INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants
Stambaugh Ness 401(k) Plan
York, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Stambaugh Ness 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP);
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Stambaugh Ness 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Stambaugh Ness 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the *ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Stambaugh Ness 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Stambaugh Ness 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplementary Schedule Required by ERISA

The supplementary schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplementary schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of Stambaugh Ness 401(k) Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated May 26, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Each year, participants may contribute up to a 100 percent of pre-tax annual eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover contributions).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

For non-highly compensated employees, the Company contributes a safe harbor contribution equal to 3% of total compensation. The Company may also contribute a discretionary safe harbor contribution to highly compensated employees, not to exceed 3%. In addition to the safe harbor contribution, the Company may make a discretionary profit sharing contribution. During 2021, the Company made a 0.5% profit sharing contribution to all employees up to the social security limit. For eligible wages in excess of the social security limit, the Company made an additional 3.5% profit sharing contribution. Employees must be employed on the last day of the year, or be terminated due to attaining Normal Retirement Age to be eligible to receive the profit sharing contribution. The Company may also make a discretionary matching contribution. The Company made matching contributions of \$696,044 in 2021. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions and allocations of (a) the Company's contribution, if applicable, and (b) Plan earnings less expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Administrative fees, except loan fees and certain investment fees, are allocated based on participant earnings or account balances.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Investment Options

Investments are currently held by Principal Life Insurance Company. Upon enrollment in the Plan, a participant may direct contributions in 1% increments in any of the available funds managed by Principal Life Insurance Company.

Administrative Expenses

The Plan permits the payment of Plan expenses to be made from the Plan assets. If the Company does not pay these expenses, then the expenses paid using the Plan's assets will be allocated among the participant accounts. For the year ended December 31, 2021, administrative fees paid for by plan assets totaled \$82,607.

Vesting

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company's discretionary match contribution portion of their accounts plus actual earnings thereon is based on years of vesting service as follows:

Years of Service	Percent Vested
< 2	0%
2	20
3	40
4	60
5	80
6 or more	100

Vesting in the Company's safe harbor contribution portion of their accounts plus actual earnings thereon is based on years of vesting service as follows:

Years of Service	Percent Vested
< 2	0%
2	100

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 less the highest outstanding balance of the participant's loan in the last 12 months, or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The notes bear interest at a rate available for similar notes from commercial lending institutions, as determined by the plan administrator and to be repaid over a determined period. Principal and interest are paid ratably through payroll deductions.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Upon severance of employment, a participant, or their beneficiary, whose vested account balance exceeds \$5,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or for participants subject to required minimum distributions (RMD) only, installments on a monthly, quarterly, or annual basis equal to or exceeding the RMD amount. The Plan will make a mandatory distribution following severance of employment for participants whose vested account balance is equal to or less than \$5,000 (the Plan includes rollovers when determining whether a participant's vested account balance meets this \$5,000 minimum). Hardship withdrawals are allowed from a participant's pre-tax and Roth elective deferral accounts. In-service distributions are allowed once a participant has attained age 59 ½.

Forfeited Accounts

At December 31, 2021 and 2020, forfeitures totaled \$46,917 and \$22,421, respectively. Such accounts are used to reduce employer matching contributions or pay Plan expenses. Forfeitures of \$22,578 were used to offset Plan expenses for the year ended December 31, 2021.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets must be used for the exclusive benefit of participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP), which requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Financial Accounting Standards Board (FASB) has adopted the Accounting Standards Codification (ASC) as the sole source of authoritative GAAP. The FASB will issue Accounting Standards Updates (ASU) from time to time to make adjustments to GAAP.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported by the custodian, Principal Life Insurance Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's management determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Net appreciation or depreciation of investments included in the accompanying statement of changes in net assets available for benefits includes realized gains or losses from the sale of investments and unrealized appreciation or depreciation in fair value of investments. Net unrealized appreciation or depreciation in the fair value of investments represents the net change in the fair value of the investments held during the year. The net realized gains or losses on the sale of investments represent the difference between the sale proceeds and the fair value of the investment as of the beginning of the year or the cost of the investment if purchased during the year.

Purchases and sale of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are recorded at amortized costs plus accrued, but unpaid interest.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified as to complete and accurate by the custodian.

	2021	2020
Investments, at fair value	\$ 26,207,254	\$ 21,477,538
Notes receivable from participants	117,119	71,942
Investment income:		
Interest of notes receivable from participants	3,539	
Interest and dividends	163,672	
Net appreciation in fair value of investments	2,811,781	

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan follows FASB ASC 820, Fair Value Measurement. FASB ASC 820 defines fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- Level 1 values are based on quoted prices in active markets for identical securities.
- Level 2 values are based on significant observable market inputs corroborated by market data but not quoted on active markets.
- Level 3 values are based on significant unobservable inputs and include situations where there is little, if any, market activity for the securities.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Guaranteed interest accounts are valued by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Pooled separate accounts are valued at fair value using the net asset value (NAV) practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund. These investments may be redeemed daily.

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

December 31, 2021	Fair Value Measurements Using:			
	Fair Value	Level 1	Level 2	Level 3
Mutual funds	\$ 6,223,732	\$ 6,223,732	\$ -	\$ -

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

*In accordance with ASC Subtopic 820-10, the Plan's interest in the pooled separate accounts are measured at fair value using the NAV per share (or its equivalent) practical expedient and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 investments, the guaranteed interest accounts, for the years ended December 31, 2021 and 2020:

	2021	2020
Balance, beginning of year	\$ 3,042,615	\$ 2,232,032

NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts, mutual funds, common collective trusts or guaranteed interest accounts managed by the investment custodian(s). Therefore, these transactions qualify as party-in-interest transactions. Investment fees paid to the custodian(s) are netted against investment returns.

NOTE 6 – TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

STAMBAUGH NESS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 6 – TAX STATUS (Continued)

The Plan follows the accounting guidance for uncertainty in income taxes using the provisions of FASB ASC Topic 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities.

The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits. The Plan's evaluation was performed for tax years ended December 31, 2018 through December 31, 2021, the years that remain subject to examination by major tax jurisdictions as of December 31, 2021.

NOTE 7 – AMOUNTS OWED TO WITHDRAWN PARTICIPANTS

As of December 31, 2021, the vested balance of net assets available for benefits that were in accounts of participants that are no longer employees of the plan sponsor totaled \$6,830,693. Of those balances, no amount had been requested to be paid to the participants but were not paid until subsequent to the Plan's year end.

NOTE 8 – RISK AND UNCERTANTIES

In March 2020, the World Health Organization categorized the Coronavirus Disease (COVID-19) as a pandemic, and the President of the United States declared the COVID-19 outbreak a national emergency. The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect, the fair value of Plan assets. The potential economic impact brought by, and the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. The impact on the Plan Sponsor and the Plan could be material.

NOTE 9 – SUBSEQUENT EVENTS

The plan administrator evaluated events and transactions subsequent to December 31, 2021 through October 12, 2022 (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. Other than the item noted below, the plan administrator has not identified any items requiring recognition or disclosure in the financial statements.

In February 2022, Russian forces invaded the country of Ukraine causing a sharp escalation of the Russo-Ukrainian War. The invasion has caused global economic uncertainty due to numerous economic sanctions placed on Russia by the United States, European Union, and members of the NATO alliance. Additionally, during 2022 the U.S. Federal Reserve began raising interest rates in efforts to combat rising inflation. These events have led to volatility in financial markets and has affected, and may continue to affect, the fair value of Plan assets. The potential economic impact brought by, and the duration of, these events is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted. The impact on the Plan Sponsor and the Plan could be material.
