# INDEPENDENT AUDITORS' REPORT

The Plan Administrative Committee
Ad Art Company 401(k) Plan
Los Angeles, California

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the financial statements of Ad Art Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution)

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Ad Art Company 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ad Art Company 401(k) Plan's ability to continue as a going concern for the year ended December 31, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor’s Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ad Art Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ad Art Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.
- Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.
- Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

***2021 Supplemental Schedules Required by ERISA***

The supplemental schedule H Line 4i – Schedule of Assets (Held at end of year), is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial

statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the department of labor's rules and regulations for reporting and disclosure under ERISA
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of Ad Art Company 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Ad Art Company 401(k) Plan, (the Plan) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions.

### General

The Plan is a defined contribution plan covering all eligible employees of the R.J. Acquisition Corp. dba the Ad Art Company (the Company and the Plan Sponsor), who may participate in the plan after three months of service and are age eighteen or older. An employee who has met the eligibility requirements can enter the Plan immediately. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrative committee is responsible for the operation and administration of the Plan.

### Contributions

Participants may make pre-tax and or Roth 401(k) contributions up to maximum allowed by law. However, participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute Roll Over contribution, which represents amounts representing distribution form other qualified plans.

Participants direct the investment of all contributions into various investment options offered by the Plan

### Participant Accounts

Each participant's account is credited or charged with his or her contributions and an allocation of Plan earnings or losses. Each participant's account is charged with an allocation of management fees. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefits that can be provided from participant's vested account.

### Investment Options

The Plan currently offers diversified investment funds as investment options for participants. The participants may change their investment options at any time.

**NOTE 1: DESCRIPTION OF THE PLAN (continued)**

Vesting

Participants are immediately vested in all contributions plus actual earnings thereon.

Payments of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account either a lump-sum amount, or transfer the vested balance to a qualified plan, or leave the vested balance in the Plan. For participant with vested balance account less than $5,000 will receive the value to the vested interest in his or her account as a lump-sum distribution. The Plan also allows in-service for participants over the age requirements and hardship withdrawals before retirement age for qualifying circumstances defined in the Plan agreement.

Notes Receivable from Participants

Participants may borrow from their account balances, provided that the loan does not exceed 50% of their vested account balance a minimum of $1,000 up to a maximum of $50,000, at the date of the loan application, and are generally segregated investments of the participants borrowing the money. The loans are secured by the vested balance in the participant's account and bear interest at local prevailing rates. Borrowers repay principal and interest over five years or less via regular payroll deductions, or a reasonable period of time longer than five years for the purchase of a primary residence.

Administrative Expenses

The administrator's expenses were paid by the Company. The trustee fees of basis points of assets invested were paid directly from these assets. Additional fees will also be applicable on benefit disbursements, loans, and periodic benefit payments, which are charge on participants' accounts.

Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in the employer contributions.

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain amounts and disclosers. Accordingly actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Date of Management's Review

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized depreciation and appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 3 for discussion on fair value measurements and trustee certification.

## NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payments of benefits and Corrective distributions

Benefits and Corrective distributions are recorded when incurred.

## NOTE 3: SUMMARY OF UNAUDITED INFORMAITON

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The following information was certified by the Merrill Lynch and was not subjected to any auditing procedures performed by the independent public accountant:

a. Fair value and net realizable value of investment as reflected in the Statements of Net Assets Available for Plan Benefits as of December 31, 2021, and 2020.
b. Interest and dividends, net realized and unrealized depreciation in fair value of investments, and interest income on notes receivable from participants as reflected in the Statement of Changes in Net Assets Available for Plan Benefits for the Year Ended December 31, 2021.
c. Investment information reflected in Schedule H, line4i – Schedule of Assets (Held At End of Year) as of December 31, 2021.

## NOTE 4: FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

All of the Plan's investments were valued at Level One of fair value measurement hierarchy at December 31, 2021 and 2020. Under Level One, imputes to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**NOTE 4: FAIR VALUE MEASUREMENTS (continued)**

*Level 1 Fair Value Measurement:* The fair value of Registered Investment companies (mutual funds) is valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 5: TAX STATUS**

The internal Revenue Service has determined and informed the Employer by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. However, the plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified ant the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not based on the technical merits, to be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

**NOTE 6: PARTY-IN-INTERST TRANSACTIONS**

The Plan investments are shares of mutual funds managed the Trustee. Direct and indirect administrative fees paid by the Plan amounted to $22,230 and $14,316 for the year ended December 31, 2021 and 2020 respectively. The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

## NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Some of the Plan's assets are invested in securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies are their markets may be less liquid and their prices more volatile than securities of comparable U.S. companies.

## NOTE 8: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2021, the date which the financial statements were available to be issued. Except as disclosed, there were no other subsequent events note that would require adjustments to or disclosure in these financial statements. The effects of the global pandemic COVID-19 in the market have generally been mitigated in U.S. markets, however, the impact of the COVID-19 on foreign markets continues to evolve. The Company is not able at this time to estimate its impact on the Plan's assets in foreign companies.
