INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Occupational Training Center of Burlington County, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Occupational Training Center of Burlington County, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

2021 Supplemental Schedule Required by ERISA (Continued)

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 26, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A. DESCRIPTION OF PLAN

The following description of Occupational Training Center of Burlington County, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that became effective on July 1, 1987, for all staff and client employees of Occupational Training Center of Burlington County, Inc. (the "Center"), as defined in the Plan document. The Plan is subject to Section 403(b) of the Internal Revenue Code ("IRC") and to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Center, a 501(c)(3) organization, is the Plan Administrator and sponsor for the Plan.

Mutual of America Life Insurance Company ("MOA") held and managed certain Plan assets on behalf of the Plan, pursuant to the terms of a contract between the Plan and MOA until May 2, 2011, when the contract with MOA was terminated. Upon termination, participants were given the option to transfer their accounts to TD Bank, N.A. ("TD"). Until May 2, 2011, MOA received contributions, maintained the participants' individual accounts, offered the investment options, and paid benefits to participants and their beneficiaries. MOA continues to manage the participant account balances that remained with MOA upon termination of the contract. Effective May 2, 2011, the Center's Board of Trustees passed a resolution to appoint TD as custodian and recordkeeper of the Plan. Until April 23, 2015, TD received contributions, maintained the participants' individual accounts, offered the investment options, and paid benefits to participants and their beneficiaries. Effective April 23, 2015, the agreement with TD was terminated and the Center's Board of Trustees approved a resolution to appoint TD Ameritrade Trust Company ("TD Ameritrade") as custodian of the Plan. All participant assets previously held with TD were transferred to TD Ameritrade and new participants were enrolled with and deferred elective contributions to TD Ameritrade. Charles Schwab Trust Bank replaced TD Ameritrade as the Plan's Trustee as of January 1, 2021, and provided the certification of investments for the period January 1, 2021, through December 31, 2021. Charles Schwab Trust Bank and MOA (collectively the "Custodians") were the custodians of the Plan during 2021. EPIC Advisors, Inc. (the "Recordkeeper") is the recordkeeper for the Plan.

Contributions

There is no minimum service requirement for a participant to enroll in the Plan. Each year, participants may elect to defer any percentage of compensation, limited to IRC specified limits. Participants may also contribute amounts representing distributions from other qualified plans. The Plan does not allow for Center matching contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant's Accounts

Each participant's account is credited with the participant's contributions, and Plan earnings or losses and expenses, which are allocated based on participant account balances.

Vesting

Participants are immediately vested in all employee contributions, rollovers and transfers from qualified plans and actual earnings or losses thereon. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

A. DESCRIPTION OF PLAN (CONTINUED)

Expenses of the Plan

The Plan permits the payment of Plan expenses to be made from the Plan's assets. If expenses are paid using the Plan's assets, then the expenses will generally be allocated among the accounts of all participants in the Plan. These expenses will be allocated either proportionately based on the value of the account balances or as an equal dollar amount based on the number of participants in the Plan. Certain expenses, such as loan origination fees, are borne by the participant.

Investment Options

Participants direct investment of their account balances into the investment options offered under the Plan, including mutual funds, pooled separate accounts, and an interest accumulation account. Participants can place their contributions in one or more of the investment options available under the Plan. Participants can direct the allocation of future contributions or transfer money from one investment option to another via the internet, or by completing a form provided for that purpose by the Plan Administrator or the Custodians.

Payment of Benefits

Unless otherwise elected, on termination of service due to death, disability or normal retirement, a participant or beneficiary will receive 100% of his or her vested account balance as a life annuity if not married, or a joint and survivor annuity if married. If a valid election is made, a participant may elect to receive payments in another form, such as lump sum payment or single withdrawal, subject to Plan and regulatory restrictions. Upon termination of service for other reasons, and subject to Internal Revenue Service ("IRS") regulations, a participant may receive the value of the vested interest in his or her account as a lump sum distribution or have the amount deposited directly into another qualified retirement account. Hardship withdrawals are permitted under certain circumstances.

Notes Receivable from Participants

Prior to May 2, 2011, notes receivable from participants were made directly by MOA and not the Plan. Participants were able to borrow a minimum of \$1,000 and a maximum equal to the lesser of 50% of their account balance or \$50,000. The participants were required to transfer 120% of the loan amount borrowed to the interest accumulation account as collateral. Installment payments were made directly to MOA on a quarterly basis. In the event of a default, loans will be recovered from the above mentioned collateral account to repay the outstanding notes receivable balance plus interest. Participants are not allowed to transfer, withdraw or receive distributions from the above mentioned collateral account until the full amount of the note receivable has been repaid. MOA had loans outstanding from Plan participants of \$42,381 and \$48,348 as of December 31, 2021 and 2020, respectively. The loan interest rates on these loans at December 31, 2021 and 2020, were 3.25% and 2.70%, respectively.

