## INDEPENDENT AUDITOR'S REPORT

Administrative Committee  
Mayer Brown LLP U.S.A. Savings Plan  
Chicago, Illinois

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of the Mayer Brown LLP U.S.A. Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

---

(Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

---

(Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Employee Retirement Plan for the Mayer Brown LLP U.S.A. Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAYER BROWN LLP U.S.A. SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

---

**NOTE 1 - DESCRIPTION OF THE PLAN**

Mayer Brown LLP (the Firm) established the Mayer Brown LLP U.S.A. Savings Plan (the Plan), effective January 1, 1985, for the benefit of employees and partners of the Firm located in the United States of America. The Plan document was restated effective January 1, 2016. The following description of the Plan provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participation: Eligible employees are eligible to participate in the Plan as of the dates of their employment by or association with the Firm.

Participant Accounts: Separate accounts are maintained for each participant's tax-deferred contributions and Firm contributions, including earnings thereon. A separate supplementary account is also maintained for each participant's rollover contributions and assets transferred from other plans, including earnings thereon. Participants may direct their account balance into one or more investment options offered by the Plan or a self-directed brokerage link investment option. The self-directed brokerage link investment option allows the participant to direct contributions to be invested in any investment permitted under the Plan.

Contributions: The Plan provides for the following contributions:

*Tax-deferred Contributions:* Participants may elect to make tax-deferred contributions under Section 401(k) of the Internal Revenue Code (the IRC) in an amount up to 60% of their compensation, limited by ceilings on the contribution amount established by the IRC. Effective January 1, 2008, employees are automatically enrolled to make elective pretax deferrals at 3% of their compensation, as defined. Employees hired on or after August 1, 2017 are automatically enrolled to make elective pretax deferrals at 5% of their compensation, as defined. Employees have the option to increase, decrease or eliminate their automatic enrollment contribution at any time. An employee that is automatically enrolled may make an election, no later than 90 days after the date on which pretax deferrals are first contributed to the Plan, to withdraw all amounts contributed to the Plan on their behalf, adjusted for any earnings (or losses) thereon. Participants, who have attained the age of 50 before the close of the plan year, are eligible to make catch-up contributions, subject to limits established by the IRC. The deferral percentage for highly compensated employees or partners may be limited to comply with nondiscrimination requirements of the IRC.

*Regular Firm Contributions:* Each non-lawyer employee, counsel and equity partner who is associated with the Firm on November 30 or December 31 of the year may be eligible to receive Regular Firm Contributions. Lawyers who are not equity partners or counsel are not eligible to receive Regular Firm Contributions. The amount of the Regular Firm Contribution will be determined each year by the Firm's Management Committee. The Regular Firm Contribution will be allocated to equity partners, counsel and non-lawyer employees based on a formula that is driven by compensation and applicable statutory limits.

Tax deferred contributions on behalf of participants who are not equity partners are made via payroll deductions and recorded in the period the deductions are made. Tax-deferred contributions on behalf of equity partners are made on a quarterly basis. Regular Firm Contributions are determined by the Management Committee and are recorded in the fiscal year to which they relate. Participants may also make Roth contributions and are allowed rollover contributions from other qualified defined contribution plans.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2021 and 2020

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

Vesting: Amounts attributable to tax-deferred contributions and rollover contributions are immediately vested. Amounts attributable to Regular Firm Contributions vest upon completion of three years of service, as defined, with the Firm. Regardless of service, a participant becomes fully vested if, while an employee or partner of the firm, they attain age 55, die or become permanently disabled, as well as upon a full or partial termination of the Plan.

Investment Options: Upon enrollment in the Plan, a participant may direct contributions into a variety of investments as more fully described in the Plan's literature. Participants may change their investment options daily.

Notes Receivable from Participants: Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less, generally payable within five years from the initiation date. However, participant notes for the purchase of a principal residence may extend up to 30 years. The amount of any participant loan is secured by the participant's account balances. Interest is charged at prime at the time the loan is made (prime was 3.25% at December 31, 2021 and 2020). Residential loans, whose length at the time the loan was taken was greater than five years, are re-amortized at the end of each year at the Prime Rate as of December 31. During 2021 and 2020, loan rates were 3.25%-5.50%. Interest income from notes receivable from participants was approximately \$227,619 and \$279,674 for the years ended December 31, 2021 and 2020, respectively.

