INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
Children's Rescue Fund 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Children's Rescue Fund 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Children's Rescue Fund 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Children's Rescue Fund 401(k) Savings Plan's and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's Rescue Fund 401(k) Savings Plan ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Children's Rescue Fund 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Children's Rescue Fund 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Children's Rescue Fund 401(k) Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations and Disclosure under ERISA.

CHILDREN'S RESCUE FUND 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 - Description of Plan

The following description of the Children's Rescue Fund 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all full-time employees of Children's Rescue Fund (CRF) that have completed one year of service and are age 18 or older. The Plan is subject to the provisions of ERISA. The Board of Directors of CRF are responsible for oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

b. Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the plan document, up to the maximum limits set forth by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. CRF contributes 50 percent of the first 6 percent of base compensation that a participant contributes to the Plan. During the years ended December 31, 2021 and 2020, CRF made contributions to the Plan of \$115,941 and \$100,974, respectively.

c. Participant Accounts

Each participant account is credited with the participant's contributions and CRF matching contributions as well as allocations of Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are vested immediately in their contributions and CRF's contributions, plus actual earnings or losses thereon.

e. Notes Receivable from Participants

Participants are allowed to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. All notes must bear a reasonable rate of interest, which in accordance with the plan document is one percentage point above the prime interest rate.

Principal and interest is paid ratably through bi-weekly payroll deductions. Principal and interest are paid over a term ranging from one to five years. However, notes used to acquire a principal residence may be paid over a term that exceeds five years.

DECEMBER 31, 2021 AND 2020

Note 1 - Description of Plan

f. Payment of Benefits

On termination of service due to death, a beneficiary will receive a lump-sum payment amount equal to the value of the participant's vested interest in his or her account, subject to certain limitations. On termination of service due to disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or regularly scheduled withdrawals, subject to certain limitations, or various forms of annuities. In addition, a participant may withdraw any part of his or her vested account in the event of undue hardship. A participant who has reached age 59½ may request an in-service distribution.

g. Investments

The Plan's provisions allow participants to make their own investment elections. Participants can direct their contributions and CRF's matching contributions to any of the various registered investment companies (mutual funds) or the stable value fund available under the Plan.

h. Forfeited Accounts

At both December 31, 2021 and 2020, there was \$610, in forfeited non-vested accounts. Forfeited amounts are used to reduce the employer's contributions that are Qualified Nonelective Contributions (QNECs), Qualified Matching Contributions (QMACs), and contributions made pursuant to Code 401(k)(12) ADP safe harbor contributions. During the years ended December 31, 2021 and 2020, no forfeited amounts were used to reduce the employer's contributions.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. CRF determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Payments of Benefits

Benefits are recorded when paid.

e. Expenses

Certain expenses of maintaining the Plan that are paid directly by CRF, and are excluded from the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, totaled \$30,100 and \$29,786, respectively. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments and administrative expenses not paid directly by CRF, if any, and participant transaction fees are included in administrative expenses and participant transaction fees in the accompanying statements of changes in net assets available for benefits.

f. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Note 3 - Information Prepared and Certified by Trustee

As of and for the years ended December 31, 2021 and 2020, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, as the trustee of the Plan has certified to the completeness and accuracy of the investments and notes receivable from participants reflected in the accompanying 2021 and 2020 statements of net assets available for benefits, the schedule of assets (held at end of year) as of December 31, 2021, and the related investment activity and interest received on notes receivable from participants reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for the identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 4 - Fair Value Measurements

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or the liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Registered investment companies (Mutual funds) and Money market funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.
- *Common collective trust:* The Plan holds investments in the T. Rowe Price Stable Value (SVF). T. Rowe Price is the trustee of the SVF. The SVF invests in guaranteed investment contracts, investment contracts, structured or synthetic investment contracts, separate account contracts, and other similar instruments that are intended to maintain a constant net asset value while permitting participant-initiated transactions. Units in common collective trust funds are not publicly traded, but rather, are redeemable only by the issuer. The value of the Plan's investments in common trust funds represents the value of the Plan's interest in the overall value of the common trust funds. The SVF is valued at fair value using the net asset value ("NAV"). The NAV, as provided by the trustee of each common collective trust fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of any common collective trust, each investment advisor reserves the right to temporarily delay withdrawal to ensure that securities liquidation will be carried out in an orderly business manner.

Note 5 - Related-Party Transactions and Party-in-Interest Transactions

The Plan is sponsored by the Children's Rescue Fund. The Plan and the sponsor are considered related parties based upon shared management. The following organizations are considered parties-in-interest based upon services provided to the Plan during the years ended December 31, 2021 and 2020:

Children's Rescue Fund - Plan Sponsor
Marvin and Company, P.C. - Plan Audit Firm
Reliance Trust Company - Plan Trustee
Principle of Portfolio Evaluations, Inc. - Investment Advisor
T. Rowe Price Retirement Plan Services, Inc. – Third-party Administrator
DST Systems, Inc. - Recordkeeper

T. Rowe Price Retirement Plan Services, Inc. (TRPRPS) received \$1,920 and \$650 during the years ended December 31, 2021 and 2020, respectively, in participant transaction fees, which are included in administrative expenses and participant transaction fees in the accompanying statements of changes in net assets available for benefits.

For the years ended December 31, 2021 and 2020, except as disclosed in Note 10, there were no other prohibited transactions between either the related parties and the Plan or the parties-in-interest.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, CRF has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any portion of a participant's account related to CRF contributions not already 100% vested, would become 100% vested and the entire account balance would be distributed in accordance with the plan document.

Note 7 - Tax Status

The IRS has determined and informed CRF, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require the recording of a liability or disclosure in the financial statements.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - COVID-19

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) signed into law on March 27, 2020, contains a number of provisions that impact defined contribution plans including, but not limited to, allowing qualified participants to receive COVID-19 related distributions, increased loan amounts for qualified participants, suspension of loan repayments for qualified participants, and the suspension of required minimum distributions for the year ended December 31, 2020. During the year ended December 31, 2020, plan management did not implement or operate the Plan in accordance with any of these optional provisions. As of December 31, 2021, plan management has not formally amended the Plan as required by the CARES Act but will do so in accordance with the timeframe required by the CARES Act.

Note 10 - Prohibited Transactions

For the years ended December 31, 2021, 2020, 2019, and 2018, CRF failed to remit to the trustee of the Plan's assets, certain participant contributions in a timely manner as defined by ERISA. The participant contributions remitted late totaled \$122,410, \$57,085, \$17,220, and \$30,007, respectively. The Company intends to correct all of these late remittances during the 2022 plan year.

Note 11 - Plan Amendments

During the year ended December 31, 2021, the Plan was amended as follows. All amendments were effective January 01, 2021.

- Service eligibility requirement was changed to the elapsed time method for all sources of contributions.
- Recognition of service with Children's Community Services, Inc. will be counted towards a participant's eligibility.

During the year ended December 31, 2020, the Plan was amended as follows. All plan amendments were effective June 1, 2020.

- Loans to participants are now allowed.
- A participant's entry date into the Plan was changed from the first day of the plan year quarter coinciding with or after the date requirements were met, to the date requirements are met.
