INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee and Trustee of the
Advanced Roofing Retirement and Profit Sharing Plan
Fort Lauderdale, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Advanced Roofing Retirement and Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Notes 3, 4, and 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statement of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ADVANCED ROOFING RETIREMENT AND PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the Advanced Roofing, Inc. (the “Plan Sponsor” or the “Employer”) Retirement and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established effective January 1, 1994, for all eligible employees of the Plan Sponsor. The Plan is a defined contribution 401(k) savings and profit sharing plan. Employees who have 500 hours of service during at least six months of the year, who have one year of service, are age 18 or older, and are not members of the following classes of employees are eligible for participation in the Plan: (a) leased employees and (b) union employees. An employee may become a participant the first day of the month coinciding with or the following month after they complete the age and service requirements. The Plan provides for contributions under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Retirement Plan Committee is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Contributions

Each year, participants may contribute any percentage from 1% to 100% of pretax annual eligible compensation, as defined by the Plan, up to the maximum statutory limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (“rollovers”). Each pay period during the year ended December 31, 2021, the Plan Sponsor made a discretionary matching contribution equal to \$0.50 of each \$1.00 contributed by an eligible participant. The amount contributed was limited to the lesser of: (1) the actual participants contributions or (2) 6% of the participant’s compensation. The Plan Sponsor may also make discretionary profit sharing contributions to the Plan, subject to eligibility requirements as defined by the Plan. Contributions are subject to certain limitations as prescribed by the Internal Revenue Service (“IRS”).

Participant Accounts

Each participant’s account is credited with the participant’s contributions and the Plan Sponsor’s matching contributions and allocations of any profit sharing contributions and Plan earnings/losses, and charged with an allocation of administrative expenses. Allocations are based on a participant’s earnings, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**ADVANCED ROOFING RETIREMENT AND PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in all salary deferral contributions. The Plan Sponsor's matching and profit sharing contributions have a six-year graded vesting schedule, whereby 20% is vested after year two, 40% is vested after year three, 60% is vested after year four, 80% is vested after year five, and 100% is vested after year six. An employee's vesting percentage increases to 100%, if while employed with the Plan Sponsor, the employee dies or becomes disabled.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options daily.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through weekly payroll deductions. Only one loan may be outstanding at a time.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, subject to 20% withholding for income taxes, or as direct rollover to an individual retirement account or another employer's tax qualified plan. The Plan Administrator may permit a participant to take partial distributions or installment distributions solely to the extent necessary to satisfy the IRS rules. A participant who terminates employment with a vested account balance exceeding \$5,000 may receive a distribution of his/her vested account balance within a reasonable period following the date the participant terminates employment. A participant who terminates employment with a vested account balance that does not exceed \$5,000 will receive a single lump-sum distribution without the election or request of the participant. The Plan also allows for in-service distributions of participant deferrals, upon attaining age 59 ½.

**ADVANCED ROOFING RETIREMENT AND PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures of matching and profit sharing contributions, and excess aggregate contributions shall be used to fund Plan Sponsor matching contributions. Forfeited non-vested accounts totaled \$38,802 and \$16,777 as of December 31, 2021, and 2020, respectively. There were no forfeitures used by the Plan Sponsor for payment of employer contributions during the year ended December 31, 2021.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are presented under the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value (except fully benefit responsive investment contracts, which are reported at contract value) is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by Ameritas Life Insurance Corporation, the trustee of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Pooled Separate Account

The Plan has investments in the Ameritas Life Insurance Corporation pooled separate account that invest in registered investment company funds. The objective of those investment vehicles invested in equity investments is to: approximate the risk and return characterized by various indexes; seek long term capital appreciation; provide diversified exposure representative of various segments of the U.S. or foreign equity market; and/or to seek income. The objectives of the investment vehicles invested in fixed income is to provide investment results that approximate the overall performance of certain bond indices and/or to provide a predictable rate of return while preserving the safety of capital and minimizing market risk.

