INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying 2021 financial statements of WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1971 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Note B to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with accounting principles accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 Financial Statements.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefit due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets Held at End of Year are presented for purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules that relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The WorldWide Integrated Supply Chain Solutions, Inc. 401(k) Plan & Trust includes employees of WorldWide Integrated Supply Chain Solutions, Inc., the employees of Pay4Freight, LLC and the employees of Mercury Dispatch Services, LLC. WorldWide Integrated Supply Chain Solutions, Inc. Pay4Freight, LLC and Mercury Dispatch Services, LLC (collectively, the Company) are businesses under common control.

General - The Plan is a defined contribution plan covering all employees of WorldWide Integrated Supply Chain Solutions, Inc., Pay4Freight, LLC, and Mercury Dispatch Services, LLC who are eighteen years of age and have completed one month of service, except those employees that are covered under a collective bargaining agreement, certain nonresident aliens, leased employees, certain part-time employees, interns, contractors and temporary employees. Part-time employees who are twenty-one years of age and completed at least 1,000 hours of service are eligible to participate. Newly eligible employees may enter the Plan on the first day of the month after they become eligible. Participants are eligible to receive discretionary employer contributions upon entry to the Plan. Participants may increase or decrease their deferral percentage as of the beginning of each payroll period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions - Each year, participants may contribute up to 75 percent of their compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The contribution percentage for participants who are automatically enrolled also automatically increase one percent annually, up to a maximum of 10 percent of compensation, unless they affirmatively elect not to automatically increase the contribution.

The Company made discretionary employer matching contributions to the Plan for the year ended December 31, 2021 and 2020. The discretionary employer matching percentage was 20 percent of the first 6 percent of salary deferrals. The Company did not make any discretionary non-elective employer contributions during 2021 and 2020. Contribution are subject to certain IRS limitations.

Participant Accounts - Each participant's account is credited with the participant's contributions and Company discretionary matching contributions, as well as allocations of any additional Company discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN - Continued

Vesting - Participants are vested immediately in their contributions and the discretionary employer match plus actual earnings thereon. Vesting in the Company's discretionary non-elective employer contributions is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Pursuant to the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the Plan made special loans available between April 6, 2020 and September 22, 2020 to qualifying participants impacted by the coronavirus (COVID-19) with the limit for these loans increased to the lesser of \$100,000 or 100% of their vested account balances. Additionally, qualifying participants impacted by COVID-19 had the opportunity to suspend loan repayments otherwise due between March 31, 2020 and December 31, 2020 (including repayments on the special CARES Act loans), with the unpaid interest being re-amortized across the remainder of the loan and payments re-commencing in January 2021.

Payment of Benefits - On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Hardship and in-service distributions are permitted if certain criteria are met. There are no unpaid distributions that have been requested as of December 31, 2021 and 2020.

Pursuant to the CARES Act, the Plan made special in-service, COVID-19-related distributions of up to \$100,000 available between April 6, 2020 and December 31, 2020 to qualifying participants impacted by the COVID-19. Also pursuant to the CARES Act, required minimum distributions were waived for 2020, this included suspending, by default, any pending required minimum distributions between May 1, 2020 and December 31, 2020 and a limited time opportunity to rollover, to an IRA or qualified retirement plans, required minimum distributions processed in 2020 before the suspension could be applied.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$15,170 and \$15,023, respectively. These accounts will be used to pay administrative expenses or to reduce future employer contributions. Employer contributions totaling \$335 and \$184 were paid from forfeited non-vested accounts during 2021 and 2020, respectively. During 2021 and 2020, no forfeitures were used to pay administrative expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Certified Information - Information related to the investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great-West Trust Company, LLC (d/b/a Empower Financial) for the years ended December 31, 2021 and 2020.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee and custodian. See Note C for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS - Continued

- Level 2: Inputs to the valuation methodology includes:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Security and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Stable value common collective trust fund: The Plan invests in stable value contracts through a stable value common collective trust. The stable value common collective trust fund is stated at fair value, which is contract value, as the common collective trust fund's underlying investment contracts are fully benefit-responsive. Contract value of the common trust fund is the value at which participants ordinarily transact and is the sum of participant and Company contributions, plus accrued interest thereon less withdrawals. As a practical expedient, the fair value of participation units in the common trust fund is based upon the NAV of such fund as reported in the audited financial statements of the common trust fund. NAV is determined to be contract value, the value at which participants ordinarily transact. In accordance with U.S. generally accepted accounting principles (GAAP), investments measured at NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation to the amounts presented in the Statements of Net Assets Available for Benefits. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth the Plan's investments measured at fair value as of December 31:

