### **Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan Baton Rouge, Louisiana**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the accompanying financial statements of Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

#### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of 2021 the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Anesthesiology Group Associates, Inc. (APMC) Profit Sharing Plan**  
**Notes to the Financial Statements**  
**For the years ended December 31, 2021 and 2020**

**Note A – Description of The Plan**

The following description of the Anesthesiology Group Associates, Inc. (the Company) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution, safe harbor and profit sharing plan covering all employees with at least 1,000 hours of service and who have attained the age of twenty one years and completed one year of eligibility service except for employees covered by a collective bargaining agreement and nonresident aliens. Entry dates for elective deferrals are the first day of the month coincident with or following the date after eligibility requirements are met. Participants are eligible for the employer match and profit share on the first day of the 1st, 4th, 7th, or 10th month coincident with or following the date after eligibility requirements are met. The Plan is subject to the Employee Retirement Income Act of 1974 (ERISA). Company management oversees the governance of and determines the appropriateness of the Plan's offerings and monitors investment performance.

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts from another qualified retirement plan or IRA. Participants direct the investment of their contributions into various mutual funds or a self directed brokerage account offered by the Plan.

The Company makes a safe harbor match of 3% and a profit sharing contribution from 1.4% to 10.2% of a participants salary. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contribution. Allocations are based on participant's earnings or deferrals as defined. Each participant directs his or her own individual account and may redirect or exchange his or her account balance at any time. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their contributions, as well as, the Company's profit sharing contribution upon retirement, death, or disability. The participant's vested interest in the Company's safe harbor match is based on years of continuous service with the participant being 100% vested after 6 years of service.

**Note A – Description of The Plan - Continued**

Payments of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or select an alternative benefit period as defined in the plan. For termination of service due to other reasons, a participant may receive the value of vested interest in his or her account as a lump-sum distribution. There is also a provision for hardship withdrawals.

Forfeited Accounts

The Plan allows for forfeited accounts to be used to pay certain Plan expenses or to reduce employer contributions. As of December 31, 2021 and 2020 forfeited account balances were \$1,666 and \$9,670, respectively.

Notes Receivable for Participants

Loans to participants are permitted in the minimum amount of \$1,000. The maximum amount that can be borrowed is the lesser of \$50,000 reduced by the highest outstanding balance in the previous 12 months or 50% of the participant's vested account balance. Each participant is allowed to have two loans outstanding at any given time. The interest rate on the loan is based on the current rates charged by persons in the business of lending money for similar loans at the time the loan is made. The current rates charged by the plan for new loans was 3.25%.

Participant loan payments are made in substantially equal payments through direct, after-tax payroll deductions. Loans are to be repaid over a period of time not to exceed 5 years except that in the case the loan is used for the purchase of a principal residence in which case the loan is payable over a period of time not to exceed 15 years. There is no penalty for early loan repayments.

A loan is considered in default when a participant fails to timely remit payments under the loan when due. The plan administrator may grant the participant a cure period to correct any default which may not extend beyond the last day of the quarter following the quarter in which the loan payment was due. Any loan that has been defaulted and not corrected within the cure period is considered a distribution from the Plan.

**Note B – Summary of Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments are valued on each business day for which there is an established market based upon quoted market prices as of that date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Payments of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of operating, reporting, compliance, and administration of the Plan are paid by the Company and are therefore excluded from these financial statements.

Date of Management's Review

In preparing these financial statements the Plan has evaluated events and transactions for potential recognition or disclosure through the date of the independent auditors' report, which is the date the financial statements were available to be issued.

Recently Issued Accounting Standards

In May 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Updates, (ASU) No. 2018-13, Fair Value Measurement (Topic 820): Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement. The ASU added new disclosure requirements related to Level 3 fair value measurements, eliminated disclosure requirements related to transfers between Level 1 and Level 2 fair value measurements, eliminated disclosure requirements for changes in unrealized gains and losses included in earnings for recurring Level 3 fair value measurements, and modified certain other disclosure requirements, among other requirements. The Plan adopted the new standard effective January 1, 2020.

**Note C –Certified Investments**

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2021 and net appreciation in fair value of investments and interest for the year ended December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank.

The information certified includes total investments of \$42,152,007 at December 31, 2021 and related investment earnings of \$5,028,966 for the year ended December 31, 2021.

**Note C –Investments - Continued**

The December 31, 2020 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years ended December 31, 2020, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The information certified includes total investments of \$37,998,467 at December 31, 2020 and related investment earnings of \$3,938,732 for the year ended December 31, 2020.

**Note D – Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The money market account is a cash equivalent and is therefore reported at fair value.

The fair value of the mutual funds are based on quoted values of the shares as reported by the fund. The mutual funds are registered with the U.S. Securities and Exchange Commission and must publish their daily net asset value and transact at that price. The mutual funds are considered to be actively traded.

The fair value of the self directed brokerage accounts are based on the quoted values of the underlying investments which consist of interest and non interest bearing cash, common stock, mutual funds, corporate bonds, and investment trusts. These investments are regulated by the U.S. Securities and Exchange Commission and must publish their daily values and transact at that price. These investments are considered to be actively traded.

**Note E – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**Note F – Related Party and Party in Interest Transactions**

Certain plan investments are shares of mutual funds managed by Charles Schwab. Charles Schwab is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for investment management and administrative services amounted to \$78,244 and \$56,717 for the years ended December 31, 2021 and 2020, respectively. Other costs associated with the operation, reporting, compliance and administration of the Plan are paid for by the Company.

All of these party in interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note G – Risk and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Notes to the Financial Statements**  
**For the years ended December 31, 2021 and 2020**

**Note H - Tax Status**

The Internal Revenue Service has determined and informed the Trustee that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's trustee believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examination for years prior to 2017.
