**Part III Form M-1 Compliance Information (to be completed by welfare benefit plans)**

---

**11a** If the plan provides welfare benefits, was the plan subject to the Form M-1 filing requirements during the plan year? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

If "Yes" is checked, complete lines 11b and 11c.

---

**11b** Is the plan currently in compliance with the Form M-1 filing requirements? (See instructions and 29 CFR 2520.101-2.) ..... ☐ Yes ☐ No

**11c** Enter the Receipt Confirmation Code for the 2021 Form M-1 annual report. If the plan was not required to file the 2021 Form M-1 annual report, enter the Receipt Confirmation Code for the most recent Form M-1 that was required to be filed under the Form M-1 filing requirements. (Failure to enter a valid Receipt Confirmation Code will subject the Form 5500 filing to rejection as incomplete.)

Receipt Confirmation Code \_\_\_\_\_

|---------------|--------------------------------------------------------|
| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

**Part I Service Provider Information (continued)**

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received \$1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

| (a) Enter service provider name as it appears on line 2             | (b) Service Codes<br>(see instructions)                                                                                                                            | (c) Enter amount of indirect compensation |
|---------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------|
| THE VANGUARD GROUP, INC.                                            | 99                                                                                                                                                                 | 0                                         |

|---------------|--------------------------------------|
| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

| (2) From this plan.....                                                                        | 2l(2)  |            |           |

**Part III Accountant's Opinion**

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **FORVIS, LLP**

(2) EIN: **44-0160260**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

**Part IV Compliance Questions**

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

(2) Base unit measure: ☐ Hourly ☐ Weekly ☐ Unit of production ☐ Other (specify): \_\_\_\_\_

- 14** Enter the number of deferred vested and retired participants (inactive participants), as of the beginning of the plan year, whose contributing employer is no longer making contributions to the plan for:

**a** The current plan year. Check the box to indicate the counting method used to determine the number of inactive participants: ☐ last contributing employer ☐ alternative ☐ reasonable approximation (see instructions for required attachment).....

**14a**

**b** The plan year immediately preceding the current plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....

**14b**

**c** The second preceding plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment).....

**14c**

- 15** Enter the ratio of the number of participants under the plan on whose behalf no employer had an obligation to make an employer contribution during the current plan year to:

**a** The corresponding number for the plan year immediately preceding the current plan year.....

**15a**

**b** The corresponding number for the second preceding plan year.....

**15b**

- 16** Information with respect to any employers who withdrew from the plan during the preceding plan year:

**a** Enter the number of employers who withdrew during the preceding plan year.....

**16a**

**b** If line 16a is greater than 0, enter the aggregate amount of withdrawal liability assessed or estimated to be assessed against such withdrawn employers.....

**16b**

- 17** If assets and liabilities from another plan have been transferred to or merged with this plan during the plan year, check box and see instructions regarding supplemental information to be included as an attachment..... ☐

**Part VI Additional Information for Single-Employer and Multiemployer Defined Benefit Pension Plans**

- 18** If any liabilities to participants or their beneficiaries under the plan as of the end of the plan year consist (in whole or in part) of liabilities to such participants and beneficiaries under two or more pension plans as of immediately before such plan year, check box and see instructions regarding supplemental information to be included as an attachment..... ☐

- 19** If the total number of participants is 1,000 or more, complete lines (a) through (c)

**a** Enter the percentage of plan assets held as:

Stock: \_\_\_\_\_% Investment-Grade Debt: \_\_\_\_\_% High-Yield Debt: \_\_\_\_\_% Real Estate: \_\_\_\_\_% Other: \_\_\_\_\_%

**b** Provide the average duration of the combined investment-grade and high-yield debt:

☐ 0-3 years ☐ 3-6 years ☐ 6-9 years ☐ 9-12 years ☐ 12-15 years ☐ 15-18 years ☐ 18-21 years ☐ 21 years or more

**c** What duration measure was used to calculate line 19(b)?

☐ Effective duration ☐ Macaulay duration ☐ Modified duration ☐ Other (specify): \_\_\_\_\_

- 20 PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

**a** Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? ☐ Yes ☐ No

**b** If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:

☐ Yes.

☐ No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.

☐ No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.

☐ No. Other. Provide explanation \_\_\_\_\_

## Independent Auditor's Report

Benefits Trust Committee  
STP Nuclear Operating Company Savings Plan  
Wadsworth, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of STP Nuclear Operating Company Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of STP Nuclear Operating Company Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of STP Nuclear Operating Company Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of STP Nuclear Operating Company Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

#### (1) Description of the Plan

##### (a) General

The STP Nuclear Operating Company Savings Plan (the Plan) was established in conjunction with the formation of the STP Nuclear Operating Company (the Company or STPNOC) in 1997. Effective January 1, 2017, the Plan was converted from operation under an individually designed *Plan Document* to the Vanguard Fiduciary Trust Company Defined Contribution Volume Submitter Plan and Trust.

