Report of Independent Auditor

To the Plan Administrator
Verdantas LLC Retirement Plan
Dublin, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Verdantas LLC Retirement Plan, formerly Hull & Associates, LLC Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental Schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan

The following brief description of the Hull & Associates, LLC Retirement Plan (the “Plan”) is provided for general information. Participants should refer to the Plan document for a more comprehensive description of the Plan’s provisions.

General – The Plan, adopted on January 1, 1991, is a defined contribution plan covering substantially all employees of Hull & Associates, LLC (the “Company” or “Employer”), excluding union employees, nonresident aliens and leased employees. Employees must have attained the age of 21 and completed one month of service to participant in the Plan. Effective December 15, 2021, the Company changed its name to Verdantas LLC and changed the name of the Plan to Verdantas LLC Retirement Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Plan Administration – The Plan is administered by the Company. The Plan’s assets are maintained and administered by Reliance Trust Company, the Trustee of the Plan. The Plan administrator is responsible for the oversight of the Plan including the appropriateness of the Plan’s investment offerings and monitoring of the investment performance.

Employee Contributions – The Plan provides for employee salary deferrals up to 90% of eligible wages, as defined in the Plan Document, without exceeding limitations prescribed by the Internal Revenue Code (“IRC”). Participants may also rollover amounts representing distributions from other qualified plans. Additionally, participants ages 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their contribution rate set at 6% of eligible compensation, and their contributions are automatically invested in a designated balanced fund until changed by the participant.

Employer Contributions – The Company’s employer matching contribution, as defined in the Plan document, is 50% of the participants’ contribution up to 6% of their eligible compensation for the entire Plan year. The Company may elect to make non-elective and profit-sharing contributions to the Plan. During 2021, the Company did not make any non-elective contributions. However, the Company made profit-sharing contributions totaling to approximately \$18,000. Prior to January 1, 2021, participants were eligible for Employer contributions after completion of one year of service with the Company. Effective January 1, 2021, participants are eligible for Employer contributions after one month of service with the Company.

Participant Investment Account Options – Participants direct the investment of all contributions into various investment options offered by the Plan. Each investment option has its own investment strategy, which can be obtained through the prospectus of the respective fund. Participants may change their investment options at their discretion.

Participant Accounts – Each participant’s account is credited and/or reduced with the participant’s elective deferral contributions and distributions as well as allocation of (a) the Company’s contributions, (b) Plan earnings (losses), (c) forfeitures, and (d) administrative expenses. Allocations are based on participant earnings or account balances, as defined.

(FORMERLY HULL & ASSOCIATES, LLC RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

Note 1—Description of the Plan (continued)

Vesting – Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon. Participants hired on or prior to December 31, 2020, are fully vested in Employer contributions. Effective January 1, 2021, vesting in the Employer contributions plus earnings or losses is based on years of continuous service. A participant is 100% vested after 3 years of credited service based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	33%
2	67%
3	100%

Participants are also fully vested when they become disabled or deceased while still employed by the Company.

Forfeitures – Forfeitures of terminated non-vested account balances may be used to pay the Plan's administrative expenses or to reduce employer contributions. During the year ended December 31, 2021, forfeiture totaling \$60,116 were used to pay administrative expenses. As of December 31, 2021, and 2020, forfeited non-vested accounts totaled \$1,500 and \$1,400, respectively.

Notes Receivable from Participants – Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance and may have no more than two loans outstanding. The notes are secured by the vested portion of the participant's account balance. Each note shall be repaid within a specified period of time, in accordance with the Plan document. The notes will bear interest at prime rate plus 1%. As of December 31, 2021, notes bear interest rate ranging from 3.25% to 5.50%. Principal and interest is collected ratably through payroll deductions.

Payment of Benefits – Upon termination of service due to death, disability, or retirement or other reasons, the Plan provides for a lump-sum distribution or installment payments equal to the total value of the participant's deferral contribution account, and the vested portion of his/her matching contribution and non-elective contribution accounts. Participants are allowed in service withdrawals of their vested participant's vested interest in his or her account upon attainment of retirement age or in the event of a financial hardship. The Plan provides for involuntary cash-out distributions for terminated employees with a vested balance of less than \$5,000.

Hardship Distributions – Hardship distributions are permitted if the distribution is due to expenses incurred or necessary for medical care described in the Internal Revenue Code ("IRC") Section 213(d), purchase of a principal residence, payment of tuition, to prevent eviction from or foreclosure of the principal residence, or any other condition which the Commissioner of the IRS determines is deemed an immediate and financial need of the participant. Any distributions will be taken first from the participant's pre-tax deferral account and then from the participant's Roth Deferral account.

