Independent Auditors' Report

To the Finance Committee and Management
St. Joseph Senior Living 401(k) Retirement Plan
Louisville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of St. Joseph Senior Living 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year) as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statement

The 2020 financial statement of the Plan was audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the 2020 financial statement and (b) the form and content of the information included in the 2020 financial statement other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ST. JOSEPH SENIOR LIVING 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the St. Joseph Senior Living 401(k) Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all eligible employees of St. Joseph Care Center (the "Company"), as defined by the Plan, who have completed six months of eligible service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The plan administrator is responsible for oversight of the Plan. The Finance Committee determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions:

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). The Plan has an autoenrollment feature in which newly eligible employees will be automatically enrolled at 1 percent with an automatic annual 1 percent increase up to 5 percent, or until an affirmative election is made by the participant. The Plan provides safe harbor matching contributions of no less than 3 percent of compensation. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Certain participant contributions in 2017, 2018, 2019, and 2020 were paid after the time frame required by the Department of Labor. The plan sponsor contributed all the delinquent contributions in 2020 and contributed related lost earnings in 2021.

Participant Accounts:

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of 50 percent of their account balances, not to exceed \$50,000. Notes receivable are collateralized by the participant's account balance and bear interest at the prime interest rate plus 1 percent, in accordance with the Plan's loan policy. Principal and interest is paid ratably through payroll deductions.

ST. JOSEPH SENIOR LIVING 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Vesting:

Participants' contributions, the employer safe harbor contributions, and related earnings are fully vested at all times and are not subject to forfeiture.

Payment of Benefits:

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account. Participants aged 59½ years or older are eligible to receive in-service distributions. If the participant's account does not exceed \$5,000 upon termination of service, the Plan is permitted to make a lump-sum distribution to the participant under certain conditions. Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's Finance Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee/custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Participant notes receivable are written off when deemed uncollectible.

Administrative Fees:

Fees of the Plan are paid by the Company or the Plan at the discretion of the Company. In addition, any participants who elect to receive a loan, distribution, or withdrawal are charged a processing fee. Also, in certain cases, participants may be charged a redemption fee.

ST. JOSEPH SENIOR LIVING 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments:

Benefits are recorded when paid.

Subsequent Events:

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

Subsequent to year-end, the Plan was amended and restated, effective January 1, 2022, to comply with IRS requirements by adopting a pre-approved profit sharing Plan document. Definiti LLC, the sponsor of the pre-approved Plan document, has received an opinion letter dated June 30, 2020, in which the IRS stated that the pre-approved profit sharing Plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). As part of the restatement, the Plan allows for participants to make Roth deferrals and, effective April 15, 2022, participants may convert all or a portion of their account to an In-Plan Roth Conversion Account, as defined. No other significant changes to Plan provisions were made as part of this process.

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants will receive a total distribution of their account.

Note 4. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company; Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company; and Principal Global Investors Trust Company, the Trustees of the Plan, have certified to the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at December 31, 2021 and 2020 the supplemental schedule at December 31, 2021, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

ST. JOSEPH SENIOR LIVING 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- The fair value of investments held in the mutual funds is determined based on their quoted closing market prices in active markets for identical investments, and is classified as Level 1.
- Pooled separate accounts and common / collective trust funds: Valued at the net asset value ("NAV") per unit based on quoted market prices of the underlying investments. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the account or trust fund. These investments are able to be redeemed daily with no notice period required.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2020 to 2021. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ST. JOSEPH SENIOR LIVING 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Fair Value Measurements (Continued)

The following tables set forth by level the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 959,478</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 959,478
Investments measured using NAV as a practical expedient ^(a) :				
Pooled separate account				40,465
Common/collective trusts				<u>1,446,652</u>
Total investments at fair value				\$ 2,446,595

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 810,806</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 810,806
Investments measured using NAV as a practical expedient ^(a) :				
Pooled separate account				39,089
Common/collective trusts				<u>1,352,998</u>
Total investments at fair value				\$ 2,202,893

(a) In accordance with GAAP, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 6. Income Tax Status

CCH Incorporated, DBA ftwilliam.com, the sponsor of the volume submitter profit sharing plan document, has obtained an opinion letter dated March 31, 2014, in which the IRS stated that the restated volume submitter plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The plan sponsor adopted this restated volume submitter plan document on January 22, 2016. The volume submitter plan opinion letter has been relied upon by this Plan. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

ST. JOSEPH SENIOR LIVING 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 6. Income Tax Status (Continued)

The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

Certain plan assets are in investment funds managed by Principal Life Insurance Company (Principal Life); Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal Trust); and Principal Life Insurance Company, on behalf of Principal Global Investors Trust Company (Principal Global), or their affiliates. Principal Life, Principal Trust, and Principal Global are collectively the trustees of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Administrative expenses were paid to the Trustees of the Plan or their related affiliates during the years ended December 31, 2021 and 2020; therefore, these transactions qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