The Plan is a defined contribution plan, which is subject to the reporting requirements and regulations pursuant to the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). With the exception of leased employees, consultants and independent contractors, employees of the Company are generally eligible to begin participating in the Plan on their date of hire.

The following description of the Plan provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

##### (b) Plan Administration and Trustee

The Plan is administered by a benefits committee (the Benefits Trust Committee) whose members are appointed by the Board of Directors of the Company. The Benefits Trust Committee has the power to carry out the provisions of the Plan, including the administration and investment of the Plan's assets in accordance with the provisions of the Plan. Vanguard Fiduciary Trust Company (Vanguard) (the Trustee) is the Plan's trustee and recordkeeper. Generally, the Trustee is responsible for receiving contributions and income and executing investment transactions pursuant to the instructions of the Benefits Trust Committee and the participants. The Trustee is also responsible for maintaining custody of the Plan's assets and for payment of benefits to participants at the direction of the Benefits Trust Committee.

##### (c) Plan Contributions

Eligible participants may make pretax and/or after-tax basic or after-tax Roth contributions to the Plan up to a maximum of 6 percent of compensation, as defined by the Plan. Employees initially employed or reemployed on or after January 1, 2007 may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation. The Company contributes 70 percent of the total of each participant's pretax basic, after-tax basic, and after-tax Roth contributions. Subject to certain limitations, participants are eligible to make pretax excess contributions provided that total pretax contributions do not exceed 50 percent of the participants' compensation. The Company does not make any contribution to participant accounts for these excess contributions. Participants who have attained the age of 50 during the Plan year may elect to contribute additional "catch-up" contributions (maximum of \$6,500 in 2021 and 2020).

Effective January 1, 2007, the Company began making a supplemental contribution to the Plan on behalf of eligible employees who are initially employed or reemployed on or after January 1, 2007, and who remain employed on each December 31 of the Plan year. The contribution is a percentage of each eligible employee's eligible compensation. The percentage of eligible compensation is determined based on years of service to the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

With the consent of the Benefits Trust Committee, participants may also make rollover contributions to the Plan. Rollover contributions must meet the requirements of the Internal Revenue Code of 1986, as amended (the Code), Section 20(c)(4), and certain other conditions, as defined by the Plan.

#### **(d) Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocation of the Company's contributions, and Plan earnings, and charged with withdrawals and allocation of Plan losses. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **(e) Investments**

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. In the event investment instructions are not received from the participant, the investment of contributions are allocated to the default investment option, the age appropriate target date retirement fund.

#### **(f) Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Plan was amended effective January 1, 2015 to reflect that participants are 100 percent vested in employer contributions after one hour of service.

#### **(g) Notes Receivable from Participants**

The Plan Administrator may make loans to participants up to a maximum aggregate amount, as defined by the Plan, not to exceed the lesser of (1) \$50,000, less the balance of any outstanding loans made within one year of the date of the current loan, or (2) 50 percent of the present value of the borrower's vested account balance. No loans of less than \$500 or more than \$50,000 will be made to a borrower. Each loan shall be made under such terms, security interest, and conditions as the Plan Administrator deems appropriate. Loans are limited to each participant's pretax contributions and rollover accounts. The loans are secured by the balance in the participant's account. Loan processing fees totaling \$5,740 and \$7,010 for 2021 and 2020, respectively, are paid out of participants' loan proceeds and are not reported as administrative expenses.

Notes receivable from participants at December 31, 2021 and 2020, totaled \$5,731,719 and \$6,399,610, respectively. Interest rates for outstanding loans range from 4.25 percent to 9.25 percent at December 31, 2021. Maturity dates on outstanding loans at December 31, 2021, extended through November 2051.

#### **(h) Benefit Distributions**

Upon retirement, termination of employment, death, or disability, a participant may elect to take a distribution equal to his or her vested account balance. Participants are allowed to receive distributions in the event of demonstrated financial hardship, as such term is defined in accordance with the *Plan Document*. Participants may also be eligible to receive a distribution from the Plan upon attainment of age 59 1/2, in accordance with the terms of the *Plan Document*. The benefit distribution is payable in

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

cash. There were no benefits payable to participants at December 31, 2021 or 2020. Participants may withdraw amounts attributable to after-tax employee contributions while still employed by the Company in accordance with the terms of the *Plan Document*.

