Independent Auditors' Report

To the Trustees of
STEINBERG HART 401(k) PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Steinberg Hart 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

TO THE TRUSTEES OF
STEINBERG HART 401(K) PROFIT SHARING PLAN

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

TO THE TRUSTEES OF
STEINBERG HART 401(K) PROFIT SHARING PLAN

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the financial statements of the Plan as of and for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the investment information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on those financial statements, and (b) the form and content of the information included in those financial statements other than that derived from the certified investment information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. DESCRIPTION OF PLAN

The following description of Steinberg Hart 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Steinberg Hart is the Plan Sponsor. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan’s provisions, copies of which may be obtained from the Plan Sponsor.

General:

The Plan is a defined contribution plan covering all eligible employees of Steinberg Hart, RJC Architects, Inc., and Steinberg Hart New York (the “Companies”) as defined in the Plan Document. The Plan was originally established in 1987 and has been subsequently amended mainly to conform to regulatory changes, with the most recent restatement of the Plan being January 1, 2021. In June 2020, the Trustees of the Plan along with the Trustees of the RJC Architects, Inc. 401(k) Profit Sharing Plan, Steinberg Hart Profit Sharing Plan, and Steinberg Hart New York 401(k) Plan (the “related party plans”) signed authorizations whereby the related party plans would merge with the Plan. On October 3, 2020, the Trustees of the Plan signed an amendment to the Plan to allow RJC Architects, Inc. and Steinberg Hart New York employees to be eligible to participate in the Plan. The Board of Trustees is responsible for oversight of the Plan. The Retirement Plan Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

The Plan is currently designed to be qualified under the applicable requirements of the Internal Revenue Code (“IRC”), as amended, and the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions:

Participants may elect to contribute on a before-tax basis, after-tax basis, or a combination of both, from 1% to 75% in whole percentages of their covered compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan. Eligible employees have the option to opt out of the automatic deferral election by making a contrary election. Automatically enrolled participants have their deferral rate set with an initial contribution of 6% of eligible compensation, increased annually by 1%, up to a maximum of 10%, and their contributions invested in a designated balanced fund until changed by the participant.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Such contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

Notes to Financial Statements

1. DESCRIPTION OF PLAN (continued)

Contributions: (continued)

The Plan Sponsor may make matching contributions to the Plan, with the percentage match determined by the Plan Sponsor. Matching contributions are calculated based on elective deferred contributions and compensation for the pay period, and are made for all active participants in the Plan during the particular payroll period. Total employer matching contributions for the year ended December 31, 2021 was \$713,057. In addition, the Companies may make a discretionary non-elective contribution each year as determined by the governing body of the Companies. Total employer discretionary non-elective contributions for the year ended December 31, 2021 was \$689,479.

Participant and employer contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Investment Options:

Participants direct the investment of their participant and employer matching and discretionary non-elective contributions into various investment options offered by the Plan. The Plan currently offers various funds in pooled separate accounts, mutual funds, guaranteed interest accounts and life insurance policies as investment options for participants. The types of funds include, but are not limited to, large U.S. equity, small/mid U.S. equity, international equity, balanced/asset allocation, short-term fixed income, fixed income, and other funds. Participants can change their investment options at any time.

Participant Accounts:

Individual accounts are maintained for each Plan participant to reflect the participant's contributions, related employer matching and discretionary non-elective contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately 100% vested in their participant contributions and employer matching contributions, plus actual earnings thereon. Participants who obtained plan entry on or before May 15, 2020 are also 100% vested in the Companies discretionary non-elective contributions and earnings thereon.

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

1. DESCRIPTION OF PLAN (continued)

Vesting: (continued)

For participants who obtained plan entry after May 15, 2020, vesting in the Companies discretionary non-elective contributions and earnings thereon is based on years of continuous service. If a participant terminates employment prior to normal retirement age (65 years of age) or any reasons other than death or permanent disability, the portion of the Companies non-elective discretionary contribution that is vested is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Accounts of participants of the RJC Architects, Inc. 401(k) Profit Sharing Plan and Steinberg Hart New York 401(k) Plan who were no longer employees of RJC Architects, Inc. and Steinberg Hart New York and who do not complete at least one hour of service on or after the merger dates with the Plan shall continue to be subject to the vesting schedules of their prior plans.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of the value of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1 percent above the prime rate, as defined. Loan terms range from one to five years for general purpose loans and up to 30 years for principal residential loans. Principal and interest is paid ratably through bi-weekly payroll deductions.

Participant Withdrawals and Payment of Benefits:

Participants may withdraw all or any portion of their after-tax and rollover contributions. Participants may make full or partial withdrawals of funds in any of their accounts upon attaining age 59½ or for financial hardship, as defined, before that age. Participants may qualify for financial hardship withdrawals if they have an immediate and heavy financial need, as long as they meet the specific rules in the Plan Document.

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time subject to the automatic distribution features below. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

1. DESCRIPTION OF PLAN (continued)

Participant Withdrawals and Payments of Benefits: (continued)

In the event the participant terminates service and the participant's vested interest in their account is less than \$5,000, excluding amounts contributed as rollover contributions to the Plan, the participant has the ability to elect to have a distribution paid directly to an eligible retirement plan (specified by the participant) in a direct rollover. If no such election is made, then the Plan Administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the Plan Administrator for the benefit of the participant.

