Report of Independent Auditors

To the Participants and Plan Administrator of
Alltech Savings & Retirement Plan
Nicholasville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Alltech Savings & Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matters, continued

2021 Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform and auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ALLTECH SAVINGS & RETIREMENT PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Alltech Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Alltech, Inc. (Plan Administrator or Plan Sponsor) and its participating subsidiaries who are age 18 or older. Effective January 1, 2021, the Plan was amended. The amended Plan is a multiple employer plan as described in Internal Revenue Code (IRC) Section 413(c). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by a trust, the trustee of which is Principal Trust Company (Principal Trust), a member of Principal Financial Group (Principal Financial). The Plan Sponsor's Retirement Committee is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan Sponsor's management. The Plan covers employees of the participating employers, including Alltech, Inc., Improcrop USA, Inc. d/b/a Alltech Crop Science, Alltech's Beverage Division (through December 31, 2020), Connemara Management Group and Ridley USA, Inc.

Transfer of Assets

On January 1, 2021, Alltech's Beverage Division was spun off and \$6,046,762 was transferred to the Alltech Beverage Division, LLC 401(k) Retirement Plan.

Eligibility

Employees are eligible to participate in the Plan on their hire date as long as they are at least 18 years of age. All employees, except interns, leased, or temporary employees, become eligible to participate in the Plan on the first pay period following their date of employment. At that time, participants can begin deferring compensation into the Plan, and become eligible for both the employer matching and employer nonelective contributions.

Contributions

Each year, non-union participants may contribute a minimum of 4% of pre-tax annual compensation up to the IRC maximum annual contribution limit, as defined in the Plan. Additionally, non-union participants may designate all or a portion of their elective deferral contributions as after-tax Roth contributions instead of pre-tax contributions. Non-union participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Non-union participants may also contribute amounts representing rollover distributions from other qualified plans. The Plan includes an auto-enrollment provision whereby all newly eligible non-union employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled non-union participants have their deferral rate set at 4% of eligible compensation (increased 1% at the beginning of each year, up to a maximum of 10%, unless the participant affirmatively elects otherwise).

1. Description of the Plan, continued

Contributions, continued

The Plan Sponsor contributes 100% of the first 6% of base compensation that a non-union participant contributes to the Plan.

Contributions for union employees are based upon the individual union collective bargaining agreements. The Plan Sponsor contributions, as agreed upon in the union collective bargaining agreements, are summarized below by each union plant location:

Alexandria, Minnesota	The Plan Sponsor shall make a company required contribution (CRC), as defined below. Participants may also contribute to the Plan, with no Plan Sponsor match. Effective January 1, 2022, the CRC will cease and employees will receive the opportunity of up to a 3.5% match by the Plan Sponsor, based on their personal deferral percentage.
Huron, South Dakota	The Plan Sponsor shall make a CRC. Participants may contribute to the Plan, with the Plan Sponsor matching 50% of the first 8% of base compensation.
Mankato, Minnesota	The Plan Sponsor shall make a company required contribution (CRC), as defined below. Participants may also contribute to the Plan, with no Plan Sponsor match. Effective January 1, 2022, the CRC will cease and employees will receive the opportunity of up to a 3% match by the Plan Sponsor, based on their personal deferral percentage.
Mendota, Illinois	The Plan Sponsor shall make a CRC. Participants may contribute to the Plan, with the Plan Sponsor matching 100% of the first 3% of base compensation, in place of CRC. Effective January 1, 2022, employees not contributing will receive a 3% match by the Plan Sponsor and those that are contributing will receive up to a 6% match by the Plan Sponsor.
Rapid City, South Dakota and Worthington, Minnesota	The Plan Sponsor shall make a CRC. Participants may not contribute to the Plan.
Watertown, South Dakota	The Plan Sponsor shall make a CRC. Participants may contribute to the Plan, with the Plan Sponsor matching 100% of the first 4% of base compensation, in place of CRC. Effective March 1, 2022, the match will be increased to be up to 6% of compensation.