#### **(2) Significant Accounting Policies**

##### **(a) Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

##### **(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from such estimates.

##### **(c) Risks and Uncertainties**

The Plan utilizes various investment instruments, including mutual funds and a common collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could be material.

##### **(d) Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

##### **(e) Payment of Benefits**

Benefits are recorded when paid.

##### **(f) Administrative Expenses**

Certain administrative fees are paid by the Plan. Administrative fees not paid by the Plan are paid by the Company. Effective December 1, 2018, the recordkeeping fee began being paid by the Plan participants rather than the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

Certain investment funds offered by the Plan allow for a revenue sharing account. Amounts earned by the Plan under these programs may be used to offset expenses of the Plan at the discretion of the Plan and the Company. Revenue shares from any funds are rebated back to the participants participating in the respective funds.

#### **(g) Forfeitures**

At December 31, 2021 and 2020, total forfeited nonvested account balances were \$2,999 and \$839, respectively. These amounts will generally be used to pay Plan expenses and/or reduce employer contributions. The forfeited nonvested account balance was used to fund employer contributions of \$15,000 and \$150,000 for 2021 and 2020. In 2021 and 2020, \$53,450 and \$71,700, respectively, of the forfeited nonvested account balance was used to pay Plan expenses.

#### **(3) Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, established a single authoritative definition of fair value, set a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth by level within the fair value hierarchy are a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2021 and 2020.

In accordance with ASC 820, the tables below include debt and equity securities aggregated by general asset type at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified within Level 1 of the valuation hierarchy.

*Stable Value Collective Trust Fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### (4) Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

#### (5) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the *Plan Document*.

#### (6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### (7) Income Tax Status

The Internal Revenue Service (IRS) has determined in a letter dated March 31, 2014 that the Vanguard Volume Submitter Plan and related trust are designed in accordance with applicable sections of the Code.

The Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### (8) Party-in-interest Transactions

The Plan invests in a common collective trust fund and mutual funds managed by the Trustee. As such, transactions related to these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of return on each fund.

#### (9) Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15<sup>th</sup> business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of \$702 were not remitted within the required "as soon as reasonably segregated" time period, as defined, for the year ended December 31, 2021. The issue was corrected subsequently in 2022.

#### (10) Subsequent Events

The Plan has evaluated subsequent events from the balance sheet date through October 11, 2022, the date at which the financial statements were available to be issued.

**STP NUCLEAR OPERATING COMPANY SAVINGS PLAN**

**Notes to Financial Statements**

**December 31, 2021 and 2020**

Effective January 1, 2022, those eligible participants who were initially employed or reemployed prior to January 1, 2007, may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation and the Company will contribute 70 percent of the total of each participant's pretax basic, after-tax basic and after-tax Roth contributions. Also, effective January 1, 2022, the percentage of eligible compensation for the Company's supplemental contribution to the Plan will be determined based on years of service to the Company, union status and pension eligibility.

## Independent Auditor's Report

Benefits Trust Committee  
STP Nuclear Operating Company Savings Plan  
Wadsworth, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of STP Nuclear Operating Company Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of STP Nuclear Operating Company Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of STP Nuclear Operating Company Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of STP Nuclear Operating Company Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

#### (1) Description of the Plan

##### (a) General

The STP Nuclear Operating Company Savings Plan (the Plan) was established in conjunction with the formation of the STP Nuclear Operating Company (the Company or STPNOC) in 1997. Effective January 1, 2017, the Plan was converted from operation under an individually designed *Plan Document* to the Vanguard Fiduciary Trust Company Defined Contribution Volume Submitter Plan and Trust.

The Plan is a defined contribution plan, which is subject to the reporting requirements and regulations pursuant to the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). With the exception of leased employees, consultants and independent contractors, employees of the Company are generally eligible to begin participating in the Plan on their date of hire.

The following description of the Plan provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

##### (b) Plan Administration and Trustee

The Plan is administered by a benefits committee (the Benefits Trust Committee) whose members are appointed by the Board of Directors of the Company. The Benefits Trust Committee has the power to carry out the provisions of the Plan, including the administration and investment of the Plan's assets in accordance with the provisions of the Plan. Vanguard Fiduciary Trust Company (Vanguard) (the Trustee) is the Plan's trustee and recordkeeper. Generally, the Trustee is responsible for receiving contributions and income and executing investment transactions pursuant to the instructions of the Benefits Trust Committee and the participants. The Trustee is also responsible for maintaining custody of the Plan's assets and for payment of benefits to participants at the direction of the Benefits Trust Committee.

