INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Bideawee, as Sponsor of
The Bide-A-Wee Home Association Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of The Bide-A-Wee Home Association Tax Deferred Annuity Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets held as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE BIDE-A-WEE HOME ASSOCIATION TAX DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of The Bide-A-Wee Home Association Tax Deferred Annuity Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established pursuant to Section 403(b) of the Internal Revenue Code (the "Code") covering all employees of Bideawee, Inc. (the "Plan Sponsor" or "Employer"). There are no age or service requirements to join the Plan and begin elective salary deferral contributions. In order to receive employer contributions, participants must be the age of 18 and have completed six months of service. The Plan was established effective as of September 1, 1984 and has been amended since and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation subject to certain limitations under the Internal Revenue Service ("IRS") rule. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Employer makes a matching contribution of up to five percent of a participant's base compensation.

Participant Accounts

Each participant account is credited with the participant's contributions, employer's matching contributions, non-elective contributions and earnings on the participant's account. A loan set-up charge is deducted from the participant's accounts for each loan. Some costs of administering the Plan will be paid by the Plan Sponsor. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. If an employee was hired on or after April 1, 2006, then the participant vests 20% per year and is therefore fully vested after five years of credited service. If they were hired before April 1, 2006, then they are vested after two years of service and are then 100% vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates based on the prime rate, and are generally payable in installments over periods ranging from one to five years (unless the loan is used for the purchase of a primary residence, in which case the repayment period may be up to ten years). Principal and interest is paid through payroll deductions. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or leave all or part of their vested account in the Plan and defer receipt of their benefit and continue to accumulate interest or share in the investment experience of the funds in which their vested account is invested.

THE BIDE-A-WEE HOME ASSOCIATION TAX DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

At December 31, 2021 and 2020, the balance of available forfeitures for future use was \$15,740 and \$10,196, respectively. These accounts will be used to pay certain Plan expenses and to reduce future Employer contributions. In 2021 and 2020, forfeited non-vested accounts were reduced by \$7,920 and \$12,800, respectively, to pay for employer contributions and certain Plan professional fees.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded at the time payment is made to the participant.

Administrative Expenses

A loan set-up charge of \$75 is deducted from the participant's accounts. Investment related expenses are included in net appreciation in fair value of investments. Other costs of administering the Plan are paid directly by the Plan Sponsor and excluded from these financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Sponsor deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. As of December 31, 2021 and 2020, \$62,929 and \$40,933, respectively, of participant loans were outstanding. The loans bear interest at rates that range from 3.25% to 5%.

NOTE 3: INVESTMENTS – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN AS COMPLETE AND ACCURATE

As noted in the independent auditors' report, the Plan administrator has elected the method of compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, as permitted under such election, the following information, and the information contained in the supplemental schedule, was certified as complete and accurate by State Street Bank and Trust Company, the custodian of the Plan, and was not subjected to any auditing procedures performed by the independent auditors except for comparing such information to information included in the Plan's financial statements.

State Street Bank and Trust Company has certified to the completeness and accuracy of the investments included in the financial statements as of December 31, 2021 and 2020.

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurement, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Transamerica Financial Life Insurance Company Guaranteed Investment Option ("TGNY"):

The Guaranteed Investment Option is provided under a group annuity contract issued by Transamerica Financial Life Insurance Company ("TFLIC"). Such contract is a traditional investment contract (guaranteed investment contract), and it does not have a maturity date. The Plan has guaranteed benefits under the terms of the contract. The contract value equals deposits made to the TGNY, plus interest credited under the terms of the contract, less any withdrawals. The contract value of the Guaranteed Investment Option is referred to as "Contract Balance" in the contract (see Note 5).

Transamerica Financial Life Insurance Company General Account (the "General Account"):

The General Account consists of Plan assets which are not allocated to participants. These unallocated assets will be used to first reinstate participant accounts, as applicable, then to pay certain Plan expenses and then to reduce future Employer contributions. The underlying investments of the General Account are the Transamerica Financial Life Insurance Company Fixed Fund ("Fixed Fund") and the Transamerica Financial Life Insurance Company Stable Fund ("Stable Fund"). The Fixed Fund and Stable Fund are both part of the general assets of the General Account. The General Account is measured at fair value, which is equal to contract value plus interest credited under the terms of the contract less any withdrawals.

Changes in Fair Value Levels:

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers.

