INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Premier Automation Holdings, Inc.
401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Premier Automation Holdings, Inc. 401(k) Savings Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Charles Schwab Trust Bank, a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified to by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified investment information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of Premier Automation Holdings, Inc. 401(k) Savings Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established to provide supplemental retirement benefits for employees of Premier Automation Holdings, Inc., Premier Automation, LLC, BRAURY, LLC, Solcon Solutions, LLC and panelshop.com LLC, and Premier Engineered Cleaning Solutions, LLC (collectively referred to as the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees become eligible to participate in the Plan for the purpose of salary reduction and employer match after attaining the age of 18. An eligible employee becomes a participant of the Plan on the first day of the month following the date the eligibility requirements were met. Employees who are nonresident aliens and/or represented by a collective bargaining agreement are not eligible to participate in the Plan.

Contributions

Participants may contribute up to 92% of pretax or after tax annual compensation, as defined in the Plan. Contributions for any calendar year are subject to certain Internal Revenue Code ("Code") limitations (\$19,500 for 2021 and 2020). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2021 and 2020). Deferred salary contributions are classified as participant contributions in the financial statements.

The Company makes certain safe harbor matching contributions based on deferral contributions equal to 100% of the first 3% of the participants' compensation contributed and 50% of the next 2% of the participants' compensation contributed to the Plan. The Company may also opt to make a qualified nonelective employer contribution during each contribution period. At year end, the Company may make an additional matching employer contribution on behalf of each eligible participant in an amount equal to a percentage of the eligible contributions made by each participant. This additional annual discretionary match is an amount determined from year to year. For the years ended December 31, 2021 and 2020, Company contributions in the statement of changes in assets available for benefits consist only of safe harbor matching contributions.

PREMIER AUTOMATION HOLDINGS, INC.
401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Participant accounts

Each participant's account is increased for participant deferred salary contributions, and Company contributions, reduced for withdrawals, and increased or decreased for an allocation of Plan earnings (losses) based on the investment options elected by the participant, net of allocated administrative expenses.

Contributions for which no effective investment directive is given by the participant are invested in the appropriate age-based targeted retirement fund.

Vesting

Participants are immediately 100% vested in both their voluntary contributions and Company contributions, as well as any income or loss thereon.

Participants will forfeit the portion of their accrued benefit (balance in participant's individual account attributable to the employer profit sharing contribution), which is not vested upon termination of employment with the Company. The forfeitures may be treated as a reduction of future employer contributions. Forfeited nonvested account balances accumulated as of December 31, 2021 and 2020 totaled \$1,082 and \$1,084, respectively. In 2021 and 2020, employer contributions were not reduced by any previously forfeited non-vested accounts.

Participant Loans

Participants may borrow from their accounts up to the lesser of 50% of their account balance or \$50,000 against their retirement plan account. Loans are repaid by regular payroll deductions over a maximum of five years. Outstanding loans that are not repaid when a participant withdraws from the Plan are classified as benefits paid to participants in the statements of changes in assets available for benefits.

Distribution of benefits

Upon termination of employment, after the age of 59½ or due to death, disability, or retirement, a participant or their beneficiaries may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account or equal installments over a period not more than his or her assumed life expectancy. A participant may also, in the event of hardship, be permitted to withdraw all or a portion of deferred salary contributions in accordance with Plan provisions.

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

Investments

Investments are reported at fair value as reported to the Plan administrator by the custodian of the Plan's assets (See Note 6). The Plan's investments consist of money market funds, bond funds, and listed mutual funds.

The Plan's investments are stated at fair value as measured by quoted market prices. Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest income is recorded when earned and dividend income is recorded on the ex-dividend date. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year, are included in net appreciation (depreciation) in fair value of investments reported within the statements of changes in assets available for benefits.

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits.

Contributions

Participant contributions are generally recorded in the month withheld from the participant's compensation. Employer match contributions are recorded at that same time. Additional employer retirement contributions are recorded as approved.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of benefits

Benefits are recorded when paid.

Notes receivable from participants

The Plan classifies participant loans as notes receivable from participants under accounting principles generally accepted in the United States of America and reports the loans at the unpaid principal balance plus any accrued but not yet paid interest. Delinquent participant loans are reclassified as benefits paid to participants. As of December 31, 2021 and 2020, interest rates on outstanding participant loans ranged from 4.75% to 7.50%.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 14, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - FEDERAL INCOME TAX EXEMPTION

The Plan is operating under a prototype non-standardized plan document that was established to comply with the applicable requirements of the Code. The Plan obtained its latest determination letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. As of December 31, 2021 and 2020, the Plan administrator is not aware of any uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan believes it is no longer subject to income tax examinations for periods prior to 2018.

NOTE 4 - INVESTMENTS

The Plan provides participants the opportunity to direct both participant and Company contributions into separate investment funds. However, the investing activity within the funds is discretionary, and individual fund managers have the authority to make investment decisions.

Investments measured and reported at value are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments reported as Level I include money market funds, bond funds, and listed mutual funds.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable indirectly for the investment. The Plan does not carry any Level II investments.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments.

The valuations of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	<u>Level</u>	<u>2021</u>	<u>2020</u>
Money market funds	I	\$ 41,461	\$ 13,781
Bond funds	I	1,417,204	1,593,031
Mutual funds	I	<u>16,051,628</u>	<u>14,144,663</u>
		\$ <u>17,510,293</u>	\$ <u>15,751,475</u>

NOTE 5 - RELATED PARTY TRANSACTIONS

The Plan holds notes receivable from participants which qualify as party-in-interest transactions. Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions.

These party-in-interest transactions are not deemed prohibited because they are covered by statutory and administrative exemptions from the Code and the rules of prohibited transactions of ERISA.

NOTE 6 - CERTIFICATION

All information related to investment assets, investment transactions, related income, and notes receivable from participants as disclosed in the accompanying financial statements and supplemental schedule is certified as complete and accurate by Charles Schwab Bank, the custodian of the Plan for the respective periods, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 7 - TERMINATION

Although it has not expressed any intention to do so, the Company may terminate the Plan at any time. In the event of termination, the interest of participants affected by the termination and their beneficiaries under the Plan shall be nonforfeitable.
