INDEPENDENT AUDITOR'S REPORT

The Administrative Committee of
Wieden + Kennedy, Inc. 401(k) Profit Sharing Plan
Portland, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Wieden + Kennedy Inc., 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and

- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other

records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 12, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

WIEDEN + KENNEDY, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Wieden + Kennedy, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering most employees of Wieden + Kennedy, Inc. (the Company), who have one month of employment and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments - Effective November 19, 2021 the Plan was amended with a new vesting schedule. After one year of service, participants vest in the portion of their accounts attributable to employer discretionary contributions at the rate of 20% for each year of service.

Effective June 1, 2021, the Plan was amended to change the employer discretionary matching contribution period from a calendar year to a discretionary period to be determined by the employer.

Effective May 10, 2021, the Plan was amended to include bonuses that previously were excluded as part of eligible compensation.

Effective December 31, 2020 the Plan was amended to require a participant to be employed on the last day of the Plan year to receive discretionary employer matching contributions.

Effective July 6, 2020, the Plan was amended to remove service requirements for employer discretionary matching and discretionary contributions.

In April 2020, the Plan adopted the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. These provisions permit Coronavirus Related Distributions (CRDs) up to \$100,000 to Plan participants affected by COVID-19. Additionally, the provisions raise loan limits to the lesser of \$100,000 or 100% of the present value of the COVID-19 affected Plan participant's vested balance. Affected Plan participants may delay the due date of the next-scheduled loan repayment for up to one year if the due date of such repayment occurs between March 27, 2020 and December 31, 2020. Following this suspension period and the loan will be re-amortized to include interest accrued during the suspension and the total repayment term of the loan may be extended by the duration of the suspension. Under the CARES Act, Required Minimum Distributions ("RMDs") are waived for 2020 for Plan participants and for beneficiaries taking RMDs under the life expectancy or five-year rules. Plan management is currently working with advisors to amend the Plan document for these adopted provisions.

Contributions - Contributions consist of employee elective deferral contributions, discretionary employer matching contributions and additional discretionary contributions provided by the Company. Employees may voluntarily contribute up to 60% of their compensation, limited to \$19,500 in 2021 and 2020, annually, as prescribed by the Internal Revenue Code (IRC). Participants aged 50 and older may elect to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Newly eligible participants are automatically enrolled in the Plan at a 6% deferral rate, unless they elect otherwise and will have their deferral rate increased

annually by 1% until a deferral rate of 10% is reached. The Company made employer discretionary matching contributions equal to 50% of the employee elective deferrals up to 6% of eligible compensation contributed to the Plan for the year for each eligible employee that was employed on December 31st of each year. Discretionary contributions are determined annually by the Board of Directors of the Company. In addition, contributions are subject to other limits under the IRC.

Participant Accounts - A separate account is maintained for each participant, which is credited with the participant's contributions, the Company's matching contributions, the Company's discretionary matching contributions, the Company's discretionary contributions and an allocation of Plan earnings and forfeited balances of terminated participants. Allocations are based on participant compensation or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are fully vested at all times in that portion of their accounts attributable to their own contributions and to Company matching contributions. After two years of service, participants vest in the portion of their accounts attributable to Company discretionary contributions at the rate of 20% for each year of service. A participant is fully vested after six years of credited service.

Administrative Expenses - The Company pays the administrative costs of the Plan associated with most professional services provided to the Plan, and the cost of communication to the participants. Administrative expenses recorded in the Plan represent trustee fees and other recordkeeping fees paid directly from the Plan to the Plan's trustee and other vendors. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. For 2021 and 2020 participants are charged an annual recordkeeping fee of up to \$77 per participant. These fees, which are accumulated and paid out of the Putnam Stable Value Fund, are intended to cover all administrative expenses paid by the Plan. Amounts collected from participants in excess of current year expenses are accumulated in the Plan and used to fund future administrative expenses. Starting in 2021, excess funds in the account, after paying expenses, are reallocated to participant accounts. The amounts available to fund administrative expenses in the subsequent plan year amounted to \$68,540 and \$346,221 at December 31, 2021 and 2020, respectively. In 2021 and 2020, amounts totaling \$210,248 and \$187,158 were used from this account to pay administrative expenses.

Payment of Benefits - Upon separation of service, death, disability, or retirement, a participant will receive their benefits as a lump-sum amount equal to the value of the participant's vested interest in his or her account, unless they elect to receive their benefits in the form of installments.

Forfeitures - At December 31, 2021 and 2020, forfeited nonvested accounts amounted to \$1,114,995 and \$883,171, respectively. In 2021 and 2020, \$883,171 and \$801,113, respectively, in forfeitures were allocated to participants as employer contributions. No forfeitures were used to reduce administrative expenses in 2021. In 2020, \$27,315, in forfeitures were used to fund administrative expenses. Subsequent to December 31, 2021 and 2020, forfeitures totaling \$1,086,290 and \$883,171, respectively, were allocated to participants as 2021 and 2020 discretionary employer contributions, and \$21,579 and \$0, respectively, were allocated to participants as 2021 and 2020 discretionary employer match contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements were prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year and management and operating expenses associated with the Plan's investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Benefit Payments - Benefits are recorded when paid. Accordingly, benefits payable to persons that have elected to withdraw from the Plan but are not yet paid at year-end have not been accrued. At December 31, 2021 and 2020, there were no amounts payable to participants.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results may differ from those estimates.

