Report of Independent Auditors

To the Administrator of
L & R Distributors, Inc. 401 (K) Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2021 financial statements of L & R Distributors, Inc. 401 (K) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended (not presented herein, other than the statement of net assets available for benefits). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance

and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of the L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of L & R Distributors, Inc. (the Company or the Plan Sponsor) who are eligible for elective deferral contributions and to receive matching contributions and profit sharing contributions who, effective January 1, 2021, on the first day of the calendar month, coincident with or next following the date an employee attains age 21 and completes 60 days, provided that the employee is a full-time employee at the end of that period. If the employee does not meet the requirement as specified, they will be eligible for participation in the Plan upon completion of 1,000 hours of service in a 12-consecutive month period. Prior to January 1, 2021, employees who completed one year of service and were age twenty-one or older were considered eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration

The Plan is administered by members of Company management. John Hancock Life Insurance Company of New York (the insurance company and Recordkeeper) is the insurance company and recordkeeper of the Plan. The Controller of the Company serves as the Trustee of the Plan.

Trust Funds

Trust funds have been established by the execution of agreements with the insurance company and are maintained for the purpose of this Plan. The assets of the Plan are held, invested, and disposed of, by the insurance company, in accordance with the terms of the agreement, for the benefit of the participants and their beneficiaries.

Investments

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Contributions

Participants may elect to contribute up to 92% of pretax annual compensation, as defined in the Plan, not to exceed Internal Revenue Code (IRC) limitations. The IRC sets dollar limits on the amount that may be contributed to the Plan each tax year. The combined pre-tax and/or Roth 401(k) contributions by participants for 2021 and 2020 were limited to \$19,500. In addition, participants who were at least 50 years of age at December 31, 2021 or 2020, were allowed to make an additional pre-tax and/or Roth 401(k) contribution of up to \$6,500. Participants may also contribute amounts representing distribution from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes 25% of the first 4% of base compensation that a participant contributes to the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Vested benefits are those amounts participants are entitled regardless of future services to the Company. Participants are vested immediately in their contributions plus actual earnings thereon. Participants' employer contribution account balances become 20% vested after two years of service (after the age of 21) and vest an additional 20% for each additional year of service. Consequently, after six years of service, account balances are fully vested. If a participant's employer contribution account is not already 100% vested pursuant to the aforementioned terms, such account shall become fully vested upon the earliest of the participant's disability or death.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$27,124 and \$33,032 respectively. These accounts will be used to pay future plan expenses. In 2021, \$30,330 from forfeited nonvested accounts was used to pay plan expenses.

Notes Receivable from Participants

Participants may borrow an amount up to the lesser of 50% of their vested account balance or \$50,000, subject to certain Department of Labor (DOL) and IRC requirements. The Plan provides that loan amounts must be a minimum of \$1,000. The loans are secured by the balance in the participants' account and bear fixed interest at a rate of prime plus 1% at the time the loan is made. The terms of the loans may not exceed 5 years.

Under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) the Plan adopted the following loan provisions for qualifying Coronavirus related reasons, effective in 2020 only:

- (1) CARES Act Loans up to the lesser of \$100,000 or 100% of the account balance; and
- (2) CARES Act Loan Deferrals allows eligible participants to defer repayment of their Plan loan(s) until December 31, 2020. Deferred loans were re-amortized and repayments restarted in January 2021.

As of December 31, 2021 and 2020, loans outstanding bear interest at rates ranging from 4.25% to 6.50% with maturity dates ranging from 2022 through 2027.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments. For termination of service due to other reasons a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Under the CARES Act the Plan adopted the following for qualifying Coronavirus related reasons, effective in 2020 only:

- (1) Waiver of required minimum distribution payable in 2020; and
- (2) CARES Act distributions up to the lesser of \$100,000 or 100% of the account balance.

Administrative Expenses

Plan administrative fees may include recordkeeping, legal, accounting, trustee, and other administrative fees and expenses associated with maintaining the Plan.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan offers pooled separate accounts with underlying investments in mutual funds and a collective investment trust. The Plan's investments are valued at unit value, which is based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding. Unit value, or the equivalent of net asset value (NAV), is a practical expedient for estimating the fair values of those investments. The NAV is based on the underlying investments held by the account less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians.

The pooled separate accounts have no unfunded commitments as of December 31, 2021 and can generally be redeemed daily with no redemption notice period or other redemption restrictions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account.

L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Contributions

Contributions from employees are recorded as they are withheld from the participant's wages.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

3. Fair Value Measurement

Financial Accounting Standards Board Accounting Standards Codification 820, (ASC 820) Fair Value Measurements and Disclosures, defines fair values, establishes a framework for measuring fair value, gives guidance regarding the methods used for measuring fair value, and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

Pooled Separate Accounts

Investments in pooled separate accounts are valued at the net asset value of units held by the Plan at year end as determined by John Hancock based on the audited financial statements. As of December 31, 2021 and 2020, the Plan's asset measured at NAV as a practical expedient amounted to \$11,766,155 and \$10,715,346, respectively.

The December 31, 2020 total NAV balance has been revised to reflect the proper classification of the Plan investments as pooled separated accounts. The Plan management has determined that the error is not material to the previously issued financial statements.

4. Information Certified by the Insurance Company

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the insurance company in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

	2021	2020
Assets		
Investments, at fair value	\$ 11,766,155	\$ 10,715,346
Notes receivable from participants	251,698	247,286
Investment income		
Net appreciation in fair value of investments	\$ 1,461,563	
Interest income on notes receivable from participants	12,631	
Total investment income	<u>\$ 1,474,194</u>	

5. Tax Status

The underlying prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the written form of the underlying prototype document is qualified under section 401 of the Internal Revenue Code (IRC). Any employer adopting this form of the plan will be considered to have a plan qualified under section 401 of the IRC and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in

L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust

Notes to Financial Statements

December 31, 2021 and 2020

progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018 for which the state limitations has passed.

6. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Market risks include global events which could impact the value of investment securities, such as a pandemic or an international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by John Hancock Life Insurance Company of New York. John Hancock Life Insurance Company of New York is the insurance company and record keeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$58,544 for the year ended December 31, 2021.

8. Subsequent Events

Effective April 1, 2022, the Plan was transferred to Ascensus Trust Company in partnership with Vanguard Trust to administer the Plan and its assets.

The Plan's Administrator has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued. No additional subsequent events that would require disclosure in these financial statements have been noted as of this date.
