INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants
Oaks Christian School 403(b) Plan
Westlake Village, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Oaks Christian School 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we, continued:

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i—Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator and Plan Participants
Oaks Christian School 403(b) Plan
Westlake Village, California

Other Matter –Supplemental Schedule Required by ERISA, continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter –Auditors’ Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, (the 2020 financial statements). As permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the custodian of the Plan. Our audit report, dated October 15, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the custodian of the Plan were presented in compliance with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

OAKS CHRISTIAN SCHOOL 403(B) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN:

The following brief description of the Oaks Christian School 403(b) Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 403(b) retirement plan covering all eligible employees of Oaks Christian School (the School). All employees are eligible upon hire to participate in the elective deferral and employer matching portions of the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make elective deferral contributions up to limits prescribed by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. At the discretion of the Plan administrator, participants may also be permitted to contribute amounts representing distributions from other qualified defined benefit or contribution plans. The School makes matching contributions up to 4% of compensation for participants with less than 5 years of service and matches contributions up to 5% of compensation for participants with 5 or more years of service. Contributions are subject to certain limitations prescribed by law. Participants direct the investment of all contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and allocations of (a) the School's contribution (b) the Plan earnings and (c) the Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in both elective contributions and employer matching contributions plus actual earnings thereon.

PARTICIPANT LOANS

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of the participant's account balance. The loans are secured by the balance in the participant's account and bear interest at the 5 year Treasury rate as of June 1st plus 1% as of the date of the loan. Principal and interest is paid ratably through monthly payroll deductions. Participant loans are reported as notes receivable from participants in the statements of net assets available for benefits.

OAKS CHRISTIAN SCHOOL 403(B) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN, continued:

PAYMENT OF BENEFITS

Upon termination of service due to death or retirement, participants with vested account balances less than \$5,000 will receive an automatic distribution of the full vested account balance. Participants with account balances greater than \$5,000 are entitled to receive a distribution in a reasonable amount of time after termination of service. Hardship distributions are allowed upon satisfying the requirements in the Plan document.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants include participant loans and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

OAKS CHRISTIAN SCHOOL 403(B) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

ADMINISTRATIVE EXPENSES

The Plan expenses for American United Life Insurance Company (AUL) and Plan Member Services are paid from participant's accounts. The Plan paid administrative fees of \$74,921 during the year ended December 31, 2021. In addition, the recordkeeper charges an administrative fee from each participant's account, paid through a revenue sharing agreement. All other administrative expenses, such as consulting and accounting fees, were paid by the School.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by AUL, a qualified institution, as of December 31:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 32,867,154	\$ 28,068,378
Investments, at contract value	695,388	783,243
Notes receivable from participants	<u>308,162</u>	<u>319,600</u>
	<u>\$ 33,870,704</u>	<u>\$ 29,171,221</u>
For the year ended December 31, 2021:		
Investment income	\$ 3,997,374	
Interest on notes receivable from participants	<u>7,798</u>	
	<u>\$ 4,005,172</u>	

Additional assets held outside of AUL were not certified.

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan measures fair value using Level 1 inputs because they generally provide the most evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

OAKS CHRISTIAN SCHOOL 403(B) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENTS, continued:

Fair value of assets measured on a recurring basis as of December 31, 2021 and 2020, are as follows:

	December 31, 2021	Fair Value Measurements Using:		
		Quoted Market Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments:				
Mutual funds	\$ 1,980,560	\$ 1,980,560	\$ -	\$ -
Separate account units	32,867,154	-	32,867,154	-
Total	<u>\$ 34,847,714</u>	<u>\$ 1,980,560</u>	<u>\$ 32,867,154</u>	<u>\$ -</u>
	December 31, 2020	Fair Value Measurements Using:		
		Quoted Market Prices (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments:				
Mutual funds	\$ 1,871,751	\$ 1,871,751	\$ -	\$ -
Separate account units	28,068,378	-	28,068,378	-
Total	<u>\$ 29,940,129</u>	<u>\$ 1,871,751</u>	<u>\$ 28,068,378</u>	<u>\$ -</u>

The fair value of the separate account units is principally derived from the market value of the underlying mutual fund holdings. Mutual funds are primarily valued using market quotations or prices obtained from independent pricing sources.

5. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan has a benefit-responsive guaranteed investment contract with AUL. AUL maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

403(B) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

5. **GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY, continued:**

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by AUL represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$695,388 and \$783,243, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, and interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. **PLAN TERMINATION:**

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. **TAX STATUS:**

The Plan has adopted a volume submitter plan document sponsored by The Ryding Company. The volume submitter plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated February 8, 2018, which states that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code. The Plan has not received a determination letter from the IRS. The Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently operated, in compliance with the applicable requirements of the Internal Revenue Code.

OAKS CHRISTIAN SCHOOL 403(B) PLAN

Notes to the Financial Statements

December 31, 2021 and 2020

8. PARTIES-IN-INTEREST:

Certain investments for the Plan are funds managed by AUL and Plan Member Services (the custodians). The custodians perform recordkeeping services for the Plan; therefore, these transactions qualify as party-in-interest transactions. The value of these investments is \$35,543,102 and \$30,723,372, as of December 31, 2021 and 2020, respectively. Fees paid by the Plan for the recordkeeping services amounts were \$74,922 for the year ended December 31, 2021. Indirect fees, such as investment management fees, are included in appreciation on the statement of changes in net assets available for benefits.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, triggering volatility in financial markets and a significant negative impact on the global economy. Because of this uncertainty, the extent to which the COVID-19 outbreak will financially affect the Plan's operations or its financial results cannot be reasonably estimated at this time.

10 SUBSEQUENT EVENTS:

Subsequent events have been evaluated through October 17, 2022, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
