Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the note titled "Information Certified by Trustee" included in the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING AND RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN:

The following description of Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a defined contribution plan covering all employees of Foot Levelers, Inc. (the "Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Directors oversees governance of the Plan.

In September 2020, the Company initiated a spin-off of its sales division into a new company called Foot Levelers, Ltd. Effective January 1, 2021, Foot Leveler, Ltd. established a defined contribution plan (the "Foot Levelers Ltd. 401(k) Plan") providing benefits and features substantially identical to those provided under the Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan. On February 5, 2021, account balances totaling $1,546,537, related to the individuals who were sales division employees were transferred from the Foot Levelers, Inc. Profit Sharing and Retirement Savings Plan to the Foot Levelers Ltd. 401(k) Plan, in accordance with regulatory requirements.

Contributions
Participant Contributions: Upon completion of six months of service, employees are automatically enrolled into the Plan to make pre-tax contributions at 2% unless they affirmatively opt out. Employees can also elect to contribute up to 90% of their eligible compensation, not to exceed the allowable amount under Section 402(g) of the Internal Revenue Code. Participants may designate their contributions as a pre-tax deferral or on an after-tax basis (Roth contribution). Contributions are based upon total eligible compensation, which includes all compensation that is paid for or made available during the Plan year, excluding Holiday bonuses and any compensation received prior to the date of becoming a participant. Participants' contributions are made through automatic payroll deductions every pay period. Pre-tax deferral contributions and related earnings are not taxable to the participant until they are withdrawn from the Plan. Roth contributions and related earnings are not taxed upon distribution from the Plan.

Rollover Contributions: Participants who were members of a former employer's qualified plan may elect to make a rollover contribution from that plan to the Plan.

Employer Contributions: The Company may make annual discretionary matching and/or non-elective contributions in an amount to be determined at Plan year end by the Company's Board of Directors. These discretionary contributions will be allocated following the end of the Plan year to all participants eligible to share therein. Eligible participants consist of those who have completed 12 months of service and at least 1,000 hours of service during the Plan year.

1. DESCRIPTION OF PLAN - (Continued):

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) the employer's contributions and (b) Plan earnings (losses). Additionally, administrative expenses for certain transactions are charged against each participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their participant contributions and rollovers. Vesting in the Company's matching and/or non-elective contributions plus actual earnings is based on years of continuous service. A participant is 100% vested after six years of credited service. Regardless of the vesting schedule a participant becomes fully vested upon death or permanent disability occurring prior to termination of employment.

Investment Options
Upon enrollment in the Plan, a participant may direct contributions to a variety of investment funds.

Payment of Benefits
The Plan is designed to provide participants with benefits at the time of retirement. However, if employment with the Company is terminated, the balance of a participant's vested Plan accounts becomes distributable to them. Upon proper notification of the Plan Administrator, the account balance will be distributed to the participant in the form of a lump-sum cash payment. The participant may also request a rollover distribution, as soon as practicable after separation from service.

The normal retirement age for the Plan is 65. Participants may continue employment and participation in the Plan past the normal retirement age. In-service distributions are allowed only to participants who have reached age 59 ½.

Prior to terminating service or attaining age 59 ½, a participant may elect to receive a distribution under certain hardship distributions.

Forfeited Accounts
At December 31, 2021 and 2020, forfeited nonvested accounts totaled $11,956 and $3,595, respectively. These accounts will be used to reduce employer contributions. Also, in 2021, employer contributions were reduced by $13,765 from forfeited nonvested accounts.

Participants Notes Receivable
Participants may borrow from their vested interest a minimum of $1,000 up to a maximum equal to the lesser of 50% of their vested interest in the Plan or $50,000. The loans are secured by the balance in the participant's account and bear interest at a fixed rate of prime plus 1% as of the loan origination date. Principal and interest are paid ratably through monthly payroll deductions. The maximum number of Plan loans outstanding at any one time is limited to one.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following accounting policies, which conform to U.S. generally accepted accounting principles have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting
The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with U.S. generally accepted accounting principles and the Department of Labor Rules and Regulations and Disclosure under ERISA.

