C Plan sponsor's name as shown on line 2a of Form 5500 CLEAN ENERGY	D Employer Identification Number (EIN) 95-4603747	

Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(1) To this plan.....	2l(1)		0
(2) From this plan.....	2l(2)		0

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: RAIMONDO PETTIT GROUP

(2) EIN: 33-0532641

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		3000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		X	
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

Independent Auditors' Report

To the Plan Administrator of
Clean Energy 401(k) Plan
Newport Beach, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Clean Energy 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Clean Energy 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Clean Energy 401(k) Plan. As permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Raimondo Pettit Group

Torrance, California
October 17, 2022

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

1. Description of Plan

General

The following description of the Clean Energy (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all employees of the Company who are not covered by a collective bargaining agreement and excludes non-resident aliens who did not receive any earned income from the Company which constitutes United States source income, as stated in the Plan agreement. Per the Plan agreement, employees of the Company's wholly-owned subsidiaries are also eligible to participate in the Plan. Employees are not required to meet a minimum age or service requirement to participate. The Plan went into effect on January 1, 1999, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan adopted the amended and restated Pre-approved Plan on which the plan is based, effective June 29, 2021, to comply with recent regulations. In conjunction therewith, a new IRS opinion letter was obtained.

Setting Every Community Up for Retirement Enhancement (SECURE) Act and Coronavirus Aid Relief and Economic Security (CARES) Act

In December 2019, the SECURE Act was signed into law. The SECURE Act includes provisions which allow for participation by part-time employees, increases the age of required minimum distributions to 72, and allows for distributions for the birth or adoption of a child, amongst other things. Plan management has until December 31, 2022, to formally amend the Plan.

In response to the COVID-19 pandemic, the CARES Act was enacted on March 27, 2020. Amongst other benefits, the CARES Act provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. While plans may immediately adopt and implement these provisions, formal plan amendments are not required until the end of the last day of the plan year beginning on or after January 1, 2022 (December 31, 2022 for calendar year-end plans.) The Plan Administrator has allowed certain relief provisions included in the CARES Act, including those related to hardship distributions. Such provisions allow qualifying participants to request coronavirus related distributions from the Plan up to \$100,000 without paying the usual premature penalty. Plan management has until December 31, 2022, to formally amend the Plan.

Plan Administration

The Company's President and Chief Executive Officer, Chief Financial Officer, and Vice President of Administration are plan administrators who are responsible for the oversight of the Plan. Fidelity Management Trust Company is the Plan's trustee and custodian ("Trustee") and Fidelity Workplace Services LLC is the record-keeper. The Trust Agreement establishes that the Trustee holds, administers and distributes the funds of the Plan in accordance with the provisions of the Plan and instructions of Plan management or its designees. Discretionary authority for the purchase and sale of investments is vested with the Trustee.

Net assets available for benefits, end of year	\$	63,172,075

See accompanying notes to financial statements.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

1. Description of Plan (Continued)

Contributions

Participants may contribute up to 90% of their eligible annual compensation, not to exceed the maximum allowed by the Internal Revenue Code (the “Code”), totaling \$19,500 in 2021. Participants may also contribute amounts representing distributions from other qualified plans (e.g. rollover contributions). Participants who have attained age fifty prior to the end of a plan year are eligible to make pre-tax catch-up contributions to the Plan. During 2021, the total amount of catch-up contributions per participant for a plan year may not exceed \$6,500.

The Plan offers automatic enrollment for eligible employees. Employees who are enrolled through this feature will have deferrals withheld at the rate of 3%, with automatic yearly increases of 1%, up to a maximum of 10%, effective at the beginning of each subsequent Plan year. Contributions made through this feature will be invested in certain funds offered by the Trustee depending on the expected retirement date of the participant. Participants have the option to elect out of automatic enrollment at any time.

The Company may make a discretionary matching employer contribution on behalf of each participant in an amount equal to a percentage of employee deferral contributions made by each participant during the Plan year. This matching percentage may be limited to a specified percentage of compensation or a specified dollar amount. In order to qualify for the discretionary matching contribution, a participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year. The Company's matching contribution for 2021 was 50% of employee deferrals, subject to IRS limits, for each eligible participant and amounted to \$1,609,755. The contribution is included as a receivable at December 31, 2021, and was deposited into the Plan in January of 2022.

Participant Accounts

An account is maintained for each participant and is credited with the participant's contributions, the Company's contributions, and an allocation of earnings and losses, net of certain investment management fees. Participants may direct the investment of their account in any investment fund maintained by the Plan. The Company's matching contribution is allocated among the funds within each participant account in the same manner as the employee's contribution. Investment income is allocated daily among eligible participants in the ratio which the dollar value of the respective participant's interest in the specific investment bears to the dollar value of all participants' interests in that investment. A participant is entitled to the benefit provided from their account.