	2021	2020
Mutual funds (Level 1)	\$ 8,287,342	\$ 6,290,346
Investments at net asset value	31,962	22,773
Investments at fair value	<u>\$ 8,319,304</u>	<u>\$ 6,313,119</u>

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE C - FAIR VALUE MEASUREMENTS - Continued

In accordance with Accounting Standards Update 2015-07, collective and common investment trusts are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

Fair Value of Investments that Calculate NAV - The following table summarizes investments for which fair value is based on NAV per share as a practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Fund	\$ 31,962	n/a	Daily	n/a

 <u>December 31, 2020</u>	 <u>Fair Value</u>	 <u>Unfunded Commitments</u>	 <u>Redemption Frequency</u>	 <u>Redemption Notice Period</u>
Stable Value Fund	\$ 22,773	n/a	Daily	n/a
Total investments valued at NAV	<u>\$ 22,773</u>			

NOTE D - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and shares of the stable value fund that are managed by Great West Trust Company, LLC (d/b/a Empower Financial) (Empower). Empower is the custodian as of and for the years ended December 31, 2021 and 2020, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred under Empower paid directly by the Plan for the investment advisement services was \$67,366 and \$55,540 at December 31, 2021 and 2020, respectively. Fees incurred under Empower and directly by the Plan for benefits paid to participants was \$3,914 and \$9,454 at December 31, 2021 and 2020, respectively.

Empower provides certain administrative services to the Plan pursuant to the Plan Service Agreement between the Company and Empower. Empower receives revenue from mutual fund service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan. Total revenue sharing credit offsetting administrative fees were \$16,642 and \$-0- for the years ended December 31, 2021 and 2020, respectively.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100 percent vested in their employer contributions.

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE F - TAX STATUS

Effective September 14, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Great West Trust Company, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the prototype plan's qualified status under the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan Administrator and management believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate income tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE G - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE H - AMOUNTS OWED TO FORMER PARTICIPANTS

At December 31, 2021 and 2020, \$33,943 and \$15,688, respectively, was due to participants who had withdrawn from the Plan.

NOTE I - PLAN AMENDMENTS

On March 27, 2020 the Plan enacted portions of the CARES Act as a result of the COVID-19 pandemic. The CARES Act allows retirement plans to provide participants who are impacted by COVID-19 (as defined in the CARES Act) with greater access to their savings. The Plan adopted the waiving of all required minimum distributions for calendar year 2020 for retired and retirement-aged individuals, adopted the special distribution options available to qualified individuals, adopted increased loan limits available to qualified individuals and adopted a pause option for loan payments available to qualified individuals. The Plan is in the process of officially amending the Plan for the CARES Act.

On June 24, 2020, the Plan was amended to allow Roth in-plan rollovers and distributions from the Roth rollovers.

The Plan was operationally amended to implement the Setting Every Community Up for Retirement Enhancement Act (SECURE Act). The formal amendments will be completed by the end of the 2022 Plan year. The SECURE Act allows employees who work at least 500 hours in three consecutive years eligibility status to participate in the Plan; however, employer contributions for such employees are not required. These employees may be eligible to enter in Plan year 2024. In addition, effective January 1, 2020 the SECURE Act increases the required minimum distribution age to 72 and will allow qualified birth and adoption withdrawals.

WORLDWIDE INTEGRATED SUPPLY CHAIN SOLUTIONS, INC. 401(K) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

NOTE J - NONEXEMPT TRANSACTIONS

Title I of ERISA requires all employee contributions to be submitted to the Plan as soon as administratively possible, but no later than the 15th business day of the month the compensation was withheld. Failure to remit employee contributions to the Plan on a timely basis is considered a nonexempt transaction with a party-in-interest.

As a result of administrative oversight, contributions withheld from employees on twelve separate payrolls during the year ended December 31, 2020 totaling \$130,808 were not remitted to the Plan in accordance with the Plan's remittance policy. Due to the untimely remittances, lost earnings are required to be contributed by the Plan. The 2020 late remittances and related lost earnings of \$89 were remitted to the Plan on July 11, 2022.

Late remittances during 2019 totaled \$470,800. The 2019 late remittances and related lost earnings of \$593 were remitted to the Plan on July 11, 2022.

Late remittances totaled \$80,624 during 2018 and \$37,350 during 2017. Lost earnings of \$130 was remitted to the Plan on October 6, 2020 for the 2017 and 2018 late remittances.
