United Way Worldwide Tax Deferred Savings Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements**

We have performed an audit of the financial statements of United Way Worldwide Tax Deferred Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2021 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2021 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2021 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2021 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Other matters*****2021 supplemental schedule required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**In our opinion**

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's report on the 2020 financial statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## United Way Worldwide Tax Deferred Savings Plan

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

#### NOTE 1 - DESCRIPTION OF PLAN

The following description of the United Way Worldwide Tax Deferred Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan pursuant to the provisions of section 403(b) of the Internal Revenue Code (IRC) covering substantially all employees of the United Way Worldwide (the Organization) and certain former employees of affiliated, but now dissolved, organizations that include Charities Funds Transfer, United eWay.org and United Way Store.

In addition, effective March 28, 2015, the Plan was amended to include United Way Retiree Association (UWRA) as a participating employer. Under the terms of the participation agreement, UWRA employees will be entitled to all the same benefits under the Plan as the Organization's employees, with UWRA paying all benefit and administrative costs associated with the participation of their employees. Additionally, UWRA agrees to give the Organization sole authority to amend, terminate, or restate the plan and be bound by such decisions. Initially, there were two employees of UWRA added to the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

##### ***Eligibility and Vesting***

All employees are eligible for participation in the Plan after completion of enrollment and one hour of service with the Organization. Plan participation begins on the first or sixteenth day of the month subsequent to successful eligibility. Effective April 1, 2019, employees who normally work less than 20 hours per week are no longer eligible to make employee contributions in the Plan. Participants are 100% vested in any employee, employer and rollover contributions made to the Plan.

##### ***Contributions***

Contributions represent amounts paid to the Plan by the employees, Organization and the affiliates mentioned above. Participants may contribute a percentage of compensation up to annual limits imposed by the IRC. Effective January 1, 2019, the Plan was amended to increase the percentage of compensation that the employer will automatically withhold from the eligible participant's compensation, depending on the number of plan years of automatic deferral. Below is a summary of automatic employee deferral contributions by plan years of automatic employee deferral.

| <u>Plan Year(s) of<br/>Automatic Deferral</u> | <u>Employee<br/>Basic Contribution</u> |

Forfeitures, if any, are used to pay administrative expenses and to reduce future employer contributions. There were no forfeitures in 2021. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$21, respectively.

***Participant Accounts***

Each participant's account is credited with (a) the participant's contribution, (b) allocations of the Organization's matching contribution and basic contribution, and (c) Plan earnings or losses based on account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by Principal Life Insurance Company (Principal). Participants with custodial accounts with Mutual of America Life Insurance Company and Transamerica Financial Life Insurance Company Inc. do not contribute into their respective participant custodial accounts held with these service providers.

***Notes Receivable from Participants***

Participants may borrow directly from their Principal or Transamerica Retirement Solutions Corporation (Transamerica) accounts an amount up to a maximum equal to the lesser of \$50,000 or 50% of their account balance with a minimum note amount of \$1,000. In general, loan repayment terms range from one to five years, or longer for the purchase of a principal residence. The notes are secured by the balance in the participant's account. The notes bear interest at a rate of one percent over the prime rate on the note date, ranging from 4.25% to 6.50% during 2021 and 2020.

***Mutual of America Loans to Participants***

Participants may borrow directly from Mutual of America Life Insurance Company (Mutual of America) a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant's account balance collateralizes the loan between the participant and Mutual of America. Collateral for the loan must be held in the interest accumulation account.

The loans are not shown in the Plan's statements of net assets available for benefits as the loans are not made from Plan assets and are, therefore, not considered assets of the Plan. Loan interest rates are variable at prevailing interest rates and can be increased or decreased each quarter by Mutual of America.

Principal and interest is paid ratably via payroll deductions by the Organization, on behalf of the participants, directly to Mutual of America.

The outstanding balance of loans made to participants and amounts held as collateral in the Plan totaled \$0 and \$7,041 as of December 31, 2021 and 2020, respectively.

***Payment of Benefits***

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive benefits in a lump-sum amount, or monthly, quarterly or annual installments totaling the value of the participant's vested interest in his or her account. Additionally, a participant may elect an in-service withdrawal of funds from the Plan under certain circumstances, including financial hardship.

Payment of benefits begins as soon as possible after termination of employment. Balances under \$1,000 may be automatically distributed to the participant as a lump sum. Consent in writing must be given for any distribution exceeding \$1,000 if distributed prior to normal retirement age.

***Administration***

The general administration of the Plan and the responsibility for carrying out the provisions of the Plan is placed with the Organization, the Plan's administrator. The appointment of this position is made by the Board of Trustees of the Organization. Administrative expenses are generally paid by the Plan and consist of investment management fees.

