Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Radius Financial Group, Inc. 401(k) Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Radius Financial Group, Inc. 401(k) Employee Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Radius Financial Group, Inc. 401(k) Employee Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Norwell, Massachusetts

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Radius Financial Group, Inc. 401(k) Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Radius Financial Group, Inc. 401(k) Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H - Line 4(i) - Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021 and Schedule H - Line 4(a) - Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Radius Financial Group, Inc. 401(k) Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of Radius Financial Group, Inc. 401(k) Employee Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of radius financial group inc. (the Company). The Plan excludes from eligibility those employees who are non-resident aliens, part-time, temporary, seasonal, or leased employees and employees covered by a collective bargaining agreement for which retirement benefits have been the subject of good faith negotiations. The Plan is subject to the provisions of ERISA.

Plan Administrator

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Trustee services were provided by Reliance Trust Company (RTC) from January 1, 2021 through May 25, 2021 and by Fidelity Personal Trust Company, FSB (FPTC) from May 26, 2021 through December 31, 2021. The third-party administration services were provided by Transamerica from January 1, 2021 through May 25, 2021 and by Sentinel Benefits Group from May 26, 2021 through December 31, 2021.

Contributions

Eligible participants may contribute any combination of pre-tax and Roth elective deferrals up to 100% of eligible compensation up to a maximum of \$19,500 in 2021. Eligible participants who are age 50 or older by the end of the taxable year may make catch-up contributions of up to \$6,500 in 2021. Under certain circumstances, participants may rollover the balances of their past participation from other qualified plans directly to the Plan. Participation from other qualified plans may also first be paid to the participants and then transfer into the Plan. Participants direct the investment of their accounts into the various investment options offered by the Plan.

The Company may, in its sole discretion, make a matching contribution in an amount and allocation formula as determined by the Company in its sole discretion. During the year ended December 31, 2021, the Company made matching contributions equal to 100% of participants' contributions up to 6.00% of their compensation up to a maximum of \$4,500.

The Company may make a discretionary profit sharing contribution. No discretionary contributions were made for the year ended December 31, 2021.

Notes to Financial Statements
Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The Company may also make qualified non-elective contributions to the Plan without regard to its net profits in amounts as determined by the Board of Directors. No qualified, non-elective contributions were made for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings and (c) participant forfeitures, and can be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are fully vested in their elective, rollover, and qualified non-elective contributions plus actual earnings thereon. Vesting in discretionary employer matching contributions and profit sharing contributions, and related earnings thereon, is based on years of continuous service. A participant is 100% vested after five years of service for matching contributions, three years of service for profit sharing contributions, and immediately for qualified, non-elective contributions.

If a participant terminates employment, any non-vested portion forfeited by the participant is used to pay administrative expense of the Plan. See Note 4 for the current year forfeiture activity.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 6.50%, which is commensurate with local prevailing rates as determined periodically by the Plan administrator. Maturity dates are through March 31, 2040. Principal and interest are paid ratably through semi-monthly payroll deductions.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Upon termination of service, a participant may elect to receive a single sum distribution of their vested account balance or have the balances rolled over to an individual retirement account (IRA). Account balances below \$1,000 are distributed directly to the participant in cash. For account balance over \$1,000 and less than \$5,000, where the participant does not elect to receive or rollover the distribution, the Plan administrator will establish an IRA rollover account for the benefit of the participant. Account balances can be distributed prior to termination or retirement age for hardship claims, death or disability, as defined in the Plan document. The normal retirement age under the Plan is 65 years.

Under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE) Act, which was enacted on December 20, 2019, with certain provisions becoming effective January 1, 2020, participants who reach age 70 ½ after December 31, 2019 must begin taking minimum distributions from the Plan by April 1 of the calendar year following the year in which they reach age 72, increased from age 70 ½. Under the SECURE Act, participants who turned 70 ½ before January 1, 2020 would still begin taking distributions by the later of April 1 of the calendar year following the year in which they reach age 70 ½, or actual retirement, if later. Under the SECURE Act, the Plan also adopted certain other provisions, which did not have a material impact on the Plan's financial statements.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted. Certain provisions of the CARES Act waive required minimum distributions paid or to be paid in calendar year 2020. In April 2020, the Company approved changes to the Plan to implement the provisions of the CARES Act allowing eligible Plan participants to request temporary penalty-free distributions of up to \$100,000 from the Plan for qualifying coronavirus-related reasons. For these distributions, tax on the income from the withdrawal may be paid over a three-year period, repayments will not be subject to the Plan contribution limits, and all contribution sources (other than those restricted under applicable legal requirements) will be available to participants.

Hardship Withdrawals

As permitted by the Internal Revenue Code (IRC) of the United States, an active participant may apply for an in-service distribution from their vested account balance if they have a qualifying hardship. Such distributions are taxable and do not require the participant to cease participation in the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. This requires the Plan to make estimates and assumptions that affect the reported amounts of assets, liabilities, net assets available for benefits, disclosure of contingent liabilities at the date of the financial statements and the reported amounts of additions and deductions from net assets available for benefits during the reporting period. Although the Plan uses its best estimates and judgments, actual results could differ from those estimates as future confirming events occur.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned and dividends are recorded on the ex-dividend date. Capital gain distributions are included in investment income. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a deemed distribution based upon the terms of the Plan document.