Notes Receivable from Participants (Continued)

Under the terms of the agreements with Charles Schwab Trust Bank, participants may borrow from their account a minimum of \$1,000 and up to a maximum equal to the lesser of 50% of their account balance or \$50,000. The notes receivable are secured by the balance in the participants' accounts and bear interest at the prevailing prime rate plus one percentage point at the time of the borrowing. Principal and interest are paid over a period of up to five years, unless the loan is for the purchase of a primary residence in which case the repayment terms cannot exceed 15 years. All loan payments are made bi-weekly via a payroll deduction. The loan interest rates at December 31, 2021 and 2020, varied from 4.25% to 6.50%. Notes receivable from participants were \$245,764 and \$159,020 as of December 31, 2021 and 2020, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the Custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Management has evaluated subsequent events for potential recognition and disclosure through October 14, 2022, the date the financial statements were available to be issued. No items were determined by management to require disclosure.

C. INFORMATION CERTIFIED AND PROVIDED BY THE CUSTODIANS

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), that was prepared by or derived from information provided by the Custodians and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Custodians that information provided to the Plan Administrator by the Custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

Information certified by Charles Schwab Trust Bank and TD Ameritrade as of December 31, 2021 and 2020, respectively:

	December 31,	
	2021	2020
Investments, at fair value		
Mutual funds	\$ 5,588,280	\$ 4,929,174

During the year ended December 31, 2020, TD Ameritrade's Retirement Plan Custody and Trust services were acquired by Broadridge Financial Solutions. Subsequent to this change and the change to Charles Schwab Trust Bank as the Trustee in 2021, the balance for notes receivable from participants and related interest income was not certified by the Trustee.

Charles Schwab Trust Bank also certified to the completeness and accuracy of \$343,796 of unrealized gains, and \$382,528 of interest and dividend income related to the aforementioned investments for the year ended December 31, 2021.

Information certified by MOA as of December 31, 2021 and 2020:

	December 31,	
	2021	2020
Investments, at fair value		
Interest Accumulation Account	\$ 213,864	\$ 249,225
Pooled Separate Accounts	\$ 621,687	\$ 547,299

MOA also certified to the completeness and accuracy of \$103,511 of interest and dividend income related to the aforementioned investments for the year ended December 31, 2021.

OCCUPATIONAL TRAINING CENTER OF BURLINGTON COUNTY, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in less active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be active.

Pooled separate accounts: Stated at NAV as reported to the Plan by the Custodians, based on the market values of the underlying assets. Because some of the pooled separate accounts invested in by the Plan do not publish a daily NAV, the NAV is a practical expedient in determining the fair value of the funds. Those pooled separate accounts that publish a daily NAV are valued at their readily determinable fair value.

Interest accumulation account: Stated at fair value, as reported to the Plan by MOA, based on the market values of the underlying assets. A fixed rate of interest is paid on the portion of a participant's account balance in MOA's interest accumulation account.

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,588,280	\$ -	\$ -	\$ 5,588,280
Pooled Separate Accounts	-	223,893	-	223,893
Interest Accumulation Account	-	213,864	-	213,864
Investments at fair value	<u>\$ 5,588,280</u>	<u>\$ 437,757</u>	<u>\$ -</u>	6,026,037
Investments at NAV				397,794
Total investments at fair value				<u>\$ 6,423,831</u>

	December 30, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,929,174	\$ -	\$ -	\$ 4,929,174
Pooled Separate Accounts	-	192,454	-	192,454
Interest Accumulation Account	-	249,225	-	249,225
Investments at fair value	<u>\$ 4,929,174</u>	<u>\$ 441,679</u>	<u>\$ -</u>	5,370,853
Investments at NAV				354,845
Total investments at fair value				<u>\$ 5,725,698</u>

Fair Value Estimated Using Net Assets Value per Share

The following table summarizes investments measured at fair value based on NAV per shares as a practical expedient as of December 31, 2021 and 2020:

	Fair Value Using Net Asset Value per Share				
	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts	<u>\$ 397,794</u>	<u>\$ 354,845</u>	<u>\$ -</u>	Immediate	None

Changes in Fair Value Levels

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

E. PLAN TERMINATION

Although it has not expressed any intent to do so, the Center reserves the right to amend, modify, suspend or terminate the Plan permanently or temporarily, at such time as it deems appropriate, without the consent of or prior notice to any employee, retiree or beneficiary, subject to the provisions of ERISA. Participants are immediately vested in all employee contributions, rollovers and transfers from qualified plans and actual earnings or losses thereon. Only the Center may amend the Plan. No amendments to the Plan will result in a reduction of the vested value of a participant's account.

F. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71 or the draft *Listing of Required Modifications* issued April 4, 2009. The Plan is required to operate in conformity with the IRC to maintain tax-exempt status for Plan participants under Section 403(b).

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. CONCENTRATIONS OF RISKS AND UNCERTAINTIES

The Plan invests in various investment instruments. Investment securities in general are exposed to various risks, such as those involving interest rates, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

H. TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan paid administrative expenses to the Recordkeeper and Custodians for the year ended December 31, 2021, as follows:

Recordkeeping fees	\$ 24,405
Custodian fees - MOA	1,130
Custodian fees - Charles Schwab Trust Bank	22,103
Total Administrative Expenses	<u>\$ 47,638</u>

I. COVID-19 IMPACT

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. The pandemic in the United States and throughout the world has resulted in substantial volatility in financial markets. As such, certain investment values as of December 31, 2021, may have been significantly impacted by market fluctuations.
