Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements – We have performed an audit of the accompanying financial statements of The Meduri Farms, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements – In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE MEDURI FARMS, INC. RETIREMENT PLAN
INDEPENDENT AUDITOR'S REPORT

Years Ended December 31, 2021 and 2020

Basis for Opinion on the 2021 Financial Statements – We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements – Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements – Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

THE MEDURI FARMS, INC. RETIREMENT PLAN
INDEPENDENT AUDITOR'S REPORT
Years Ended December 31, 2021 and 2020

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA – The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit

THE MEDURI FARMS, INC. RETIREMENT PLAN

of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements – We were engaged to audit the 2020 financial statements of The Meduri Farms, Inc. Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of The Meduri Farms, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan, originally adopted on January 1, 1985, and most recently amended and restated on January 1, 2021. The Plan covers all employees of Meduri Farms, Inc. (the “Plan Sponsor”), as well as employees of other adopting employers who are part of a controlled group. Effective January 1, 2016, employees of CinJoe, LLC, Paradiso at the Grand Theater, LLC, and Enlightened Theatrics each adopted the Plan. Employees must be at least twenty-one years of age and must complete one year of service to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Participants may defer up to a maximum of 100% of pretax and/or post-tax (Roth) amounts from their annual wages, as defined in the Plan, not to exceed statutory limits. Participants who have reached age 50 before the end of the year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan Sponsor has elected to make a safe harbor matching contribution equal to 100% of employee salary deferrals that do not exceed 5% of employee compensation.

Discretionary profit-sharing contributions are determined annually by the adopting employer and may be made to all eligible participants. Discretionary contributions are allocated among each job class based up on the proportion of a participant’s compensation to the other participants in their respective job class. A participant may not be a member of more than one job class. During the year ended December 31, 2021, the Plan Sponsor did not elect to make discretionary profit-sharing contributions.

Investment Elections – Upon enrollment in the Plan, participants may direct the investment of their contributions and the Employers’ contributions into various investment offerings available in the Plan under a Group Annuity Contract with John Hancock Life Insurance. The accounts of participants who do not make an investment election are automatically invested in the applicable target date fund corresponding with their projected retirement date. Participants can change investment combinations as often as permitted under each particular investment vehicle.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and allocations of the Plan Sponsor’s contributions and Plan earnings (losses), and charged with an allocation of administrative expenses, when applicable. Allocations are based on participant earnings or account balances, as defined by the Plan documents. The benefit which a participant is entitled to is the participant’s vested account balance.

THE MEDURI FARMS, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Vesting – Participants are immediately vested in their salary deferral and safe harbor matching contributions plus actual earnings thereon. Vesting in the discretionary profit-sharing contributions and earnings allocated thereon are based on years of service. One year of service is defined as at least 1,000 hours of service during the Plan year. In addition, a participant becomes 100% vested upon reaching age 65 (normal retirement age) or upon death or disability while employed by the Plan Sponsor. The vesting schedule for discretionary profit-sharing is as follows:

<u>Years of service</u>	<u>Percent vested</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant or beneficiary may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or partial withdrawals of at least \$1,000, or installment payments over a period of time as specified in the Plan document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or rollover their balance to another plan. If a participant's account balance is less than \$5,000, the participant does not have to consent to the distribution. In-service distributions are allowed for participants who have reached normal retirement age. Only one in-service distribution is allowable per participant, per Plan year. Hardship distributions are not allowed.

Forfeited Accounts – Forfeitures will be used to reinstate previously forfeited participant account balances, reduce certain employer contributions, or pay Plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$12,639 and \$1,245, respectively. In 2021, \$1,245 was used to reduce employer contributions, pay Plan expenses and/or restore account balances.

