Independent Auditor's Report

To the Plan Administrator of
Sidney Regional Medical Center Salary Reduction Plan
Sidney, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Sidney Regional Medical Center Salary Reduction Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Sidney Regional Medical Center Salary Reduction Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of the Sidney Regional Medical Center Salary Reduction Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a qualified defined contribution plan covering all full-time employees of Cheyenne County Hospital Association d/b/a Sidney Regional Medical Center (Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for oversight of the Plan as well as determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

B. Eligibility

Employees who are age 21 or older are eligible to contribute to the Plan. Employer contributions are limited to employees who have one year of service (at least 1,000 hours) and are at least 21 years of age. Employees become eligible on the first day of the quarter following the day that all eligibility requirements are met.

C. Contributions

Contributions made to the Plan are as follows:

Participant Contributions – Participants may elect to make contributions of their pre-tax or post-tax annual compensation, as defined in the Plan subject to Internal Revenue Code limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer Safe Harbor Matching Contributions – The Employer will make a safe harbor matching contribution to each participant based on his or her elective deferrals up to 5% of compensation.

Employer Discretionary Contributions – The Employer may contribute such additional amounts which the Employer deems advisable. There were no discretionary contributions in 2021.

Participants direct the investment of their contributions (including rollovers), as well as the Employer's contributions, into various investment options offered by the Plan. Participants may change their investment options daily.

D. Participant Accounts

Each participant's account is credited with the participant's contribution (including rollovers), Employer's safe harbor matching contribution, Employer's discretionary contribution (if any), and an allocation of Plan earnings or losses and administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Sidney Regional Medical Center Salary Reduction Plan

Notes to Financial Statements December 31, 2021 and 2020

E. Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Participants are also immediately vested in the Employer's safe harbor matching contribution, and actual earnings thereon. The vesting in the Employer's discretionary contribution into the Plan is as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Participants are 100% vested in all contributions upon death or disability or upon retirement.

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The note receivable is secured by the balance in the participant's account and bears interest at a reasonable rate as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Interest rates ranged from 4.25% to 6.50% and the notes mature between January 2022 and June 2041.

G. Payment of Benefits

On termination of service due to death, disability or retirement, a participant or a beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or monthly, quarterly, semi-annual or annual payments for any period not extending beyond the life expectancy of the participant or his or her beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the participant's account balance does not exceed \$5,000, the Plan can automatically cash out the account upon the participant's termination. In the event of a mandatory distribution greater than \$1,000 made in accordance with the small amount payment provisions of the Plan, if the participant does not elect to have the distribution paid directly to an eligible plan specified by the participant or to receive the distribution directly, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement account. For account balances greater than \$5,000, a participant must elect to receive the distribution or the vested benefit will continue to be invested in the Plan's assets.

H. Forfeited Accounts

Participants leaving employment with the Employer before becoming fully vested forfeit their non-vested interest in the Employer's discretionary contributions. These forfeitures will be applied to any safe harbor contributions and Plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$64, respectively. For the year ended December 31, 2021, \$64 of forfeitures were used to reduce Employer contributions.

(2) Summary of Significant Accounting Policies

A. *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes herein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policies utilizing information provided by investment advisors and the trustee. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

E. *Payment of Benefits*

Benefits are recorded when paid.

F. *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan.

G. *Subsequent Events*

The Plan Administrator has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Notes to Financial Statements December 31, 2021 and 2020

(3) Information Certified by Principal Trust Company (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that were prepared by or derived from information provided by the trustee and furnished to the Plan Administrator.

The Plan's Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the trustee as of December 31, 2021 and 2020, and for the year ended December 31, 2021, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

The trustee certified the completeness and accuracy of \$29,988,316 and \$26,358,990 of investments at December 31, 2021 and 2020, respectively, \$473,517 and \$339,658 of notes receivable from participants at December 31, 2021 and 2020, respectively, \$3,596,934 of net appreciation in fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year), \$63,360 of interest and dividend income related to investments, and \$16,986 of interest income related to notes receivable from participants for the year ended December 31, 2021.

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|----------------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability; and• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Sidney Regional Medical Center Salary Reduction Plan

Notes to Financial Statements December 31, 2021 and 2020

Mutual funds: Valued at fair value as determined by quoted market prices, which represents the net asset value (NAV) of shares held by the Plan at year end.

Collective investment trusts: Valued at the NAV of its underlying investments held at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3
Mutual funds	\$ 7,795,844	--	--
Collective investment trusts (a)			
Total investments at fair value			\$ 27,822,733
Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3
Mutual funds	\$ 7,250,063	--	--
Collective investment trusts (a)			
Total investments at fair value			\$ 24,889,747

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

(5) Investment Contract with Insurance Company

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Principal) totaling \$2,165,583 and \$1,469,243 for December 31, 2021 and 2020, respectively. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a semiannual basis for resetting. Under the Principal contract, an employer level liquidation will be subject to either a twelve-month irrevocable advance notice or a 5% surrender charge.

Sidney Regional Medical Center Salary Reduction Plan

Notes to Financial Statements December 31, 2021 and 2020

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents; (2) changes to the Plan's prohibition on competing investment options; or (3) significant withdrawals from the Plan. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the plan to transact at contract value with the participants.

(6) Fair Value of Instruments in Certain Entities that Calculate NAV per Share (or its Equivalent)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2021 and 2020:

Investment	2021 Fair Value	2020 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trusts	\$ <u>20,026,889</u>	<u>17,639,684</u>	--	Daily	(a)

(a) This investment has the following withdrawal restrictions:

1. The Plan Sponsor must provide advance written notice of five business days for any withdrawal that will exceed \$1,000,000.

(7) Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and a guaranteed investment contract managed by Principal Trust Company and Principal Life Insurance Company. Principal Trust Company is the trustee, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$60,980 at December 31, 2021.

(8) Plan Termination

Although it has not expressed any intent to do so, the Board of Directors of the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participants' accounts will become 100% vested and non-forfeitable.

Notes to Financial Statements December 31, 2021 and 2020

(9) Tax Status

The Plan adopted a Volume Submitter Profit Sharing Plan which received an Internal Revenue Service opinion letter dated August 8, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has not been amended since receiving the determination letter and the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(10) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(11) Subsequent Events

Effective March 11, 2022, the Plan adopted a non-standardized pre-approved plan document sponsored by Principal Life Insurance Company. The non-standardized pre-approved plan has received an opinion letter from the Internal Revenue Service as to the non-standardized pre-approved plan's qualified status dated June 30, 2020. The non-standardized pre-approved plan opinion has been relied upon by this Plan.
