INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and participants of the
Fisher & Phillips LLP Savings and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Fisher & Phillips LLP Savings and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 15, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Fisher & Phillips LLP Savings and Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Description of Plan

The following description of the Fisher & Phillips LLP Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the Plan administrator, for a complete description of the Plan's provisions.

General

The Plan was established to enable non-attorney employees and equity partners to participate in the earnings of Fisher & Phillips LLP (the Firm or Plan Sponsor), to encourage and reward long-term service with the Firm, and to provide for savings on a tax-advantaged basis.

The Plan is a participant-directed defined contribution plan covering all equity partners, non-attorney staff, and certain professional employees designated as the Top Paid Group (TPG) of the Firm. Participants become eligible to participate in the Plan as of their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Firm also sponsors the Fisher & Phillips LLP Professional Employees Plan (Professional Employees Plan) where all attorney employees, of counsel, senior of counsel, non-equity partners, paralegals, and certain office managers are eligible to participate.

Changes in partner status within the Firm trigger automatic transfers between the Plan and the Professional Employees Plan. During 2021, transfers of \$1,953,579 were made from the Professional Employees Plan to the Plan and transfers of \$8,970 were made from the Plan to the Professional Employees Plan as a result of changes in partner status.

On August 21, 2021, the Plan Sponsor signed a resolution to merge the Professional Employees Plan into the Plan to create a single plan effective January 1, 2022. In accordance with the merger, on December 31, 2021, the Professional Employees Plan transferred plan assets of \$71,687,850 to the Plan which is included in transfers into the Plan on the accompanying statement of changes in net assets available for benefits. All remaining assets of the Professional Employees Plan were transferred to the Plan subsequent to year end in January 2022. The Plan has been amended and restated effective January 1, 2022 and is the surviving Plan document for the merged plan beginning on the effective date.

Contributions

Participants may elect to defer up to 90% of their compensation to the Plan through pre-tax contributions and/or Roth contributions, to a maximum of \$19,500 in 2021, plus an additional \$6,500 catch-up deferral for those employees who have reached at least 50 years of age by the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans and individual retirement accounts (rollovers).

The Plan provides for a discretionary contribution by the Firm on behalf of eligible participants based on compensation, as defined in the Plan. The Firm calculates the discretionary contribution differently for each of the two categories of employees eligible to participate in the Plan: non-attorney and equity partner.

For non-attorney employees, the Firm makes a contribution equal to 5% of compensation up to the social security taxable wage base, \$142,800 in 2021, and 10% of compensation in excess of the social security taxable wage base. Firm contributions are made each payroll period and are based on participants' compensation during the month.

For equity partners, as defined in the Firm's partnership agreement, the Firm makes a contribution based on the points credited to each partner under the Firm's partnership agreement.

The Firm typically makes an additional discretionary contribution, generally between 2% and 3% of compensation, to be determined annually subsequent to each Plan year. The Firm made an additional discretionary contribution for the 2021 Plan year of 2.5% of compensation to participants who were employed at year end.

Total deferral and Firm contributions for any participant may not exceed the lesser of 100% of the participant's compensation or \$58,000 in 2021; \$64,500 including catch-up deferrals.

Participant Accounts

Each participant's account is credited with the Firm's contribution, the participant's contributions and earnings and losses on their account and is charged with certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. A participant may direct investments in their account to any of the investment options offered by the Plan. Participants may also establish self-directed brokerage accounts for the purpose of investing in publicly traded securities, bonds, and mutual funds, in addition to or as an alternative to the investment options offered by the Plan. In addition, participants may purchase life insurance policies through the Plan. Participants may change their investment options daily.

Fisher & Phillips LLP

Savings and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Participants are vested immediately in their deferrals plus actual earnings thereon. Participants become fully vested in Firm contributions after five years of service as follows:

Full Years of Service	Vested Percentage of Firm Contribution Account
Fewer than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance. A participant may have up to six notes outstanding at any time. Interest paid on notes receivable is credited to the account of the participant receiving the loan. These notes are secured by the balance in the participant's account and bear interest at the Prime Lending Rate + 1%. During 2021, notes had interest rates ranging from 3.75% to 6.50% for the term of the note. The terms of the notes do not exceed 5 years, or 15 years if used for the purchase of a primary residence. Principal and interest are paid through payroll deductions. Participants may continue to repay outstanding notes receivable through automatic withdrawals if employment or partnership is terminated with the Firm. If a participant does not arrange automatic repayments, all outstanding note receivable balances become due and payable by the end of the calendar quarter following the quarter in which employment terminated.

Payment of Benefits

At the time of death, disability, termination of service, or retirement, the participant or his or her beneficiary may receive payment of the vested interest in his or her account in a lump sum distribution. If no distribution election is made, a participant account balance less than \$1,000 will be distributed in a lump sum distribution following termination of employment. Balances greater than \$1,000, but less than \$5,000, will be automatically rolled over to an individual retirement account (IRA) set up in the participant's name, if no distribution election is made. Balances exceeding \$5,000 may remain in the Plan until a distribution is requested by the participant. A participant may also withdraw funds through in-service withdrawals and in certain hardship situations as long as certain requirements are met.