Investment Options

Investments in the Plan consist primarily of interests in registered investment companies managed by the Plan's Trustee. Upon enrollment in the Plan, participants may direct employer and participant contributions in increments of 1% in any of the investment options offered under the Plan. Participants may change their investment options at any time.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

1. Description of Plan (Continued)

Vesting

Participants are immediately 100% vested in all employee and employer contributions to their accounts and any earnings thereon.

Notes Receivable from Participants

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes receivable are secured by the balance in the participant's account and bear interest at a rate determined by the Plan administrator, based on prevailing interest rates under similar circumstances, which is fixed over the life of the loan. Loan terms range from one to five years, or longer for the purchase of a primary residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon retirement at age 65 years or later, death, disability, or other termination of employment, a participant may elect to receive a lump-sum payment, or to make a rollover distribution to an eligible retirement plan, equal to the participant's vested interest in his or her account. If, upon termination, the participant has not elected to receive or roll over their balance and, if the vested account balance does not exceed \$5,000, the Trustee will follow the Plan's provisions for mandatory cash out distributions.

In-service and Hardship Withdrawals

Withdrawals while still employed and not of normal retirement age are not permitted by the Plan, including hardship withdrawals.

Forfeitures

Although participants are fully vested at all times, forfeitures can occur primarily from stale distribution checks for which follow-up procedures have been unsuccessful. Such checks are re-deposited into a separate account in the Plan and can be used to pay plan expenses, reduce future Company contributions, or to fund reissued checks to participants. As of December 31, 2021 and 2020, such forfeited amounts totaled \$2,203 and \$2,141, respectively.

Income Tax Status

The Plan adopted Fidelity's Pre-approved Profit Sharing Plan with CODA which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since that date and has not filed for its own determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and is therefore tax exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

1. Description of Plan (Continued)

Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting periods. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (See Note 4). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investment Valuation and Income Recognition (Continued)

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal amount plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions in accordance with the provisions of the Plan.

Concentration of Credit Risk

The Plan's investments include primarily registered investment company mutual funds that represent obligations by the counterparties to meet the terms of the financial instruments. Should one or more of the counterparties default, the Plan might lose amounts up to the recorded carrying value of the related instruments.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds and a common collective trust. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

The ongoing COVID-19 global pandemic continues to have an unprecedented impact on the U.S. economy, which has created significant uncertainties. In addition, other world and domestic events have resulted in significant volatility in the investment markets subsequent to plan year end. As these situations continue to evolve, there may be a material adverse impact on the Plan's assets and potentially on the Sponsor's operations. The ultimate impact of the pandemic and current investment market volatility on the Plan cannot be reasonably estimated at this time.

Contributions

Participant contributions are recorded by the Plan in the year withheld from participant earnings. Contributions to the Plan by the Company are recorded in the year which they become obligations of the Company.

Payment of Benefits

Benefits are recorded when paid.

Clean Energy 401(k) Plan
Notes to Financial Statements
December 31, 2021

2. Summary of Significant Accounting Policies (Continued)

Administrative and Investment Management Expenses

Administrative expenses of the Plan may be paid from Plan assets and are included in the Statement of Changes in Net Assets Available for Benefits. The Company pays for expenses such as trust administration and audit fees (see Note 6). Investment management fees and transaction costs associated with the investment options are included by the Trustee in the net appreciation (depreciation) in the fair value of investments.

3. Summary of Information Certified by the Plan Trustee

The following information was certified to be complete and accurate by the Plan's trustee within the meaning of CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA:

<i>December 31,</i>	2021	2020
Investments, at fair value:		
Mutual funds	\$ 57,944,571	\$ 47,899,531
Common collective trust	2,952,379	3,362,424
Total investments	60,896,950	51,261,955
Notes receivable from participants	665,370	630,402
Total	\$ 61,562,320	\$ 51,892,357
<i>Year ended December 31, 2021</i>		
Interest on notes receivable from participants		\$ 39,272
Investment income:		
Interest and dividends		\$ 4,963,661
Net appreciation in fair value of investments		2,610,828
Total investment income		\$ 7,574,489

All amounts enumerated in the supplemental Schedule of Assets (Held at End of Year) at December 31, 2021, were also certified by the Trustee.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

4. Fair Value Measurements

Authoritative guidance establishes a framework for measuring fair value and defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The guidance also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Under the guidance, the three levels of inputs that may be used to measure fair value are:

Level 1: Quoted prices for identical assets or liabilities in active markets.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan based upon quoted market prices at year-end.

