INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR
STANDARD PROFIT SHARING PLAN PLUS 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Standard Profit Sharing Plan Plus 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Standard Profit Sharing Plan Plus 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Standard Profit Sharing Plan Plus 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Standard Profit Sharing Plan Plus 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Standard Profit Sharing Plan Plus 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Other Matter – Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Standard Profit Sharing Plan Plus 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STANDARD PROFIT SHARING PLAN PLUS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Standard Profit Sharing Plan Plus 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Effective January 1, 2021, the Plan operates as a multiple employer plan. Employees participating in the Plan (collectively, the "Companies") include the following:

Standard Nutrition Company
Standard Dairy Consultants, LLC
Standard Nutrition Services, LLC
Hawkeye Sow Centers, Inc.
Kerber Milling Company
Ag Property Solutions
Dalex Livestock Solutions, LLC (effective June 1, 2021)
AC Bluebonnet, LP (effective December 31, 2021)

On December 31, 2021, the Plan received all assets of AC Bluebonnet, LP Profit Sharing Plan Plus 401(k) Plan and participant accounts therewith in the amount of \$1,975,828, pursuant to a participant agreement executed by AC Bluebonnet, LP and Standard Nutrition Company.

General - The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to make salary reduction contributions and receive employer safe harbor contributions from the Companies, except union and non-resident aliens, after completing 3 months of eligibility service and reaching age 18 or older. Employees who are 18 or older, have completed one year of service, as defined, and are employed on the last day of the year are eligible for the discretionary employer profit sharing contribution. Employees do not need to contribute to the Plan in order to receive a profit sharing contribution. The plan administrator is responsible for oversight of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Each year, participants may contribute a percentage of compensation or a dollar amount up to the amount permitted by law. Contributions can be made tax-deferred or after-tax, but the combination of contributions may not exceed amounts permitted by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Effective January 1, 2021, the Plan permits participants to elect to automatically escalate elective deferrals by 1, 2, or 3% of compensation each year, up to a maximum of 25% of compensation. Participants may also contribute amounts representing distributions from other qualified plans. The Companies have adopted 401(k) safe harbor provisions. The Companies safe harbor matching contributions equal the sum of 100% of participant's elective deferrals up to 3% of participant's compensation plus 50% of participant's elective deferrals that exceed 3% of participant's compensation but do not exceed 5% of participant's compensation. Contributions are subject to certain Internal Revenue Service limitations. Contributions are deposited into participant's account, which they can then direct to the investments they choose. The Company's safe harbor matching contributions and profit sharing amounts are contributed at the discretion of the Company's board of directors.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions and allocations of (a) the Companies' profit sharing contribution and (b) Plan earnings, and charged with an allocation of administrative expenses.

STANDARD PROFIT SHARING PLAN PLUS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2021 AND 2020

Participant Accounts (continued) - Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions and the Companies' safe harbor matching contributions plus actual earnings thereon. Vesting in the Companies' profit sharing contributions plus actual earnings thereon is based on years of credited service, as defined. A participant is 100 percent vested after six years of credited service, death, disability or a normal retirement age.

Notes Receivable from Participants – New loans are not permitted by the Plan. In connection with the plan merger in 2020, the Plan permitted existing loans in the Hawkeye Sow Centers, Inc. 401(k) Profit Sharing Plan in the amount of \$66,828 to be grandfathered into the Plan under the terms previously established. The loans are secured by the balance in the participant's vested account and bear interest at rates ranging from 6.00% - 7.50%. Principal and interest are paid ratably over a period not to exceed 5 years.

Payment of Benefit - Employees may make withdrawals from their plan of after-tax contributions, rollover contributions, and vested amounts as defined by the Plan. In-service withdrawals for qualified hardship may be allowed through a lump-sum distribution. Employees may also make in-service withdrawals upon age 59½, disability, or attainment of the Normal Retirement Age, while still employed by the Company. For in-service withdrawals or withdrawals on termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum distribution or qualified periodic payments.

Forfeited Accounts – Upon a participant's termination of employment before normal retirement, death or disability, the portion of their Company contributions not then vested shall be forfeited. These accounts are eligible to be used to pay Company contributions as directed by the Plan administrator. At December 31, 2021, forfeited nonvested accounts totaled \$100,850, which are available to reduce future Company contributions. In 2021, forfeited nonvested accounts of \$0 were applied to payment of Company contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the accompanying financial statements is set forth below.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (continued) - Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are reported as distributions based on the terms of the Plan document. Related fees are paid by plan participants and are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Subsequent Events - Subsequent events were evaluated through October 17, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – CERTIFIED INFORMATION

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company LLC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate: investments with fair values of \$42,966,897 and \$35,814,342 at December 31, 2021 and 2020, respectively; notes receivable from participants of \$19,810 and \$41,984 at December 31, 2021 and 2020, respectively; total investment income of \$4,259,381 for the year ended December 31, 2021; interest income on notes receivable from participants of \$2,182 for the year ended December 31, 2021; and assets (held at end of year) at December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Total investments at fair value	<u>\$35,814,342</u>	<u>\$34,218,114</u>	<u>\$1,596,228</u>	<u>\$ --</u>

NOTE 5 – PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Companies' profit sharing contributions.

NOTE 6 – TAX STATUS

The Companies have adopted a prototype plan sponsored by John Hancock Retirement Plan Services, LLC. The Internal Revenue Service has determined and informed John Hancock Retirement Plan Services, LLC, by a letter dated June 30, 2020, that the prototype plan used by the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS & UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS

John Hancock Retirement Plan Services, LLC, an affiliate of John Hancock Trust Company LLC, the trustee of the Plan, provides certain administrative services to the Plan pursuant to a service agreement with the Plan sponsor. John Hancock Retirement Plan Services, LLC receives revenue from investment fund service providers for services provided to the Plan. This revenue is used to offset certain amounts owed to John Hancock Retirement Plan Services, LLC by the Plan for administrative services provided.

STANDARD PROFIT SHARING PLAN PLUS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

DECEMBER 31, 2021 AND 2020

NOTE 9 – PARTY-IN-INTEREST TRANSACTIONS (Continued)

Certain Plan investments with balances of \$3,738,226 and \$3,113,417 at December 31, 2021 and 2020, respectively, are managed by affiliates of John Hancock Trust Company LLC, the trustee for the Plan, and therefore, these transactions qualify as party in interest transactions. Fees paid to John Hancock Trust Company, LLC and affiliates amounted to \$30,528 for the year ended December 31, 2021.

Notes receivable from participants are assets of the Plan due from plan participants and, therefore, qualify as party in interest transactions.

These transactions are exempt party in interest transactions under ERISA.
