INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Saint Francis Ministries, Inc. 401(k) Plan
Salina, Kansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Saint Francis Ministries, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021; the related statement of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

(Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA The supplementary schedule of assets held at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

Auditors' Report on the 2020 Financial Statements We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Saint Francis Ministries, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of Saint Francis Ministries, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering substantially all employees of Saint Francis Ministries, Inc. (the Company), who are immediately eligible to participate in employee deferrals and Company matching contributions upon hiring and reaching age 21 or older. Employees are eligible for the Company safe harbor matching and nonelective contribution upon completing one year of service and attaining age 21 or older. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The Plan was originally established as of January 1, 2010, and has been subsequently amended and restated. The Plan administrator is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and investment performance.

Contributions Participants may elect to contribute to the Plan, in the form of employee 401(k) salary deferral contributions (pre-tax 401(k) deferrals and Roth 401(k) deferrals), up to the lesser of 75% of their eligible compensation or the maximum amount allowable by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes matching and safe harbor matching contributions. The Company made matching contributions of \$-0- and \$495,515 for the years ended December 31, 2021 and 2020, respectively. The Company made safe harbor matching contributions of \$1,169,200 and \$980,650 for the years ended December 31, 2021 and 2020, respectively. Additionally, the Company may make discretionary nonelective contributions. The Company did not make discretionary nonelective contributions for the years ended December 31, 2021 and 2020. Effective January 1, 2021, the Plan was amended to remove the enhanced safe harbor matching contributions.

Participant Accounts Each participant's account is credited with the participant's contributions, Company contributions, and account earnings, and may be charged with an allocation of administrative expenses that are paid by the Plan. The Company's discretionary nonelective contribution is allocated in the same ratio that each participant's compensation for the Plan year bears to the total compensation of all participants for the year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Participants are immediately vested in their contributions, Company safe harbor matching contributions, and earnings thereon. Matching contributions and discretionary nonelective contributions are subject to vesting. A participant is 100% vested after six years of credited service. Participants are credited with one year of service for each year in which they worked at least 1,000 hours.

Saint Francis Ministries, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Notes Receivable From Participants Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable repayment terms generally may not exceed five years, except in the case of the purchase of a primary residence. The notes receivable are secured by the balances in the participants' accounts. The notes receivable interest rate, determined at inception of the note receivable, is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits Withdrawals are allowed in the event of termination, disability, death, retirement, or attainment of age 59½. Depending on the event, the withdrawal may be subject to early withdrawal penalties imposed by the *Internal Revenue Code (IRC)*. Payments are made in the form of a lump-sum distribution or annual installments over a period of time of not more than the participant's life expectancy.

As of December 31, 2021 and 2020, there were no amounts allocated to participants who elected to withdraw from the Plan but have not yet been paid.

Forfeitures Forfeitures attributable to matching and discretionary nonelective contributions may be used to reduce administrative expenses or Company contributions. Forfeited nonvested account balances totaling \$49,420 and \$36,890 were used to reduce administrative expenses for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, the remaining forfeited nonvested accounts totaled \$24 and \$7,625, respectively.

Plan Termination Although it has not expressed any intent to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants would become 100% vested in their Company matching and discretionary nonelective contributions.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting The Plan uses the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the trustee. Fair value measurements are discussed below.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Saint Francis Ministries, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

Fair Value Measurements The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interest-Bearing Cash: Assets are money market mutual funds which are valued at the net asset value (NAV), generally \$1 per share, and are reported on the active market on which securities are traded.

Collective Trust Fund: The Plan holds a stable value fund, which is a pool of investments of which the Plan buys and sells units of participation that generally imitate established mutual funds. The underlying investments consist of U.S. treasury securities, corporate bonds, mortgage backed securities, and asset backed securities. The Plan's valuation estimates are based on the contract and market values of the underlying investments. Participant transactions (issuances and redemptions) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust, in order to ensure that securities liquidations will be carried out in an orderly business manner. There were no unfunded commitments at December 31, 2021.

Mutual Funds: Assets are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

See note 4 for the classification of these assets within the fair value hierarchy.

Saint Francis Ministries, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

(Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable From Participants Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. No allowance for credit losses was recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits Benefits are recorded when paid.

Expenses Certain operating expenses of the Plan are deducted from participant accounts and the remaining expenses are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Evaluation of Subsequent Events The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY INTRUST BANK, N.A.

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such an election, the noninterest-bearing cash, investments, and notes receivable from participants included in the statements of net assets available for benefits, and the investment income and interest income on notes receivable from participants included in the statements of changes in net assets available for benefits as of and for the years ended December 31, 2021 and 2020, were not subject to auditing procedures and have been certified as complete and accurate by INTRUST Bank, N.A. (INTRUST).

4. FAIR VALUE MEASUREMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value.

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 34,564,236	\$ -	\$ -	\$ 34,564,236

December 31, 2020	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 30,799,995	\$ -	\$ -	\$ 30,799,995
Collective trust	-	469,490	-	469,490
Investments at Fair Value	\$ 30,799,995	\$ 469,490	\$ -	\$ 31,269,485

5. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company is the administrator of the Plan. The Plan's administrator may designate other persons to carry out the day-to-day operations of the Plan. The Plan has an investment and recordkeeping contract with INTRUST. INTRUST, as the Plan's broker and trustee, qualifies as a party in interest with respect to the investments managed by INTRUST; however, INTRUST is exempt from the prohibited transaction rules under ERISA. Fees paid by the Plan for investment management services are included in administrative expenses and amounted to \$144,584 and \$73,984 for the years ended December 31, 2021 and 2020, respectively.

6. TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan established by INTRUST. The prototype plan obtained an opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the form of the prototype plan, as then designed, was acceptable under Section 401 of the IRC. Although the Plan has been amended since adopting the prototype plan, the Plan administrator believes that the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax exempt.

Saint Francis Ministries, Inc. 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

8. SUBSEQUENT EVENT

Effective January 1, 2022, the Plan was restated as required by the IRS under the Cycle 3 DC restatement. There were no significant changes to the Plan operations related to this restatement.
