Report of Independent Auditor

To the Investment Committee
Autobell Car Wash, Inc. Profit Sharing & 401(k) Plan
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Autobell Car Wash, Inc. Profit Sharing & 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Autobell Car Wash, Inc. Profit Sharing & 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following brief description of the Autobell Car Wash, Inc. Profit Sharing & 401(k) Plan (the “Plan”) is provided for general information purposes. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan was established January 1, 2007, and was amended and restated January 1, 2021, to eliminate the safe harbor contribution and to enable Plan entry at the beginning of each quarter. The Plan is a defined contribution plan covering all full-time employees of Autobell Car Wash, Inc.; Howco, Inc.; Autobell-Arrowhead, Inc.; and Queen City Marketing, Inc. (collectively, the “Company” or “Employer”) except those covered by a collective bargaining agreement and non-resident aliens who do not receive any earned income from the Employer which constitutes as United States source income. Employees who have completed one year of service and are age 21 or older are eligible to participate in the Plan. Autobell Car Wash, Inc.; Howco, Inc.; Autobell-Arrowhead, Inc.; and Queen City Marketing, Inc. are related by common ownership and are collectively considered a single control group under the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). John Hancock Life Insurance Company U.S.A. (“John Hancock”) served as the Plan “Custodian” as of December 31, 2020 and for the period January 1, 2021 through October 15, 2021, and Great-West Trust Company, LLC (“Great-West”) serves as the Plan Custodian as of December 31, 2021 and for the period October 16, 2021 through December 31, 2021.

Contributions – For the year ended December 31, 2021, participants may contribute up to \$19,500 of pre-tax annual compensation subject to certain IRC limitations. The limit on annual contributions for all Employer contributions and employee elective deferrals is \$58,000 for the year ended December 31, 2021. Once eligible, participants may also contribute amounts representing distributions from other qualified retirement plans. Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500.

As of January 1, 2020, the Plan became a matching safe harbor Plan where the first 3% was matched at 100% and the next 2% was matched at 50% rate. Effective May 28, 2020, the Company had ceased making the matching safe harbor contributions to the Plan. Effective October 1, 2021, the Company has a discretionary non-safe harbor matching contributions where the first 3% was matched at 100% and the next 2% was matched at 50%. Additional profit-sharing amounts may be contributed at the option of the Company’s Board of Directors. Participants must complete at least 1,000 hours of service during the Plan year and must be employed on the last day of the Plan year in order to be eligible for the profit-sharing contribution. For the year ended December 31, 2021, the Company decided to make profit-sharing contributions of \$400,000 to the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts – Each participant’s account is credited with the participant’s contributions, the Company’s matching contributions, as well as the allocations of the Company’s profit-sharing contribution (if applicable) and Plan earnings and charged with benefits paid to participants and an allocation of Plan losses and administrative expenses, if not paid by the Company. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan (continued)

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contributions is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000. The maximum loan allowed under the Plan is equal to the lesser of \$50,000 or 50% of their vested balance under the Plan. Loans are permitted for specific purposes as stated in the Plan document and terms range from one to five years. The loans are secured by 50% of the vested interest in the participant's account and bear interest rates from 4.25% to 6.50% as of December 31, 2021. Principal and interest is paid ratably through weekly payroll deductions.

Investment Options – Upon enrollment in the Plan, a participant may direct employee and Employer contributions in any of the investment options offered by the Plan. Participants may change their investment options at any time.

Benefits Paid to Participants – Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, distribution of the value of the participant's vested interest in his or her account will begin as soon as possible after the participant's request. A participant's vested account balance that is less than \$5,000, will be automatically distributed as soon as administratively practicable following the participants separation from service. Withdrawals prior to attaining age 59½ are not permitted, except in the event of retirement, disability, or as a hardship distribution. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½.

Forfeited Accounts – Forfeited accounts may be used to reduce future employer contributions. As of December 31, 2021 and 2020, there were \$14,158 and \$5,801, respectively, of unused forfeitures. No forfeitures were used during the year ended December 31, 2021.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Notes Receivable from Participants – Notes receivable from participants are stated at unpaid principal balances plus accrued interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. Loans are considered to be in delinquency if any scheduled loan payment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions.

Administrative Expenses – Except as discussed in Note 9, Plan administration expenses are paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Risks and Uncertainties – Investment securities, in general, are subject to various risks, such as interest rate, credit, and overall market volatility. Due to the levels of risk associated with certain investment securities, it is reasonably possible that change in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought, sold, and held during the year.

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability, in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

U.S. GAAP describes three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Mutual Fund Accounts – These investments are public investment vehicles valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Collective Investment Trusts – This investment is a public investment vehicle valued using NAV provided by the administrator of the fund as a practical expedient. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is not classified within the fair value hierarchy.

Pooled Separate Accounts – The investments were held in sub-accounts of John Hancock, the Plan’s Custodian at December 31, 2020, and were valued using NAV provided by John Hancock as a practical expedient. NAV is based on the value of the underlying assets, which are publicly traded mutual funds of the subaccounts, minus liabilities, and then divided by the number of shares outstanding. NAV is not classified within the fair value hierarchy.

