## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
Hillandale Gettysburg LP Employee Savings & Retirement Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the accompanying financial statements of Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting

from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of Hillandale-Gettysburg Limited Partnership Employee Savings & Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Hillandale Gettysburg LP Employee Savings and Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of Hillandale Gettysburg LP, who have completed six months of service and are age 21 or older. Effective October 2015, the Plan was amended and restated to incorporate two participating affiliates, Hillandale Farms Ohio, LLC and Hillandale Farms Conn, LLC. Effective December 2015, the Plan was amended and restated to incorporate participating affiliate, Hillandale Farms of Ohio East, LLC. Effective December 31, 2018, Hillandale Farms Ohio East, LLC was merged with Hillandale Farms Ohio, LLC. Effective January 2016, the Plan was amended to include all employees of Hillandale Farms East, Inc., Hillandale Farms Ohio, Inc., and Hillandale Farms of Delaware, Inc. as these entities were dissolved in 2016. The Plan will permit years of service with these predecessor employers when determining eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is an Automatic Data Processing Prototype 401(k) and Profit Sharing Plan.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") which change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, distributions, and delay the commencement date for required minimum distributions. The optional features with this act are currently being assessed but have not been formally adopted to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement (the "SECURE") Act was signed into legislation. The SECURE Act expands retirement access to both employers and employees by changing the rules with respect to required minimum distributions, among others. The SECURE Act includes both required and optional provisions, some of which became effective immediately, and others with various effective dates beginning after December 31, 2019. The required provisions of the SECURE Act that were effective immediately or beginning no later than January 1, 2020 or for plan years beginning after December 31, 2019 were operationalized accordingly. Any optional features within the SECURE Act are currently being assessed but have not been implemented to date.

The Plan has implemented certain requirements to comply with the Bipartisan Budget Act of 2018 which include eliminating the six-month suspension to making elective deferrals and other employee contributions after taking a hardship distribution and represent in writing the insufficiency of cash or other liquid assets to satisfy the hardship expense. These mandatory provisions were in effect January 1, 2020. Any optional features within the Bipartisan Budget Act of 2018 are currently being assessed but have not been implemented to date.

EMPLOYEE SAVINGS & RETIREMENT PLAN**

**NOTES TO FINANCIAL STATEMENTS**

As discussed in Note 10, the Plan was amended and restated in its entirety to incorporate certain amendments, revise certain administrative procedures, and make the amendments necessary to maintain the Plan's qualified status under the Internal Revenue Code of 1986, as amended, and regulations thereunder.

On November 19, 2020, Hillandale Gettysburg LP purchased Sperry Farms, Inc. and J & K Eggs (Sperry). During 2021, the former employees of Sperry transferred the assets of the retirement plan funds into the Plan in the amount of \$2,505,709. All funds are 100% vested and prior years of service is credited to the participant's account.

Contributions - Participants may contribute up to the lesser of the annual limitation (\$19,500 for 2021 and 2020), or between 1% to 50% of their eligible earnings, as defined in the Plan document. Effective March 2021, participants may also contribute after-tax Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Hillandale Gettysburg, LP and its participating affiliates (collectively, "the Company") matches a safe harbor contribution of 100% of participant deferrals on the first 4% of the participants' base compensation as defined in the Plan document. The Company may also make a non-elective contribution to all eligible employees as defined in the Plan document. In 2021 and 2020, the Company did not make a non-elective contribution.

All participants who have attained age 50 before the close of the Plan year are eligible to make additional elective deferrals in accordance with, and subject to the limitations of, Internal Revenue Code (IRC) Section 414(v). The maximum additional elective deferral for 2021 and 2020 is limited to \$6,500.

The annual addition (which includes employee and employer contributions) that may be contributed or allocated to a participant's account under the Plan for any limitation year shall not exceed the lesser of \$58,000 and \$57,000 for 2021 and 2020, respectively, as adjusted for increases in the cost of living under Code Section 415(d), or 100% of the participant's compensation within the meaning of Code Section 415(c)(3), for the limitation year.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contributions and (b) Plan income and losses from investments. Income and losses are allocated to the participant's account at the end of each day. The allocation of each participant's income or losses for each day is based on the participant's account balance at the beginning of that day.

Investment Options - Participants may invest their voluntary contributions, rollover contributions and the Company's contributions plus actual earnings thereon into any of the investment options maintained by Reliance Trust Company, (the "Trustee"). The participants may change their investment election for new contributions and existing balances daily.

**EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

Vesting - Participants are immediately vested in their voluntary contributions, rollover contributions and Company safe-harbor matching contributions plus actual earnings thereon. The Company's non-elective contributions are vested according to the following schedule:

| <u>Period of Service</u>                | <u>Percent Vested</u> |
|-----------------------------------------|-----------------------|
| Less than 2 years                       | 0%                    |
| At least 2 years, but less than 3 years | 20%                   |
| At least 3 years, but less than 4 years | 40%                   |
| At least 4 years, but less than 5 years | 60%                   |
| At least 5 years, but less than 6 years | 80%                   |
| 6 or more years                         | 100%                  |

When a participant withdraws from the Plan, prior to becoming fully invested, the non-vested portion of the participant's account is forfeited and is used to reduce future employer contributions or to reduce administrative and trustee expenses.