##### (c) Plan Contributions

Eligible participants may make pretax and/or after-tax basic or after-tax Roth contributions to the Plan up to a maximum of 6 percent of compensation, as defined by the Plan. Employees initially employed or reemployed on or after January 1, 2007 may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation. The Company contributes 70 percent of the total of each participant's pretax basic, after-tax basic, and after-tax Roth contributions. Subject to certain limitations, participants are eligible to make pretax excess contributions provided that total pretax contributions do not exceed 50 percent of the participants' compensation. The Company does not make any contribution to participant accounts for these excess contributions. Participants who have attained the age of 50 during the Plan year may elect to contribute additional "catch-up" contributions (maximum of \$6,500 in 2021 and 2020).

Effective January 1, 2007, the Company began making a supplemental contribution to the Plan on behalf of eligible employees who are initially employed or reemployed on or after January 1, 2007, and who remain employed on each December 31 of the Plan year. The contribution is a percentage of each eligible employee's eligible compensation. The percentage of eligible compensation is determined based on years of service to the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

With the consent of the Benefits Trust Committee, participants may also make rollover contributions to the Plan. Rollover contributions must meet the requirements of the Internal Revenue Code of 1986, as amended (the Code), Section 20(c)(4), and certain other conditions, as defined by the Plan.

#### **(d) Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocation of the Company's contributions, and Plan earnings, and charged with withdrawals and allocation of Plan losses. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **(e) Investments**

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. In the event investment instructions are not received from the participant, the investment of contributions are allocated to the default investment option, the age appropriate target date retirement fund.

#### **(f) Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Plan was amended effective January 1, 2015 to reflect that participants are 100 percent vested in employer contributions after one hour of service.

#### **(g) Notes Receivable from Participants**

The Plan Administrator may make loans to participants up to a maximum aggregate amount, as defined by the Plan, not to exceed the lesser of (1) \$50,000, less the balance of any outstanding loans made within one year of the date of the current loan, or (2) 50 percent of the present value of the borrower's vested account balance. No loans of less than \$500 or more than \$50,000 will be made to a borrower. Each loan shall be made under such terms, security interest, and conditions as the Plan Administrator deems appropriate. Loans are limited to each participant's pretax contributions and rollover accounts. The loans are secured by the balance in the participant's account. Loan processing fees totaling \$5,740 and \$7,010 for 2021 and 2020, respectively, are paid out of participants' loan proceeds and are not reported as administrative expenses.

Notes receivable from participants at December 31, 2021 and 2020, totaled \$5,731,719 and \$6,399,610, respectively. Interest rates for outstanding loans range from 4.25 percent to 9.25 percent at December 31, 2021. Maturity dates on outstanding loans at December 31, 2021, extended through November 2051.

#### **(h) Benefit Distributions**

Upon retirement, termination of employment, death, or disability, a participant may elect to take a distribution equal to his or her vested account balance. Participants are allowed to receive distributions in the event of demonstrated financial hardship, as such term is defined in accordance with the *Plan Document*. Participants may also be eligible to receive a distribution from the Plan upon attainment of age 59 1/2, in accordance with the terms of the *Plan Document*. The benefit distribution is payable in

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

cash. There were no benefits payable to participants at December 31, 2021 or 2020. Participants may withdraw amounts attributable to after-tax employee contributions while still employed by the Company in accordance with the terms of the *Plan Document*.

#### **(2) Significant Accounting Policies**

##### **(a) Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

##### **(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from such estimates.

##### **(c) Risks and Uncertainties**

The Plan utilizes various investment instruments, including mutual funds and a common collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could be material.

##### **(d) Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

##### **(e) Payment of Benefits**

Benefits are recorded when paid.

##### **(f) Administrative Expenses**

Certain administrative fees are paid by the Plan. Administrative fees not paid by the Plan are paid by the Company. Effective December 1, 2018, the recordkeeping fee began being paid by the Plan participants rather than the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

Certain investment funds offered by the Plan allow for a revenue sharing account. Amounts earned by the Plan under these programs may be used to offset expenses of the Plan at the discretion of the Plan and the Company. Revenue shares from any funds are rebated back to the participants participating in the respective funds.

#### **(g) Forfeitures**

At December 31, 2021 and 2020, total forfeited nonvested account balances were \$2,999 and \$839, respectively. These amounts will generally be used to pay Plan expenses and/or reduce employer contributions. The forfeited nonvested account balance was used to fund employer contributions of \$15,000 and \$150,000 for 2021 and 2020. In 2021 and 2020, \$53,450 and \$71,700, respectively, of the forfeited nonvested account balance was used to pay Plan expenses.