Estimates
The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investment bought and sold as well as held during the year.

Participant Notes Receivable
Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and incurs a distributable event, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits
Benefits are recorded when paid.

Administrative Expenses
Distribution fees and loan administration fees are charged directly to participants receiving the benefits. Any remaining expenses are paid by the Company and are therefore excluded from these financial statements.

3. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies – Shares of registered investment companies (mutual funds) are valued at quoted market prices on the last business day of the Plan year, which represent the fair market value of shares held by the Plan.

Common Collective Trusts – Investments in collective investment trusts are valued at the net asset value ("NAV") as determined by using fair values of the underlying assets held in the fund as reported by the investment manager of the trust. The underlying assets are traded on an active market and as such, the common collective trusts are deemed to have a readily determinable fair value. Participant transactions (purchases and sales) may occur daily and there is no redemption notice requirement.

4. FAIR VALUE MEASUREMENTS – (Continued):

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Total
December 31, 2021:			
Registered investment companies	$ 8,387,351	$ -	$ 8,387,351
Common collective trusts	-	252,386	252,386
Total	$ 8,387,351	$ 252,386	$ 8,639,737
December 31, 2020:			
Registered investment companies	$ 8,564,199	$ -	$ 8,564,199
Common collective trusts	-	368,263	368,263
Total	$ 8,564,199	$ 368,263	$ 8,932,462

During the year ended December 31, 2021, the Plan's investments (including bought, sold and held during the year) appreciated (depreciated) as follows:

Registered investment companies	$ 744,888
Common collective trusts	2,711
	$ 747,599

5. INCOME TAX STATUS:

The Plan has adopted a prototype plan provided by the Trustee. The IRS has determined and informed the Plan sponsor by a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

.

5. INCOME TAX STATUS – (Continued):

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate income tax positions taken by the Plan and recognize an income tax liability for any uncertain income tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by income tax authorities; however, there are currently no audits in progress for any income tax periods. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

6. INFORMATION CERTIFIED BY TRUSTEE:

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Reliance Trust Company as of December 31, 2021 and 2020 and for the year ended December 31, 2021:

	2021	2020
Investments	$ 8,639,737	$ 8,932,462
Participant notes receivable	$ 29,089	$ 87,851
Dividends and interest	$ 603,394	
Net appreciation in fair value of investments	$ 747,599	
Interest income on participant notes receivable	$ 1,954	

7. RELATED PARTY TRANSACTIONS:

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan assets are held by Reliance Trust Company. Reliance Trust Company is the Trustee as defined by the Plan; therefore, qualifies as a related party.

These parties-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to form 5500:

	2021	2020
Net assets available for benefits per the financial statements	$ 8,735,340	$ 9,143,518
Deemed distributions to participants	(6,023)	(4,556)
Net assets available for benefits per the Form 5500	$ 8,729,317	$ 9,138,962

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to Form 5500:

	2021
Net decrease in net assets available for benefits per the financial statements	$ (408,178)
Change in deemed distribution to participants	(1,467)
Net decrease in net assets available for benefits per the Form 5500	$ (409,645)

9. SELF CORRECTION PROGRAM:

The Plan Sponsor intends to enter the Self Correction Program (SCP) to correct insignificant plan operational failures as allowed by the Internal Revenue Service. The Plan Sponsor has consulted with outside advisors and is in the process of evaluating corrective actions.

10. RISKS AND CONTINGENCIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a global pandemic. The impact of the COVID-19 global pandemic continues to evolve, and its future effects on the Plan's statements of net assets available for benefits and statement of changes in net assets available for benefits remain uncertain.

11. SUBSEQUENT EVENTS:

The Plan's management has evaluated all subsequent events through October 15, 2022, the date the financial statements were available to be issued.