CRC Contribution: Effective January 1, 2021, union employees that are employed on the last day of the calendar year, the Plan Sponsor shall make an additional contribution of 3% expressed as a percentage of compensation. Prior to January 1, 2021, union employees that are employed on the last day of the calendar year, the Plan Sponsor shall make an additional contribution of 2.5% expressed as a percentage of compensation having performed less than 5 years of service or an additional contribution of 3% expressed as a percentage of compensation having performed 5 years of service or more. Contributions are subject to certain IRC limitations.

ALLTECH SAVINGS & RETIREMENT PLAN

1. Description of the Plan, continued

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's matching contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan adoption agreement. Administrative expenses are charged to each participant's account when a benefit distribution is processed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. Contributions from automatically enrolled participants are invested in a designated balanced fund until changed by the participant. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants are vested immediately in their contributions and the Plan Sponsor's safe harbor and matching contributions plus actual earnings thereon. Participants are vested in the Plan Sponsor's nonelective contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by any outstanding loan balance. Participants may not have more than one loan outstanding at any time. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions and payments are due at least quarterly. The maximum term of a loan for the purchase of a primary residence is 10 years. The maximum term of all other loans is 5 years.

1. Description of the Plan, continued

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$5,000 (excluding amounts attributable to rollover contributions) may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in his or her account, or a single sum payment of a portion of the participant's vested interest in his or her account. On termination of service, a participant whose vested account balance is not greater than \$5,000 (excluding amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited accounts totaled \$1,058 and \$441, respectively. These accounts will be used to reduce future employer contributions and to cover administrative expenses. During 2021, employer contributions were reduced by \$298,782 from forfeited nonvested accounts.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan as provided by the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

The fair value of certain alternative investments is determined using net asset value (NAV) per share

ALLTECH SAVINGS & RETIREMENT PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

as a practical expedient when the fair value is not readily determinable, unless it is probable that the investment will be sold at something other than NAV.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan adoption agreement.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 17, 2022, the date that the financial statements were available to be issued.

3. Information Certified or Provided by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Principal Trust, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that asset information provided to the Plan Administrator by the trustee related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of assets in the Plan that were certified by Principal Trust.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 124,187,015	\$ 112,540,241

Total investments	<u>\$ 196,127,489</u>	<u>\$ 174,836,468</u>
Notes receivable from participants	\$ 1,656,383	\$ 1,660,981

ALLTECH SAVINGS & RETIREMENT PLAN

Notes to the Financial Statements, continued

3. Information Certified and Provided by Trustee, continued

Principal Trust also certified to the completeness and accuracy of \$23,002,264 of net realized and unrealized appreciation in the fair value and \$1,971,734 of interest and dividends related to the investments and \$95,162 of interest on the notes receivable from participants for the year ended December 31, 2021.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at NAV per share based on quoted market prices of underlying investments. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value.

Collective trusts: Valued based on the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ALLTECH SAVINGS & RETIREMENT PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Investments measured at fair value:				
Mutual funds	<u>\$124,187,015</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$124,187,015</u>
Investments measured at NAV:				
Pooled separate accounts				<u>5,341,453</u>
Collective trusts				<u>66,599,021</u>
Total investments at fair value				<u>\$196,127,489</u>
<u>2020</u>				
Investments measured at fair value:				
Mutual funds	<u>\$112,540,241</u>	<u>-</u>	<u>-</u>	<u>\$112,540,241</u>
Investments measured at NAV:				
Pooled separate accounts				<u>4,644,356</u>
Collective trusts				<u>57,651,871</u>
Total investments at fair value				<u>\$174,836,468</u>

In accordance with accounting standards, investments in 2021 and 2020 that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the Statements of Net Assets Available for Benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Level 3.

5. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds or units of collective investment trusts and pooled separate account funds managed by Principal Financial or its related companies. Principal Trust, a member of Principal Financial, is the trustee as defined by the Plan, therefore, these transactions qualify as party-in-interest. Administrative expenses of \$206,677 for the year ended December 31, 2021 are comprised of fees paid by the Plan to Principal Financial or its related companies for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Principal Financial or its related companies based on investment account values. These fees range from 0.02% to 1.06% of the investment account value. The fees are included with net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a prototype Plan document sponsored by Principal Life Insurance Co. Principal Life Insurance Co. received an opinion letter from the Internal Revenue Service (IRS), dated August 8, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.