Notes Receivable from Participants – Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Amounts borrowed are treated as participant directed assets. Note terms range from one to five years and are secured by the vested balance in the participant's account and bear interest at rates commensurate with the local lending market. Principal and interest repayment are made through payroll deductions. Allowance for loan loss is estimated based on any unsecured balance or loans in default.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles, except for distributions paid to participants which are recorded on the cash basis.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The investments reported at fair value consist of pooled separate accounts. The Plan’s custodian certifies the fair market value of the investments in pooled separate accounts. Fair value is the price that would be received to sell an asset or paid to transfer a liability (the “exit price”) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation or depreciation in fair value of investments consist of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Payment of Benefits – Benefits are recorded when paid. As of December 31, 2021, there were no distributions which had been requested but not yet paid.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative fees and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Contributions – Contributions from employees and the employer are recorded in the period in which the Plan Sponsor makes the payroll deductions from the participant earnings.

Expenses – Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these statements while others are paid using forfeitures or directly from participant accounts and are included in Plan expenses. Expenses include professional fees for audit services, administrative expenses which include fees paid for recordkeeping and third-party administrator services, and investment advisory fees which includes advising and management of the Plan’s investments. Other investment related expenses are included in net appreciation/depreciation in fair value of investments.

Date of Management’s Review – Subsequent events were evaluated through October 17, 2022, which is the date the financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Pooled separate accounts – Units held in pooled separate accounts (PSAs) are valued using the net asset value practical expedient (NAV Practical Expedient) of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. Participants are allowed a maximum of two exchanges per calendar month. An exchange is defined as a full or partial rebalance of a participant's account, or exchanges that involve multiple investment options on one day. Recognizing that there may be extreme market or personal circumstances requiring a participant to make a further change, a participant is allowed to move 100% of their assets to the money market fund after the exchange limit has been reached. However, no subsequent exchanges may be made for 30 days. If it is determined that an exchange may disrupt or be potentially disruptive to an investment option, John Hancock Life Insurance Company reserves the right to impose additional restrictions, including but not limited to restricting the number of exchanges in a period, restricting the dollar amount of an exchange, restricting the method used to submit exchanges, restricting exchanges into and out of certain investment options, or applying investment fees and/or trade restrictions as requested by the underlying fund manager.

The following table provides additional information for investments in certain entities that calculate net asset value per share (or its equivalent) as a practical expedient:

As of December 31, 2021				
	Fair Value	Redemption Frequency	Redemption Notice Period	Unfunded Commitmen
Pooled Separate Accounts	<u>\$ 11,900,998</u>	Daily	12 Months	n/a
As of December 31, 2020				
	Fair Value	Redemption Frequency	Redemption Notice Period	Unfunded Commitmen
Pooled Separate Accounts	<u>\$ 9,979,540</u>	Daily	12 Months	n/a

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. While the Plan administrator believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4. GROUP ANNUITY CONTRACT WITH JOHN HANCOCK LIFE INSURANCE COMPANY

In 2012 the Plan entered into a group annuity contract with John Hancock Life Insurance Company. Contributions, including any rollover contributions, are remitted by the Plan Sponsor for allocation to the investment options selected under the group annuity contract. An account is maintained for each participant under the contract. The group annuity contract holds pooled separate accounts that contain funds within the following investment strategies: target date portfolios, lifestyle portfolios, and individual account options, all of which are inherent by the fund names. The group annuity contract provides one stable value fund which is a collective investment trust.

NOTE 5. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the custodian of the Plan, has certified the assets available for benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2021, and related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

NOTE 6. RELATED PARTY TRANSACTIONS

Certain Plan investments are accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made a direct payment to the trustee for certain administrative expenses, which was not covered by revenue sharing. Total fees paid with Plan assets to related parties during the period ending December 31, 2021, were \$99,448. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8. TAX STATUS

The IRS has issued an opinion letter dated June 30, 2020, that the volume submitter plan adopted by the Company is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10. NONEXEMPT TRANSACTIONS

As reported on the Schedule of Delinquent Participant Contributions, certain participant contributions and loan payments were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company during the year ended December 31, 2020, and prior years. Participant contributions totaling \$470,392 were remitted late in 2020 and prior years. Lost earnings have been remitted to the Plan and allocated to participant accounts in 2021.
