Universities Space Research Association 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Universities Space Research Association 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

1. Description of the Plan

The following description of the Universities Space Research Association 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established by Universities Space Research Association (the "Company") effective January 1, 2012. State Street Bank and Trust Company ("Trustee") serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective January 1, 2016, the Plan was formally amended to exclude Puerto Rico employees from being eligible to participate and make contributions to the Plan. Also effective January 1, 2016, the Plan was amended to comply with the provisions of a Safe Harbor Plan and a three-year graded vesting schedule was adopted for the Company non-elective contributions. The Plan was most recently amended and restated effective August 1, 2016, to recognize service with certain predecessor employers for the purpose of eligibility of the employer contribution allocation and to allow eligible employees to begin receiving Company contributions on their date of hire.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress. The CARES Act, among other things, includes several relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the CARES Act on the Plan and adopted several of the provisions regarding the expansion of allowed Plan distributions and increased loan limits. These provisions were only for 2020. The Plan will be formally amended by the required date of December 31, 2025.

Eligibility

All employees who have attained age 21, except students and visiting professionals and Puerto Rico employees, as defined by the Plan agreement, are eligible to participate in the Plan and may make voluntary salary deferral contributions, and receive Company contributions as of their date of hire.

Participant contributions

Participants may contribute on a pre-tax and Roth basis up to 100% of their annual compensation, as defined in the Plan agreement, up to the maximum permitted by the Internal Revenue Code ("IRC"). Participants are automatically enrolled into the plan upon meeting eligibility requirements at an automatic percentage of 5% of eligible wages with an annual escalation of 1% up to a maximum automatic percentage of 6% of eligible wages. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the IRC. Participants are permitted to make rollover contributions to the Plan.

Company contributions

For the year ended December 31, 2021, the Company agreed to provide a safe-harbor matching contribution up to 3% of eligible contributions, plus 50% of the next 2% of eligible contributions for all eligible participants, as defined in the Plan agreement. The Company also agreed to provide a non-elective Company contribution of 6% of annual compensation for all eligible participants. At the discretion of the Board of Trustees, the Company may

University Space Research Association 401(k) Plan Notes to Financial Statements

also contribute a secondary non-elective contribution. For the year ended December 31, 2021, the Company did not make an additional secondary non-elective contribution.

Investment options

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers mutual funds and a common collective trust fund as options.

Participant accounts

Each participant's account is participant-directed and is credited with the participant and Company contributions and allocations of the net earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and the Company safe harbor matching contributions plus actual earnings thereon.

For employees hired prior to January 1, 2016, they are immediately vested in both Company non-elective contributions plus actual earnings thereon. For employees hired on or after January 1, 2016, employees vest in both Company non-elective contributions plus actual earnings thereon according to the following schedule:

<u>Years of Services</u>	<u>Percentage Vested</u>
Less than 1	0%
1	33%
2	66%
3 or more	100%

Notes receivable from participants

Participants may borrow against the value of their vested account balance within the Plan, without regard to the intended use of the funds. The total amount of borrowings cannot exceed the lesser of 50% of the participant's vested account balance or \$50,000. The minimum note amount is \$1,000 and a participant cannot have more than one note outstanding at any given time. Notes are collateralized by the participant's vested account balance. Note repayments are made directly between the participant and TransAmerica, the Custodian of the Plan, with interest based on the prime rate plus 1% at the time of loan issuance. Notes for reasons other than the purchase of a primary residence are to be repaid within five years. Notes for the purchase of a primary residence are to be repaid within ten years. At December 31, 2021, outstanding loans bore interest rates ranging from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon termination of service, retirement, death, attainment of age 59½, or disability, a participant (or their beneficiary, in the event of death) is entitled to a distribution of their account balance. Distributions from the Plan are payable in the form of a lump sum, or for required minimum distributions, as installment payments or applied toward the purchase of an annuity contract, equal to the value of the participant's account, as defined by the Plan agreement. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Distributions are subject to the applicable provisions of the Plan agreement. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59½. There were no net assets of the Plan allocated to accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2021 and 2020.

Plan expenses

Expenses incurred in the administration of the Plan are required to be paid with assets of the Plan unless the Company, at its discretion, elects to pay them. Administrative expenses totaling \$143,316 were paid directly from the Plan for the year ended December 31, 2021. The Company paid all other direct expenses during the year ended December 31, 2021. Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net appreciation in fair value of investments.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts were \$131,633 and \$54,810, respectively. Forfeitures are used to reduce future employer non-elective contributions or used to pay plan expenses. During 2021, \$75,000 for forfeitures were used to reduce employer non-elective contributions remitted to the Plan.