#### **(3) Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, established a single authoritative definition of fair value, set a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth by level within the fair value hierarchy are a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2021 and 2020.

In accordance with ASC 820, the tables below include debt and equity securities aggregated by general asset type at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified within Level 1 of the valuation hierarchy.

*Stable Value Collective Trust Fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### (4) Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

#### (5) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the *Plan Document*.

#### (6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### (7) Income Tax Status

The Internal Revenue Service (IRS) has determined in a letter dated March 31, 2014 that the Vanguard Volume Submitter Plan and related trust are designed in accordance with applicable sections of the Code.

The Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### (8) Party-in-interest Transactions

The Plan invests in a common collective trust fund and mutual funds managed by the Trustee. As such, transactions related to these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of return on each fund.

#### (9) Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15<sup>th</sup> business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of \$702 were not remitted within the required "as soon as reasonably segregated" time period, as defined, for the year ended December 31, 2021. The issue was corrected subsequently in 2022.

#### (10) Subsequent Events

The Plan has evaluated subsequent events from the balance sheet date through October 11, 2022, the date at which the financial statements were available to be issued.

## **STP NUCLEAR OPERATING COMPANY SAVINGS PLAN**

### **Notes to Financial Statements**

**December 31, 2021 and 2020**

Effective January 1, 2022, those eligible participants who were initially employed or reemployed prior to January 1, 2007, may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation and the Company will contribute 70 percent of the total of each participant's pretax basic, after-tax basic and after-tax Roth contributions. Also, effective January 1, 2022, the percentage of eligible compensation for the Company's supplemental contribution to the Plan will be determined based on years of service to the Company, union status and pension eligibility.

## Independent Auditor's Report

Benefits Trust Committee  
STP Nuclear Operating Company Savings Plan  
Wadsworth, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of STP Nuclear Operating Company Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of STP Nuclear Operating Company Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of STP Nuclear Operating Company Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of STP Nuclear Operating Company Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

#### (1) Description of the Plan

##### (a) General

The STP Nuclear Operating Company Savings Plan (the Plan) was established in conjunction with the formation of the STP Nuclear Operating Company (the Company or STPNOC) in 1997. Effective January 1, 2017, the Plan was converted from operation under an individually designed *Plan Document* to the Vanguard Fiduciary Trust Company Defined Contribution Volume Submitter Plan and Trust.

The Plan is a defined contribution plan, which is subject to the reporting requirements and regulations pursuant to the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). With the exception of leased employees, consultants and independent contractors, employees of the Company are generally eligible to begin participating in the Plan on their date of hire.

The following description of the Plan provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

##### (b) Plan Administration and Trustee

The Plan is administered by a benefits committee (the Benefits Trust Committee) whose members are appointed by the Board of Directors of the Company. The Benefits Trust Committee has the power to carry out the provisions of the Plan, including the administration and investment of the Plan's assets in accordance with the provisions of the Plan. Vanguard Fiduciary Trust Company (Vanguard) (the Trustee) is the Plan's trustee and recordkeeper. Generally, the Trustee is responsible for receiving contributions and income and executing investment transactions pursuant to the instructions of the Benefits Trust Committee and the participants. The Trustee is also responsible for maintaining custody of the Plan's assets and for payment of benefits to participants at the direction of the Benefits Trust Committee.

##### (c) Plan Contributions

Eligible participants may make pretax and/or after-tax basic or after-tax Roth contributions to the Plan up to a maximum of 6 percent of compensation, as defined by the Plan. Employees initially employed or reemployed on or after January 1, 2007 may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation. The Company contributes 70 percent of the total of each participant's pretax basic, after-tax basic, and after-tax Roth contributions. Subject to certain limitations, participants are eligible to make pretax excess contributions provided that total pretax contributions do not exceed 50 percent of the participants' compensation. The Company does not make any contribution to participant accounts for these excess contributions. Participants who have attained the age of 50 during the Plan year may elect to contribute additional "catch-up" contributions (maximum of \$6,500 in 2021 and 2020).

Effective January 1, 2007, the Company began making a supplemental contribution to the Plan on behalf of eligible employees who are initially employed or reemployed on or after January 1, 2007, and who remain employed on each December 31 of the Plan year. The contribution is a percentage of each eligible employee's eligible compensation. The percentage of eligible compensation is determined based on years of service to the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

With the consent of the Benefits Trust Committee, participants may also make rollover contributions to the Plan. Rollover contributions must meet the requirements of the Internal Revenue Code of 1986, as amended (the Code), Section 20(c)(4), and certain other conditions, as defined by the Plan.

