Independent Auditors' Report

To the Plan Administrator of
CEMI International Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the CEMI International Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the CEMI International Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

mazars

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CEMI International Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CEMI International Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CEMI International Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

CEMI International Inc. 401(k) Profit Sharing Plan & Trust

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

General
The following brief description of the CEMI International Inc. 401(k) Profit Sharing Plan & Trust (the "Plan"), is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

The Plan was established on January 1, 2004 and was amended and restated on January 1, 2021. The Plan is a defined contribution plan that covers substantially all employees of CEMI International, Inc. (the "Company" or "Plan Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed in to law. The CARES Act includes several relief provisions available to the Plan and its participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions for the period from March 27, 2020 through December 31, 2020:

- Special coronavirus distributions up to $100,000
- Increase the available loan amount to the lesser of $100,000 or 100% of the participant's vested account balance
- Extend the period for loan repayments, if applicable, up to one year.

In accordance with the CARES Act, the Plan will be amended to retroactively adopt these provisions no later than December 31, 2022.

Eligibility
Employees of the Company are eligible to participate in the Plan and receive safe harbor matching contributions and discretionary profit-sharing contributions upon the attainment of 18 years of age and the completion of six months of service.

Participant Accounts
Each participant's account is credited with their deferral contributions, employer contributions, and the earnings thereon as well as an allocation of expenses. Contributions to the Plan are invested by the trustee as directed by the participants. Each participant may elect from one or more of the investment vehicles offered pursuant to the provisions of the Plan.

Contributions
Participants may elect to contribute pre-tax deferral contributions, subject to the limitations of the Internal Revenue Code ("IRC").

The Company is required to make safe harbor matching contributions equal to 100% of the participant's deferral contributions up to 3% of their compensation and 50% of the participant's deferral contributions that exceed 3% of their compensation not to exceed 5%. The Company may also make a discretionary profit-sharing contribution to participants of the Plan in accordance with the provisions contained in the plan document. There were no profit-sharing contributions made for the 2021 plan year.

Vesting
Participants are immediately vested in their own contributions and safe harbor matching contributions plus actual earnings thereon. For discretionary profit-sharing contributions, participants vest 20% after two years of service and an additional 20% each subsequent year until fully vested after completing six years of service.

Forfeitures
The portion of a participant's balance, which is not vested upon termination of employment, is forfeited and remains in the Plan. Forfeiture balances of terminated participants' nonvested accounts can be used to pay allowable administrative expenses or applied to reduce the Employer contributions for the plan year and, if applicable, any remaining amount shall be applied toward succeeding plan years until fully utilized. For the year ended December 31, 2021, $1,853 of plan forfeitures were applied in conjunction with the payment of the safe harbor matching contributions. There was $77 and $1,919 of forfeitures available as of December 31, 2021 and 2020, respectively.

Payment of Benefits
Participants' vested interest in the Plan's assets are distributable generally upon termination, disability, retirement or death. In addition, participants may request withdrawals pursuant to specific guidelines as set forth in the plan document.

Notes Receivable from Participants
Each participant is permitted to borrow a minimum of $1,000 up to a maximum of $50,000 or 50% of his or her vested account balance. During 2020, plan management adopted the provisions of the CARES Act which allowed participants to borrow up to 100% of their vested account balance up to a maximum of $100,000 for the period from March 27, 2020 to December 31, 2020. The term of a loan may not exceed five years, unless it is used to purchase a primary residence. Loans are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Principal and interest are paid ratably through payroll deductions and monitored by the plan administrator. The loans bear interest at a rate of prime rate plus 2%. Interest rates at December 31, 2021 ranged from 5.25% to 7.50%.

Administrative Expenses
All transaction fees for loans and distribution requests and recordkeeping fees are paid from participants' accounts. A portion of all other administrative expenses are paid by the Company.

2. Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussions of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits
Benefits are recorded when paid.

Subsequent Events
The Plan has evaluated subsequent events through October 6, 2022, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.

3. Information Certified by the Plan's Custodian

The following is a summary of the investment information and notes receivable from participants regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Capital Bank and Trust Company, the custodian of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that such information is complete and accurate.

Information relating to investments and notes receivable from participants certified by the custodian at December 31, is as follows:

	2021	2020
Mutual funds	$ 2,723,761	$ 2,414,539
Common collective trust	191,363	337,568
Notes receivable from participants	196,935	187,153
	$ 3,112,059	$ 2,939,260

The following was also certified by the custodian for the year ended December 31, 2021:

Net appreciation in fair value of investments	$ 167,922
Dividend income	$ 140,102
Interest income on notes receivable from participants	$ 7,622

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the assets or liabilities; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during 2021.

- Mutual funds: Shares held by the Plan at year-end are valued at quoted prices in an active market.
- Common collective trust: The fair value of the common collective trust is determined by the trustee of the common collective trust based on the underlying assets, which represent the net asset value of units held by the Plan, a practical expedient to fair value units held by the Plan. Participant directed redemptions can be made on any business day and do not have a redemption notice period.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments at fair value as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,723,761	$ -	$ -	$ 2,723,761
Common collective trust - measured at net asset value (a)	-	-	-	191,363
	$ 2,723,761	$ -	$ -	$ 2,915,124

Investments at fair value as of December 31, 2020 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,414,539	$ -	$ -	$ 2,414,539
Common collective trust - measured at net asset value (a)	-	-	-	337,568
	$ 2,414,539	$ -	$ -	$ 2,752,107

(a) Certain investments that were measured at net asset value per share, or its equivalent, as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Risks and Uncertainties

The Plan's investments are concentrated in mutual funds and a common collective trust that invest in various investment securities. Such securities are subject to various risks, such as interest rate, market and credit risks that determine the value of the funds. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

6. Related-Party Transactions

American Funds, a service organization provided through Capital Bank and Trust Company ("Capital Group"), is the recordkeeper for the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Capital Group by the Plan for administrative services totaled $1,288 for the year ended December 31, 2021.

7. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to amend, alter or terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, all participants' account balances shall be 100% vested.

8. Tax Status

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the volume submitter plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2018.