ADVANCED ROOFING RETIREMENT AND PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

The objective of the investment vehicles invested in target date funds is to provide various levels of asset allocations that become more conservative over time so participants can stay with the same fund before and after selected retirement dates. These investment vehicles are generally redeemable at net asset value under agreements with the underlying investment vehicles. However, it is possible that these redemption rights may be restricted by these investment vehicles in the future in accordance with underlying agreements.

The nature of the investments held by the investment vehicles, changes in market conditions, and the economic environment may significantly impact the net asset value of the investment vehicles, and consequently, the fair value of the Plan's interest in the investment vehicles. Furthermore, changes in the liquidity provisions of the funds may significantly impact the fair value of the Plan's interest in the investment vehicles.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

On March 11, 2020, the World Health Organization declared a global pandemic known as COVID-19. As a result, global efforts to contain the spread of COVID-19, have significantly impacted many businesses and the economy. The full impact is not yet known and disruption caused by the Coronavirus has affected business and consumer activities worldwide - including disruption to major financial markets, supply chains, interruption of production, limited personnel, facility and store closures, and decreased demand from both business customers and consumers. As of December 31, 2021, the Plan Sponsor continues to assess the impact on its operations and the Plan, but currently the ultimate effects of COVID-19 are unknown.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Contributions

Contributions from Plan participants and the matching contributions from the Plan Sponsor are recorded in the year in which the participant contributions are withheld from amounts paid. Profit-sharing contributions if authorized, are recognized upon authorization as the underlying compensation is recognized. All participant and Employer contributions are participant-directed.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses related to Plan investments and record-keeping are paid by the Plan while other administrative expenses are paid by the Plan Sponsor and therefore are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value investments.

Certain information related to: investments disclosed in the accompanying financial statements and supplemental schedule, including the pooled separate account, the investment at contract value, and notes receivable from participants as of December 31, 2021 and 2020; and net appreciation in fair value of investments, interest, and interest on notes receivable for the year ended December 31, 2021 was obtained or derived from information supplied by the Plan Administrator and certified as complete and accurate by Ameritas Life Insurance Corporation. The information obtained from the Plan Administrator was not audited by independent public accountants, except for comparing such information to the related information included in the financial statements and supplemental schedule, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used as of December 31, 2021.

Pooled Separate Account: Valued at the net asset value ("NAV") or equivalent based on units of the pooled separate account. The NAV, as provided by the insurance company (Ameritas Life Insurance Corporation), is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth additional disclosures of the Plan's investment whose fair value is estimated using net asset value per share (or its equivalent) as of December 31:

Investment Pooled Separate <u>Account*</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
2021	\$13,924,955	\$ -	Immediate	None
2020	\$11,498,109	\$ -	Immediate	None

*In accordance with fair value measurement guidance, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statement of net assets available for benefit.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE 5: GUARANTEED INVESTMENT CONTRACT

The Plan holds a contract with Ameritas Life Insurance Corporation. The assets are invested in an account, which is fully benefit-responsive and is reported as Ameritas Guaranteed Account in the Plan's accounting records.

Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Net deposits invested in the Ameritas Guaranteed Account become part of Ameritas Life Insurance Corporation's general account, and there are no particular segregated or identifiable assets ascribed to the Plan's investment. Net deposits and interest credited become liabilities against Ameritas Life Insurance Corporation on the Plan's behalf. Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of Ameritas Life Insurance Corporation; there are no wrap contracts supporting the liquidity of the fund. The account is neither a mutual fund nor a bank product. Ameritas Life Insurance Corporation's obligations are not insured by the FDIC or any other federal government agency.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Crediting rates for the Plan's Ameritas Guaranteed Account are set by Ameritas Life Insurance Corporation using a process similar to that used by banks or other insurance companies for similar products. Such interest rates are reviewed on a periodic basis.

