INDEPENDENT AUDITOR'S REPORT

October 14, 2022

To the Trustees of the
Lakeside Industries Inc. Employee Savings Plan
Issaquah, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Lakeside Industries Inc. Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Lakeside Industries Inc. Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lakeside Industries Inc. Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lakeside Industries Inc. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lakeside Industries Inc. Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Lakeside Industries Inc. Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LAKESIDE INDUSTRIES INC. EMPLOYEE SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

NOTE A - DESCRIPTION OF PLAN:

The following description of the Lakeside Industries Inc. Employee Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General -

The Plan is a defined contribution plan covering all employees of the Company who have completed 90 days of service, are at least age twenty-one, and are not then covered by a collective bargaining agreement. If an employee becomes eligible to participate in the Plan and fails to file an election, the Company will automatically enroll the employee into the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions -

Participants may elect to defer their annual wages, up to the maximum amount allowable under the Internal Revenue Code (IRC), and contribute these amounts to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In 2021, the Company elected to make a safe harbor matching contribution to the Plan. The Company will match 100% of the first 3% and 50% of the next 2% of the participant 401(k) contributions. In 2021, the Company also elected to make a profit-sharing contribution to the Plan in the amount equal to 11% of Plan Compensation. Participants must have completed one year of service and 1,000 hours of service during the year in order to receive the profit-sharing contribution. Participants are eligible for employer match upon enrollment in the plan. Participants may also make voluntary after-tax contributions to the Plan. Total contributions are subject to certain limitations.

The Plan allows rollover contributions and transfers from other qualified plans and certain individual retirement accounts.

Participant Accounts -

Each participant's account is credited with the Company's profit-sharing contribution, based on a fixed percentage of each participant's Plan Compensation, and participant's segregated investment earnings or losses. In addition, each participant's account is credited with the participant's 401(k) deferrals, Company matching contributions and participant's voluntary after-tax contributions, if applicable. All such allocations are as indicated in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting -

Participants are immediately vested in their 401(k) contributions, Company matching contributions and voluntary after-tax contributions plus actual earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service or upon death, disability or normal retirement at age 62.

Payment of Benefits -

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic payments over a fixed period of years not to exceed beyond the joint lives of the participant and his or her beneficiary. If the present value of a participant's benefit at termination is less than \$1,000, the Trustees may elect to make the distribution in a lump-sum payment without consent or transfer the money to an IRA. If the present value of a participant's benefit at termination is at least \$1,000 but less than \$5,000, the Trustees can only transfer the money to an IRA without consent. The Plan also allows for hardship withdrawals.

NOTE A - CONTINUED:**Forfeited Accounts -**

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$53,326 and \$104,600, respectively. These accounts may be used to reduce future Company contributions.

If a participant returns to service prior to incurring five consecutive Breaks in Service, then the forfeited non-vested amounts are returned to their participant account. Any amounts distributed must be returned within five years of the reemployment date in order for the non-vested portion to be reinstated. There were no reinstated forfeitures during the years ended December 31, 2021 and 2020.

Notes Receivable from Participants -

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of the value of their vested account balance. Participant notes are accounted for as a segregated investment in the participant's account. The maximum payment term for any loan generally will be five years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through biweekly payroll deductions. Interest rate on loans outstanding at December 31, 2021 was between 4.25% and 6.25% and is based on the prime interest rate plus 1%.

Legislative and Regulatory Developments -

The CARES Act was signed into law on March 27, 2020, under Public Law 116-136, the Coronavirus Aid, Relief, and Economic Security. The CARES Act contains several provisions that affect employee benefit plans. Key provisions include allowing participants to take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan up to December 31, 2020 without a 10% early withdrawal penalty; allowing participants to borrow up to \$100,000 from qualified plans – an increase of \$50,000 – for loans made from March 27, 2020 through September 22, 2020; allowing suspension of loan payment due March 27, 2020 through December 31, 2020 for up to one year; and, allowing suspension of 2020 required minimum distributions.

NOTE B - SUMMARY OF ACCOUNTING POLICIES:**Basis of Accounting -**

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates -

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants -

Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE B - CONTINUED:**Investment Valuation and Income Recognition -**

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits -

Benefits are recorded when paid.

Date of Management's Review -

Management has evaluated subsequent events through October 14, 2022, which is the date the financial statements were available to be issued.

Expenses -

The majority of the Plan administrative expenses are paid directly by the Company as Plan Sponsor. Expenses that are paid by the Company are excluded from these financial statements.

NOTE C - FAIR VALUE MEASUREMENTS:

Fair value measurements of the Plan's investments are as follows:

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2021</u>		
Mutual Funds	\$ 22,831,144	\$ 22,831,144
Brokerage account	4,296,231	4,296,231
	<u>\$ 27,127,375</u>	<u>\$ 27,127,375</u>
<u>December 31, 2020</u>		
Mutual Funds	\$ 18,634,645	\$ 18,634,645
Brokerage account	3,800,698	3,800,698
	<u>\$ 22,435,343</u>	<u>\$ 22,435,343</u>

NOTE C - CONTINUED:

The Plan's investment in brokerage account and mutual funds are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are considered to be actively traded. The fair value of common stocks is based on the closing price reported on the active market where the individual stocks are traded.

NOTE D - INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan maintains a fully benefit-responsive guaranteed investment contract with Massachusetts Mutual Life Insurance Company (Mass Mutual). The account is credited with earnings on the underlying investments and charged for Plan withdrawals and certain administrative expenses.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate of the general investment account portion of the investment contract is based upon an agreed-upon formula with the issuer, but may not be less than zero percent. Such interest rates are reviewed on a semi-annual basis for resetting. The crediting interest rate was 3.00% for 2021 and 2020.

Certain events limit the Plan's ability to transact at contract value with Mass Mutual. Such events include but may not be limited to the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

NOTE E - RELATED PARTY TRANSACTIONS:

Empower Retirement, Mass Mutual, Reliance Trust Company (Reliance), and The Charles Schwab Bank (Charles Schwab) are the custodians as defined by the Plan and therefore are parties-in-interest. Certain Plan investments are sponsored by Mass Mutual. The Plan paid Mass Mutual \$118,382 in direct compensation and eligible indirect compensation during the year ended December 31, 2021. Eligible indirect compensation was also paid to Charles Schwab during the year ended December 31, 2021.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE F - INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Retirement.

NOTE G - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE H - TAX STATUS:

The Plan obtained a determination letter on February 22, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan's annual return/report is subject to examination by tax authorities; however, there are currently no audits for any tax periods in progress. Because many types of transactions are susceptible to varying interpretations under Department of Labor and federal tax laws and regulations, the amounts reported in the accompanying financial statements may be subject to change at a later date upon final determination by the Department of Labor.

NOTE I - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The COVID-19 pandemic has created significant public health concerns as well as economic disruptions, uncertainty, and volatility. While businesses as well as Federal, state, and local governments have implemented significant actions to attempt to mitigate this public health crisis, the rapid development and fluidity of this situation precludes any prediction by management as to the ultimate duration, scope or impact of the COVID-19 pandemic. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan and its financial results.

NOTE J - PARTICIPANT WITHDRAWALS:

At December 31, 2021 there were no participants who had elected to withdraw from the Plan that had not yet been paid.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