**NOTE 2 - SUMMARY OF ACCOUNTING POLICIES**

The following are the significant accounting policies followed by the Plan.

***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**United Way Worldwide Tax Deferred Savings Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

***Use of Estimates***

The preparation of the financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value except for the Plan's direct investment in the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable from Participants***

Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are deemed distributed in accordance with the Plan provisions. There were no notes receivable in default as of December 31, 2021 and 2020.

***Payment of Benefits***

Benefit payments to participants are recorded when paid.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**United Way Worldwide Tax Deferred Savings Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

***Pooled Separate Account***

The TFLIC Government Fixed Fund is a guaranteed pooled separate account where contract value equals deposits made, plus interest credited under the terms of the contract, less any withdrawals. Under the terms of the contract, participants are generally permitted to make benefit distributions at contract value. Accordingly, contract value approximates fair value.

The Plan invests in Mutual of America Separate Accounts that do not file a Form 5500 as a Direct Filing Entity with the Department of Labor. As a result, certain parts of the Plan's Form 5500 must report information on the Registered Investments that are the underlying assets for the Separate Accounts. The Separate Accounts are divided into distinct sub accounts, which in turn, invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio's investment objectives. The sub accounts, which represent the Plan's unit of account, are valued based on the net asset value (NAV) of the shares held by the Plan at the end of the year. NAV of each contract is calculated by using quoted market prices of the underlying investments and adjusted for certain separate account charges. Money market account holdings are generally valued at amortized cost.

***Registered Investment Companies***

Mutual Funds: Mutual funds represent investments with various investment managers. The fair value of these investments is determined by reference to the fund's underlying assets which are principally marketable equities and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the NAV as of December 31, 2021 and 2020.

***Guaranteed Investment Contracts***

Participants who have elected the guaranteed investment contract with Mutual of America or TFLIC have entered into non-fully benefit-responsive contracts. Mutual of America and TFLIC maintain contributions in general accounts and participant accounts are credited with earnings on the underlying investments and charged with participant withdrawals and administrative expenses. The contracts, consisting of variable and

**United Way Worldwide Tax Deferred Savings Plan**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2021 and 2020**

fixed return contracts, are included in the financial statements at fair value as reported by Mutual of America and TFLIC. Fair value represents contributions made under the contract, plus earnings less withdrawals and administrative expenses. Interest rates are adjusted to market periodically. Accordingly, contract value, which represents net contributions plus interest at the contract rate, approximates fair value.

Participants who have elected the guaranteed investment contract with Principal have entered into fully benefit-responsive investment contracts whose fair value is calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations. The fair value represents the approximate amount that would be paid if the contract had been terminated less potential surrender charges and market value adjustments. The fixed investment contract is presented in the financial statements at contract value for fully benefit-responsive contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value and NAV, as of December 31, 2021 and 2020. As required by ASC 820, a financial instrument's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement.

(a) Balanced funds seek to achieve capital appreciation and current income over time, by investing in a diversified portfolio of publicly traded common stocks, debt securities and short-term instruments.

(b) Asset allocation funds seek current income and capital appreciation. The underlying funds invest in both fixed income and equity securities.

(c) The fixed income funds are composed of underlying bond and money market securities. The bond securities seek to provide as high a level of current income over time as is believed to be consistent with prudent investment risk. A secondary objective is preservation of capital. They seek to achieve this objective by investing primarily in investment-grade, publicly traded debt securities, such as bonds, U.S. government and agency securities, including mortgage-backed securities and zero-coupon securities. The money market securities seek the realization of current income to the extent consistent with the maintenance of liquidity, investment quality and stability of capital. These invest only in money market instruments and other short-term securities.

- (d) The equity funds are composed of underlying equity index funds, small to mid-cap value and growth funds as well as international funds. They seek to provide investment results that correspond to the performance of the Standard & Poor's 500® Composite Stock Price Index (the S&P 500® Index). They seek to achieve this by primarily investing in common stocks that are included in the S&P 500® Index. The small and mid-cap funds in the equity funds separate account seek capital appreciation and, to a lesser extent, current income. They achieve this objective by investing in value stocks issued by mid-sized market capitalizations believed to be undervalued in the marketplace in relation to factors such as the Company's assets, earnings or growth potential. The international funds in the equity funds separate accounts seek to provide long-term capital appreciation by investing predominantly in the stocks of companies located outside the United States. The international funds are expected to diversify their assets in countries across developed and emerging markets. The objective of the growth funds in the equity funds investment is long-term capital appreciation. The growth funds invest primarily in common stocks of companies with significant exposure to countries with developing economies and/or markets and that the investment advisor believes have potential of providing capital appreciation.
- (e) The retirement funds seek current income and capital appreciation appropriate for the asset allocation associated with its target retirement date. The underlying funds invest their funds in proportions that are balanced to meet the current target, which will move toward preservation of capital and production of income as the target retirement date approaches.