#### **(d) Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocation of the Company's contributions, and Plan earnings, and charged with withdrawals and allocation of Plan losses. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **(e) Investments**

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. In the event investment instructions are not received from the participant, the investment of contributions are allocated to the default investment option, the age appropriate target date retirement fund.

#### **(f) Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Plan was amended effective January 1, 2015 to reflect that participants are 100 percent vested in employer contributions after one hour of service.

#### **(g) Notes Receivable from Participants**

The Plan Administrator may make loans to participants up to a maximum aggregate amount, as defined by the Plan, not to exceed the lesser of (1) \$50,000, less the balance of any outstanding loans made within one year of the date of the current loan, or (2) 50 percent of the present value of the borrower's vested account balance. No loans of less than \$500 or more than \$50,000 will be made to a borrower. Each loan shall be made under such terms, security interest, and conditions as the Plan Administrator deems appropriate. Loans are limited to each participant's pretax contributions and rollover accounts. The loans are secured by the balance in the participant's account. Loan processing fees totaling \$5,740 and \$7,010 for 2021 and 2020, respectively, are paid out of participants' loan proceeds and are not reported as administrative expenses.

Notes receivable from participants at December 31, 2021 and 2020, totaled \$5,731,719 and \$6,399,610, respectively. Interest rates for outstanding loans range from 4.25 percent to 9.25 percent at December 31, 2021. Maturity dates on outstanding loans at December 31, 2021, extended through November 2051.

#### **(h) Benefit Distributions**

Upon retirement, termination of employment, death, or disability, a participant may elect to take a distribution equal to his or her vested account balance. Participants are allowed to receive distributions in the event of demonstrated financial hardship, as such term is defined in accordance with the *Plan Document*. Participants may also be eligible to receive a distribution from the Plan upon attainment of age 59 1/2, in accordance with the terms of the *Plan Document*. The benefit distribution is payable in

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

cash. There were no benefits payable to participants at December 31, 2021 or 2020. Participants may withdraw amounts attributable to after-tax employee contributions while still employed by the Company in accordance with the terms of the *Plan Document*.

#### **(2) Significant Accounting Policies**

##### **(a) Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

##### **(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from such estimates.

##### **(c) Risks and Uncertainties**

The Plan utilizes various investment instruments, including mutual funds and a common collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could be material.

##### **(d) Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

##### **(e) Payment of Benefits**

Benefits are recorded when paid.

##### **(f) Administrative Expenses**

Certain administrative fees are paid by the Plan. Administrative fees not paid by the Plan are paid by the Company. Effective December 1, 2018, the recordkeeping fee began being paid by the Plan participants rather than the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

Certain investment funds offered by the Plan allow for a revenue sharing account. Amounts earned by the Plan under these programs may be used to offset expenses of the Plan at the discretion of the Plan and the Company. Revenue shares from any funds are rebated back to the participants participating in the respective funds.

#### **(g) Forfeitures**

At December 31, 2021 and 2020, total forfeited nonvested account balances were \$2,999 and \$839, respectively. These amounts will generally be used to pay Plan expenses and/or reduce employer contributions. The forfeited nonvested account balance was used to fund employer contributions of \$15,000 and \$150,000 for 2021 and 2020. In 2021 and 2020, \$53,450 and \$71,700, respectively, of the forfeited nonvested account balance was used to pay Plan expenses.

#### **(3) Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, established a single authoritative definition of fair value, set a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth by level within the fair value hierarchy are a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2021 and 2020.

In accordance with ASC 820, the tables below include debt and equity securities aggregated by general asset type at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified within Level 1 of the valuation hierarchy.

*Stable Value Collective Trust Fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### (4) Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

## **STP NUCLEAR OPERATING COMPANY SAVINGS PLAN**

### **Notes to Financial Statements**

**December 31, 2021 and 2020**

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

#### **(5) Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the *Plan Document*.

#### **(6) Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### **(7) Income Tax Status**

The Internal Revenue Service (IRS) has determined in a letter dated March 31, 2014 that the Vanguard Volume Submitter Plan and related trust are designed in accordance with applicable sections of the Code.

The Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(8) Party-in-interest Transactions**

The Plan invests in a common collective trust fund and mutual funds managed by the Trustee. As such, transactions related to these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of return on each fund.

#### **(9) Nonexempt Transactions**

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15<sup>th</sup> business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of \$702 were not remitted within the required "as soon as reasonably segregated" time period, as defined, for the year ended December 31, 2021. The issue was corrected subsequently in 2022.

#### **(10) Subsequent Events**

The Plan has evaluated subsequent events from the balance sheet date through October 11, 2022, the date at which the financial statements were available to be issued.

