Independent Auditors' Report

The Audit and Compliance Committee of the Board of Directors and the Hoag Memorial Hospital Sheltered Savings Plan Committee
Hoag Sheltered Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hoag Sheltered Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, line 4j - Schedule of Reportable Transactions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HOAG SHELTERED SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan

The following summary description of the Hoag Sheltered Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information, copies of which may be obtained from the plan sponsor.

(a) General

The Plan is a defined-contribution plan covering employees of Hoag Memorial Hospital Presbyterian and its wholly owned subsidiaries (collectively, the Hospital) subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

An employee of the Hospital is eligible to participate on the first date of the month following 60 days from their date of hire and attaining the age of 21.

Prudential Bank & Trust, F.S.B. served as trustee of the Plan from January 1, 2021 through June 30, 2021. On July 1, 2021, Fidelity Management Trust Company (Fidelity) replaced Prudential Bank & Trust, F.S.B. as trustee of the Plan. The Plan's assets were transferred from Prudential Bank & Trust, F.S.B. to Fidelity Management Trust Company effective July 1, 2021. The Plan is administered by the Hoag Memorial Hospital Sheltered Savings Plan Committee (the Committee). The Committee is appointed by the Hospital's Board of Directors. Committee members hold office until death, resignation, or removal by the Hospital's Board of Directors.

(b) Contributions and Forfeited Amounts

A participant is permitted to make contributions to the Plan in an amount not less than 2% or greater than 100% of his or her compensation subject to Internal Revenue Service (IRS) limitations. The Plan contains certain safe harbor provisions of the Internal Revenue Code (the Code). The Hospital's matching contribution is 50% of the participant's contribution up to 4% of the participant's compensation (i.e., 2% maximum matching contribution). In addition to the matching contributions, an additional nondiscretionary Safe Harbor biweekly Hospital contribution in the amount of 3% of eligible participant compensation will also be made to the Plan. The Hospital, at the discretion of management, may also make further contributions to the Plan for employees with ten or more years of service. To be eligible for the discretionary length of service annual Hospital contributions, employees must be employed by the Hospital on the last day of the calendar year. In 2021, the Hospital's discretionary contributions were \$3,527,480.

The Hospital's discretionary contributions for the year ended December 31, 2021 were reduced by \$369,584 from forfeited nonvested accounts.

Participants' rights to their contributions to the Plan are 100% vested at all times. All Hospital contributions are 100% vested after participants have earned two years of service and 1,000 hours worked each year as defined by the Plan.

Forfeitures of terminated participants' nonvested accounts are allocated to reduce future contributions by the Hospital. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes to Financial Statements

December 31, 2021 and 2020

(c) Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance less their highest outstanding loan balance within the past 12 months. Loan terms range from 1 to 5 years or up to 15 years for the purchase of a primary residence. The loans are at a fixed rate commensurate with local prevailing rates as determined by the plan administrator at the timing of borrowing, and the rates of outstanding loans as of December 31, 2021 range from 4.25% to 9.25%, with maturity dates between January 2022 and December 2036. Principal and interest are paid ratably through payroll deductions.

(d) Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in 1% increments in any of the investment options available. In addition, participants may change their investment options daily.

(e) Withdrawals

Certain participant in-service withdrawals, including the case of financial hardship, are permitted. In addition, Hospital contributions to a participant's account may only be withdrawn to the extent that such contributions are vested. On termination of service, a participant may receive a lump-sum amount equal to the vested value of his or her account, or upon death, disability, or retirement, elect to receive annual installments over a period not to exceed the life expectancy of the participant or designated beneficiary.

Participants may withdraw funds on account of financial hardship if the participant satisfies certain conditions. This hardship distribution is not in addition to other participant benefits and will therefore reduce the value of the benefits participants will receive upon termination of employment or other event entitling the participant to distribution of their account balance. Participants may request a hardship distribution only from the vested portion of their elective deferral contributions.

(f) Plan Termination

Although the Hospital expects to continue the Plan indefinitely, the Hospital has retained the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all Plan participant interests shall become fully vested.

(g) COVID-19

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law on March 27, 2020. The CARES Act allowed for certain distribution terms. The Plan adopted these terms, including distributions of up to \$100,000, elimination of tax withholding and the 10% tax penalty on hardship distributions, the ability to repay such distributions within 3 years, similar enhanced terms for participant loans, and elimination of required minimum distributions for fiscal year 2020. The Plan adopted the CARES Act distributions, loan, and loan deferral provisions as of April 7, 2020.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

HOAG SHELTERED SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(b) Investment Valuation, Income Recognition, and Credit Risk

The Plan's investments (except for the fully benefit-responsive investment contract) are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net assets value of shares held by the Plan at year-end. The Prudential Day One Income Flex Target Balanced Fund (Income Flex Fund) is a fund of funds investment that is invested in units of other Prudential Retirement Insurance and Annuity Company (PRIAC) separate accounts or interest in other commingled investment funds that invest primarily in either common stocks or other types of equity or debt investments with some investments in nontraditional asset classes such as commodities and real estate. Units of the Income Flex Fund are valued based on a quoted market price.

