The Plan Trustees
Davis Health System 401(k) Profit Sharing Plan
Elkins, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Davis Health System 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Restatement of 2020 Financial Statements

As discussed in Note 2 to the financial statements, the 2020 financial statements have been restated to correct misstatements in 2020 that decreased the net assets available for benefits in the amount of \$503,367 as of December 31, 2020. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by the ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan and Significant Accounting Policies

The following description of the Davis Health System 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for more complete information of the Plan's provisions.

General: The Plan was established January 1, 2007, most recently restated effective January 1, 2021 to satisfy the requirement that all plans using Internal Revenue Service (IRS) pre-approved language be restated on regular six-year cycles. The Plan is a defined contribution plan which provides for salary deferral contributions, employer matching contributions, and discretionary profit-sharing contributions. The Plan covers employees of Davis Health System (Davis Memorial Hospital, Broaddus Hospital Association, Inc., and Health Facilities, Inc.) (the Plan Sponsor) who have completed one year of service (1,000 hours) or if earlier, three consecutive full calendar months of employment (at least 83.33 hours of service). An eligible employee becomes a participant as of the earlier of the first day of the first, fourth, seventh or tenth month of the Plan year coinciding with or following the date on which the eligibility requirements are met. The Plan is subject to the provisions of Employee Retirement Income Security Act (ERISA).

Contributions: Participants may elect to defer a portion of their compensation, as defined in the Plan document, limited to the maximum allowed under the Internal Revenue Code for such Plan year. Additionally, rollover contributions from other qualified plans are permitted.

Discretionary matching contributions: The Plan Sponsor may make matching contributions on behalf of each participant on the last day of each Plan quarter. Contributions will be the lesser of a percentage of the participant's elective deferrals or compensation for the Plan quarter. During the years ended December 31, 2021 and 2020, the following entities matched 100% of a participant's elective deferral up to the following amounts of compensation: Broaddus Hospital Association, 1% and Davis Memorial Hospital, 1%. For each Plan year hereafter, the matching contribution may be made in any specific dollar or percentage amount.

Discretionary profit sharing contributions: The Plan's discretionary profit-sharing contributions are allocated on the last day of the Plan year based on the participant's allocation group. Allocation groups are as follows:

- Allocation Group 1: Eligible participant who has completed less than five years of service.
- Allocation Group 2: Eligible participant who has completed five through nine years of service.
- Allocation Group 3: Eligible participant who has completed ten through nineteen years of service.
- Allocation Group 4: Eligible participant who has completed twenty or more years of service.

Broaddus Hospital Association, Inc. and Davis Memorial Hospital elected to contribute a profit-sharing contribution for the year ended December 31, 2020, to all eligible participants. The Board of Directors of the Plan Sponsor determines the discretionary profit-sharing contribution, if any, on an annual basis. The profit-sharing contribution may be made in any specific dollar or percent amount.

Discretionary nonelective contributions: The Plan Sponsor may make nonelective contributions in any amount during the Plan year. Health Facilities, Inc. made a nonelective contribution of 3% of eligible participant compensation during 2021 and 2020.

Contributions receivable: Contributions receivable consist of participant and employer contributions allocated to the Plan during the year, but not received by the Plan as of year-end. There is no allowance recorded against contributions receivable as of December 31, 2021 or 2020.

**DAVIS HEALTH SYSTEM 401(K)
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

Participant accounts: Each participant account is credited with the participant's elective deferrals, any employer contributions and rollovers from other qualified plans. In addition, each participant's account is credited with their share of investment earnings and appreciation/depreciation in the value of investments and allocated administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant investment options: Each Plan participant has the right to direct contributions and earnings of their account among investment funds provided under the Plan. Participants should refer to the most recent annual report of each fund for information on risk factors, asset concentrations, use of derivative financial instruments and other financial data. Participants may transfer funds between investment options at any time. Loans are not permitted under the Plan.

Vesting: All participants are immediately vested in their voluntary contributions, supplemental, nonelective contributions, rollovers and actual earnings thereon which are credited to their respective account. Participants are 100% vested in the value of all contributions upon normal retirement age, death or permanent disability and termination of employment.

Participants are vested in employer matching contributions as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
1	50%
2	100%

Participants are vested in employer profit sharing contributions as follows:

<u>Years of Service</u>	<u>Vested Interest</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of benefits: Upon retirement (normal retirement age is 65), death, disability, attainment of age 59½ or other termination of employment, as defined in the Plan document, participants or their spouses and/or beneficiaries receive benefits as a lump sum or installment payment.

Early retirement is permitted if the participant has attained age 60 and has five years of service. In-service distributions of elective deferrals and vested benefits are available once an employee attains the age of 59½. Further, upon termination of employment, the participant may elect to transfer his or her account balances to another qualified plan or individual retirement account. If a participant continues employment after age 65, distributions will be made on the later of April 1 of the calendar year after a participant attains age 70½ or April 1 of the first calendar year after a participant terminates employment.

Upon termination of employment, if a participant's account balance is less than \$1,000, the entire vested portion of the account balance will be distributed to the participant as soon as administratively feasible after the last day of employment.

Forfeitures: Forfeitures of matching and discretionary contributions may first be used to pay Plan administrative expenses or to restore previously forfeited account balances. Any remaining forfeitures will be applied to or allocated as part of the employer contributions. As of December 31, 2021 and 2020 there were \$51,134 and \$48,392, respectively in forfeitures on non-vested terminated participant accounts available for future use. During the year ended December 31, 2021, an additional \$1,987 of contributions were forfeited, the remaining increase of \$755 relates to earnings on the forfeitures account.

PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

Basis of accounting and use of estimates: The accounting and reporting policies of the Plan conform to accounting principles generally accepted in the United States of America and to general practices within the employee benefit plan industry. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. The principles and policies which significantly affect the determination of net assets and the changes in net assets are summarized below.

Investment valuation and income recognition: Investments in common/collective trust funds ("funds") are stated at net asset value which is used as a practical expedient for fair value, which have been determined by the institution sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. Shares of registered investment companies (mutual funds) are reported at fair value based on the quoted market price of the fund which represents the net asset value of the shares held by the fund at year end.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is accrued on the ex-dividend date.

The Plan does not require collateral to secure investment instruments.

Payment of benefits: Benefit payments are recorded upon distribution.

Operating expenses: All expenses of maintaining the Plan except for certain expenses incurred to administer Plan assets (see Note 5) are paid by the Plan Sponsor.

Recent Accounting Pronouncements: On October 29, 2020, the FASB issued ASU 2020-10, Codification Improvements, which affects a wide variety of Topics in the Codification. The amendments apply to all reporting entities within the scope of the affected accounting guidance. More specifically, this ASU, among other things, contains amendments that improve the consistency of the Codification by including all disclosure guidance in the appropriate Disclosure Section (Section 50). Many of the amendments arose because the FASB provided an option to give certain information either on the face of the financial statements or in the notes to financial statements and that option only was included in the Other Presentation Matters Section (Section 45) of the Codification. The option to disclose information in the notes to financial statements should have been codified in the Disclosure Section as well as the Other Presentation Matters Section (or other Section of the Codification in which the option to disclose in the notes to financial statements appears). Those amendments are not expected to change current practice. The amendments of ASU 2020-10 are effective for annual periods beginning after December 15, 2020, for public business entities. For all other entities, the amendments are effective for annual periods beginning after December 15, 2021, and interim periods within annual periods beginning after December 15, 2022. Early application of the amendments is permitted for and varies based on the entity. The amendments should be applied retrospectively and at the beginning of the period that includes the adoption date. Plan management has evaluated the potential effects of this new accounting and financial reporting standard and has determined that it should not have a significant impact on the Plan's financial reporting.

Reclassifications: Certain amounts as previously presented in the 2020 statement of net assets available for benefits have been reclassified to conform to the current year financial statement presentation.

Subsequent events: The Plan has evaluated subsequent events through October 17, 2022 the date the financial statements were available to be issued.

PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

Note 2. Restatement of Prior Year

During the year ended December 31, 2021, management of the Plan discovered that the employer contributions receivable for the year ended December 31, 2020, and employer contributions for the year then ended were overstated by \$503,367 resulting from an overstatement of the discretionary employer profit sharing contributions. The financial statements as of and for the year ended December 31, 2020 have been restated to correct this error.

Note 3. Tax Status

The Plan Sponsor has received an opinion letter dated June 30, 2020, that the Plan and related trust qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has been restated since receiving the determination letter. However, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by Federal and state taxing authorities. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, the Plan had no uncertain positions taken or expected to be taken that would require recognition of a tax liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participant accounts will become fully vested.

Note 5. Parties-in-Interest and Related Party Transactions

Parties-in-interest are defined under United States Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. During the years ended December 31, 2021 and 2020, transactions with parties-in-interest primarily included administrative expenses related to invested assets. Administrative functions include asset management fees, participant account maintenance and custodial services and these expenses were \$114,911 and \$108,350 for the years ended December 31, 2021 and 2020, respectively. Administrative expenses for legal, accounting, and other professional services are paid directly by the Plan Sponsor and are not charged to the Plan. In addition, certain administrative functions are performed by officers or employees of the Plan Sponsor at no cost to the Plan.

Note 6. Assets Certified

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA for 2021 and 2020. Accordingly, Alerus Financial, the Custodian of the Plan, has certified to the completeness and accuracy of all investments reported on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021, and the related investment activity reported on the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

Note 7. Fair Value Measurement

Accounting Standards Codification Section 820, *Fair Value Measurements* (ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the quoted net asset value (NAV) of shares at market exchange price held by the Plan at year end.

Common collective trust fund: A stable value capital preservation fund that is composed primarily of fully benefit-responsive investment contracts, is valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021					
	Total	Level 1	Level 2	Level 3	
Mutual Funds	\$ 32,615,872	\$ 32,615,872	\$ -	\$ -	
Common collective trust fund, measured at net asset value (a)	1,135,290	-	-	-	
Total Assets at Fair Value	\$ 33,751,162	\$ 32,615,872	\$ -	\$ -	
Assets at Fair Value as of December 31, 2020					
	Total	Level 1	Level 2	Level 3	
Mutual Funds	\$ 29,731,646	\$ 29,731,646	\$ -	\$ -	
Common collective trust fund, measured at net asset value (a)	889,823	-	-	-	
Total Assets at Fair Value	\$ 30,621,469	\$ 29,731,646	\$ -	\$ -	

(a) Certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The net asset value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using net asset value per share practical expedient as of December 31, 2021 and 2020, respectively.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust fund	\$ 1,135,290	N/A	Daily	12 months
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust fund	\$ 889,823	N/A	Daily	12 months

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel strain of coronavirus, COVID-19 which originated in Wuhan, China, in December of 2019 and has since spread globally, has been adversely affecting global populations, economies, and financial markets. The governments of many countries, states, municipalities, and other geographic regions continue to monitor the advancement of the virus and manage preventative or protective actions in order to minimize the socioeconomic impact of the pandemic. The ultimate impact on the Plan's net assets available for benefits and changes in net assets available for benefits continues to be affected by the continuing responses of the financial markets to the successes and failures of the socioeconomic policies enacted by all levels of governments to manage the societal and economic effects of the pandemic.