## **STP NUCLEAR OPERATING COMPANY SAVINGS PLAN**

### **Notes to Financial Statements**

**December 31, 2021 and 2020**

Effective January 1, 2022, those eligible participants who were initially employed or reemployed prior to January 1, 2007, may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation and the Company will contribute 70 percent of the total of each participant's pretax basic, after-tax basic and after-tax Roth contributions. Also, effective January 1, 2022, the percentage of eligible compensation for the Company's supplemental contribution to the Plan will be determined based on years of service to the Company, union status and pension eligibility.

## Independent Auditor's Report

Benefits Trust Committee  
STP Nuclear Operating Company Savings Plan  
Wadsworth, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of STP Nuclear Operating Company Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of STP Nuclear Operating Company Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of STP Nuclear Operating Company Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about STP Nuclear Operating Company Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

The 2020 financial statements of STP Nuclear Operating Company Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

#### (1) Description of the Plan

##### (a) General

The STP Nuclear Operating Company Savings Plan (the Plan) was established in conjunction with the formation of the STP Nuclear Operating Company (the Company or STPNOC) in 1997. Effective January 1, 2017, the Plan was converted from operation under an individually designed *Plan Document* to the Vanguard Fiduciary Trust Company Defined Contribution Volume Submitter Plan and Trust.

The Plan is a defined contribution plan, which is subject to the reporting requirements and regulations pursuant to the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). With the exception of leased employees, consultants and independent contractors, employees of the Company are generally eligible to begin participating in the Plan on their date of hire.

The following description of the Plan provides only general information. Participants should refer to the *Plan Document* for a more complete description of the Plan's provisions.

##### (b) Plan Administration and Trustee

The Plan is administered by a benefits committee (the Benefits Trust Committee) whose members are appointed by the Board of Directors of the Company. The Benefits Trust Committee has the power to carry out the provisions of the Plan, including the administration and investment of the Plan's assets in accordance with the provisions of the Plan. Vanguard Fiduciary Trust Company (Vanguard) (the Trustee) is the Plan's trustee and recordkeeper. Generally, the Trustee is responsible for receiving contributions and income and executing investment transactions pursuant to the instructions of the Benefits Trust Committee and the participants. The Trustee is also responsible for maintaining custody of the Plan's assets and for payment of benefits to participants at the direction of the Benefits Trust Committee.

##### (c) Plan Contributions

Eligible participants may make pretax and/or after-tax basic or after-tax Roth contributions to the Plan up to a maximum of 6 percent of compensation, as defined by the Plan. Employees initially employed or reemployed on or after January 1, 2007 may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation. The Company contributes 70 percent of the total of each participant's pretax basic, after-tax basic, and after-tax Roth contributions. Subject to certain limitations, participants are eligible to make pretax excess contributions provided that total pretax contributions do not exceed 50 percent of the participants' compensation. The Company does not make any contribution to participant accounts for these excess contributions. Participants who have attained the age of 50 during the Plan year may elect to contribute additional "catch-up" contributions (maximum of \$6,500 in 2021 and 2020).

Effective January 1, 2007, the Company began making a supplemental contribution to the Plan on behalf of eligible employees who are initially employed or reemployed on or after January 1, 2007, and who remain employed on each December 31 of the Plan year. The contribution is a percentage of each eligible employee's eligible compensation. The percentage of eligible compensation is determined based on years of service to the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

With the consent of the Benefits Trust Committee, participants may also make rollover contributions to the Plan. Rollover contributions must meet the requirements of the Internal Revenue Code of 1986, as amended (the Code), Section 20(c)(4), and certain other conditions, as defined by the Plan.

#### **(d) Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, allocation of the Company's contributions, and Plan earnings, and charged with withdrawals and allocation of Plan losses. Allocations are based on participant contributions, earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **(e) Investments**

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. In the event investment instructions are not received from the participant, the investment of contributions are allocated to the default investment option, the age appropriate target date retirement fund.

#### **(f) Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. The Plan was amended effective January 1, 2015 to reflect that participants are 100 percent vested in employer contributions after one hour of service.

#### **(g) Notes Receivable from Participants**

The Plan Administrator may make loans to participants up to a maximum aggregate amount, as defined by the Plan, not to exceed the lesser of (1) \$50,000, less the balance of any outstanding loans made within one year of the date of the current loan, or (2) 50 percent of the present value of the borrower's vested account balance. No loans of less than \$500 or more than \$50,000 will be made to a borrower. Each loan shall be made under such terms, security interest, and conditions as the Plan Administrator deems appropriate. Loans are limited to each participant's pretax contributions and rollover accounts. The loans are secured by the balance in the participant's account. Loan processing fees totaling \$5,740 and \$7,010 for 2021 and 2020, respectively, are paid out of participants' loan proceeds and are not reported as administrative expenses.

