Required Communications

Generally accepted auditing standards (AU-C 260, *The Auditors' Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibility With Regard to the Financial Statement Audit	Our responsibility under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated December 1, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities which are also described in that letter.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication regarding the planned scope and timing of our audit and have discussed with you our identification of and planned audit response to significant risks of material misstatement.
Accounting Policies and Practices	**Preferability of Accounting Policies and Practices** Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. **Adoption of, or Change in, Accounting Policies** Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period. **Significant or Unusual Transactions** We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Area	Comments
Accounting Policies and Practices (Continued)	**Management's Judgments and Accounting Estimates** Summary information about the process used by management in formulating particularly sensitive accounting estimates and about our conclusions regarding the reasonableness of those estimates is in the attached Summary of Significant Accounting Estimates.
Audit Adjustments	Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by the Plan are shown on the attached Summary of Recorded Audit Adjustments.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Departure from the Auditors Standard Report	Our auditor's report includes an Other Matter paragraph. The other matter paragraph is included to inform that reader of the financial statements that the supplemental schedule, Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. The supplemental schedule is the responsibility of the Plan's management. We did not express an opinion on the supplemental schedule. The Other Matter paragraph did not impact our opinion on the financial statements.
Other Information in Documents Containing Audited Financial Statements	Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditors' report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements.

Area	Comments
Supplemental Schedule	With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content and methods of preparing the information to determine that the information complies with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the method of preparing it had not changed from the prior period, and the information is appropriate and complete in relation to the financial statements as a whole. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements, or to the financial statements themselves.
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed with or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Letter Communicating Significant Deficiencies and Material Weaknesses in Internal Control Over Financial Reporting	We have not identified any material weaknesses during our audit of the financial statements.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, and the management recommendation letter are attached as Exhibit A.

Garces, Grabler & LeBrocq, PC 401(k) Plan
Summary of Significant Accounting Estimates

Accounting estimates are an integral part of the preparation of financial statements and are based upon management's current judgment. The process used by management encompasses its knowledge and experience about past and current events and certain assumptions about future events. You may wish to monitor throughout the year the process used to determine and record these accounting estimates. The following describes the significant accounting estimates reflected in the Plan's December 31, 2021 financial statements.

Estimate	Accounting Policy	Management's Estimation Process	Basis for Our Conclusions on Reasonableness of Estimate
Investment Valuation	Common collective trust is valued at net asset value ("NAV") as reported to the Plan by the Trustee based on the market values of the underlying investments of the fund. The fund is not required to publish a daily NAV, therefore the NAV is practical expedient in determining the fair value of the funds. Mutual funds are valued at the net asset value of shares held by the Plan at year end.	See "Accounting Policy"	Valuation methods appear suitable as the quoted market price is assumed to equal the price the Plan would receive upon sale of such security in an orderly market.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Garces, Grabler & LeBrocq, PC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by Reliance Trust Company, (the "Trustee"), the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by the Trustee, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

f) All correspondence, filings, reports and determinations with the Internal Revenue Service ("IRS") and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.

g) All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan.

i) Actuarial reports prepared for the Plan and the Plan's sponsor during the year.

17) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

18) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

c) Others where the fraud could have a material effect on the financial statements.

20) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

21) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

22) We are not aware of any known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements, and we have not consulted legal counsel regarding any litigation related to the Plan.

23) We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.

24) The Plan has satisfactory title to all owned assets, which are recorded at fair value, except for the guaranteed investment contract which is stated at contract value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

25) We have no—

   a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

   b) Intentions to terminate the Plan.

26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

27) We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.

28) There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance or deficiencies in the operation of the Plan.

29) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance, including the release of unallocated shares held in ESOP plans.

30) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

   - Common collective trust: valued at net asset value ("NAV") as reported to the Plan by the Trustee based on the market values of the underlying investments of the fund. The fund is not required to publish a daily NAV, therefore the NAV is a practical expedient in determining the fair value of the funds.

   - Mutual Funds: valued at the net asset value of the shares held by the Plan at year end.

   The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

31) All required amendments to and filings of plan documents with the appropriate agencies have been made.

32) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan (and trust). The Plan sponsor(s) has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations. Our testing was revised to reflect accurate census information and we believe the revised testing to be accurate.

