INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants of the
Ward Leonard CT LLC 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ward Leonard CT LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements - modified cash basis (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ward Leonard CT LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Emphasis of a Matter – Plan Merger

As described in Note 1 to the financial statements, the Plan Sponsor was acquired by Fairbanks Morse, as of January 5, 2021. On October 12, 2021, the Board of Directors of Fairbanks Morse approved the merger of the Ward Leonard CT LLC 401(k) Plan into the Fairbanks Morse Retirement Savings Plan effective December 31, 2021, at which time all investments were transferred from the Plan to the Fairbanks Morse Retirement Savings Plan.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ward Leonard CT LLC 401(k) Plan's ability to continue as a going concern for December 31, 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ward Leonard CT LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ward Leonard CT LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Ward Leonard CT LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WARD LEONARD CT LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Ward Leonard CT LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established January 1, 1985 and amended January 1, 2002 covering all eligible employees of Ward Leonard CT, LLC (the Plan Sponsor, the Employer, or the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The plan sponsor was acquired by Fairbanks Morse, a portfolio company of Arcline Investment Management ("Arcline") as of January 5, 2021. The plan was amended as of January 19, 2021 to reflect changes in the trustees. On October 12, 2021, the Board of Directors of Fairbanks Morse, a controlling party of Ward Leonard CT LLC 401(k) Plan, approved the merger of this Plan into the Fairbanks Morse Retirement Savings Plan effective December 31, 2021. As a result, all investments were transferred from the Plan into the Fairbanks Morse Retirement Savings Plan on that date.

ELIGIBILITY

Each employee shall be eligible to become a participant at the completion of three months of service, attainment of age 18 and being employed by the Company.

CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted, which included provisions, which among others, provide temporary relief for those retirement plan participants affected by the coronavirus disease (COVID-19). Participants who met certain criteria could take a penalty-free hardship withdrawal, borrow from their accounts at higher limits and suspend making payments on their participant loans until 2021. During the period between April 20, 2020 and September 22, 2020, participants impacted by COVID-19 (as defined in the Plan document) could borrow from their account up to the lesser of \$100,000 or the vested account balance and could suspend loan repayments due during that period until January 2021.

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CARES Act (CONTINUED)

The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to \$100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid with the three-year period following the distribution. The voluntary adoption of this provision by the Plan was effective April 20, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment and is not required until the plan year ended December 31, 2025.

EMPLOYEE CONTRIBUTIONS

Participants may elect to defer up to 100% of annual compensation, as defined in the Plan, up to up the annual limit prescribed by the Internal Revenue Code (IRC) (\$19,500 for 2021). Participants who have attained age 50 by the end of the year are eligible to make additional catch up contributions up to the annual limit prescribed by the IRC (\$6,500 for 2021). Participants may also make certain rollover contributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

EMPLOYER CONTRIBUTIONS

The Employer may make a discretionary matching contribution equal to a uniform percentage of employee deferrals, which is determined annually. Participants are immediately eligible for discretionary matching contributions upon entry into the Plan. During the year ended December 31, 2021, the Employer made matching contributions equal to 50% of the pretax contributions up to 6% of participants' eligible compensation, as defined by the terms of the Plan. Employer matching contributions amounted to \$222,277 in 2021.

The Employer may also make a discretionary profit sharing contribution, which is determined annually. All eligible participants employed on the last day of the Plan year are eligible to share in profit sharing contributions. There was no profit sharing contribution made in 2021.

PARTICIPANT INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct salary deferral contributions and employer matching and profit sharing contributions to selected investments as made available and determined by the plan administrator. Participants may change their investment options any time via direct telephone or internet access to the Plan's custodian.

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Employer's matching and profit sharing contributions, (b) Plan earnings with an allocation of administrative expenses. Allocations are based on participant salaries or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer contributions is based on years of continuous service. A participant is 100% vested after five years of credited service.

The Plan provides for participants to vest in their account balances as follows:

2 years	25%
3 years	50%
4 years	75%
5 years	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the excess of the Participant's highest outstanding loan balance during the previous 12 month period ending on the date of the loan over the Participant's current outstanding loan balance on the date of the loan. Only one general purpose loan and one loan for the purchase of a principal residence may be outstanding at any given time. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are to be repaid through payroll deductions over a period not to exceed five years, except for loans utilized in the purchase of a principal residence.