The Plan's investments in mutual funds are valued at Level 1. The Plan's Company General Account is valued at Level 2.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Financial assets carried at fair value at December 31, 2021 are classified in the table as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 9,385,831	\$ -	\$ 9,385,831
General Account	<u>-</u>	<u>37,916</u>	<u>37,916</u>
Total investments, fair value	<u>\$ 9,385,831</u>	<u>\$ 37,916</u>	9,423,747
Guaranteed Investment Option, at contract value			<u>1,065,373</u>
Total investments			<u>\$ 10,489,120</u>

Financial assets carried at fair value at December 31, 2020 are classified in the table as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 8,568,460	\$ -	\$ 8,568,460
General Account	<u>-</u>	<u>38,183</u>	<u>38,183</u>
Total investments, fair value	<u>\$ 8,568,460</u>	<u>\$ 38,183</u>	8,606,643
Guaranteed Investment Option, at contract value			<u>1,183,254</u>
Total investments			<u>\$ 9,789,897</u>

NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

TGNY is a fully benefit-responsive contract that guarantees principal and accumulated interest. Contract value is the beginning balance plus any deposit and credited interest, less any withdrawals, charges or expenses. The Contract Balance is payable from the general assets of TFLIC. The investment contract is included in the financial statements at contract value. Participants may deposit and withdraw on a daily basis at contract value. Participants may also transfer to other investment options in the Plan. This fund is part of the general assets of TFLIC.

TFLIC established an initial Declared Rate effective as of the Contract Date. The date upon which any Declared Rate shall become effective is referred to as a "Reset Date". The Declared Rate shall not be reduced for a period of at least 12 months or 6 months, following the most recent Reset Date, but the Declared Rate may be increased at any time. In no event may the Declared Rate be less than the Minimum Guaranteed Interest Rate. Interest based on the Declared Rate will accrue to the Contract Balance on a daily basis. The minimum guaranteed interest rate is 1.00% per annum. The annualized gross credit rate under the group annuity contract was 2% as of December 31, 2021 and 2020.

The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. TFLIC may not terminate the contract at any amount less than the contract value.

THE BIDE-A-WEE HOME ASSOCIATION TAX DEFERRED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5: FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 7: TAX STATUS

The Plan has adopted the Volume Submitter plan, which has been determined by the IRS to be in accordance with the applicable sections of the Code. The IRS provided its letter dated March 31, 2017. The Plan has not received a determination letter specified to the Plan itself; however, the Plan Sponsor and the Plan's tax counsel believe that the Plan was designed and is being operated in compliance with the applicable requirements of the Code, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. There has been significant volatility in the market in 2022, which has negatively impacted fair values. Management is unable to determine the impact on the Plan as of the date of this report.

NOTE 9: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments as of December 31, 2021 and 2020 are shares of group annuity contracts and funds issued by the Transamerica Financial Life Insurance Company (the "Insurance Company"). The Insurance Company is an affiliate of Transamerica Retirement Solutions, the recordkeeper of the Plan, and therefore these transactions qualify as party-in-interest transactions. In addition, State Street Bank and Trust Company is the custodian as defined by the Plan and any transactions with State Street Bank and Trust Company qualify as a party-in-interest transactions. Fees incurred and paid by the Plan to Transamerica Retirement Solutions are reflected as administrative expenses in the accompanying statements of changes in net assets available for benefits and amounted to \$ 66,369 and \$24,511 for the years ended December 31, 2021 and 2020, respectively.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

For the year ended December 31, 2020, the Plan Sponsor did not remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the Department of Labor's *Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure* under ERISA. Untimely remittances, which totaled \$14,590, were corrected through the Department of Labor's Voluntary Fiduciary Correction Program during the year ended December 31, 2021. Additionally, the Plan Sponsor has compensated participants for lost earnings resulting from the delay in contributions.

NOTE 11: EXCESS CONTRIBUTIONS PAYABLE

Subsequent to December 31, 2020, certain 2020 Employer contributions were deemed to be excess contributions. Such contributions and the related investment earnings thereon were refunded to the Plan in 2021. A liability for excess contributions of \$1,087 was recorded in the Plan's statement of net assets available for benefits as of December 31, 2020.

NOTE 12: SUBSEQUENT EVENTS

Management has evaluated, for potential recognition and disclosure, events subsequent to the date of the statement of net assets available for benefits through October 17, 2022, the date the financial statements were available to be issued.
