## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
The Tile Shop 401(k) Retirement Plan  
Plymouth, Minnesota

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of The Tile Shop 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### *2021 Supplemental Schedule Required by ERISA*

The supplemental schedule (see accompanying table of contents), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## THE TILE SHOP 401(K) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

#### 1. Plan Description –

The following description is provided for information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

##### General

The Tile Shop 401(k) Retirement Plan (the Plan) is a defined contribution plan adopted by The Tile Shop, LLC (the Company or Employer). The Plan was amended and restated effective January 1, 2016 (and subsequently, July 15, 2022). During 2021, the Plan changed the trustee/custodian from Wells Fargo Bank, N.A. (Wells Fargo) to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for oversight of the Plan. The Plan has an investment committee that determines the appropriateness of the Plan's investment offerings and monitors investment performance, and reports to the plan administrator.

##### Plan Amendments

Effective April 15, 2020, the Plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allow certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments to be deferred up to one year and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

Effective October 1, 2021, the Plan was amended to allow for auto-escalation of employee deferral rates of 1% annually on October 1st up to 10%.

##### Eligibility

All employees, who are at least 21 years of age are eligible to participate and make salary deferrals and to receive discretionary Company matching and profit sharing contributions. Eligible employees may enter the Plan the first day of the following month after meeting eligibility requirements.

##### Contributions

Participants may elect to make pre-tax salary deferral contributions, not to exceed the amount allowable under Section 415 of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also make after-tax Roth 401(k) deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan permits discretionary Company matching and profit sharing contributions. For 2021, a discretionary matching contribution was made in the amount of 50% of the first 5% of eligible compensation deferred. There were no discretionary profit sharing contributions for the 2021 Plan year.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation and their contributions invested in a target retirement fund until changed by the participant.

## THE TILE SHOP 401(K) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

#### 1. Plan Description – (continued)

##### Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, as well as allocations of plan earnings. Profit sharing contributions are allocated in the same proportion that each participant's eligible compensation bears to the total eligible compensation of all participants. Participants' accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### Vesting

Participants are always 100% vested in their pretax salary reduction contributions, Roth contributions, rollover contributions, and related earnings. Participants vest 20% each year beginning after one year of service in their employer-derived contributions and related earnings. Upon death or disability, participants become 100% vested in their account balances. Upon termination of employment, any nonvested amounts of employer-derived contributions are forfeited.

##### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years. The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate based on the prime rate at the date of the loan. The prime rate was 3.25% at December 31, 2021 and 2020. Outstanding loans at December 31, 2021 bear interest at rates ranging from 3.25% to 5.50% and mature at various dates through October 2026. Principal and interest are paid ratably through payroll deductions.

Pursuant to the CARES Act, as implemented by the Plan, Plan participants could elect to defer loan repayments that occurred between March 27, 2020 and December 31, 2020 for up to one year. The ability to request to defer loan repayments available under the CARES Act ceased as of December 31, 2020.

##### Normal Retirement

Normal retirement is age 65. Participants vest 100% in their account balance at age 65, although actual payment of benefits may generally not begin until the participant is entitled to a distribution under terms of the Plan. The Plan has an early retirement age provision, whereby participants become 100% vested in their account balance at the later of reaching age 55, or the date the participant reaches the fifth anniversary of the first day of the Plan year in which the participant entered the Plan.

#### 1. Plan Description – (continued)

##### Payment of Benefits

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability or death, or their vested balance at retirement. In addition, participants may obtain hardship withdrawals, as defined by the Plan. Pursuant to the SECURE Act enacted, effective operationally January 1, 2020, the age at which required minimum distributions must begin was increased from 70½ to 72. Participants who terminate prior to attaining the later of age 62 or normal retirement age with vested benefits of \$5,000 or less are automatically distributed in single lump-sums as soon as practicable after the event occurs that entitles the distribution. For amounts between \$1,000 and \$5,000 the automatic distribution would be subject to automatic rollover. For amounts below \$1,000 the automatic distribution would be distributed in cash. Terminated participants with account balances outside of this requirement must provide their consent for distribution and may leave their accounts in the Plan.

##### Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$521,428 and \$326,088, respectively. These accounts will be used to reduce future employer contributions or pay Plan expenses. No forfeitures were used during 2021.

##### Plan Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants become 100% vested in their employer contributions.

In response to the COVID-19 pandemic, the IRS issued "The Taxpayer Certainty and Disaster Relief Act of 2020" which provided a temporary rule on partial plan terminations. The temporary provision ensured partial plan termination did not occur if the active participant count as of March 31, 2021 was at least 80% of the number of active participants covered by the Plan on March 31, 2020. The Plan did not meet the 80% threshold at March 31, 2021 and approximately \$233,900 of forfeitures were refunded to participants in 2022. No additional monies were contributed to the Plan for this refund and all amounts were re-allocated from forfeitures to the participants.

#### 2. The Plan and Summary of Significant Accounting Policies –

##### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

##### Use of Estimates

The preparation of the financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

2. The Plan and Summary of Significant Accounting Policies – (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser and trustees/custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on fair value as of the end of the plan year. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits paid to participants are recorded when paid. There were no benefits requested before year-end that were not paid.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

3. Certified Investments –

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2021 and 2020 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal and Wells Fargo, the trustees/custodians, of the Plan, respectively. Investment income, including interest on notes receivable from participants, for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal and Wells Fargo, the trustees/custodians, of the Plan. Wells Fargo and affiliates are collectively referred to as Wells Fargo, and Principal and affiliates are collectively referred to as Principal.

#### 4. Fair Value Measurements –

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1        Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2        Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3        Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value collective trust fund:* Composed primarily of fully benefit-responsive investment contracts and is reported at fair value using NAV as a practical expedient. The stable value fund calculates NAV per share in a manner consistent with the measurement principles in FASB Accounting Standards Codification Topic 946, Financial Services - Investment Companies. Those measurement principles indicate that, in the determination of a stable value fund's NAV, the relevant measurement is net assets which include the fully benefit responsive investment contracts held by the fund at contract value. This NAV represents the Plan's fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Investments Measured Using the Net Asset Value Per Share Practical Expedient

In accordance with FASB Accounting Standards Codification Subtopic 820-10, the Wells Fargo Stable Return Fund held by the Plan is not classified in the fair value hierarchy table that prioritizes the inputs to valuation techniques used to measure fair value because it is measured at NAV per share practical expedient and does not have a readily determinable fair value.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

THE TILE SHOP 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

5. Related-Party Transactions and Party-in-Interest Transactions –

Certain plan investments are shares of mutual funds and a common/collective trust fund managed by Wells Fargo. Wells Fargo was the trustee/custodian as defined by the Plan for a portion of 2021. Principal became the new trustee/custodian during 2021. Transactions with these parties qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were \$79,448 for Principal and \$34,310 for Wells Fargo during 2021. The plan sponsor pays directly any other fees related to the Plan's operations.

6. Tax Status –

Prior to July 15, 2022, the Company adopted a volume submitter plan sponsored by Wells Fargo. The volume submitter plan sponsor obtained its latest determination letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Effective July 15, 2022, the Company adopted a nonstandardized pre-approved plan sponsored by Principal. The pre-approved plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

7. Risks and Uncertainties –

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In addition, it is possible that the Plan could be adversely affected in subsequent periods by future economic disruptions caused by the COVID-19 pandemic and the associated governmental responses.

8. Concentrations –

Investments that represent 10% or more of the Plan's total investment balance were as follows:

| Investment                             | December 31, |              |