Notes receivable from participants at December 31, 2021 and 2020, totaled \$5,731,719 and \$6,399,610, respectively. Interest rates for outstanding loans range from 4.25 percent to 9.25 percent at December 31, 2021. Maturity dates on outstanding loans at December 31, 2021, extended through November 2051.

#### **(h) Benefit Distributions**

Upon retirement, termination of employment, death, or disability, a participant may elect to take a distribution equal to his or her vested account balance. Participants are allowed to receive distributions in the event of demonstrated financial hardship, as such term is defined in accordance with the *Plan Document*. Participants may also be eligible to receive a distribution from the Plan upon attainment of age 59 1/2, in accordance with the terms of the *Plan Document*. The benefit distribution is payable in

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

cash. There were no benefits payable to participants at December 31, 2021 or 2020. Participants may withdraw amounts attributable to after-tax employee contributions while still employed by the Company in accordance with the terms of the *Plan Document*.

#### **(2) Significant Accounting Policies**

##### **(a) Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

##### **(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the use of certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results may differ from such estimates.

##### **(c) Risks and Uncertainties**

The Plan utilizes various investment instruments, including mutual funds and a common collective trust fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could be material.

##### **(d) Valuation of Investments and Income Recognition**

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

##### **(e) Payment of Benefits**

Benefits are recorded when paid.

##### **(f) Administrative Expenses**

Certain administrative fees are paid by the Plan. Administrative fees not paid by the Plan are paid by the Company. Effective December 1, 2018, the recordkeeping fee began being paid by the Plan participants rather than the Company.

## STP NUCLEAR OPERATING COMPANY SAVINGS PLAN

### Notes to Financial Statements

December 31, 2021 and 2020

Certain investment funds offered by the Plan allow for a revenue sharing account. Amounts earned by the Plan under these programs may be used to offset expenses of the Plan at the discretion of the Plan and the Company. Revenue shares from any funds are rebated back to the participants participating in the respective funds.

#### **(g) Forfeitures**

At December 31, 2021 and 2020, total forfeited nonvested account balances were \$2,999 and \$839, respectively. These amounts will generally be used to pay Plan expenses and/or reduce employer contributions. The forfeited nonvested account balance was used to fund employer contributions of \$15,000 and \$150,000 for 2021 and 2020. In 2021 and 2020, \$53,450 and \$71,700, respectively, of the forfeited nonvested account balance was used to pay Plan expenses.

#### **(3) Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, established a single authoritative definition of fair value, set a framework for measuring fair value, and requires additional disclosures about fair value measurements. In accordance with ASC 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The following tables set forth by level within the fair value hierarchy are a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2021 and 2020.

In accordance with ASC 820, the tables below include debt and equity securities aggregated by general asset type at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual funds are classified within Level 1 of the valuation hierarchy.

*Stable Value Collective Trust Fund* – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### (4) Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

### Notes to Financial Statements

December 31, 2021 and 2020

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

#### (5) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the *Plan Document*.

#### (6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

#### (7) Income Tax Status

The Internal Revenue Service (IRS) has determined in a letter dated March 31, 2014 that the Vanguard Volume Submitter Plan and related trust are designed in accordance with applicable sections of the Code.

The Company believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### (8) Party-in-interest Transactions

The Plan invests in a common collective trust fund and mutual funds managed by the Trustee. As such, transactions related to these investments qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of return on each fund.

#### (9) Nonexempt Transactions

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets, but no later than the 15<sup>th</sup> business day of the month following the month in which the participant contributions are withheld by the employer. While the Company remitted all employee contributions to the Plan, contributions of \$702 were not remitted within the required "as soon as reasonably segregated" time period, as defined, for the year ended December 31, 2021. The issue was corrected subsequently in 2022.

#### (10) Subsequent Events

The Plan has evaluated subsequent events from the balance sheet date through October 11, 2022, the date at which the financial statements were available to be issued.

## **STP NUCLEAR OPERATING COMPANY SAVINGS PLAN**

### **Notes to Financial Statements**

**December 31, 2021 and 2020**

Effective January 1, 2022, those eligible participants who were initially employed or reemployed prior to January 1, 2007, may make pretax and/or after-tax basic or after-tax Roth contributions up to 8 percent of compensation and the Company will contribute 70 percent of the total of each participant's pretax basic, after-tax basic and after-tax Roth contributions. Also, effective January 1, 2022, the percentage of eligible compensation for the Company's supplemental contribution to the Plan will be determined based on years of service to the Company, union status and pension eligibility.