In the event the participant terminates service and the participant's vested interest in their account is greater than \$5,000, excluding amounts contributed as rollover contributions to the Plan, the participant has the ability to elect to have a distribution paid directly to an eligible retirement plan (specified by the participant) in a direct rollover or to receive the distribution directly in accordance with Plan Document, or, can elect to defer or receive the account in installment payments.

Forfeited Accounts:

Forfeited nonvested accounts will be used to reduce any employer contributions and/or pay Plan administrative expenses. As of December 31, 2021, the unallocated forfeited balance in the Plan amounted to \$1,750. There were no unallocated forfeited balances as of December 31, 2020. None of the forfeited balances were used to reduce any employer contributions and/or pay Plan administrative expenses during the year ended December 31, 2021.

Coronavirus Aid, Relief, and Economic Security Act:

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The law included provisions that allowed a coronavirus-related distribution of up to \$100,000, suspension of loan repayments until December 31, 2020, and the elimination of the required minimum distributions for 2020. In April 2020, the Companies elected to implement these provisions of the CARES Act. No recontributions of CARES Act distributions were made during the year ended December 31, 2021.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting:

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

2. SUMMARY OF ACCOUNTING POLICIES (continued)

Use of Estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Life insurance policies, held separately through New York Life Insurance Company, are valued at the net cash surrender value. The Plan's Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's realized and unrealized gains or losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020, respectively.

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions and are returned to the participants in the following year. As of December 31, 2021 and 2020 there were no excess contributions payable.

Payment of Benefits:

Benefits are recorded when paid.

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

2. SUMMARY OF ACCOUNTING POLICIES (continued)

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are either included in net appreciation (depreciation) of fair value of investments or in administrative expenses.

Subsequent Events:

Effective June 1, 2022, the Plan was amended. The amendment had no material impact on any of the provisions of the Plan.

The Plan Sponsor has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

3. INVESTMENTS CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Certain information related to investments and notes receivable from participants, except for the life insurance policies of \$207,156 and \$194,808, as of December 31, 2021 and 2020, respectively, disclosed in the accompanying financial statements and supplemental schedule(s), including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by The Principal Trust Company ("The Principal"), the custodian of the Plan.

During 2021, the Plan's certified investments (including net appreciation in fair value of investments, interest, dividends, and interest income on notes receivable from participants, and gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,611,037.

4. FAIR VALUE MEASUREMENTS

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

4. FAIR VALUE MEASUREMENTS (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts ("PSAs"): The fair value of the underlying mutual fund the PSA is invested in is a publicly quoted pricing input which used in determining the net asset value ("NAV") of the pooled separate account, which is not publicly quoted. For those PSAs investing in mutual funds or domestic equity securities, the investments are valued at NAV using quoted prices in active markets for identical assets. For those PSAs directly investing in fixed maturity securities, the investments are valued based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Life Insurance Policies: Valued at the net cash surrender value. The values approximate the fair value of these policies. The fair value determined by each insurance carrier is based on the cash surrender values of each policy where the Plan is the beneficiary. The values assigned to the individual policies, which are not actively traded on any exchange, are not observable and are considered within Level 3 of the valuation hierarchy.

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

4. FAIR VALUE MEASUREMENTS (continued)

Collective Investment Trusts: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This fund contains conventional guaranteed investment contracts valued using a discounted cash flow methodology, as well as synthetic investment contracts comprised of underlying investment and contractual components which have observable Level 1 or Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Although contract value is the relevant measurement for the portion of the net assets of a collective investment trust attributable to fully benefit-responsive investment contracts, this fund is stated at fair value because all contracts are between the fund and the issuers, and not directly with the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

4. FAIR VALUE MEASUREMENTS (continued)

Level 3 Assets:

For the years ended December 31, 2021 and 2020, the Plan purchased \$3,822 and \$3,822 of Level 3 assets, respectively. There were no transfers in to or out of Level 3 investments for the years ended December 31, 2021 and 2020.

5. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by The Principal, the custodian of the Plan. Fees incurred by the Plan for the investment management services and retirement plan benefits administration/consulting services are included in either net appreciation (depreciation) in fair value of the investments or in administrative expenses. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. The Plan made direct payments to the custodian, investment advisor, and retirement plan benefits administrator of \$79,578 for the year ended December 31, 2021. The Plan Sponsor pays directly any other fees related to the Plan's operations, including, but not limited to: audit and legal fees.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in any unvested account balances.

7. INCOME TAX STATUS

The Plan obtained an opinion letter for the prototype plan on June 30, 2020 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified, and the related trust is tax exempt.

STEINBERG HART 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

7. INCOME TAX STATUS (continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, respectively, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As of December 31, 2021 and 2020, there were no investments which, individually, represented more than 10% of the net asset available for benefits.

Additionally, the Plan provides investment options that hold securities of foreign companies, which may involve special risks and considerations not typically associated with investing in securities of U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

9. RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements for the year ended December 31, 2021 to Form 5500:

Net assets available for benefits per the financial statements	\$ 29,148,845
Less: Deemed distributions of loans to participants	<u>(9,284)</u>
Net assets available for benefits per Form 5500	<u>\$ 29,139,561</u>