Note 2—Summary of significant accounting policies

Basis of Presentation – The accompanying financial statements of the Plan have been prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**VERDANTAS LLC RETIREMENT PLAN
(FORMERLY HULL & ASSOCIATES, LLC RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements – The Plan follows the Fair Value Measurements topic of the Financial Accounting Standards Board Accounting Standards Codification which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels of inputs may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs. There were no transfers between levels during the year ended December 31, 2021.

The following are the descriptions of the valuation methodologies used to measure the Plan's investment at fair value, including, the general classification of such instruments pursuant to the valuation hierarchy:

Mutual Funds – Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are included within Level 1 of the fair value hierarchy.

**VERDANTAS LLC RETIREMENT PLAN
(FORMERLY HULL & ASSOCIATES, LLC RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

Note 2—Summary of significant accounting policies (continued)

Common Collective Trusts ("CCT") – This investment is a public investment vehicle valued using NAV of units of a bank collective trust. NAV, as provided by the custodian, is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the trust less its liabilities and then divided by the number of shares outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Transactions (purchases and sales) may occur daily. These investments measured using NAV practical expedient are exempt from classification under the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits – Benefits are recorded when they have been processed and paid by the Plan.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are, therefore, excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants and certain participants distributions are included in administrative expenses and charged directly to the participant's account.

Note 3—Investments prepared and certified by the Custodian (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule are completeness and accuracy:

- Investments, at fair value and notes receivable from participants, as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, and interest and dividends and, interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4—Fair value measurements

The following summarizes the Plan's investments based upon the fair value hierarchy discussed in Note 2:

As of December 31, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual funds *	\$ 43,542,612	\$ -	\$ -	\$ 43,542,612
Total assets in fair value hierarchy	<u>\$ 43,542,612</u>	<u>\$ -</u>	<u>\$ -</u>	43,542,612
Common collective trusts measured at NAV (a)				788,913
Investments, at fair value				<u>\$ 44,331,525</u>

As of December 31, 2020	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Mutual funds *	\$ 37,855,305	\$ -	\$ -	\$ 37,855,305
Total assets in fair value hierarchy	<u>\$ 37,855,305</u>	<u>\$ -</u>	<u>\$ -</u>	37,855,305
Common collective trusts measured at NAV (a)				780,785
Investments, at fair value				<u>\$ 38,636,090</u>

- (a) Certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of the net assets available for benefits. As of December 31, 2021 and 2020, the common collective investment trust has no unfunded commitments and redemptions are processed daily with a 30-day notice period.

*Amounts are unaudited. See note 3.

Note 6—Party-in-interest transactions

Plan investments and the related transactions as of December 31, 2021 and 2020, and for the year ended December 31, 2021, were in investment funds managed by the Trustee; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. While these transactions qualify as party-in-interest activity, they are expressly exempted from the prohibited transaction rules (ERISA, Title I, Section 408(b)).

Note 7—Plan termination

Although it has not expressed any intent to do so, the Company reserves the right at any time to amend, modify, or terminate the Plan without the consent of any participant or beneficiary subject to the provisions of ERISA. In the event of such termination, the Plan provides that the participants shall become fully vested in their accounts.

**VERDANTAS LLC RETIREMENT PLAN
(FORMERLY HULL & ASSOCIATES, LLC RETIREMENT PLAN)
NOTES TO THE FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

Note 8—Income tax status

The Plan sponsor adopted a non-standardized pre-approved profit sharing plan which received a favorable opinion letter from the Internal Revenue Service on October 6, 2020, which stated the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and the prototype plan has been amended since receiving the opinion letter. However, the Plan sponsor believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021. The Plan sponsor believes the Plan has no income subject to unrelated business income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Risks and uncertainties

The Plan provides for various investment options which are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in the fair value of investments will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the coronavirus ("COVID-19"), economic uncertainties have arisen triggering volatility in financial markets and a significant negative impact on the global economy. As the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of potential losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

Note 10—Subsequent events

The Plan has evaluated events through October 14, 2022, the date the financial statements were available to be issued.

During January 2022, the Duffield Associates, Inc. Profit Sharing Plan was merged with the Plan and transferred into the Plan assets amounting to \$22,534,005.