Withdrawals: A participant, upon attainment of age 55, may withdraw the entire vested portion of their account (excluding voluntary tax-deferred and Roth elective contributions unless the participant has reached age 59½). These withdrawals can only be taken once in a 12-month period. Withdrawal of tax-deferred contributions, prior to age 55, will be permitted in cases of serious financial hardship, as defined in the regulations promulgated under the IRC. A participant may generally withdraw all or part of the amounts attributable to rollover contributions at any time.

Distribution Upon Termination of Employment: When a participant terminates employment for any reason, payment of his or her account balance will be made in a lump sum. However, the participant may defer payment until he or she attains age 72. In the event of the participant's death, the lump-sum payment will be made to the participants designated beneficiary. The Plan requires spousal consent to any non-spouse beneficiary designation.

Forfeited Accounts: At December 31, 2021 and 2020, forfeited nonvested accounts totaled approximately \$154,599 and \$275,108, respectively. These accounts will be used to reduce future Regular Firm Contributions. In 2021 and 2020, forfeitures of approximately \$245,190 and \$275,108, respectively, were used to reduce employer contributions.

Administrative and Investment Management Expenses: Substantially all expenses incurred in connection with the administration of the Plan are paid by the Plan to the extent they are not paid by the Firm. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Administration of the Plan: On January 1, 2020, Charles Schwab Bank completed a migration to Charles Schwab Trust Bank with the transition of its directed trust and custody accounts. As a result, the Companies use Charles Schwab Trust Bank as the trustee and third-party administrator of the Plan as of January 1, 2020 and Charles Schwab Bank prior to January 1, 2020. There was no physical transfer of assets or changes to the reporting system as a result of the migration.

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Payments to Participants: Benefits are recorded when paid.

## NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank (the trustee of the Plan).

## NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

*Level 1:* Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

*Level 2:* Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

---

(Continued)

**NOTE 4 - FAIR VALUE MEASUREMENTS** (Continued)

*Level 3:* Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Registered Investment Companies: The fair values of registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Self-Directed Brokerage Accounts: Accounts consist of registered investment companies, exchange traded funds, real estate investment trusts, common stocks and preferred stocks that are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs). Accounts also consist of money market accounts where fair value is estimated to approximate the cost basis of the deposit account balance, based upon the liquidity of the account and credit quality of the issuer (Level 1 inputs). Accounts also consist of savings deposit accounts where fair values are estimated to approximate deposit account balances, payable on demand, as no discounts for credit quality or liquidity were determined to be applicable (Level 1 inputs). Fair values for fixed rate certificates of deposit are estimated using a discounted cash flows calculation that applies interest rates being offered on certificates to a schedule of aggregated expected monthly maturities on time deposits resulting in a Level 2 classification. Accounts also consist of corporate bonds and U.S. government and government agency securities. Corporate bonds and U.S. government and government agency securities are valued based upon recent bid prices or the average of recent bid and asked prices when available (Level 2 inputs) and, if not available, they are valued through matrix pricing models developed by sources considered by management to be reliable. Matrix pricing, which is a mathematical technique commonly used to price debt securities that are not actively traded, values debt securities without relying exclusively on quoted prices for the specific securities but rather by relying on the securities' relationship to other benchmark quoted securities with similar credit risk (Level 2 inputs).

The methods described above may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

\* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

**NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS**

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain costs associated with administration of the Plan are paid by the Firm. These costs include certain investment advisory fees, trustee fees, and audit fees. Certain administrative functions are performed by officers or employees of the Firm. No such officer or employee receives compensation from the Plan. Recordkeeping fees, certain fees associated with benefits paid to participants and maintenance fees from notes receivable from participants are paid through the Plan by the individual participants. Notes receivable from participants also reflect party-in-interest transactions. Certain Plan investments are managed by Charles Schwab Trust Bank, Charles Schwab Bank, and UBS Financial Services, the custodians of the Plan, or affiliates thereof. Therefore, these investments qualify as party-in-interest investments.

#### **NOTE 6 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Firm has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested, and the available assets will be allocated to participants in accordance with the Plan's provisions.

#### **NOTE 7 - TAX STATUS**

The Internal Revenue Service has determined and informed the Firm by a letter dated August 24, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

#### **NOTE 8 - RISKS AND UNCERTAINTIES**

The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Market risks include global events, such as the COVID-19 pandemic. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **NOTE 9 - SUBSEQUENT EVENTS**

Plan management has evaluated subsequent events for recognition and disclosure through October 17, 2022, which is the date the financial statements were available to be issued.