Payment of Benefits - A participant who has attained age 59½, has become disabled or has incurred a hardship (as defined in the Plan document) may receive a distribution from the Plan. Upon termination of service or death, if the participant's account balance is \$1,000 or less, a participant will receive a lump-sum payment less applicable withholding tax. If the participant's account balance exceeds \$1,000 but is less than \$5,000, the participant must consent to an automatic distribution. If the participant does not elect to have such distribution paid, then the participant's account shall be distributed in a direct rollover to an Individual Retirement Account (IRA) designated by the plan administrator. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age of 72. For all other participants, the required beginning date is April 1 following the year in which the participant attains the age of 72 or terminates employment with the employer, if later.

Notes Receivable from Participants - The Plan document allows participants to borrow, subject to certain restrictions, against their vested account balance at the request of the participant. The minimum note that a participant may borrow is \$500. The total of such notes from the Plan to a participant will not exceed the lesser of the following amounts:

- (a) \$50,000 or
- (b) an amount equal to 50% of any participant's current vested interest in his/her account.

Notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principle residence, the note is repayable over a specified period not to exceed 30 years. Participants are allowed only one note at a time. The note will bear interest at a fixed rate on the date the note is granted, which is determined by the prime rate as published by The Wall Street Journal on the 14<sup>th</sup> of each month, plus two percentage points. The interest rate is effective for any loans processed as of the 16<sup>th</sup> day of the month. Notes are secured by the vested

balance in the participant's account and are repaid through payroll deductions. Participants may repay an outstanding loan in full by check at any time.

Plan Administration Expenses - Expenses incurred by the plan administrator and Trustee for their services and costs in administering the Plan are paid by the Company. Transaction charges (for note and benefit payment transactions) are paid by the participant by reducing the balances of those participants initiating the transactions.

Forfeited Accounts - Forfeited non-vested accounts are available to be used to reduce employer contributions or to reduce administrative and trustee expenses. Employer contributions were reduced by forfeited non-vested accounts of \$1,633 and \$1,729 for the years ended December 31, 2021 and 2020, respectively. The balance of forfeited amounts as of December 31, 2021 and 2020 was \$155 and \$156, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accounts of the Plan are maintained on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investments - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Net Appreciation in Fair Value of Investments - The Plan presents, in the statements of changes in net assets available for benefits, the net appreciation in the fair value of its investments, which consist of the realized gains and losses from sales of investments and the unrealized appreciation on those investments. The net change in unrealized appreciation in the fair value of investments is determined by the change in fair value from the beginning of the year to the end of the year, or from date of purchase to the end of the year.

Income Recognition - Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent notes receivable from participants are recorded as a deemed distribution based upon the terms of the Plan document. There were deemed distributions of \$5,888 and \$10,441 for the years ended December 31, 2021 and 2020, respectively.

New Accounting Pronouncements - During 2021 and 2020, various new Accounting Standard Updates (ASUs) were issued by the Financial Accounting Standards Board (FASB). The Plan Administrator of the Plan has determined, based on their review, that no new accounting pronouncements that were issued are applicable to the Plan. As new accounting pronouncements are released, management will assess if they are applicable, and if they are applicable, their effect will be included in the notes to the financial statements.

**4. FAIR VALUE MEASUREMENTS**

Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**HILLANDALE GETTYSBURG LP  
EMPLOYEE SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The Plan invests in a variety of pooled separate accounts. Pooled separate accounts are presented at net asset value. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to require a 30 day notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan's investments at fair value, within the fair value hierarchy, are as follows as of December 31, 2021 and 2020:

|                          | <u>Level 1</u>                  | <u>Level 2</u>                  | <u>Level 3</u>                  | <u>Total</u>         |

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at the statements of net assets available for benefits.

**5. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**6. TAX STATUS**

Although the Plan has not requested determination from the Internal Revenue Service (IRS) as to the Plan's tax-exempt status, the restated prototype plan from which the Plan was drafted has received a favorable determination from the IRS dated July 8, 2014. The Plan has been amended since receiving its determination letter. The plan administrator believes that the Plan, as amended, is designed to operate in accordance with all applicable provisions of the Internal Revenue Code ("IRC"). Therefore, the plan administrator believes that the Plan is qualified and that the related trust is exempt from taxation under the IRC.

Effective July 2022, the standardized plan from which the Plan was drafted was restated and received a favorable determination letter from the IRS dated October 6, 2020, as further outlined in Note 10.

Accounting principles generally accepted in the United States of America requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator believes as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the

financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee as defined by the Plan document. Transactions with the Trustee qualify as party-in-interest transactions. Any fees for investment management services are included in net appreciation in fair value of the investments. Direct fees for trustee and recordkeeping services were paid by the Company for the years ended December 31, 2021 and 2020.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, the accounts of all participants will become fully vested and non-forfeitable, and assets will be allocated to each participant based on his/her respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the plan administrator.

The plan administrator has evaluated subsequent events in accordance with ASC Topic 855, Subsequent Events, through September 30, 2022, which is the date the financial statements were available to be issued. During its evaluation, the following subsequent event items were identified.

Effective July 2022, the standardized plan from which the Plan was drafted was restated and received a favorable determination letter from the IRS dated October 6, 2020, as further outlined in Note 6.

As noted in Note 1, the Plan will be required to adopt certain requirements by the CARES and SECURE acts at a later date in accordance with applicable laws and IRS guidance.