The Plan was invested in a fully benefit-responsive investment contract with PRIAC that was stated at contract value, which is the relevant measurement because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by PRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The Plan exited this investment in June 2021.

In July 2021 the Plan invested in a group annuity contract.

The New York Life Stable Value Account is a New York life insurance Company separate account invested in high-quality fixed income securities. It seeks to maintain a return similar to a short-term bond with a risk profile similar to a money market fund and is designed for use as a stable value option in a defined contribution plan. The group annuity contract is stated at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments.

(c) Administrative Expenses

All administrative expenses may be paid in whole or in part by the Hospital. Any expenses not paid by the Hospital shall be paid by the Plan. Administrative expenses paid by the Plan were \$446,591 for the year ended December 31, 2021. Expenses paid by the Hospital were \$0 in 2021.

(d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the

HOAG SHELTERED SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

(e) Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

(f) Payments of Benefits

Benefits are recorded when paid.

(g) Other Expense

Other activity represents the net activity of forfeitures and ERISA expenses paid to the trustee of the Plan. Forfeitures result in a decrease in net assets. The Plan trustee has a revenue sharing agreement with the Plan wherein when the Plan achieves certain profitability on an annual basis, the trustee will reimburse a portion of the earnings to the Hospital's expense account. In years where there is no revenue sharing, the ERISA expenses will result in a reduction of Plan net assets. In years where there is revenue sharing, the ERISA expenses will result in an increase of the Plan net assets.

(3) Fair Value Measurements

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). ASC Topic 820 includes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

- Level 1. Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities
- Level 2. Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:
 - Quoted prices for similar assets and liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in markets that are not active
 - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)

HOAG SHELTERED SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3. Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest-level input that is significant to the fair value measurement in its entirety.

Assets and liabilities measured at fair value are based on one or more of three valuation techniques noted in the tables below.

- a) Market approach: Prices and other relevant information generated by market transactions involving identical or comparable assets or liabilities
- b) Cost approach: Amount that would be required to replace the service capacity of an asset (replacement cost)
- c) Income approach: Techniques to convert future amounts to a single present amount based on market expectations (including present value techniques, option-pricing, and excess earnings models)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2021 and 2020.

Assets at fair value as of December 31, 2021					Valuation technique (a, b, c)

HOAG SHELTERED SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(4) Tax Status of the Plan

The underlying non standardized plan has received a determination letter from the IRS dated May 2, 2017 stating that the form of the Plan is qualified under Section 401(a) of the Code, and therefore, the related trust is tax exempt. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

(5) Investments

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2021 and 2020, and dividends, interest, and net appreciation in fair value of investments for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Prudential Bank & Trust, F.S.B. and Fidelity, the trustees of the Plan, and PRIAC, the custodian of the fully benefit-responsive investment contract. During 2021, the Plan invested in a group annuity contract and engaged New York Life to be the custodian.

Investment Contract with Insurance Company

In 2005, the Plan entered into a fully benefit-responsive guaranteed investment contract with PRIAC, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 1.5%. Effective July 1, 2021, there was a change in trustee from Prudential Bank & Trust to Fidelity. With this change, the Plan exited the investment contract with PRIAC.

Generally, there are not any events that could limit the ability of the Plan to transact at contract value for distributions paid within 90 days or in certain rate-based circumstances, if paid over time. The plan administrator does not believe that the occurrence of any event, which would limit the Plan's ability to transact at contract value with participants, is probable. There are not any events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value for distributions paid either within 90 days or over time.

(6) Party in Interest Transactions

The Plan holds shares of certain mutual funds that are managed by the trustees of the Plan. These transactions qualify as party in interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

(7) Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential Bank & Trust, FSB and Fidelity, the trustees of the Plan, as well as PRIAC and New York Life, the custodians of the fully benefit-responsive investment contract and group annuity contract have certified to the completeness and accuracy of:

- Investments, at fair value
- Investment contract, at contract value
- Notes receivable from participants
- Net appreciation in the fair value of investments
- Dividend and interest income
- Interest income from notes receivable from participants
- Investment balances included in note 3 (excluding level designations)
- Investments reflected on the supplemental schedule H line 4i – schedule of assets (held at end of year).

(8) Subsequent Events

Management has evaluated subsequent events for the Plan through October 17, 2022, the date on which the financial statements were available to be issued.