The Plan believes its valuation method is appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3—Information certified by the qualified institutions (unaudited)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, a qualified institution of the Plan as of December 31, 2020 and for the period January 1, 2021 through October 15, 2021, and Great-West, a qualified institution of the Plan as of December 31, 2021 and for the period October 16, 2021 through December 31, 2021, have certified to the completeness and accuracy of the following items included in the accompanying financial statements and supplemental schedule:

- Investments, at fair value, non-interest bearing cash, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, interest and dividends, interest income on notes receivable from participants, and other income as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

The Plan’s independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4—Fair value measurements

The Plan's financial instruments carried at fair value are classified by the following fair value hierarchy levels as of December 31:

	2021				
	Level 1	Level 2	Level 3	Other ^(a)	Total
Mutual funds	\$ 17,236,167	\$ -	\$ -	\$ -	\$ 17,236,167

Pooled separate accounts	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,351,581</u>	<u>\$ 15,351,581</u>

(a) In accordance with U.S. GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

As of December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trusts	\$ 87,176	n/a	Daily	n/a

As of December 31, 2020				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ 15,351,581	n/a	Daily	n/a

Note 5—Collective investment trusts

The Plan invests in a stable value collective trust fund as an investment offering. This fund has investments in contracts at fair value, underlying investments, and are the adjusted by the issuer to NAV. The fund may invest in interest insurance, investment contracts, money market funds, corporate and government bonds, mortgage backed securities, bond funds, and other fixed income securities. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at NAV. NAV represents contributions made to the funds, plus earnings, less participant withdrawals. The risk of the stable value fund and its net realizable value are dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contracts. There were no reserves established against net asset value for credit risk as of December 31, 2021.

Note 7—Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. In the event of Plan termination, participants will become 100% vested in their account balances.

Note 8—Tax status

The IRS has determined and informed the Plan prototype sponsor by a letter dated March 31, 2014, that the Plan and related trusts are designed in accordance with the applicable sections of the IRC. The Company has chosen to rely on the determination letter issued to the Plan prototype sponsor. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax and, therefore, the Plan and related trust continue to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Party-in-interest transactions

Plan investments included pooled separate accounts managed by John Hancock as of December 31, 2020. In addition, certain administrative expenses are paid to the Custodians of the Plan, and these transactions qualify as party-in-interest transactions. These administrative expenses amounted to \$40,338 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

Note 10—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through October 17, 2022, the date these financial statements were available to be issued and has determined that there are no subsequent events that require disclosure with the exception that the Company reinstated safe harbor matching contribution effective January 1, 2022.

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of the Autobell Car Wash, Inc. Profit Sharing & 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by John Hancock Life Insurance Company U.S.A. as of December 31, 2020 and for the period January 1, 2021 through October 14, 2021, and Great-West Trust Company, LLC as of December 31, 2021 and for the period October 15, 2021 through December 31, 2021 (the "custodians" or "qualified institutions"), in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by qualified institutions, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of the auditor's report, the following representations made to you during your audits.

 - b) Intentions to terminate the Plan.
- 29) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 30) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows:
- *Mutual Funds* – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.
 - *Pooled Separate Accounts* – The investments were held in sub-accounts of John Hancock, the Plan's Custodian at December 31, 2020, and were valued using NAV provided by John Hancock as a practical expedient. NAV is based on the value of the underlying assets, which are publicly traded mutual funds of the subaccounts, minus liabilities, and then divided by the number of shares outstanding. NAV is not classified within the fair value hierarchy.
 - *Collective Investment Trusts* – This investment is a public investment vehicle valued using NAV provided by the administrator of the fund as a practical expedient. NAV is based on the value of the

underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is not classified within the fair value hierarchy.

The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 31) The Plan is designed through a prototype plan and the prototype sponsor as well as the Plan's Sponsor believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and has no income subject to business income tax and therefore, the Plan and related trust continue to be tax-exempt. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 32) The Plan has complied with the fidelity bonding requirements of ERISA.
- 33) There have been no activities or operational decisions made that would cause the Plan to lose its tax qualification or to incur unrelated business income.
- 34) Plan management has obtained and reviewed the applicable service auditor's report ("SOC 1" report) and performs the applicable user controls as identified in the SOC 1 report. Also, the service auditor has not reported to us any:
 - Fraud
 - Noncompliance with laws and regulations, or
 - Uncorrected misstatements affecting the Plan financial statements as a result of the third-party service providers.
- 35) We acknowledge that administrative expenses paid by the Plan sponsor on behalf of the Plan will not be reimbursed by the Plan, and the Plan sponsor has stated that it will not seek reimbursement of such expenses.
- 36) We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.
- 37) We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, including their form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule has not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
- 38) We acknowledge that in connection with your audits, you assisted in the preparation of the draft financial statements and supplemental schedule and notes. We confirm that we have reviewed and approved the financial statements and supplemental schedule referred to above, that we are responsible for their fair presentation in conformity with U.S. GAAP, and we acknowledge your role as auditors in connection with the financial statements and supplemental schedule. We have overseen the process of performing such services and have made all related management decisions.
- 39) In regard to the draft financial statement preparation services provided by you, we have:
 - Assumed all management responsibilities.
 - Designated an individual with suitable skill, knowledge, and/or experience to oversee the services.
 - Evaluated the adequacy and results of the services performed.
 - Accepted responsibility for the results of the services.
 - Ensured the Plan's data and records are complete and received sufficient information to oversee the services.
- 40) We take responsibility for all documents provided by you and will retain copies based on our needs and document retention policies. We are responsible for maintaining internal controls over our books and records, including business continuity and disaster recovery alternatives. We have retained all items that we have

uploaded to a Cherry Bekaert portal and are responsible for downloading and retaining items you have uploaded in a timely manner. We have maintained control over our accounting systems to include the licensing of applications and the hosting of said applications and data. We have received from you all financial statement groupings, supporting schedules, and journal entries applicable to the financial statements.

- 41) All required amendments to and filings of Plan documents with the appropriate agencies have been made.
- 42) We review the third-party administrator's information on a periodic basis and acknowledge we are responsible for detecting and resolving any discrepancies.
- 43) We are responsible for determining that all distributions are properly valued and made only to those eligible to receive them.
