemental contribution. The Rule of 100 required that the sum of 2½ times the participant's age as of his or her most recent birthday and the number of full years of benefit service completed by the participant as of the most recent anniversary of his or her most recent date of hire in a given Plan year was greater than 100.

Participant Accounts – Individual accounts were maintained for each Plan participant. Participant accounts were increased by participant contributions, Plan Sponsor contributions, and the participant's share of Plan earnings. Participant accounts were decreased by participant distributions and the participant's share of Plan expenses and losses. The allocation of earnings and losses to participant accounts was based on the value of an individual account in relation to the total assets of the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting – Participants were immediately vested in their salary deferral and rollover contribution accounts and the earnings thereon. Participants vested ratably in Plan Sponsor contributions at 25% for each year of service and became fully vested after four years.

Notes Receivable from Participants – In accordance with Plan provisions, participants were permitted to borrow a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000, less the highest outstanding previous loan balance, if any, during the one-year period ending immediately before the date of any new loan, or 50% of their vested balance as of the date the loan was made. Participants could have only one loan outstanding at any time.

1. Description of Plan (continued)

The loans were secured by the balance in the participant's account and bore interest at a rate commensurate with local prevailing rates determined by the Plan administrator. Repayment terms could not exceed five years, with the exception of a loan used to purchase a primary residence, in which case repayment terms could not exceed 10 years. Principal and interest was paid ratably through each payroll deduction. Delinquent notes receivable from participants were recorded as a distribution based upon the terms of the Plan document.

Payments of Benefits – Plan assets allocated to a participant's account could be distributed upon termination of employment, after reaching age 65, or death. Participants could withdraw funds from their rollover account at any time. Participants could withdraw funds from their matching contribution account at any time after they reached 70½. Participants could withdraw funds from their deferral account at any time after they reached 59½. Hardship withdrawals, as defined by the Internal Revenue Code (the "Code"), were available to participants only from their deferral-contributions account.

Forfeitures – Forfeited Plan Sponsor-matching contributions were used to reduce future Plan Sponsor contributions and administrative fees. Forfeitures amounted to $259,312 and $204,184 during the years ended December 31, 2021 and 2020, respectively. Forfeitures were used to reduce Plan Sponsor contributions during the years ended December 31, 2021 and 2020 by $342,099 and $213,330, respectively. Forfeitures were used to reduce administrative fees during the year ended December 31, 2020 by $68,807. No forfeitures were used to reduce administrative fees during the year ended December 31, 2021. Unallocated forfeitures were $22,590 as of December 31, 2020. There were no unallocated forfeitures as of December 31, 2021.

Tax Status – The Plan was a volume-submitter profit-sharing plan sponsored by Fidelity Management and Research Co. The IRS had determined and informed the Plan Sponsor by a letter dated March 31, 2014, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (the "IRC"). Although the Plan had been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan was qualified, and the related trust was tax-exempt.

Plan Termination – As discussed above, effective December 31, 2021, the Plan was merged and the Plan Sponsor discontinued future contributions to the Plan and no future participants were to become active as of that date. Benefit accruals ceased for anyone that was participating in the Plan as of that date.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared on the accrual basis of accounting. Prior to termination of the Plan, financial statements were presented on an "ongoing plan basis" of accounting. GAAP requires that financial statements of a terminated retirement plan be prepared on a "liquidation basis" of accounting commencing with the date of termination, December 31, 2021. Based on the nature of the Plan's assets, fair value approximates liquidation value. The liquidation basis of accounting for the Plan is substantially similar to the "ongoing plan basis" of accounting that the Plan had previously applied. Therefore, Plan management believes that adoption of the liquidation basis of accounting did not have a material effect on the amounts reported in the financial statements.

Investment Valuation and Income Recognition – The Plan's investments in a money market fund, mutual funds, a self-directed brokerage fund and common collective trusts were stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation in the fair value of its investments, which includes both realized gains (losses) and unrealized net appreciation (depreciation) in the fair value of investments. Realized gains (losses) on disposition of investments were based upon actual costs and selling prices.

Purchases and sales of securities are recorded on a settlement-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants – Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. In the event of death or termination of employment, the entire outstanding principal and accrued interest was due and payable within 90 days. Any unpaid balance was deemed a taxable distribution from the Plan.

Payment of Benefits – Benefits were recorded when paid.

Administrative Expenses – Certain accounting and administrative expenses necessary to administer the Plan were paid for by the Plan Sponsor. Expenses relating to investment activity were paid by participants from their respective individual accounts. Certain administrative and investment activity expenses were paid by the Plan. Each year, Fidelity awarded the Plan revenue credits payable to the Plan from Fidelity that either could be used

for eligible Plan expenses or allocated to participant accounts. The Plan received credits as part of this program totaling $1,949 and $1,744 for the years ended December 31, 2021 and 2020, respectively. Administrative expenses in the accompanying statements of changes in net assets are reduced by these amounts.

Party-in-Interest Transactions – Certain Plan investments were held in Fidelity mutual funds, a self-directed brokerage fund, and a money-market fund. Fidelity is a trustee of the Plan and, as such, transactions involving these funds qualify as party-in-interest transactions.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") – The CARES Act was signed into law on March 27, 2020 in response to the impacts and anticipated impacts of the COVID-19 pandemic. Accordingly, all required minimum distributions for calendar year 2020 were waived, and the Plan Sponsor elected, under the CARES Act, to provide participants with penalty-free access to their balances up to $100,000 subject to certain eligibility criteria if distributed before January 1, 2021 and to provide a temporary increase in participant loan limits to the lesser of $100,000 or 100% of a participant's vested balance. Plan management offered these relief options to participants in 2020, and have formally amended the Plan to reflect these changes.

Subsequent Events – The Plan Administrator has evaluated the effects of all subsequent events, for recognition or disclosure, through October 17, 2022, the date the accompanying financial statements were available to be issued.

3. Information Certified by the Trustee (Unaudited)

The Plan Administrator elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity certified that the investments and notes receivable from participants included in the accompanying financial statements are complete and accurate at December 31, 2020.

The Trustee also certified interest and dividend income totaling $6,522,159 and $3,459,627 and net appreciation in fair value of investments of $10,227,215 and $11,887,974 for the years ended December 31, 2021 and 2020, respectively.

4. Fair Value Measurements

ASC 820, *Fair Value Measurements,* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security.
- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There were no assets of the Plan that were valued using Level 3 inputs at December 31, 2021 and 2020.

The asset or liability's fair value-measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value, which remain unchanged from the prior year.

Money Market Fund: Shares of the money market fund are valued at amortized cost, which approximates fair value. The amortized cost of an instrument is determined by valuing it at its original cost and thereafter amortizing any discount or premium from its face value at a constant rate until maturity.

Self-Directed Brokerage Account: Account primarily consists of cash and common stocks that are valued on the basis of readily determined market prices.

Mutual Funds: Shares of mutual funds are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year end.

Common and Collective Trusts ("CCTs"): Fair value is determined by dividing the fair value of the CCT's net assets by the total number of units owned.

4. Fair Value Measurements (continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	2021	2020
Level 1		
Money market fund	$ 0	$ 26,036
Mutual funds	0	76,663,934
Self-directed brokerage	0	2,641,403
Level 2		
Common and collective trusts	0	33,782,640