Expense budget account

The expense budget account ("EBA") is an unallocated account maintained with the Plan to account for funds received under a revenue-sharing agreement with TransAmerica Retirement Solutions Corporation, the Plan's recordkeeper. These amounts may be used to pay Plan expenses or may be allocated to Plan participants at the end of the year at the direction of the Company. During 2021, \$137,578 was received by the Plan to be used to pay future plan expenses or allocated to participants. During 2021, \$52,814 of funds from EBA was used to pay administrative expenses. At December 31, 2021 and 2020, the balance of the EBA account was \$126,176 and \$41,411, respectively.

2. Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates and assumptions.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income from notes receivable from participants is recorded when received. Other interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded upon distribution.

Administrative expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

Subsequent events

The Plan has evaluated subsequent events through October 17, 2022, the date the financial statements were available to be issued.

3. Investments

Fair value, as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.

Level 3: Unobservable inputs about which little or no market data exists, therefore, requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Common collective trust funds

These funds are valued at the net asset value ("NAV") of units of the collective fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

University Space Research Association 401(k) Plan
Notes to Financial Statements

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 93,084,429	\$ -	\$ -	\$ 93,084,429
Interest-bearing cash	<u>131,643</u>	<u>-</u>	<u>-</u>	<u>131,643</u>
Total assets in the fair value hierarchy	<u>\$ 93,216,072</u>	<u>\$ -</u>	<u>\$ -</u>	<u>93,216,072</u>
Investments measured at NAV (a)				<u>3,606,248</u>
Investments at fair value				<u>\$ 96,822,320</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 80,225,319	\$ -	\$ -	\$ 80,225,319
Interest-bearing cash	<u>54,821</u>	<u>-</u>	<u>-</u>	<u>54,821</u>
Total assets in the fair value hierarchy	<u>\$ 80,280,140</u>	<u>\$ -</u>	<u>\$ -</u>	<u>80,280,140</u>
Investments measured at NAV (a)				<u>3,593,073</u>
Investments at fair value				<u>\$ 83,873,213</u>

(a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020.

	Fair Value at December 31, 2021	Fair Value at December 31, 2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust funds	\$ 3,606,248	\$ 3,593,073	None	Daily	None

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Unaudited Information Certified by Trustees

The accompanying financial statements and supplemental schedule include the following unaudited information as of December 31, 2021 and December 31, 2020 and for the year ended December 31, 2021 that was obtained from data prepared and certified to be complete and accurate by the Plan's Trustees:

	<u>2021</u>	<u>2020</u>
Non interest-bearing cash	<u>\$ 126,176</u>	<u>\$ 41,411</u>
Investments at fair value	<u>\$ 96,822,320</u>	<u>\$ 83,873,213</u>
Notes receivable from participants	<u>\$ 298,239</u>	<u>\$ 299,253</u>
Net appreciation in fair value of investments	<u>\$ 9,781,705</u>	
Interest and dividends	<u>\$ 2,149,413</u>	
Interest income on notes receivable from participants	<u>\$ 15,207</u>	

5. Exempt Party-In-Interest Transactions

Certain Plan investments are managed by an affiliate of TransAmerica Life Insurance Company, Custodian of the Plan, and parent company of TransAmerica Retirement Services. TransAmerica has a service agreement with Massachusetts Fidelity Trust Company and State Street Bank and Trust Company, who act as the Trustees of the Plan. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, affected participants will become 100% vested in their accounts.

7. Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirements of the IRC. The Plan is relying on the IRS approval of the non-standardized volume submitter plan that it is utilizing. The IRS has determined and informed the document sponsor by a letter dated March 31, 2014, that the volume submitter plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

University Space Research Association 401(k) Plan
Notes to Financial Statements

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 97,516,989	\$ 84,261,547
Employer contribution receivable not reflected on Form 5500	<u>-</u>	<u>(47,538)</u>
Net assets available for benefits per the Form 5500	<u>\$ 97,516,989</u>	<u>\$ 84,214,009</u>

The following is a reconciliation of change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the year ended December 31, 2021:

Net change in net assets per the financial statements	\$ 13,255,442
Change in employer contribution receivable	<u>47,538</u>
Net income per 5500	<u>\$ 13,302,980</u>
