INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Community Action Nacogdoches, Inc.
dba Greater East Texas Community
Action Program 403(B) Thrift Plan
Longview, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program 403(b) Thrift Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We audited the 2020 financial statements of the Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program 403(b) Thrift Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 7, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program 403(b) Thrift Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) defined contribution thrift plan covering eligible employees of Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program (“Organization”). The Organization is the Plan Sponsor. Employees of the Organization, who are U.S. residents or resident aliens, are eligible to participate in the Plan on the entry date coinciding with, or immediately following, their date of hire. Plan entry dates are the first day of each calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

PLAN ADMINISTRATION

The Organization appoints the Plan Administrator and Plan Custodian. The Plan Administrator is an employee of the Organization. The Plan Custodian is Mutual of America Life Insurance Company (“Mutual of America”). The Plan’s third-party administrator, Mutual of America, performs the Plan’s administrative duties such as preparation of the Form 5500, participant recordkeeping, compliance testing, if any, enrollment and transaction processing.

CONTRIBUTIONS

Participants may elect to contribute amounts on a pre-tax basis from eligible compensation not to exceed the limits of Internal Revenue Service (“IRS”) Code Section 403(b). Participants will automatically have 1% of their salary contributed to the Plan unless the participant elects out of automatic enrollment by written notice to the Plan Sponsor. The auto enrollment percentage increases by 1% per year up to a maximum of 6%. In addition, participants that reach age 50 before the close of the Plan year may make catch-up contributions. The Organization’s base contribution is equal to 1% of an eligible participant’s compensation received during the year, whether or not the employee made salary reduction contributions. Additionally, the Organization may make a discretionary matching contribution of 50% of the first 8% that a participant contributes to the Plan.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, the employer’s contributions, and Plan earnings. Allocations of Plan earnings and administrative expenses are based on participant account balances as defined in the Plan provisions. Interest income from individual participant loans is credited to the respective participant’s account. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the Organization’s base and matching contributions, plus earnings thereon, is upon completion of 3 years of service. All amounts credited to a participant’s account become fully vested upon the attainment of normal retirement age (65).

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account. Principal and interest are paid through payroll deductions.

PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive their vested benefit in a lump sum payment either in cash or as a direct rollover to a qualified individual retirement account or another tax-qualified plan. If the value of the participant’s vested account balance is less than \$1,000, the form of distribution will be a lump sum distribution. A participant must be age 59 ½ or have incurred a financial hardship, as defined in Plan provisions, to qualify for an in-service distribution.

NOTE 1 – DESCRIPTION OF PLAN – CONTINUED

FORFEITURES

Any portion of the final balance in a participant's account which is not vested will become a forfeiture as of the distribution of the entire vested account balance. Forfeitures can be used to reduce employer contributions, Plan expenses, and any remaining will be allocated, based on compensation, to participants in the Plan at the end of the Plan year. During the year ended December 31, 2021, \$3,381 forfeitures were allocated to participants. At December 31, 2021 and 2020, forfeited amounts totaled \$6,593 and \$9,614, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors and the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant does not make loan repayments, and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority.

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021:

Pooled Separate Accounts:

The fair value of pooled separate accounts, \$1,014,468 and \$941,533 at December 31, 2021 and 2020, respectively, is based on “net asset value” (“NAV”). The NAV of the separate accounts are valued daily based on the market values of the underlying assets in each fund as provided by MOA. The NAV is used as a practical expedient to estimate fair value. For purposes of the fair value hierarchy, investments measured at fair value using NAV as the practical expedient have not been categorized in the fair value hierarchy. The redemption frequency and notice periods of each of these pooled separate accounts is daily, and there are no redemption restrictions on unfunded commitments.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Investment in the Mutual of America Interest Accumulation Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Custodian, represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. This contract is considered a traditional investment contract in which the Plan owns the contract and not the underlying assets.

The investment contract held by the Plan is a deposit administration account. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and as promulgated by the National Association of Insurance Commissioner, may not fall below 1%. The crediting rate is reviewed on a monthly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligations which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participant.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the Custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2021	2020
Investments at fair value	\$ 1,014,468	\$ 941,533
Investments at contract value	439,666	429,727
	<u>\$ 1,454,134</u>	<u>\$ 1,371,260</u>
Investment income	<u>\$ 138,867</u>	

No auditing procedures were performed with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Mutual of America is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for asset charges and takeover fees totaled \$2,026 for the year ended December 31, 2021.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the “Code”). The Plan Administrator and the Plan’s tax counsel believe that the terms of the Plan have been prepared to conform with the written plan requirement of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for the plan participants under Section 403(b).

In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist sponsors and participants. The Plan adopted certain optional provisions, which included the suspension of required minimum distributions for the Plan year end and the offering of coronavirus-related distributions.

