NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Lakeway Publishers, Inc. 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General. As of November 1, 1987, Lakeway Publishers, Inc. (the "Plan sponsor" or the "Company") implemented a Profit-Sharing Plan which was amended and restated effective November 1, 2008. The amended and restated plan is a defined contribution 401(k) profit sharing plan covering substantially all employees of Lakeway Publishers, Inc., who are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The 401(k) Committee oversees governance of the Plan. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan Trustee. Wystar Global Retirement Solutions, a division of Wells Fargo Bank, N.A., served as trustee of plan assets through November 30, 2020. Charles Schwab Trust Bank serves as trustee of plan assets beginning July 31, 2020.

Contributions. Each year, participants may contribute up to a dollar amount set by law of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions). The Company may make matching contributions equal to a discretionary percentage, to be determined by the employer, of the participant's contributions. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contributions, rollover contributions, and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on participants' eligible compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The majority of the administrative fees are absorbed by the plan sponsor.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. The vested portion of the non-elective contribution and the matching contribution are determined as follows:

Years of Vesting Service	Vesting Percentage
Less than 3	0%
3 or more	100%

Investments. A committee of employees selects a conservative portfolio of investments for the Plan and also determines the percentage of participant and employer contributions which will be allocated to each investment. As such, the Plan investments are considered non-participant directed.

Payment of Benefits. On termination of service due to death, disability or retirement, the vested balance is paid in a single sum if the participant's vested account totals $5,000 or less. If the participant's vested balance exceeds $5,000, he or she may elect to have the vested account paid in either a single payment or in a series of payments over a period not to exceed the participant's (or beneficiary's) life expectancy or joint survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship withdrawals are allowed. Participant loans are not allowed.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Forfeited Accounts. Forfeitures of participant non-vested accounts may first be used to pay Plan expenses, and then to reduce future employer contributions. Forfeited non-vested accounts for the years ended December 31, 2021 and 2020, totaled $0 and $0, respectively.

Administrative Expenses. The Plan permits the payment of the Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefit of participants.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting based on accounting principles generally accepted in the United States of America, which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investments in common, collective trusts are valued at amounts representing the unit values of shares held by the Plan at year end as determined by Charles Schwab Trust Bank.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule were obtained from data that has been prepared and certified as to complete and accurate by the trustee at December 31, 2021 and 2020, and for the year ended December 31, 2021.

	2021	2020
Investments at fair value	$ 4,389,911	$4,715,770
Investment income:		
Net depreciation in fair value of investments	391,815	511,812

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 consists of unadjusted quoted prices in active markets for identical assets or liabilities and has the highest priority.
- Level 2 consists of inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 consists of significant unobservable inputs for the asset or liability and has the lowest priority.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Fair Value Measurements Using:		
	Fair Value	Level 1	Level 2
December 31, 2021			
Pooled, common and collective trusts	$ 521,453	$ -	$ 521,453
Mutual funds	3,866,486	3,866,486	-
Money market	1,972	1,972	-
Total	$ 4,389,911	$ 3,868,458	$ 521,453
December 31, 2020			
Pooled, common and collective trusts	$ 485,951	$ -	$ 485,951
Mutual funds	4,228,452	4,228,452	-
Money market	1,367	1,367	-
Total	$ 4,715,770	$ 4,229,819	$ 485,951

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 – GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

In 2016, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Standard Insurance Company Retirement Plans Division (Standard) totaling $521,453 for December 31, 2021, and $485,951 for December 31, 2020. Standard maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Standard, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

There are no events which allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value.

NOTE 6 –PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts managed by the investment trustee. Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid to the trustee are netted against investment returns.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 - TAX STATUS (CONTINUED)

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, Income Taxes. The Plan has concluded that there are no significant uncertain tax provisions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2018, through December 31, 2021.

NOTE 8 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2021, the amount of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor was $323,164. At year-end, there were no amounts that had been requested to be paid to the participants, but were not paid until subsequent to the Plan's year end.

NOTE 9 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2021, through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. Except for the matter discussed in the following paragraph, the plan administrator has not identified any other items requiring recognition or disclosure.

In February 2022, Russian forces invaded the country of Ukraine causing a sharp escalation of the Russo-Ukrainian War. The invasion has caused global economic uncertainty due to numerous economic sanctions placed on Russia by the United States, European Union, and members of the NATO alliance. Additionally, during 2022, the U. S. Federal Reserve began raising interest rates in efforts to combat rising inflation. These events have led to volatility in financial markets and has affected, and may continue to affect, the fair value of Plan assets. The potential economic impact brought by, and the duration of, these events is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. The impact on the Plan Sponsor and the Plan could be material.

NOTE 10 – PROHIBITED TRANSACTIONS

During 2021, the plan sponsor failed to remit all employee contributions to the Plan on a timely basis, which is a prohibited transaction under ERISA. The plan sponsor is in the process of calculating the lost earnings to the participants and will contribute that amount to the Plan in order to correct the prohibited transactions.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021, and December 31, 2020, to Form 5500:

NOTE 12 – DISCLAIMER OF OPINION ON FINANCIAL STATEMENTS

In October of 2021, accounting and payroll records were lost due to ransomware and were not recovered. Due to the incomplete accounting records, audit testing could not be completed for several audit areas. Therefore, a disclaimer of opinion on the 2021 financial statements was necessary.