33) We have complied with the Department of Labor's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan, except as disclosed in the financial statements. We understand that if the Plan were subject to an audit by the DOL, that remittances in excess of our earliest demonstrated remittance timeframe could be considered late.

34) The Plan has complied with the fidelity bonding requirements of ERISA.

35) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

36) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

37) We have not reviewed the complementary user entity control considerations of the Service Organization Controls ("SOC 1") Report for Reliance Trust Company dated December 22, 2021, for the period ended September 30, 2021, and the related gap letter through December 31, 2021.

38) There are no:

(a) Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedules.

(b) Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedules.

(c) Reportable transactions that were not disclosed in the supplemental schedules.

39) We acknowledge our responsibility for presenting the supplemental schedules, Form 5500, Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year), in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the supplemental schedules, including their form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules has not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

40) We acknowledge our responsibility as it relates to non-audit services performed by the auditor. In regards to our responsibility, we assume all management responsibilities; we oversee the services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge or experience; we evaluate the adequacy and results of the services performed; and we accept responsibility for the results of the services.

41) During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

42) Management has considered the impact of the global pandemic of novel coronavirus (COVID-19) and believes adequate disclosure has been made in the notes to the financial statements regarding the relevant significant business, financial, and reporting impacts of the COVID-19 outbreak reflecting management's full consideration of such impacts. We have evaluated the current known and likely impacts resulting from the COVID-19 outbreak and believe the entity will continue as a going concern for a period at least one year from the report date of the December 31, 2021 financial statements.

To the Plan Administrator
Garces, Grabler & LeBrocq, PC 401(k) Plan

This letter includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements of Garces, Grabler & LeBrocq, PC 401(k) Plan (the "Plan") for the year ended December 31, 2021. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Plan's practices and procedures.

Management Review of SOC 1 Reports

During our audit, we noted that the Plan sponsor did not review, in detail, the SOC 1 report of the service organizations being utilized by the Plan. Since a significant amount of the processing of Plan transactions is performed by service organizations, it is imperative that Plan management review the procedures at these service organizations on a consistent basis and document such review in detail as part of due diligence in operating the Plan.

We recommend documenting that the description of the controls listed within the SOC 1 report covers all significant transactions, processes or computer applications that affect the Plan's financial statements. In addition, if the SOC 1 report identifies noncompliance of the service organizations' controls, consideration should be made as to the effects of the findings on the Plan's operations. In the instance of noncompliance, complementary controls at the Plan should be documented and enhanced as necessary. Listing the exceptions and the response of the service organizations' management alone is not sufficient. Plan management must document its own conclusions.

Another item that the Plan sponsor should document, in detail, is user controls. The SOC 1 reports identify controls for which Plan personnel are responsible and these are typically referred to as "Client Control Considerations." Client controls are complementary to the controls of the service organization and are necessary for the service organization's controls to be achieved.

Internal Control and Processes Documentation

It has come to our attention that the Department of Labor ("DOL") has been requesting documentation on a plan's internal control processes when a plan is selected for a DOL audit. As a result of this, we recommend that the Plan maintain written documentation surrounding the Plan's internal controls and processes. The areas that should be documented include, but are not limited to: personnel data, payroll data, eligibility, enrollment, participant statements, contributions, distributions, investments, investment income and information technology controls. We will provide you with a listing of general questions related to these areas that can assist you in preparing the documentation.

Remittance of Participant Contributions

During our audit, we noted instances where participant contributions were not remitted timely to the Plan. Most of these instances involved remittances being done outside of the normal remittance pattern of 1-3 business days. In one instance the contribution was not remitted until two months after it was withheld from payroll. We recommend that management evaluate its remittance procedures to ensure that all remittances are done timely and consistently. Under examination, the DOL could consider remittances done outside of the normal remittance pattern to be late. Additionally, the Plan Sponsor will need to reimburse the Plan for lost interest as it relates to the contribution remitted after the 15th business day of the month following the month it was withheld from payroll.

Conclusion

This letter is intended solely for the information and use of the Plan Administrator, management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties. We appreciate serving the Plan and would be happy to assist you in addressing and implementing any of the suggestions in this letter.

Very truly yours,

Mercadien, P.C.