Written amendments to the Plan reflecting these operational changes from the CARES Act will be adopted at a later date in accordance with applicable IRS guidance.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audit any tax period in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Community Action Nacogdoches, Inc.
dba Greater East Texas Community
Action Program 403(B) Thrift Plan
Longview, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program 403(b) Thrift Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We audited the 2020 financial statements of the Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program 403(b) Thrift Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated October 7, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND DECEMBER 31, 2020**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program 403(b) Thrift Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) defined contribution thrift plan covering eligible employees of Community Action Nacogdoches, Inc. dba Greater East Texas Community Action Program (“Organization”). The Organization is the Plan Sponsor. Employees of the Organization, who are U.S. residents or resident aliens, are eligible to participate in the Plan on the entry date coinciding with, or immediately following, their date of hire. Plan entry dates are the first day of each calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

PLAN ADMINISTRATION

The Organization appoints the Plan Administrator and Plan Custodian. The Plan Administrator is an employee of the Organization. The Plan Custodian is Mutual of America Life Insurance Company (“Mutual of America”). The Plan’s third-party administrator, Mutual of America, performs the Plan’s administrative duties such as preparation of the Form 5500, participant recordkeeping, compliance testing, if any, enrollment and transaction processing.

CONTRIBUTIONS

Participants may elect to contribute amounts on a pre-tax basis from eligible compensation not to exceed the limits of Internal Revenue Service (“IRS”) Code Section 403(b). Participants will automatically have 1% of their salary contributed to the Plan unless the participant elects out of automatic enrollment by written notice to the Plan Sponsor. The auto enrollment percentage increases by 1% per year up to a maximum of 6%. In addition, participants that reach age 50 before the close of the Plan year may make catch-up contributions. The Organization’s base contribution is equal to 1% of an eligible participant’s compensation received during the year, whether or not the employee made salary reduction contributions. Additionally, the Organization may make a discretionary matching contribution of 50% of the first 8% that a participant contributes to the Plan.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, the employer’s contributions, and Plan earnings. Allocations of Plan earnings and administrative expenses are based on participant account balances as defined in the Plan provisions. Interest income from individual participant loans is credited to the respective participant’s account. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of the Organization’s base and matching contributions, plus earnings thereon, is upon completion of 3 years of service. All amounts credited to a participant’s account become fully vested upon the attainment of normal retirement age (65).

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant’s account. Principal and interest are paid through payroll deductions.

PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive their vested benefit in a lump sum payment either in cash or as a direct rollover to a qualified individual retirement account or another tax-qualified plan. If the value of the participant’s vested account balance is less than \$1,000, the form of distribution will be a lump sum distribution. A participant must be age 59 ½ or have incurred a financial hardship, as defined in Plan provisions, to qualify for an in-service distribution.

FORFEITURES

Any portion of the final balance in a participant's account which is not vested will become a forfeiture as of the distribution of the entire vested account balance. Forfeitures can be used to reduce employer contributions, Plan expenses, and any remaining will be allocated, based on compensation, to participants in the Plan at the end of the Plan year. During the year ended December 31, 2021, \$3,381 forfeitures were allocated to participants. At December 31, 2021 and 2020, forfeited amounts totaled \$6,593 and \$9,614, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisors and the custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021. If a participant does not make loan repayments, and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority.

NOTE 3 – FAIR VALUE MEASUREMENTS – CONTINUED

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021:

Pooled Separate Accounts:

The fair value of pooled separate accounts, \$1,014,468 and \$941,533 at December 31, 2021 and 2020, respectively, is based on “net asset value” (“NAV”). The NAV of the separate accounts are valued daily based on the market values of the underlying assets in each fund as provided by MOA. The NAV is used as a practical expedient to estimate fair value. For purposes of the fair value hierarchy, investments measured at fair value using NAV as the practical expedient have not been categorized in the fair value hierarchy. The redemption frequency and notice periods of each of these pooled separate accounts is daily, and there are no redemption restrictions on unfunded commitments.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

Investment in the Mutual of America Interest Accumulation Fund meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the Custodian, represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. This contract is considered a traditional investment contract in which the Plan owns the contract and not the underlying assets.

The investment contract held by the Plan is a deposit administration account. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and as promulgated by the National Association of Insurance Commissioner, may not fall below 1%. The crediting rate is reviewed on a monthly basis for resetting.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the issuer's ability to meet its financial obligations which may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code.
2. Premature termination of the contracts.
3. Plan termination or merger.
4. Changes to the Plan's prohibition on competing investment options.
5. Bankruptcy of the Plan sponsor or other Plan sponsor events that significantly affect the Plan's normal operations.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines.
2. A breach of material obligation under the contract.
3. A material misrepresentation.
4. A material amendment to the agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participant.

NOTE 5 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the Custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2021	2020
Investments at fair value	\$ 1,014,468	\$ 941,533
Investments at contract value	439,666	429,727
	<u>\$ 1,454,134</u>	<u>\$ 1,371,260</u>
Investment income	<u>\$ 138,867</u>	

No auditing procedures were performed with respect to this information, except for comparing such information to related information included in the financial statements and supplemental schedule.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Mutual of America is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for asset charges and takeover fees totaled \$2,026 for the year ended December 31, 2021.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (the “Code”). The Plan Administrator and the Plan’s tax counsel believe that the terms of the Plan have been prepared to conform with the written plan requirement of Regulation 1.403(b)-3 of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for the plan participants under Section 403(b).

In March 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist sponsors and participants. The Plan adopted certain optional provisions, which included the suspension of required minimum distributions for the Plan year end and the offering of coronavirus-related distributions.

Written amendments to the Plan reflecting these operational changes from the CARES Act will be adopted at a later date in accordance with applicable IRS guidance.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audit any tax period in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investment securities are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.
