INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Kohanaiki Service Company LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Kohanaiki Service Company LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kohanaiki Service Company LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kohanaiki Service Company LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kohanaiki Service Company LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kohanaiki Service Company LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

2021 Supplemental Schedules Required by ERISA (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Kohanaiki Service Company LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KOHANAIKI SERVICE COMPANY LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of the Kohanaiki Service Company LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

a. General

The Plan is a voluntary defined contribution plan, effective July 01, 2008, covering all regular employees of Kohanaiki Service Company, LLC (the “Company”). Employees are eligible to participate in the Plan once they have completed one year of consecutive service in which they completed at least one-thousand hours of service and are age 21 or older. Employees covered by a collective bargaining agreement, unless the agreement requires the employees to be included under the plan, leased employees, and nonresident alien employees are not eligible to participate in the Plan. The entry date is the first day of the month coinciding with or next following the date the employee satisfies the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

b. Administration of Plan Assets

Fidelity Management Trust Company (FMTTC) is the Trustee of the Plan. Fidelity Investments Institutional Operations Company, Inc. is the record-keeper of the Plan.

c. Contributions

Each year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan agreement up to a maximum allowable under the Internal Revenue Code (IRC) of \$19,500 in 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Additionally, participants who attain age 50 before the end of the calendar year may contribute catch-up contributions up to \$6,500 for the Plan year ended December 31, 2021.

The Company may make employer matching contributions equal to a discretionary percentage of salary deferrals up to a dollar amount or percentage of eligible compensation that is determined by the Plan sponsor. For the years ended December 31, 2021 and 2020, the employer has not elected to make any discretionary matching employer contributions.

Effective January 1, 2021, the Company elected to make safe harbor matching contributions to all eligible participants in accordance with statutory requirements. The Company will make a matching contribution based on the participant’s deferral contribution in an amount equal to 100% of the first 4% of the participant’s compensation contributed to the plan for each payroll period.

All contributions are invested ratably in the investment options selected by the participants and any Company contributions are subject to the vesting guidelines discussed below. Participants may change their investment options at any time.

KOHANAIKI SERVICE COMPANY LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN (CONTINUED)

d. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and (b) Plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers funds from the Fidelity family of investments as options for participants.

e. Vesting

Participants are immediately vested at all times in account balances attributed to participant contributions plus actual earnings thereon. Safe harbor matching contributions are always 100% vested and nonforfeitable. Participants become 20% vested in any employer matching contributions after completing two years of eligible service, increasing 20% each succeeding year until fully vested after six years of service.

f. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) 50% of their vested account balance or (b) \$50,000 reduced by the highest outstanding loan balance in their account during the prior twelve-month period. Loan terms may not exceed five years for a general loan and ten years for residential home loans. All loans are secured by 50% of the vested account balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. Interest from loans is recognized when earned.

g. Payment of Benefits

Upon termination of service, retirement, disability, or death, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested account balance.

Participants entitled to distributions may elect to receive their distributions in the form of annuities, as a single lump sum payment, or in the form as a rollover if their vested balance at any time exceeded \$1,000. Participants entitled to benefits whose vested accounts never exceeded \$1,000 are to receive their distribution as a lump sum. Benefits are recorded when paid. Under certain circumstances, a participant may qualify for a hardship distribution and receive a lump-sum payment equal to all or a portion of the participant's deferral contributions account balance.

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN (CONTINUED)

h. Forfeitures

Forfeited non-vested amounts are retained in the Plan and will be first used to reduce administrative expenses and secondly to reduce future employer contributions. There were no outstanding non-vested amounts as of December 31, 2021 and 2020.

i. Administrative Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The Plan's financial statements are prepared using the accrual basis of accounting generally accepted in the United States of America.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

Investments of the Plan are held by FMTC and invested based upon instructions received from participants. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e. Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

f. Excess Contributions Payable

Amounts payable to participants totaling \$17,902 for contributions in excess of amounts allowed by the IRS were recorded as accounts payable, with a corresponding reduction to 2020 contributions. The Plan distributed the 2020 excess contributions prior to March 15, 2021.

g. Payment of Benefits

Benefits are recorded when paid.

h. Date of Management's Review

Subsequent events were evaluated through October 10, 2022, which is the date the financial statements were available to be issued.

3. INVESTMENTS

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee:

	2021	2020
Money Market Fund	\$ 52,893	\$ 8
Registered Investment Companies	\$ 2,950,296	\$ 2,193,434
Net appreciation (depreciation) in fair value	\$ 136,090	\$ 305,703
Interest and dividends	\$ 245,425	\$ 109,247

The Plan Administrator has elected the method of reporting compliance by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedules.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurement and Disclosure*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 input consists of unadjusted quoted prices in active markets for identical assets and liabilities, Level 2 inputs consists of observable inputs, other than quoted prices for identical assets and liabilities, and Level 3 inputs are unobservable inputs that are supported by little or no market activity. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

As of December 31, 2021 and 2020, the Plan held only Level 1 assets as described below:

Level 1 Fair Value Measurements – the fair value of the shares of registered investment companies is determined using the net asset value of the units held by the Plan at year end. The fair value of the money market fund approximates quoted market value.

The following table summarizes assets measured at fair value by classification within the fair value hierarchy as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market Fund	\$ 52,893	\$ -	\$ -	\$ 52,893

5. PARTY-IN-INTEREST

Certain Plan investments are shares of registered investment companies and a money market fund managed by Fidelity Management Trust Company (FMTTC). FMTTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. This transaction is exempt from the prohibited transaction rules of ERISA.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

7. TAX STATUS

The Plan is based on the non-standardized pre-approved profit-sharing plan sponsored by Fidelity Management & Research Company (FMR). The Internal Revenue Service (IRS) informed FMR by a letter dated June 30, 2020, that the form of the plan identified above is acceptable for use by employers for the benefit of their employees under Internal Revenue Code (IRC) Section 401. The Plan has not yet applied for its own determination letter; however, in the opinion of the Plan Administrator, the Plan is currently being operated in compliance with the applicable requirements of the IRC and thus qualifies the Plan for tax exempt status.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Company has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. REPORTABLE TRANSACTIONS

The Plan had no reportable transactions as defined in 29 CFR 2520.103-8.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The market volatility of equity-based investments is expected to substantially impact the value of such investments at any given time. It is likely that the value of the Plan's investments, both in total and in individual participant accounts, has fluctuated since December 31, 2021.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of benefits paid to participants per the financial statements for the year ended December 31, 2021 to Schedule H of Form 5500:

Participant contributions per the financial statements	\$ 534,076
Less: Rollovers	(13,420)
Participant contributions per Schedule H of Form 5500	<u>\$ 520,656</u>
Benefits paid to participants per the financial statements	\$ 337,291
Less: Withdrawal fees	(3,570)
Benefits paid to participants per Schedule H of Form 5500	<u>\$ 333,721</u>