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE OF THE PLAN

The following is a summary of the comparative unaudited information regarding the Plan, included in the Plan's financial statements and supplement schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) that was certified by the trustee of the Plan, Fidelity Management Trust Company, and furnished to the plan administrator. The plan administrator has obtained certification from the trustee that such information is complete and accurate.

	2021	2020
Investments	\$235,351,687	\$206,197,812
Notes receivable from participants	\$ 713,881	\$ 802,929
Net appreciation in fair value of investments	\$ 23,131,943	\$ 28,906,451
Interest and dividends	\$ 6,814,403	\$ 4,710,145
Interest income on notes receivable from participants	\$ 50,010	\$ 49,821

NOTE 4 – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units held by the Plan at year end as reported by the investment managers, comprised primarily of fully benefit-responsive investment contracts. The NAV provided by the trustee, is used as a practical expedient to estimate fair value. Units in collective trust funds are not publicly traded, but rather, are redeemable only by the issuer. The value of the Plan's investments in collective trust funds represent the value of the Plan's interests in the overall value of the collective trust funds. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investments for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Investments in collective trust funds can generally be redeemed

without restrictions; however, in certain cases, redemption or purchases may be limited to prevent excess and/or short-term trading. Were the Plan to initiate a full redemption of the collective trust funds, the investment advisor reserves the right to temporarily delay withdrawal to ensure that securities liquidation will be carried out in an orderly business manner.

Self-directed brokerage accounts: Accounts primarily consisting of common stock, mutual funds and cash that are valued on the basis of readily determinable market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumption to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 212,834,468	\$ -	\$ -	\$ 212,834,468
Self-directed brokerage accounts	3,910,895	-	-	3,910,895
Total assets in fair value hierarchy	216,745,363	-	-	216,745,363
Collective trust funds measured at NAV (a)	-	-	-	18,606,324
Total investments at fair value	<u>\$ 216,745,363</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 235,351,687</u>

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 182,724,578	\$ -	\$ -	\$ 182,724,578
Self-directed brokerage accounts	3,336,145	-	-	3,336,145
Total assets in fair value hierarchy	186,060,723	-	-	186,060,723
Collective trust funds measured at NAV (a)	-	-	-	20,137,089
Total investments at fair value	<u>\$ 186,060,723</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 206,197,812</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively:

	December 31, 2021 Fair Value	December 31, 2020 Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Collective trust funds	\$ 18,606,324	\$ 20,137,089	N/A	Daily	No longer than 12 months

NOTE 5 – NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of \$1,000 from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates that are commensurate with local borrowing rates that range from 5.25% to 7.50% at December 31, 2021. Loan repayments are made ratably through payroll deductions over a period not to exceed five years, unless the loans were used to purchase a primary residence in which case the loan terms may exceed five years.

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The trustee of the Plan is Fidelity Management Trust Company. Certain Plan investments are shares of mutual funds managed by Fidelity Investments. Fidelity Investments is an affiliate of the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest. Fees for investment management services charged by Fidelity Investments are netted against Plan earnings and range from 0.02% up to 0.42% of the average daily investment balance.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 – CONCENTRATIONS, RISKS, AND UNCERTAINTIES

The Plan provides for investments that are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits, and therefore participants' account balances. There was one investment that individually represented more than 10% of the investments held as of December 31, 2021 and 2020. See the Supplemental Schedule of Assets (Held at End of Year) for the complete listing of investments held as of that date.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. As a result, the Plan's investment portfolio has incurred significant volatility since the initial outbreak. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time. These financial statements do not consider the potential future impacts of the pandemic.

NOTE 9 – TAX STATUS

The Plan document is a prototype standardized profit-sharing plan sponsored by Fidelity Management and Research Company. In an opinion letter dated March 31, 2014, the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of December 31, 2021 and 2020. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported on the Plan's financial statements to the Form 5500 at December 31, 2021:

Net assets available for benefits reported on the financial statements	\$244,386,979
Accrued employer receivable	<u>(8,321,411)</u>
Net assets available for benefits reported on Form 5500	<u>\$236,065,568</u>

The following is a reconciliation of net increase as reported on the Plan's financial statements to the Form 5500 for the years ended December 31, 2021:

Net increase reported on the financial statements	\$ 33,696,925
Accrued employer receivable	<u>(8,321,411)</u>
Net increase reported on the Form 5500	<u>\$ 25,375,514</u>

NOTE 11 – SUBSEQUENT EVENTS

Effective April 15, 2022 the Plan was restated through adoption of a non-standardized pre-approved plan document sponsored by Fidelity Management Trust Company. The provisions of the Plan are substantially unchanged by this restatement. The pre-approved plan document received an IRS opinion letter on June 30, 2020.

The Plan's management has performed an evaluation of subsequent events through October 17, 2022, which is the date these financial statements were available to be issued.