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, or retirement, a participant or beneficiary shall be entitled to receive a lump-sum distribution of the entire vested balance. For termination of service for other reasons, a participant may receive a lump-sum distribution or elect a direct rollover to another qualified plan.

FORFEITED ACCOUNTS

Any Company contribution with respect to a participant which is not vested upon termination of the participant is forfeited and may be used to pay Plan expenses or reduce future Company contributions as provided for in the Plan document. Forfeitures totaling \$34,674 were used to reduce Company contributions in 2021. Forfeited balances amounted to \$0 and \$19,056 at December 31, 2021 and 2020, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, income is recorded when received and expenses are recorded when paid.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. See Note 4 for discussion of fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend basis. Interest income is recorded as received. Net appreciation in the fair value of investments includes the Plan's gains on investments bought and sold during the year as well as investments held at year end.

WARD LEONARD CT LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS – MODIFIED CASH BASIS

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are stated at their outstanding balances plus any accrued and unpaid interest. Interest income is recorded when received. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant's unpaid principal and interest balance is deemed to have been distributed to the participant as a benefit payment.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses relating to the Plan's operation may be paid for by the Plan or the Company as provided for in the Plan document. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments

RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

DECEMBER 31, 2021 AND 2020

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Transamerica Financial Life Insurance Company (Transamerica), the custodian of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual funds*: Valued at the net asset value (NAV) of units held by the Plan at year end. These companies are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded in an open market.
- *Pooled separate accounts (PSA)*: The fair value of the participation units owned by the Plan is based on the net assets of the underlying pool of securities on the last business day of the Plan year, as determined by the custodian. The NAV is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. There were no unfunded commitments at December 31, 2021 and 2020. The PSA may be redeemed on a daily basis with no redemption restrictions.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ --	\$ --	\$ --	\$ --
Investments measured at net asset value (a)				--
Investments at fair value				\$ --

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 8,733,448</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 8,733,448
Investments measured at net asset value (a)				<u>1,965,424</u>
Investments at fair value				<u>\$ 10,698,872</u>

- (a) In accordance with Accounting Standards Codification Section 820, *Fair Value Measurement*, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items present in the statements of net assets available for benefits.

NOTE 5 – TAX STATUS

The underlying prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the written form of the underlying prototype document is qualified under Section 401(a) of the Internal Revenue Code (the Code). Any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the Code. Therefore, the related trust is tax-exempt. Once qualified, the plan is required to operate in conformity with the Code to maintain its qualified status. The plan has been amended since receiving the opinion letter. The Plan Sponsor believes that the plan is designed and is currently being operated in compliance with the applicable provisions of the Code.

The modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2021 and 2020, the Plan paid certain expenses related to Plan operations and investment activity, as described in Note 2, to various service providers, which are considered party-in-interest transactions as defined in Section 3(14) of ERISA. The Plan also issues loans to its participants, which are secured by the participant's account balance, that qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – ADMINISTRATIVE EXPENSES

Pursuant to the custodian's Fund Revenue Equalization method, the custodian uses certain revenue sharing payments it receives from the investment options available in the Plan to offset the costs of administration of the Plan on an individual fund basis. If the revenue collected from a fund provider is greater than the administrative fee negotiated, the custodian refunds the difference to the participants invested in the fund. If the revenue collected from a fund provider is less than the negotiated fee, the custodian collects the difference by deducting an administrative fee from the participants invested in the fund. The custodian's Fund Revenue Equalization method ensures that all participants bear a similar percentage charge for the Plan's administrative fees irrespective of the investment funds they choose. Additional amounts in excess of its required revenue are credited to the "Expense Budget Account." If the amount received by the custodian is less than its required revenue and the funds in the Expense Budget Account are insufficient to cover the shortfall, the Company pays the shortfall.

The custodian maintains the funds in the Expense Budget Account within its general account, the Transamerica Financial Life Insurance Company Stable Fund (TFLIC Stable Fund). The TFLIC Stable Fund is not an available investment option for Plan participants. Expense Budget Account credits, which are recorded as other income on the accompanying Statement of Changes in Net Assets Available for Plan Benefits – Modified Cash Basis, totaled \$44,587 in 2021 and funds of \$56,009 were utilized to pay Plan expenses in 2021. The balance of the Expense Budget Account was \$0 and \$11,565 at December 31, 2021 and 2020, respectively, and has been included in other assets on the accompanying Statements of Net Assets Available for Plan Benefits – Modified Cash Basis.