Common Collective trust: Valued at the NAV as reported by the trustee. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. This investment is not classified within the fair value hierarchy, but presented for purpose of reconciliation to the statement of net assets available for benefits only.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 57,944,571	\$ -	\$ -	\$ 57,944,571
Investment measured at net asset value				2,952,379
Investments at fair value	\$ 57,944,571	\$ -	\$ -	\$ 60,896,950

Assets at Fair Value as of December 31, 2020				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 47,899,531	\$ -	\$ -	\$ 47,899,531
Investment measured at net asset value				3,362,424
Investments at fair value	\$ 47,899,531	\$ -	\$ -	\$ 51,261,955

5. Investment in Common Collective Trust

The Stable Value Fund, one of the Plan's investment options, is a common collective trust which seeks to preserve capital and achieve a competitive level of income over time that is consistent with the preservation of capital. To achieve its investment objective, the fund invests in fixed-income securities, bond funds, money market funds, and derivative instruments. In addition, the fund also purchases third-party wrap contracts to provide for the payment of participant-directed withdrawals and exchanges at book value.

Participant transactions (purchases and sales) may occur daily. The fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuers of third-party wrap contracts are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) any substantive modification to the Plan or administration of the Plan that is not consented to by the contract issuer (including complete or partial plan termination or merger with another plan), (2) establishment of a defined contribution plan that competes with the Plan for employee contributions, (3) Plan sponsor events, such as divestitures, spin-offs or early retirement programs that cause a significant withdrawal from the Plan, (4) transfer of assets from the fund directly to a competing fund option, (5) the failure of the Plan to qualify under Section 401(a) or Section 401(k) of the Internal Revenue Code.

Clean Energy 401(k) Plan

Notes to Financial Statements

December 31, 2021

5. Investment in Common Collective Trust (Continued)

The Plan administrator does not believe that the occurrence of any of these events, which would limit the Plan's ability to transact at contract value with participants, is probable.

There are no unfunded commitments as of December 31, 2021 and 2020.

6. Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are shares of mutual funds managed by the Trustee of the Plan. The Plan issues loans to participants, which are secured by the balances in the participant's accounts.

The Company paid certain administrative expenses of the Plan (primarily audit services) totaling \$34,550 during 2021. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA.

8. Reconciliation of Financial Statements to Form 5500

As the Plan's Form 5500 is presented at fair value and on a cash basis, and the financial statements are presented on a contract value and accrual basis, the following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

<i>December 31,</i>	2021	2020
Net assets available for benefits per the financial statements	\$ 63,172,075	\$ 53,427,711
Participant contributions accrued as of year-end per the financial statements	-	(81,800)
Employer contributions accrued as of year-end per the financial statements	(1,609,755)	(1,453,554)
Difference in valuation of common collective trust	30,603	122,000
Net assets available for benefits per Form 5500	\$ 61,592,923	\$ 52,014,357

Clean Energy 401(k) Plan
Notes to Financial Statements
December 31, 2021

8. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the participant contributions for the year ended December 31, 2021, per the financial statements to the Form 5500:

Total participant contributions per financial statements	\$	3,634,355
Add: contribution reclassification reflected in the financial statements at December 31, 2020		165,536
Add: participant contributions receivable recorded in financial statements at December 31, 2020		81,800
Total participant contributions per Form 5500	\$	3,881,691

The following is a reconciliation of the employer contributions for the year ended December 31, 2021, per the financial statements to the Form 5500:

Total employer contributions per financial statements	\$	1,628,067
Less: contribution reclassification recorded in the financial statements at December 31, 2020		(165,536)
Add: employer contributions receivable reflected in the financial statements at December 31, 2020		1,453,554
Less: employer contributions receivable recorded in financial statements at December 31, 2021		(1,609,755)
Total employer contributions per Form 5500	\$	1,306,330

The following is a reconciliation of investment income for the year ended December 31, 2021, per the financial statements to the Form 5500:

Total investment income per the financial statements	\$	7,574,489
Prior year difference in valuation of common collective trust		(122,000)
Current year difference in valuation of common collective trust		30,603
Total investment income per Form 5500	\$	7,483,092

9. Subsequent Events

In providing the disclosures contained in this note, Plan management evaluated events occurring between the end of our most recent fiscal year and October 17, 2022, the date the accompanying financial statements became available to be issued. There were no subsequent events to report which would require recognition or disclosure in the financial statements.