**NOTE 5 - GUARANTEED INVESTMENT CONTRACTS**

***Mutual of America***

The Mutual of America Interest Accumulation Account is a non-fully benefit-responsive insurance contract with Mutual of America. Mutual of America maintains the contributions in a general account, and the account is credited with interest accumulated thereon and charged for participant withdrawals, transfers, and participant administrative expenses. Mutual of America is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract (GIC) is non-fully benefit-responsive, the GIC is presented in the statements of net assets available for benefits at fair value amount of \$190,603 and \$188,815 at December 31, 2021 and 2020, respectively.

***Transamerica***

The Transamerica Financial Life Insurance Company General Account is a non-fully benefit-responsive insurance contract with TFLIC. TFLIC maintains the contributions in a general account, and the account is credited with interest accumulated thereon and charged for participant withdrawals, transfers, and participant administrative expenses. TFLIC is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the GIC is non-fully benefit-responsive, the GIC is presented in the statements of net assets available for benefits at fair value amount of \$180,476 and \$186,713 at December 31, 2021 and 2020, respectively.

The reported annualized yield on the guaranteed investment contract was 3.5% during 2021 and 2020.

***Principal***

The Principal Fixed Income Guaranteed Option (PFIGO) is a fully benefit-responsive guaranteed general-account backed group annuity contract issued by the Principal Life Insurance Company to the Principal Trust Company as custodian. A rate of interest contractually guaranteed by Principal is credited to

participant account balances. As a guarantee, the PFIGO does not have an investment management fee or expense ratio. As of December 31, 2021 and 2020, this net crediting rate was a 1.57% and 1.83% effective annual rate, respectively. The methodology for calculating the interest crediting rate is defined by Article I, Section II of the contract under the term Composite Crediting Rate. Under the terms of the existing contract, the Composite Crediting Rate is currently reset on a semiannual basis and will never be less than the Guaranteed Minimum Interest Rate. The methodology for calculating the Guaranteed Minimum Interest Rate is defined in Article I, Section II of the contract under the term Guaranteed Minimum Interest Rate.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

**NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, United Way Worldwide as the employer, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, no further contributions will be made to the Plan and all participants will remain fully vested.

**NOTE 7 - INCOME TAX STATUS**

The Internal Revenue Service (IRS) is not currently issuing opinion or determination letters on 403(b) plans. The plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Plan management believes that there are no uncertain tax positions.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 - PARTIES-IN-INTEREST**

Principal, Mutual of America, SSBT, TFLIC and Transamerica were the custodians and recordkeepers as of December 31, 2021 and 2020 and certain plan assets are invested in funds sponsored by them. Any transactions with Principal, Mutual of America, SSBT, TFLIC, and Transamerica, including management of Plan investments, qualify as exempt party-in-interest transactions. Fees paid by the Plan to Principal was \$101,452 for the year ended December 31, 2021. Fees paid by the Plan to Mutual of America was \$0 for the year ended December 31, 2021. Fees paid by the Plan to Transamerica was \$0 for the year ended December 31, 2021. There were no direct fees paid to SSBT, or TFLIC, for years ended December 31, 2021 and 2020. The Plan also permits notes receivable from participants.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

In March 2020, the World Health Organization declared the outbreak of novel coronavirus disease (COVID-19) as a pandemic. While the initial unfavorable effects on investment valuations within the financial markets prompted by the news of the outbreak have since reversed, the ultimate impact of the pandemic on the Plan's net assets available for benefits, contributions, and benefit obligations will depend on the duration and continued spread of the outbreak, including any other further developments.

On March 27, 2020, Congress signed the CARES Act. The CARES Act took immediate effect and contains several provisions that temporarily impact 403(b) plans, including a new hardship withdrawal option and loan payment deferral option, which ended December 31, 2021.

**NOTE 10 - SUBSEQUENT EVENTS**

The Plan has evaluated all subsequent events through October 17, 2022, which represents when the financial statements were available for issuance, to ensure that the Plan's financial statements include appropriate disclosure of events both recognized in the financial statements as of December 31, 2021, and events which occurred subsequent to December 31, 2021, but were not recognized in the financial statements.

Management is not aware of any subsequent events which would require recognition or disclosure in the accompanying financial statements.