NOTE 5: GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events may limit the ability of the Plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total Plan termination, retirement incentive programs, and the liberalization of Plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected. If the Plan Sponsor views the occurrence of any of these events as probable as of the measurement date, details about market value adjustments or other withdrawal restrictions can be obtained through the Plan's account manager. Under no event may Ameritas Life Insurance Corporation terminate the contract and settle at an amount different from contract value.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

Fees paid by the Plan to Ameritas Life Insurance Corporation, amounted to \$9,165 for the year ended December 31, 2021. The Plan Sponsor also paid certain administrative expenses of the Plan.

Certain Plan investments are managed by Ameritas Life Insurance Corporation. Ameritas Life Insurance Corporation is the record-keeper and trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Loans to participants were \$439,858 and \$451,587 for the year ended December 31, 2021 and 2020, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8: INCOME TAX STATUS

The Plan adopted a standardized form of a volume submitter plan, which received an opinion letter from the IRS, dated September 30, 2014, as to the prototype plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan, as amended, is currently designed and is being operated in compliance with the applicable provisions of the IRC.

GAAP require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by the taxing jurisdiction; however, there are currently no audits in progress for any tax periods.

NOTE 9: PROHIBITED TRANSACTIONS

During 2020, the Company failed to transmit participant contributions totaling \$17,668 to the Plan within the time frame required by the Department of Labor's Rules and Regulations. During 2021, the Company made contributions to the affected participants' accounts to compensate the participants for potential lost income due to the delays, filed Form 5330 – *Return of Excise Taxes Related to Employee Benefit Plans*, and paid applicable excise taxes. The untimely remittance of participant contributions constitutes a nonexempt prohibited transaction.

NOTE 10: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 17, 2022, which is the date the financial statements were available to be issued and has determined that no such events require adjustment to, or disclosure in, the accompanying financial statements.

Schedule C, Line 2(h) Formula Description

Description of Unit Value Calculations

Separate account investments are record kept using unit values.

The pooled separate accounts are invested in mutual funds at NAV. The allocation of these funds is based on the units and unit value for each product and plan invested in the pooled separate account.

Both the number of units, and unit value is available for any plan's funds and can be produced from the system. When multiplied, these will balance to the fair value disclosed on trust reports.

The unit value can and does vary by contract depending on the product invested in. The unit value is determined under the following formula, and is the same calculation for all contracts invested in the pooled separate accounts.

It is through this calculation of the unit value that both earnings and expenses are applied.

Industry Standard Method – Unit Value Calculation

t = current business date

t-1 = prior business date

NAV = Net asset value provided by mutual fund company

MTD daily dividend factor(t) = dividends month to date as provided by the mutual fund company

Declared dividend rate(t) = as provided by the mutual fund company

Short and long term capital gains (t) = S<(t) = as provided by the mutual fund company

Gross Investment Factor (GIF) = daily rate change in the NAV including dividends and capital gains

Daily Expense Factor = the expense rate specific to a contract

Net Investment Factor = the daily rate change in the gross investment factor after application of contract specific expenses

Unit Price = the contract specific price in which units are purchased and redeemed for a specific fund

$$\text{Gross Investment Factor(GIF)} = \frac{\text{NAV}(t) + \text{MTD daily div factor } (t) + \text{declared dividend rate } (t) + \text{S\< } (t)}{\text{NAV}(t-1) + \text{MTD daily dividend factors}(t-1)}$$

$$\text{Net Investment Factor}(t) = \text{Gross Investment Factor} - \text{Daily Expense Factor}$$

$$\text{Unit Price } (t) = \text{Unit Price } (t-1) \text{ times Net Investment Factor } (t)$$

In order to ensure that each contract has a correct proportionate value of the underlying pooled separate account, each contract's units are multiplied by their contract's unit value and summed across all contracts invested in a particular mutual fund. This is then balanced to the pooled separate account and to the mutual fund company on a daily basis.

The Daily Expense Factor is based on the provisions of the contract, with all investments held by Ameritas Life Insurance Corp being charged the same annualized rate.