Allowance for Loss on Notes Receivable from Participants

A loan is in default if any scheduled payment remains unpaid after the participant missed the scheduled payment. Upon default, the entire principal and interest balance is immediately due and payable. The amount of the outstanding loan is treated as a distribution and is taxable to the participant. At December 31, 2021, the Plan has determined that there was no need for an allowance for loss on notes receivable from participants.

Payment of Benefits

Benefits are recorded when paid.

Radius Financial Group, Inc. 401(k) Employee Savings Plan

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administration Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Expenses related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Fair Value Measurements

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Plan determines the fair values of its assets and liabilities based on a fair value hierarchy established under applicable accounting guidance which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value. The three levels are defined as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

Level 2 inputs are those other than quoted prices that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability. Unobservable inputs reflect the Plan's own financial model using assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

Valuation Process and Techniques

The Plan has various processes and controls in place to ensure that the fair value is reasonably estimated. Market conditions are consistently monitored for fluctuations that could impact value.

While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Notes to Financial Statements
Year Ended December 31, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Valuation Process and Techniques (Continued)

There have been no changes in the methodologies used at December 31, 2021 and 2020 that had, or are expected to have, a material impact on the Plan's financial position or results of operations. The following methods and assumptions were used to estimate the fair value of assets:

Mutual Funds

The fair value of mutual funds is based on quoted net assets value (NAV) of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The NAV for mutual funds are based on the closing price reported on the active market where the individual securities are traded. Therefore, mutual funds are classified as Level 1.

Collective Investment Trusts

The NAV for the collective investments trusts (CIT) is determined by the trustee of the CIT. The fair value of the units in the CIT held by the Plan is determined based on the NAV per unit. The units of the CIT are valued each day on which the New York Stock Exchange (NYSE) is open for trading in accordance with the valuation procedures established by the trustee. The NAV per unit is calculated as of the close of trading on the NYSE. The NAV per unit is computed by dividing the total assets of the fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the fund and included in the determination of unit values.

The Plan invests in Metlife Stable Value Fund - Series 25053. This fund invests entirely in the MetLife Group Annuity Contract 25053, which consists of separately managed investment portfolios directed by Reliance Trust Company, who serves as trustee and investment manager.

The primary investment objective is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments, while maintaining sufficient liquidity to provide participant-directed withdrawals at their proportionated share of contract value. The fair value of each contract is determined using Level 2 inputs. The fair value of the investment is each contract's pro-rate share of the fair value of the securities in the underlying separate accounts in which the contract participates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

Self-directed Brokerage Accounts

The Plan allows participants to invest in self-directed brokerage accounts. The self-directed brokerage accounts include investments in interest-bearing cash, publicly traded registered investment companies, common stock and exchange traded products. These are valued based on readily determinable market price and are Level 1. The self-directed brokerage accounts also include corporate bonds that are Level 2 investments.

Interest-Bearing Cash

These investments are valued at fair value based on quoted market prices and are classified as Level 1.

Common Stock and Exchange Traded Products

Investments in common stock and exchange traded products listed on a national securities exchange and over-the-counter securities are valued at the last reported sale price on the valuation date or, if no sales are reported for that day, the last published sale price. These are classified as Level 1.

Corporate Bonds

Investments in corporate bonds are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings. These are classified as Level 2.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants have a 100% vested and non-forfeitable interest in their accounts, including Company contributions.

6. INFORMATION CERTIFIED BY THE TRUSTEE

Certain investments and notes receivable are currently held in safekeeping with the trustee. Investments and notes receivable are in accordance with the policy set by the Plan administrator or by subsequent policy amendments. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, FPTC certified to the completeness and accuracy of the following information:

- Investments, at fair value, reflected on the accompanying statement of net assets available for benefits as of December 31, 2021 and 2020.
- The related investment activity reflected in the statement of changes in net assets available for benefits from May 26, 2021 through December 31, 2021.
- The supplemental Schedule H - Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021.

Investments held in self-directed brokerage accounts at December 31, 2020 were not covered by the RTC's certification.

7. TAX STATUS

The Internal Revenue Service has determined and informed the prototype plan adopted by the Plan by a letter dated November 30, 2020 that the prototype plan is designed in accordance with applicable sections of the IRC. Although the prototype plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and that the related trust is tax-exempt.

Generally accepted accounting principles in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares, funds or cash accounts managed by the Trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and recordkeeping services amounted to \$80,364 for the year ended December 31, 2021. Participant contributions, employer matching contributions, profit sharing contributions, qualified non-elective contributions, and notes from participants also qualify as party-in-interest transactions.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes to Financial Statements
Year Ended December 31, 2021

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2021:

Net Assets Available for Benefits per the Financial Statements	\$ 16,925,793
Less: Prior Year Deemed Distributions	(18,714)
Certain Deemed Distributions of Participant Loans	<u>7,442</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 16,914,521</u>

11. COMPLIANCE WITH PLAN REQUIREMENTS FOR EMPLOYER CONTRIBUTIONS AND EMPLOYEE ELIGIBILITY

During the year ended December 31, 2021, certain operational errors resulted in late remittances of employee contributions. The amounts are reported in the Schedule H - Line 4(a) - Schedule of Delinquent Participant Contributions of the financial statements. The Company will work with the respective parties to determine if any corrections are deemed necessary.

Management believes these errors being corrected will not impact the Plan's tax status.

12. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued, and there were no subsequent events to report.