Fisher & Phillips LLP Savings and Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

Insurance Premiums

The Plan allows for premiums on insurance contracts to be paid by the Plan. Premiums are limited in that the sum of one half of the premiums of ordinary life insurance policies and the total of all other life insurance policies cannot exceed 25% of employer contributions allocated to the participant's account. There were no insurance policies included in the Plan at December 31, 2021 and 2020.

Forfeited Accounts

Forfeited non-vested amounts are used either to reduce the Firm's contributions or to pay administrative expenses. During 2021, \$277,524 of forfeitures were used to reduce employer contributions. The balance of forfeited non-vested accounts at December 31, 2021 and 2020 was \$140,333 and \$189,094, respectively.

Administrative Expenses

Fees related to issuing notes receivable to participants and certain transaction fees for withdrawals are charged directly to the respective participant's accounts. The Plan established an ERISA account where John Hancock Trust Company LLC (John Hancock), the qualified institution of the Plan, deposits revenue sharing to pay for administrative expenses. During 2021, revenues totaling \$82,896 were deposited to the account, and expenses totaling \$52,110 were paid from the account. These expenses related primarily to investment advisory services, record keeping services, and audit services provided to the Plan during 2021. Payments from this account are included in expenses in the year paid. The account had an available balance of \$30,786 and \$38,790 as of December 31, 2021 and 2020, respectively, which is included in the stable value fund on the statements of net assets available for benefits. These expenses are paid to a service provider of the Plan and therefore qualify as party-in-interest transactions. All other administrative expenses are paid by the Firm. The Firm does not expect reimbursement from the Plan for any expenses paid on behalf of the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

Fisher & Phillips LLP Savings and Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer discretionary contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan. The additional discretionary contributions are considered payable to the Plan based upon the year in which the calculation relates to the participants employed at the Plan's year end. Any unfunded participant or employer contributions are included in the participant or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2021 and 2020.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes realized and unrealized gains and losses on those investments and interest and dividends on mutual funds. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the note to be in default, the participant's account is reduced by the unpaid

Fisher & Phillips LLP Savings and Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

balance and a benefit payment is recorded. Notes receivable from participants qualify as party-in-interest transactions.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

Information in the accompanying financial statements and supplemental schedule regarding investments held and notes receivable from participants at December 31, 2021 and 2020, net change in fair value of investments and interest income for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock, the Plan's qualified institution.

4. Investments and Fair Value Measurements

Certain Plan investments include a mutual fund managed by John Hancock and units of a stable value fund managed by New York Life Insurance Company, an affiliate of John Hancock. John Hancock is the qualified institution as defined by the Plan; therefore, transactions in these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value as they are paid through revenue sharing, rather than a direct payment.

Investments are exposed to several risks, such as market, currency, interest rate, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, or similar events. It is at least reasonably possible that changes in their fair values will occur in the near term and that such changes could materially affect participants' account balances.

Fisher & Phillips LLP

Savings and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for similar assets or liabilities in active markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Investments in mutual funds are valued at quoted market prices for the identical security in an active market (Level 1).

Fair value for the collective investment fund is determined by prices published daily by the trust manager, which is the net asset value (NAV) of the trust (Level 1). Net asset value is determined by the fair value of the mutual funds, stocks, debt instruments, and other securities in the trust. Participants can trade the collective investment fund daily at the published NAV.

The Plan invests in a stable value fund held in a pooled separate account. The assets in the pooled separate account are invested primarily in fixed income securities. The investment trades daily at the NAV per share of the fund (Level 1).

Investments in the self-directed brokerage accounts include mutual funds, money market funds, and common stock. All assets are traded through a broker and are considered Level 1 assets.

Fisher & Phillips LLP

Savings and Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

The following table summarizes the Plan's investments based on the inputs used to determine their fair values as of December 31, 2021 and 2020:

	Level 1	
	2021	2020
Mutual funds	\$ 225,244,271	\$ 158,545,174
Collective investment fund	39,529,264	14,147,135
Stable value fund	23,895,765	17,679,424
Self-directed brokerage accounts	15,641,829	13,570,154
Total investments, at fair value	\$ 304,311,129	\$ 203,941,887

There has been significant volatility in the investment markets both nationally and globally since December 31, 2021, which has resulted in a substantial decline in the value of the Plan's investment portfolio. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

5. Income Tax Status and Other Matters

The Internal Revenue Service has determined and informed the Firm by a letter dated July 6, 2016, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan terms as amended and the Plan's operation are in compliance with the applicable requirements of the IRC. The Plan has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

The Plan administrator has not completed the discrimination testing for the year ended December 31, 2021. Upon completion of this testing, the Plan may have to take corrective action by either 1) refunding excess contributions and earnings thereon to participants, or 2) making a qualified non-elective contribution to identified non-highly compensated employees.

6. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021:

Net assets available for benefits per the financial statements	\$ 307,248,696
